Subject: Addendum No. 1 to RFP for Independence Day Celebration Fireworks Display
at Historic Corolla Park

This Addendum forms a part of the Contract Documents and modifies the RFP documents dated March 5, 2026, with amendments and additions noted below. This Addendum must be acknowledged on the Bid Form. Failure to acknowledge receipt of Addendum No. 1 may result in your submission being declared non-responsive.

Questions:

1. Do you have a site diagram of the launch site, or can you give us a location for the discharge site for the fireworks?

Answer: The launch point will be in the same location as the location on the attached map of the 2024 event.

2. There is no mention of shell size for the Grand Opening, Mid Show Barrage or Finale. Can you supply any information about what you have had in the past as a guide?

Answer: For prior shows the opening was a mixture of 3", 4", 5" and 6" shells. The mid show barrage was a mixture of the same size shells with the addition of 2.5" shells added into the mix. The finale was a mix of 3", 4", 5", and 6" shells, cakes, and other rapid-fire ordinances.

3. If we would like to visit the site, does that need to be before the March 25 deadline on questions?

Answer: The site is accessible at will. Visiting before March 25th will allow an opportunity to ask questions regarding the location but is not mandatory.
