

CURRITUCK COUNTY NORTH CAROLINA

November 15, 2021

Minutes – Regular Meeting of the Board of Commissioners

WORK SESSION-5:00 PM

1. Moyock Wastewater Treatment Plant

The Currituck County Board of Commissioners met at 5:00 PM in the Historic Courthouse conference room for a Work Session to discuss the Moyock Wastewater Treatment Plant.

Interim County Manager/County Attorney Ike McRee reminded the Board of previous work session discussion regarding the plant's failure to meet treatment limits as required by the North Carolina Department of Environmental Quality.

County Engineer, Eric Weatherly provided an update on the current treatment plant operation plan and suggested replacing the system and expanding it to 300,000 gallons and Finance Director, Sandra Hill reviewed anticipated revenues and estimated expenses. The financial impacts related to the costs for replacement and potential expansion of the plant were discussed, as were the potential impacts to customer rates.

Commissioners voiced concerns over the potential for tax increases due to shifting funds from other capital projects to repair or replace the plant and timeline of selling the system.

Board members discussed whether the County continue to operate the plant or to sell to a private sewer provider. Concerned with potential costs, the Board felt there was need for further discussion to make a final determination on the plant. A work session to discuss further was scheduled.

There was no further discussion and the work session concluded at 5:55PM.

6:00 PM CALL TO ORDER

The Currituck County Board of Commissioners held a regular meeting at 6:00 PM in the Board Meeting Room of the Historic Courthouse, 153 Courthouse Road, Currituck, North Carolina.

Attendee Name	Title	Status	Arrived
Michael H. Payment	Chairman	Present

J. Owen Etheridge	Commissioner	Present	
Mary "Kitty" Etheridge	Commissioner	Present	
Selina S. Jarvis	Commissioner	Present	
Kevin E. McCord	Commissioner	Present	
Bob White	Commissioner	Present	

Chairman Payment called the meeting to order and announced the earlier work session discussion on Moyock Wastewater Treatment Plant.

A) Invocation & Pledge of Allegiance

Commissioner Beaumont offered the Invocation and led the Pledge of Allegiance.

B) Approval of Agenda

Commissioner White moved for approval. Commissioner Jarvis seconded the motion. The motion carried, 7-0.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Bob White, Commissioner
SECONDER:	Selina S. Jarvis, Commissioner
AYES:	Michael H. Payment, Chairman, Paul M. Beaumont, Vice Chairman, J. Owen Etheridge, Commissioner, Mary "Kitty" Etheridge, Commissioner, Selina S. Jarvis, Commissioner, Kevin E. McCord, Commissioner, Bob White, Commissioner

PUBLIC COMMENT

Please limit comments to matters other than those appearing on this agenda as a Public Hearing. Public comments are limited to 3 minutes.

Chairman Payment opened the Public Comment period.

No one signed up nor wished to speak and the Public Comment period was closed.

COMMISSIONER'S REPORT

Commissioner McCord provided information on the County's upcoming Christmas Parade, December 3, 2021, at 7:00 PM at the Currituck Cooperative Extension Center in Barco.

Commissioner Paul Beaumont requested for the service men and women deployed during the holiday season to be kept in your prayers.

Chairman Mike Payment expressed gratitude for family and the community. He stressed safety through the holiday season.

Commissioner Bob White reiterated thoughts and prayers for the troops that are deployed.

Commissioner Selina Jarvis announced that College of the Albemarle (COA) was selected as one of the 150 community colleges to apply for the Prestigious Aspen Prize and are one of six from North Carolina. She welcomed Mr. Thomas Smith to the COA staff as the North Carolina Community College System President to the Currituck campus.

Commissioners wished a Happy Thanksgiving to all of our citizens.

COUNTY MANAGER/COUNTY ATTORNEY REPORTS

Interim County Manager/County Attorney Ike McRee, requested Board direction to re-advertise the Human Resource Director position with a salary that will be equivalent with qualifications and experience. He informed the Board that the position may require an increase to the pay grade and salary classification of the position for successful candidates and more human resource experience. Board direction is to move forward.

