Good morning Chief,

I just wanted to take a moment to let you in on a special we are running for a very limited time. Currently we have the Hurst 788WXT watertight cutter with two 9amp hour batteries and charger on sale and in stock ready to be delivered to your department for \$6945.00+ shipping. Chief the regular price on this Ultra high strength steel cutter is \$13,500.00+shipping. This is not a joke this is a limited time offer that ends when the overstock our buyer purchased is gone. Chief I am sure as you are aware now in the ever changing industry we work in that the metals we face everyday during extrications are more difficult than ever before. It doesn't matter what tool brand or system type you are running these cutters work with any system and give you that advantage of being able to cut the metals you could not in the past.

If you have never tried the Hurst Edraulics it is my job to come and demo them for your department and if you think that they are too expensive or are out of reach, Chief we have many affordable ways to assist you in making your purchases. If you are interested in seeing one of the 788WXT cutters prior to making a purchasing decision let me know at the email or phone number below or let your local sales rep know and we will be happy to stop by with one, I have one on my truck. I am also attaching the spec sheet here for the cutter in the email.

Chief, also remember your local MES sales rep, for all of your turnout gear, hose, nozzle appliance, Scott Air packs, Revolve air compressors, and any of the many other fire and EMS service products we carry. We have an express spec turn out gear we are currently able to delivery in about 12 weeks. Ask your local sales rep.

We also service what we sell at your door step. Specializing in Hurst, Scott and Compressor service as well at your door step.

Thank you for giving us the opportunity to earn your business chief.

March 31, 2022

To Members of the Board of Commissioners
and Sandra Hill, Finance Officer
Currituck County, North Carolina

We are pleased to confirm our understanding of the services we are to provide Currituck County for the year ended June 30, 2022.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements of Currituck County as of and for the year ended June 30, 2022. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Currituck County's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Currituck County's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis
2. Law Enforcement Officer's Special Separation Allowance
3. Other Post-Employment Benefits – Retiree Health Care
4. Local Governmental Employees' Retirement System
5. Register of Deeds' Supplemental Pension Fund
6. Firefighters' and Rescue Squad Workers' Pension Fund

We have also been engaged to report on supplementary information other than RSI that accompanies Currituck County's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements:

1. Schedule of Expenditures of Federal and State Awards
2. Individual Fund Statements and Schedules – Budget and Actual
3. Other Financial Information

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

1. Statistical Schedules/Tables for the Annual Comprehensive Financial Report (ACFR)
2. Non-Required Supplementary Information from Internal Purposes (Introductory Information)

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objective also includes reporting on –

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal and state statutes, regulations, and the terms and conditions of federal and state awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the State Single Audit Implementation Act.

Auditors' Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; the provisions of Uniform Guidance and State Single Audit Implementation Act, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance and State Single Audit Implementation Act, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we will exercise professional judgment and maintain professional skepticism throughout the audit.

Members of the Board of Commissioners
Currituck County, North Carolina
March 31, 2022
Page 3

We will evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether they financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and of any material abuse that comes to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry.

We have identified the following significant risk(s) of material misstatements as part of our audit planning.

- Improper revenue recognition due to fraud – Following the guidance of Statement on Auditing Standards No. 99, this risk is classified as a presumptive fraud risk due to the potential for material misstatement of the financial statements.
- Management override of controls – Following the guidance of Statement on Auditing Standards No. 99, this risk is classified as a presumptive fraud risk due to the potential for material misstatement of the financial statements.

As our audit planning has not concluded, there may be modifications to the above identified risks. Should modifications become necessary, we will communicate these to you in a timely manner, in writing.

Audit Procedures – Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance and the State Single Audit Implementation Act.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, the Uniform Guidance and the State Single Audit Implementation Act.