NEW BUSINESS**A. Sole Source Resolution for Purchase of Consoles from Motorola Solutions**

Interim County Manager/County Attorney Ike McRee discussed the resolution for purchasing of consoles. Motorola is the vendor provider and acquiring the equipment will start the first phase of relocating the center of Communications to the new facility in the public safety zone.

Commissioner White moved for approval. Commissioner Owen Etheridge seconded the motion. The motion carried, 7-0.

COUNTY OF CURRITUCK**RESOLUTION AUTHORIZING THE PURCHASE OF DISPATCH CONSOLE OPERATOR POSITIONS FROM MOTOROLA SOLUTIONS, INC. THROUGH SOLE SOURCE PURCHASE PURSUANT TO N.C. GEN. STAT. §143-129(e)(6)**

WHEREAS, N.C. Gen. Stat. §143-129(e)(6) authorizes a unit of local government to purchase apparatus, supplies, materials or equipment when standardization or compatibility is an overriding consideration; and

WHEREAS, proper functioning of the county's public safety radio system requires replacement dispatch console operator positions compatible with existing systems equipment; and

WHEREAS, as the sole and exclusive distributor of the MCC 7500E Dispatch Console in the State of North Carolina, Motorola Solutions, Inc. is the only entity capable of providing the county with dispatch console operator positions compatible with current public safety radio system equipment and operational systems; and

WHEREAS, the County has been using Motorola Solutions, Inc. to construct, develop and upgrade its system; and

WHEREAS, the County needs replacement dispatch consoles and Motorola Solutions, Inc. is supplier of compatible consoles; and

WHEREAS, Motorola Solutions, Inc. is supplying the County with seven (7) MCC 7500E dispatch console operator positions at a cost of \$425,487.90 and installation of seven (7) positions at a cost of \$310,223.55; and

WHEREAS, the total cost for the County for the purchase and installation is \$735,711.45.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners for Currituck County, North Carolina as follows:

Section 1. The County of Currituck is authorized to enter into a contract in the amount of \$735,711.15 with Motorola Solutions, Inc. for the sole source purchase of MCC 7500E Dispatch Console Operator Positions in accordance with the sole source provision requirements set forth by N.C. Gen. Stat. §143-129(e)(6). Further, the County Manager is authorized to execute the agreement with Motorola Solutions, Inc. for the acquisition apparatus, materials, and equipment acquisition described in this resolution and the proposed contract.

Section 2. This resolution shall be effective upon its adoption.

This the ____ day of _____ 2021.

CURRITUCK COUNTY JOB DESCRIPTION

JOB TITLE: ASSISTANT PLANNING DIRECTOR

DEVELOPMENT SERVICES DEPARTMENT

GENERAL STATEMENT OF JOB

Under limited supervision, performs technical, administrative, supervisory, and professional work in coordinating the planning and development activities for the ~~Planning & CD Department~~ Development Services Department. Work involves managing and participating in highly complex professional planning projects; overseeing specialized planning functions such as formulating master and subsidiary plans and the review of large-scale development proposals; ~~and performing~~ various data collection, evaluation of existing conditions and trends, and policy analysis that support long range planning. Work also involves serving as a technical advisor to the Director on matters relating to planning and development, and supervision of staff in the absence of the Director. Reports to the ~~Planning & CD Director~~ Development Services Director.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

Organizes and manages the activities of professional, technical and support personnel engaged in complex planning projects; assists the Director with developing and establishing departmental goals, objectives, policies, and procedures.

Performs various supervisory tasks in overseeing and managing the activities of assigned personnel; instructs, assigns, and reviews work; assists and advises subordinates as necessary, resolving problems as non-routine situations arise; performs regular evaluations of personnel.

Advises the Director on all planning and development matters;

Serves as a department liaison and performs necessary functions in support of the Board of Commissioners, Planning Board, Board of Adjustment, and other county officials; provides assistance to other county departments, public agencies, and the public on complex planning-related matters.

Coordinates the development review process and provides assistance to the Technical Review Committee (TRC).

Administers the current planning process for items going to the Board of Commissioners and Planning Board.

ASSISTANT PLANNING DIRECTOR

~~Manages and~~ Participates in and manages long range planning projects as required by the Development Services Director, including comprehensive, land use, small area, and other topical or strategic plans.

Reviews and approves highly complex development proposals and permit applications to ensure compliance with county ordinances and state regulations; makes recommendations to elected and appointed boards.

Prepares and presents staff reports and recommendations to the Board of Commissioners and the Planning Board for development plans, subdivisions, special use permits, and zoning map amendments; reviews and prepares text amendments to the County's Unified Development Ordinance.

Develops and recommends land use policies; drafts, reviews, and amends ordinances; monitors and ensures compliance with local, state, and federal laws.

Assists in the preparation of departmental work plans and budgets; evaluates operations and activities of assigned responsibilities; and prepares and reviews reports, contracts, and agreements.

Serves as acting ~~Planning and CD Director~~ Development Services Director in his or her absence.

ADDITIONAL JOB FUNCTIONS

Attends frequent meetings during evening or non-typical work hours as required by the ~~Planning & CD Director~~ Development Services Director.

Performs duties as assigned by the County Manager or his designees during a State of Emergency or other disaster.

Performs other related work as required.

MINIMUM TRAINING AND EXPERIENCE

Bachelor's degree in planning, geography, or a related field; at least five years of progressively responsible experience in the planning profession; AICP Certification and project management experience preferred; or any equivalent combination of training and experience which provides the required skills, knowledge and abilities.

MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED TO PERFORM ESSENTIAL JOB FUNCTIONS

Physical Requirements: Must be physically able to operate a variety of office equipment. Must be able to exert up to 50 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly to move objects. Physical demand requirements are for those for Medium Work.

Data Conception: Requires the ability to compare and/or judge the readily observable, functional, structural or compositional characteristics (whether similar or divergent from obvious standards) of data, people or things.

ASSISTANT PLANNING DIRECTOR

Interpersonal Communication: Requires the ability of speaking and/or signaling people to convey or exchange information. Includes giving instructions, assignments, or directions to subordinates or assistants.

Language Ability: Requires the ability to read a variety of reports, correspondence, real property appraisals and assessments, maps, deeds, surveys, permits, etc. Requires the ability to prepare correspondence, reports, permits, forms, maps, etc., using prescribed formats and conforming to all rules of punctuation, grammar, diction, and style. Requires the ability to speak before groups of people with poise, voice control and confidence.

Intelligence: Requires the ability to apply principles of logical or scientific thinking to define problems, collect data, establish facts, and draw valid conclusions; to interpret a variety of technical instructions in mathematical or diagrammatic form; and to deal with several abstract and concrete variables.

Verbal Aptitude: Requires the ability to record and deliver information, to explain procedures, to follow oral and written instructions. Must be able to communicate effectively and efficiently in a variety of technical or professional languages including legal, engineering and mapping terminology.

Numerical Aptitude: Requires the ability to utilize mathematical formulas; to add and subtract; multiply and divide; utilize decimals and percentages; understand and apply the theories of algebra, geometry, trigonometry, descriptive statistics, integral calculus, differential calculus and statistical inference.

Form/Spatial Aptitude: Requires the ability to inspect items for proper length, width and shape.

Motor Coordination: Requires the ability to coordinate hands and eyes rapidly and accurately in using office equipment.

Manual Dexterity: Requires the ability to handle a variety of items such as office equipment. Must have minimal levels of eye/hand/foot coordination.

Color Discrimination: Requires the ability to differentiate between colors and shades of color.

Interpersonal Temperament: Requires the ability to deal with people beyond giving and receiving instructions. Must be adaptable to performing under stress and when confronted with persons acting under stress.