Audit Procedures – Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Currituck County's compliance with the provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal and state statutes, regulations and the terms and conditions of federal and state awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of Currituck County's major programs. For Federal and state programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on Currituck County's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance, and the State Single Audit Implementation Act.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal and state awards, and related notes of Currituck County in conformity with U.S. generally accepted accounting principles and the Uniform Guidance and the State Single Audit Implementation Act, input of the Data Collection Form into the Federal Audit Clearinghouse, and any other nonattest services based on information provided by you. These nonattest services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal and state awards, related notes, and Data Collection Form services previously defined. We, in our sole professional judgement, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal and state awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements, schedule of expenditures of federal and state awards, and all accompanying information in conformity with accounting principles generally accepted in the United States of America, and for compliance with applicable laws and regulations (including federal and state statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal and state awards, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance and the State Single Audit Implementation Act, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal and state awards; federal and state awards programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Electronic Data Communication and Storage and Use of Third Party Service Provider

In the interest of facilitating our services to your company, we may send data over the Internet, securely store electronic data via computer software applications hosted remotely on the Internet, or allow access to data through third-party vendors' secured portals or clouds. Electronic data that is confidential to your company may be transmitted or stored using these methods. We may use third-party service providers to store or transmit this data, such as, but not limited to, providers of tax return preparation software. In using these data communication and storage methods, our firm employs measures designed to maintain data security. We use reasonable efforts to keep such communications and data access secure in accordance with our obligations under applicable laws and professional standards. We also require our third-party vendors to do the same.

You recognize and accept that we have no control over, and shall not be responsible for, the unauthorized interception or breach of any communications or data once it has been sent or has been subject to unauthorized access, notwithstanding all reasonable security measures employed by us or our third-party vendors. You consent to our use of these electronic devices and applications and submission of confidential client information to third-party service providers during this engagement.

While we may back up your files to facilitate our services, you are solely responsible for the backup of your files and records; therefore, we recommend that you also maintain your own backup files of these records. In the event you suffer a loss of any files or records due to accident, inadvertent mistake, or Act of God, copies of which you have provided to us pursuant to this agreement, we shall not be responsible or obligated to provide you a copy of any such file or record which we may retain in our possession.

All parties agree that an alternative form of dispute resolution shall not be undertaken by either party until the expiration of fifteen (15) calendar days following notice being provided to the other party indicating that the dispute cannot be settled through mediation. Must be within four months of FYE

hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business- type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types). The basic financial statements shall include budgetary comparison information in a budgetary comparison statement, rather than as RSI, for the General Fund and any annually budgeted Special Revenue funds.

2. At a minimum, the Auditor shall conduct the audit and render the report in accordance with GAAS. The Auditor shall perform the audit in accordance with *Government Auditing Standards* if the Governmental Unit expended \$100,000 or more in combined Federal and State financial assistance during the reporting period. The auditor shall perform a Single Audit if required by Title 2 US Code of Federal Regulations Part 200 *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) or the State Single Audit Implementation Act. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit in accordance with the Uniform Guidance (§200.501), it is recommended that the Auditor and Governmental Unit(s) jointly agree, in advance of the execution of this contract, which party is responsible for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512).

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.
4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC Staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.
5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2018 revision, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor's receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.
- If the audit engagement is not subject to *Government Accounting Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.
6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC Staff within four months of fiscal year end. If it becomes necessary to amend the audit fee or the date that the audit report will be submitted to the LGC, an amended contract along with a written explanation of the change shall be submitted to the Secretary of the LGC for approval.
7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the *AICPA Professional Standards (Clarified)*. The Auditor shall file a copy of that report with the Secretary of the LGC.
8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's (Units') records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Approval is not required on contracts and invoices for system improvements and similar services of a non-auditing nature.
9. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. (This also includes any progress billings.)(G.S. 159-34 and 115C-447) All invoices for Audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked 'approved' with approval date shall be returned to

the Auditor to present to the Governmental Unit(s) for payment. This paragraph is not applicable to contracts for audits of hospitals.

10. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC if required, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 13).

11. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC Staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC Staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.

12. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.

13. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.

14. The Auditor shall submit the report of audit in PDF format to LGC Staff. For audits of units other than hospitals, the audit report should be submitted when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC. These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC Staff.

15. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the

Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.

16. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to hospitals). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC, the Governing Board, and the Auditor.

17. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and except for fees, work, and terms not related to audit services, shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 30 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.