CURRITUCK COUNTY JOB DESCRIPTION

JOB TITLE: ASSISTANT PROMO AND EVENTS COORDINATOR
GRADE: 54

GENERAL STATEMENT OF JOB

Under supervision of the Promo and Events Coordinator, assists in the planning and promoting of events and meetings for Currituck County to increase travel and tourism in the destination. This position requires a familiarity with standard concepts, practices, and procedures within the field. Assists with the collection of data and tracking the effectiveness of events and meetings. Performs a variety of other tasks and uses a wide degree of creativity. Reports to the Promo and Events Coordinator.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

- Assists in the planning and promoting of events and meetings for Currituck County in Corolla and on the Mainland.
- Uses initiative and creativity to assist in the planning and promotion of new events that increase travel and tourism to the area.
- Responsible for distribution and collection of event/wedding applications.
- Responsible for notifications to event/wedding holders as to application status.
- Responsible for maintaining a current database of all events/weddings.
- Assists Promo and Events Coordinator with contract creation.
- Responsible for Event Assistance and Event Grant application maintenance and and notifications.
- Assists in securing vendors and collecting vendor contracts for Travel & Tourism events.
- Attends events to assist Promo and Events Coordinator.
- Maintains a well-informed, working knowledge of the attractions and services available in the area to visitors.
- Maintains a cohesive working relationship with all other Department personnel to ensure a unified and effective promotional effort.
- Attends industry conferences and seminars as requested.
- Attends local events, meetings and tradeshow as a representative of the Travel and Tourism as requested.

ADDITIONAL JOB FUNCTIONS

Performs other duties as assigned by the Director of Travel & Tourism.

Performs other related work as required.

MINIMUM TRAINING AND EXPERIENCE

Graduation from a four-year college or university with a major in marketing, advertising, communications, tourism, business management or a related degree is preferred; some experience in marketing, event planning, advertising, customer service, and/or public relations experience is required. Solid knowledge of computer applications with demonstrated proficiency in word processing (MS Word), PowerPoint, and spreadsheet applications (EXCEL).

SPECIAL REQUIREMENTS

Possession of a valid North Carolina driver's license.

MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED TO PERFORM ESSENTIAL JOB FUNCTIONS

Physical Requirements: Must be physically able to operate a variety of machinery and equipment, including computers, typewriters, copiers, calculators, facsimile machines, cameras, etc. Must be physically able to operate a motor vehicle. Requires the ability to exert up to 20 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly to move objects. Physical demand requirements are in excess of those for sedentary work. Light Work usually requires walking or standing to a significant degree. However, if the use of arm and/or leg controls requires exertion of forces greater than that for Sedentary Work and the worker sits most of the time, the job is rated for Light Work.

Data Conception: Requires the ability to compare and/or judge the readily observable, functional, structural or composite characteristics (whether similar or divergent from obvious standards) of data, people or things.

Interpersonal Communication: Requires the ability to speak and/or signal people to convey or exchange information. Includes giving instructions, assignments or directions to clients and supporting personnel.

Language Ability: Requires the ability to read a variety of reports, correspondence. Requires the ability to prepare a variety of correspondence, reports, forms, budgets, studies, projects, etc., using prescribed formats and conforming to all rules of punctuation, grammar, diction, and style. Requires the ability to speak before groups of people with poise, voice control and confidence.

Intelligence: Requires the ability to apply principles of logical or scientific thinking to define problems, collect data, establish facts, and draw valid conclusions; to interpret an extensive variety of technical instructions in mathematical or diagrammatic form; and to deal with several abstract and concrete variables.

Verbal Aptitude: Requires the ability to record and deliver information, to explain procedures, to follow oral and written instructions. Must be able to communicate effectively and efficiently in a variety of technical or professional languages, including accounting, engineering, legal, and marketing terminology.

Numerical Aptitude: Requires the ability to utilize mathematical formulas; to add and subtract; multiply and divide; calculate decimals and percentages; interpret graphs.

Form/Spatial Aptitude: Requires the ability to inspect items for proper length, width and shape.

Motor Coordination: Requires the ability to coordinate hands and eyes rapidly and accurately in using office equipment.

Manual Dexterity: Requires the ability to handle a variety of items, such as keyboards, control knobs, toggle switches, levers, etc. Must have minimal levels of eye/hand/foot coordination.

Color Discrimination: Requires the ability to differentiate between colors and shades of color.

Interpersonal Temperament: Requires the ability to deal with people beyond giving and receiving instructions. Must be adaptable to performing under stress and when confronted with persons acting under stress.

Physical Communication: Requires the ability to talk and hear: (Talking: expressing or exchanging ideas by means of spoken words. Hearing: perceiving nature of sounds by ear.) Must be able to communicate via telephone.

KNOWLEDGE, SKILLS AND ABILITIES

Working knowledge of the methods and techniques used in marketing and promotion for travel and tourism.

Considerable knowledge of the available resources and geography of the County.

Considerable knowledge of ethical guidelines applicable to the position as outlined by professional standards and/or federal, state and local laws, rules and regulations.

Ability to use common office machines, including popular computer-driven word processing, spreadsheet and file maintenance programs.

Ability to exercise considerable independent judgment and discretion in establishing, applying and interpreting policies and procedures.

Ability to effectively express ideas orally and in writing.

Ability to exercise tact, courtesy and firmness when in contact the general public.

Ability to establish and maintain effective working relationships as necessitated by work assignments.

ED: 11/15/2021 (BOC)

ESSENTIAL JOB FUNCTIONS

Drafts and updates the County's Land Use Plan, Small Area Plans, transportation plans, environmental plans, and other applicable plans.

Plans, organizes, and directs the activities of professional, technical, and clerical personnel engaged in the compilation, analysis and interpretation of data affecting community planning.

Performs various supervisory tasks in overseeing and managing the activities of assigned personnel; instructs, assigns, and reviews work; maintains standards through the effective coordination of activities; allocates personnel; acts on employee problems; selects new employees; provides recommendations regarding disciplinary actions and discharge.

Serves as technical advisor to the County Manager, County Board of Commissioners, Planning Board, and other County officials; provides assistance to other County departments and public agencies involved in long-range planning; provides input and advises regarding land use issues; conducts research regarding various land use issues.

Reviews development plans for consistency with the County's long-range planning efforts and availability of critical infrastructure.

Coordinates County planning activities with affected state, federal and private agencies.

Acts as the liaison for the County with regional planning initiatives.

ADDITIONAL JOB FUNCTIONS

Orders supplies, types letters, reports, documents etc.; keeps files organized.

Performs duties as assigned by the County Manager or his designees during a State of Emergency or other disaster.

Performs other related work as required.

MINIMUM TRAINING AND EXPERIENCE

Masters degree in urban or regional planning from a recognized and accredited university, and three to six ~~nine~~ years of experience in rural or regional planning at the local government level in a management level position; AICP Certification preferred; or any equivalent combination of training and experience which provides the required skills, knowledge and abilities.

MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED TO PERFORM ESSENTIAL JOB FUNCTIONS

Physical Requirements: Must be physically able to operate a variety of office equipment. Must be able to exert up to 50 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly to move objects. Physical demand requirements are for those for Medium Work.

Data Conception: Requires the ability to compare and/or judge the readily observable, functional, structural, or compositional characteristics (whether similar or divergent from obvious standards) of data, people or things.

Interpersonal Communication: Requires the ability of speaking and/or signaling people to convey or exchange information. Includes giving instructions, assignments, or directions to subordinates or assistants.

Language Ability: Requires the ability to read a variety of reports, correspondence, real property appraisals and assessments, maps, deeds, surveys, permits, etc. Requires the ability to prepare correspondence, reports, permits, forms, maps, etc., using prescribed formats and conforming to all rules of punctuation, grammar, diction, and style. Requires the ability to speak before groups of people with poise, voice control and confidence.