18. Special provisions should be limited. Please list any special provisions in an attachment.

19. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the primary government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.

20. The contract shall be executed, pre-audited (pre-audit requirement does not apply to hospitals), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.

21. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.

22. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

23. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.

24. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

25. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.

26. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.

27. **Applicable to audits with fiscal year ends of June 30, 2020 and later.** For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and Governmental Auditing Standards, 2018 Revision (as applicable). Financial statement preparation assistance shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. If the Auditor cannot reduce the threats to an acceptable level, the Auditor cannot complete the audit. If the Auditor is able to reduce the threats to an acceptable level, the documentation of this determination, including the safeguards applied, must be included in the audit workpapers.

All non-attest service(s) being performed by the Auditor that are necessary to perform the audit must be identified and included in this contract. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the services and accept responsibility for the results of the services performed. If the Auditor is able to identify an individual with the appropriate SKE, s/he must document and include in the audit workpapers how he/she reached that conclusion. If the Auditor determines that an individual with the appropriate SKE cannot be identified, the Auditor cannot perform both the non-attest service(s) and the audit. See "Fees for Audit Services" page of this contract to disclose the person identified as having the appropriate SKE for the Governmental Unit.

28. **Applicable to audits with fiscal year ends of June 30, 2021 and later.** The auditor shall present the audited financial statements including any compliance reports to the government unit's governing body or audit committee in an official meeting in open session as soon as the audited financial statements are available but not later than 45 days after the submission of the audit report to the Secretary. The auditor's presentation to the government unit's governing body or audit committee shall include:

- a) the description of each finding, including all material weaknesses and significant deficiencies, as found by the auditor, and any other issues related to the internal controls or fiscal health of the government unit as disclosed in the management letter, the Single Audit or Yellow Book reports, or any other communications from the auditor regarding internal controls as required by current auditing standards set by the Accounting Standards Board or its successor;
- b) the status of the prior year audit findings;
- c) the values of Financial Performance Indicators based on information presented in the audited financial statements; and
- d) notification to the governing body that the governing body shall develop a "Response to the Auditor's Findings, Recommendations, and Fiscal Matters," if required under 20 NCAC 03 .0508.

29. Information based on the audited financial statements shall be submitted to the Secretary for the purpose of identifying Financial Performance Indicators and Financial Performance Indicators of Concern. See 20 NCAC 03 .0502(c)(6).

30. All of the above paragraphs are understood and shall apply to this contract, except the following numbered paragraphs shall be deleted (See Item 17 for clarification).

31. The process for submitting contracts, audit reports and invoices is subject to change. Auditors and units should use the submission process and instructions in effect at the time of submission. Submitted By: Leeann Walton – County Manager

Presenter of Item:

Board Action: Action

Brief Description of Agenda Item:

Knotts Island Ruritans have submitted their permit application for Board consideration to allow alcohol sales at this year's Peach Festival, to take place at KI Ruritan Park, July 29-31, 2022.

Is this item regulated by plan, regulation or statute? No

Manager Recommendation:

TO: Currituck County Board of Commissioners

Knotts Island Ruritan Clubs would like to ask for permission to have alcoholic beverages at our 2022 Festival is July 29, 2022 thru July 31, 2022. We have KI Fire Department and Currituck Sheriffs office at our event.

The Club uses all proceeds from this festival to support different community groups and activities in the Island Community. Groups including the Scholarships, Food Pantry, The School, the Boy and Girl Scouts, The Ruritan Kids Annual Toy Drive, The Churches, and others in need. We put back into the community in \$23,000 and this year 2022. Note our year is July 1st to June 30.

This is a major fundraiser to help offset COVID-19 losses and not make the club depend on just the Peach Festival for us to support the projects we have been helping with-in the community.

Projected profits will allow us to continue to support our community needs.

We want to serve in plastic or cans Beer, Malt Beverages, Mix Drinks and Wine.
Unopened bottle wines will be available for purchase to carry home.

Thank You For Your Consideration.

CURRITUCK COUNTY NORTH CAROLINA

April 4, 2022

Minutes – Regular Meeting of the Board of Commissioners

WORK SESSION

1. 5:00 PM Public Safety Center Lobby Photo Design Review / Unified Government Discussion

The Currituck County Board of Commissioners met at 5:00 PM in the Board Meeting Room for a Work Session to select a graphic design for the lobby area of the Public Safety Center. The Board also received information on Unified Government and action taken by staff to move the item forward to be included as a referendum on the November, 2022 election ballot.

Public Safety Photo Design:

Michelle Perry, Assistant County Engineer, presented Commissioners with five graphic design options for the lobby area of the Public Safety Center. Ms. Perry reviewed each proposal and responded to questions from the Board. As all photos were developed in black and white, Commissioners requested options using color photos for comparison.

Option 4 was chosen by Commissioners as the main graphic design, which includes a map outline of the county. Board members requested the map be shifted to the left in the graphic so it could be located on a full wall and not in the corner. Board members asked that color photos be added with a focus on County services and badges.

Unified Government:

Chairman Payment discussed the possibility of moving forward with a Unified Government referendum on the November, 2022 election ballot. County Manager, Ike McRee, provided a history of the desire to establish a Unified Government in the County based on results of a visioning session in which the Board participated in 2019. Further discussion at the Board's 2022 Annual Retreat confirmed the Board's desire to move forward with Unified Government and asked staff to develop a public education program.

A document was shared with Commissioners which highlighted topics and action to be taken for the purpose of providing education and messaging for the public. Short videos, town halls, grass-roots initiatives, working with the Chamber of Commerce, and creating a citizens committee were several ideas discussed.

Mr. McRee reviewed the timeline for getting the referendum on the November ballot. Videographer, Mike Martine, was present for the work session and said he can get the videos complete within the necessary time frame, and it was suggested the county reach out to citizens who wish to serve on the committee in the June edition of the County's Focus

Communication: Minutes for April 4, 2022 (Approval Of Minutes-April 4, 2022)

newsletter.

Rebecca Gay, Assistant to the County Manager, discussed challenges faced when attempting to determine revenues that would be generated for Currituck County with Unified Government. PUBLIC COMMENT

Please limit comments to matters other than those appearing on this agenda as a Public Hearing. Public comments are limited to 3 minutes.

Chairman Payment opened the Public Comment period.

Willo Kelly, Currituck resident and Chief Executive Officer of the Outer Banks Association of Realtors, discussed the Fair Housing Act and discussed the housing challenges and shortages that exist in Currituck and Dare counties. She asked Commissioners to proclaim April as "Fair Housing Month" to mark the 54th anniversary of the Fair Housing Act.

John and Maureen Montgomery of Southern Shores, owners of Outer Banks Jeep Rentals, discussed the negative impacts to their business if the proposed changes to the off-road area beach parking permits are put into place. Mr. Montgomery referred to an earlier letter that was sent to Commissioners on the topic and summarized its contents. He stressed the positive aspects of jeep rentals and asked the Board to consider modifications to allow them to maintain their operation.

No others were signed up nor wished to speak and the Public Comment period was closed.

COMMISSIONER'S REPORT

Commissioner McCord said a recent training he attended in Raleigh, and the heavy traffic in that area, made him appreciate living in Currituck County. He announced Easter events that had taken place over the weekend and took time to recognize Sheriffs Sergeants Mike Corbell and Jessie Taylor who had assisted in apprehending a murder suspect.

Chairman Payment highlighted the recent Currituck Kids Easter Egg Hunt event and encouraged citizens to get involved. Noting recent structure fires and motor vehicle accidents, he asked citizens to support their local fire departments.

Commissioner White acknowledged the work performed by Sheriffs Deputies and of the Sheriffs office and thanked them for their efforts.

Commissioner Mary Etheridge reported on the Visit NC 365 Tourism Conference she recently attended and spoke of the importance of Tourism in the County. She attended the Environmental Farm and Household Hazardous Waste Disposal Day and the Currituck Kids Easter Egg Hunt over the weekend. She thanked the student volunteers from JP Knapp Early College and Currituck County High School. She announced April is National Child abuse and Awareness Month and wished Commissioner J. Owen Etheridge a speedy recovery.