Intelligence: Requires the ability to apply principles of logical or scientific thinking to define problems, collect data, establish facts, and draw valid conclusions; to interpret a variety of technical instructions in mathematical or diagrammatic form; and to deal with several abstract and concrete variables.

Verbal Aptitude: Requires the ability to record and deliver information, to explain procedures, to follow oral and written instructions. Must be able to communicate effectively and efficiently in a variety of technical or professional languages including the Queen's English.

Numerical Aptitude: Requires the ability to utilize mathematical formulas; to add and subtract; multiply and divide; utilize decimals and percentages; understand and apply the theories of algebra, geometry, trigonometry, descriptive statistics, integral calculus, differential calculus, and statistical inference.

Form/Spatial Aptitude: Requires the ability to inspect items for proper length, width and shape.

Motor Coordination: Requires the ability to coordinate hands and eyes rapidly and accurately in using office equipment.

Manual Dexterity: Requires the ability to handle a variety of items such as office equipment. Must have minimal levels of eye/hand/foot coordination.

Color Discrimination: Requires the ability to differentiate between colors and shades of color.

Interpersonal Temperament: Requires the ability to deal with people beyond giving and receiving instructions. Must be adaptable to performing under stress and when confronted with persons acting under stress.

Physical Communication: Requires the ability to talk and hear: (Talking: expressing or exchanging ideas by means of spoken words. Hearing: perceiving nature of sounds by ear.) Must be able to communicate via a telephone.

KNOWLEDGE, SKILLS AND ABILITIES

Thorough knowledge of the principles, practices, and objectives of urban and regional planning.

Thorough knowledge of economics, sociology, public administration and quantitative methods and research techniques as related to planning.

Thorough knowledge of the principles and practices of engineering and physical design as generally related to planning and development.

Considerable knowledge of the environmental and socio-economic implications of the planning process.

Considerable knowledge of the current literature, trends, and development in the field of rural and regional planning.

Considerable knowledge of the principles of supervision, organization, and administration.

Considerable knowledge of the geographical layout of the County and its socio-economic characteristics.

Skilled in the collection, analysis and presentation of technical data and planning recommendations.

Ability to use ArcMap or other GIS software.

Ability to use word processing, spreadsheet, and file maintenance programs.

Ability to interpret cadastral, orthophoto, topographical and other related maps.

Ability to read and interpret surveys and engineering drawings and plans.

Ability to plan, assign and direct the activities of a professional, technical and clerical staff.

Ability to explain planning theory, policy, and practices to lay people individually or in groups.

Ability to exercise considerable tact and courtesy in frequent contacts with County, municipal, state and federal officials, and the general public.

Ability to establish and maintain effective working relationships as necessitated by work assignments.

CURRITUCK COUNTY JOB DESCRIPTION

JOB TITLE: SENIOR PLANNER DEVELOPMENT SERVICES PLANNING DEPARTMENT

GENERAL STATEMENT OF JOB

Under limited supervision, performs technical, administrative, and professional work in directing, assisting and coordinating the activities of the County planning Development Services Department to ensure the orderly growth and efficient administration of county resources. Work involves preparation of and ensuring compliance with land use ordinances such as those pertaining to subdivisions and zoning; participating in planning studies that support efforts to review, update, and implement the county's land use plan; performing various data collection, evaluation of existing conditions and trends, and policy analysis that support long range planning; assisting in the formulation, installation, modification and improvement of master and subsidiary plans for the county's physical, economical, and social development; preparing reports for presentation to various boards and commissions, staff, and civic groups; writing and filing grant applications and overseeing the implementation of grants. This position works both in a team environment and independently and requires close coordination with the director, county departments, other planning agencies, the development community, and general public. Reports to the Planning Development Services Director.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

Serves as a liaison to the County Manager, County Board of Commissioners, Planning Board, and other boards and County officials; provides assistance to other county departments and public agencies involved in long-range planning.

Coordinates the development review process, including reviewing development proposals to ensure compliance with various codes, ordinances, and adopted plans; meeting with government agencies and the development community as required; coordinates project review with the Technical Review Committee (TRC).

Manages or leads special projects or planning efforts as needed; ~~supervises employees as assigned~~; coordinates county planning activities with affected municipal, state, federal and private agencies.

Prepares and presents staff reports and recommendations to the Board of Commissioners and the Planning Board for development plans, subdivisions, special use permits, and zoning map amendments; reviews and prepares text amendments to the County's Unified Development Ordinance.

Processes administrative adjustment applications including public notifications, detailed reviews for compliance, and decision making.

SENIOR PLANNER

Researches and prepares technical documents and correspondence, including reports, maps, design schematics, graphs, charts, presentations, and detailed design documents.

Drafts and implements amendments to the Unified Development Ordinance, including consideration of public input, the administrative process, and making a staff recommendation to the Planning Board.

~~Administers and prepares case analyses for zoning map amendments; reviews and prepares text amendments to the county's unified development ordinance.~~

Reviews and approves complex major and minor development plans and permit applications of developers and property owners to ensure compliance with various codes, ordinances, and adopted plans; reviews subdivisions and makes recommendations to the Board of Commissioners and Planning Board.

Prepares and reviews contracts and agreements; drafts recommendations; prepares and presents various studies and reports.

Administers FEMA regulations including coordinating the CRS program; monitors and interprets changes in Coastal Stormwater rules; manages and interprets flood damage prevention codes; acts as county Flood Plain Administrator.

Serves as the lead planner and clerk for the Historic Preservation Commission.

Participates in long-range planning projects, including comprehensive and small area plans, as needed.

Answers zoning and subdivision questions making interpretations concerning development regulations for the public, development community, ~~or~~ and other organizations.

Writes grant applications and oversees implementation; recommends adjustments to applicable codes.

Familiarity with ArcMap or similar GIS software packages; ability to understand and interpret spatial data.

Assists surveyors, engineers and the public with planning and zoning related development issues.

Administers the department's performance guarantees posted for public infrastructure and private site improvements.

ADDITIONAL JOB FUNCTIONS

Attends meetings during evening or non-typical work hours, as required by the Development Services Director.

Performs duties as assigned by the County Manager or his designees during a State of Emergency or other disaster.

SENIOR PLANNER

Performs other related work as required.

MINIMUM TRAINING AND EXPERIENCE

Bachelors degree in planning or related field, ~~three to five~~ years experience in rural or regional planning at the local government level, and Certified Zoning Official (CZO) or Certified Floodplain Manager (CFM) certification; or any equivalent combination of training and experience which provides the required skills, knowledge and abilities. Master's degree, AICP certification, and coastal planning experience ~~desired~~ preferred.

MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED TO PERFORM ESSENTIAL JOB FUNCTIONS

Physical Requirements: Must be physically able to operate a variety of office equipment and vehicles. Must be able to exert up to 50 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or a negligible amount of force constantly to move objects. Physical demand requirements are for those for Medium Work.

Data Conception: Requires the ability to compare and/or judge the readily observable, functional, structural or compositional characteristics (whether similar or divergent from obvious standards) of data, people or things.

Interpersonal Communication: Requires the ability of speaking and/or signaling people to convey or exchange information. Includes giving instructions, assignments, or directions to subordinates or assistants.

Language Ability: Requires the ability to read a variety of reports, correspondence, real property appraisals and assessments, maps, deeds, surveys, permits, etc. Requires the ability to prepare correspondence, reports, permits, forms, maps, etc., using prescribed formats and conforming to all rules of punctuation, grammar, diction, and style. Requires the ability to speak before groups of people with poise, voice control and confidence.