Commissioner Jarvis noted the many Advisory Board appointments on the agenda and encouraged citizens to apply to serve. She offered prayers for Commissioner J. Owen Etheridge.

COUNTY MANAGER/ATTORNEY REPORTS

County Manager, Ike McRee, reported on Environmental Day, an event planned by the Public Works Department. He said this year marked the highest amount of hazardous waste collected at a Currituck County event. Mr. McRee provided a progress report on the new dune walkovers being constructed in Corolla at Dolphin, Coral and Mackerel in the Whalehead Subdivision.

ADMINISTRATIVE REPORTS

A. YMCA Annual Report-State of the "Y"

Dean Mattix, District Vice President of YMCA of South Hampton Roads, and Executive Director of the Currituck YMCA, DJ Kophazy, attended to present a status and operations update for the Currituck YMCA. A review of Covid impacts and losses were reported, followed by signs of positive growth after Covid restrictions. The Board's vision for the Maple Complex and partnerships with the Senior Center and Cooperative Extension were commended. As the new Executive Director, Mr. Kophazy introduced himself and recognized the YMCA Board members in attendance. He reviewed goals established for the Currituck YMCA that include expanded classes and hours, and he looks forward to continuing the partnership with the county in service to the community.

He received comments from Board members and responded to questions from Commissioners, particularly related to summer camps that at times prohibit members from being able to use some of the facilities. Mr. Kophazy ensured Commissioners those situations have been evaluated, and steps to resolve those issues will be implemented. It was suggested that the YMCA consider working with Currituck Kids and other non-profits. Commissioners thanked Mr. Kophazy for attending.

OLD BUSINESS-SECOND READING

A. Consideration of Ordinance Amendment to Modify Beach Parking Permit Regulations and Require an ATV Permit to Operate a UTV/Side by Side on the Currituck County Off-Road Area

County Manager, Ike McRee, reviewed the statutory language explaining the need for a second reading of the Ordinance and reviewed the modifications with Commissioners. He noted changes to the fee schedule that will limit the number of permits available for purchase to 300 per week and the process for the purchase and pickup of permits. Mr. McRee clarified that access to the beach is not prohibited and discussed the issuance of civil citations and increased fines for violations.

Commissioner White discussed the process in which property management companies are able to get vacation renters their permits. He said the changes will bring about enhanced public safety and a better experience for beachgoers.

Commissioner McCord said there are too many changes to the Ordinance. He said he likes offering a seasonal pass and said enforcement of the new UTV requirement will be challenging. Commissioner White said the UTV's are impacting the off-road the same as ATV tours did previously, and tourism and their partners will need to assist with messaging to educate the public.

Discussion concluded and Commissioner White moved to approve the Ordinance amendment. Commissioner Mary Etheridge seconded the motion. The motion passed, 5-1. Commissioner McCord voted against the motion.

AN ORDINANCE OF THE CURRITUCK COUNTY BOARD OF COMMISSIONERS AMENDING SECTION 10-64 OF THE CURRITUCK COUNTY CODE OF ORDINANCES MODIFYING THE ISSUANCE OF BEACH PARKING PERMITS

NEW BUSINESS

A. Consideration of Consultant Recommendation for Public Private Partnership

County Manager, Ike McRee, recounted the Board's decision to look at a Public Private Partnership (PPP) with regard to the County wastewater facility in Moyock and the County sought proposals from owner/consultants to begin the process of evaluating the plant and to assess the viability of moving forward in a PPP.

Four proposals were received and scored by staff and Project Finance Advisory Ltd. (PFAL) was selected as the owner/consultant company for the evaluation and analysis of a PPP at a cost of \$176,198.00. A second phase would be to evaluate potential partners.

Commissioner Beaumont asked about pricing for the other proposals and questioned some of the blended rates in the packet PFAL submitted. Commissioner Jarvis moved to approve the proposal. Commissioner White seconded the motion. The motion carried, 5-1, with Commissioner Beaumont opposed. He requested the other bidder information and pricing.