Intelligence: Requires the ability to apply principles of logical or scientific thinking to define problems, collect data, establish facts, and draw valid conclusions; to interpret a variety of technical instructions in mathematical or diagrammatic form; and to deal with several abstract and concrete variables.

Verbal Aptitude: Requires the ability to record and deliver information, to explain procedures, to follow oral and written instructions. Must be able to communicate effectively and efficiently in a variety of technical or professional languages, including engineering, legal and mapping terminology.

Numerical Aptitude: Requires the ability to utilize mathematical formulas; to add and subtract; multiply and divide; utilize decimals and percentages; understand and apply the theories of algebra, geometry, trigonometry, descriptive statistics, integral calculus, differential calculus and statistical inference.

Form/Spatial Aptitude: Requires the ability to inspect items for proper length, width and shape.

Motor Coordination: Requires the ability to coordinate hands and eyes rapidly and accurately in using office equipment.

SENIOR PLANNER

Manual Dexterity: Requires the ability to handle a variety of items such as office equipment. Must have minimal levels of eye/hand/foot coordination.

Color Discrimination: Requires the ability to differentiate between colors and shades of color.

Interpersonal Temperament: Requires the ability to deal with people beyond giving and receiving instructions. Must be adaptable to performing under stress and when confronted with persons acting under stress.

Physical Communication: Requires the ability to talk and hear: (Talking: expressing or exchanging ideas by means of spoken words. Hearing: perceiving nature of sounds by ear.) Must be able to communicate via a telephone.

KNOWLEDGE, SKILLS AND ABILITIES

Thorough knowledge of the principles, practices, and objectives of urban, rural, and regional planning.

Thorough knowledge of economics, sociology, public administration and quantitative methods and research techniques as related to planning.

Considerable knowledge of Federal, State and regional regulations, such as FEMA and CAMA regulations.

Considerable knowledge of, or ability to learn, local ordinances and codes, the Unified Development Ordinance, and the County's Code of Ordinances.

Considerable knowledge of the environmental and socio-economic implications of the planning process.

Considerable knowledge of governmental programs, laws, grants, and services pertinent to the planning process.

Considerable knowledge of the current literature, trends, and development in the field of rural and regional planning.

Thorough knowledge of the principles of public planning and citizen participation.

Ability to initiate and execute assignments with minimal supervision.

Ability to manage well-balanced and inclusive planning projects.

Considerable experience in project management, including ability to work well in a team-focused environment and assume a leadership position.

Ability to plan, assign and direct the activities of a professional, technical, and clerical staff.

Skills in the collection, analysis and presentation of technical data and planning recommendations.

Ability to use ArcMap or other similar GIS software.

SENIOR PLANNER

Ability to use drafting, word processing, spreadsheet, and file maintenance programs.

Ability to read and interpret maps, surveys, and engineering drawings and plans.

Ability to review subdivision plans, site development plans and related drawings for compliance to applicable local regulations and ordinances.

Working knowledge of the principles and practices of engineering and physical design as generally related to planning and development.

Ability to interpret and administer design and performance standards as related to development plan review, zoning administration, and other planning issues.

Ability to recommend alternative solutions for development or other planning issues according to provisions of the Unified Development Ordinance, Land Use Plan, or other policy directives.

Ability to write clearly; to organize and analyze information and perform planning research

Ability to explain planning theory, policy, and practices to lay people individually or in groups.

Ability to exercise considerable tact and courtesy in frequent verbal and written contacts with county, municipal, state and federal officials, design professionals, and the general public, especially with conflicting perspectives in a regulatory environment.

Ability to use or learn permitting software, Adobe software, Microsoft Office, Internet applications, and other computer hardware and software programs.

Ability to establish and maintain effective working relationships as necessitated by work assignments.

Strong interpersonal skills and ability to develop a good working relationship at various levels and to resolve conflicts.

ED: 11/15/2021 (REV BOC)

CURRITUCK COUNTY JOB DESCRIPTION

JOB TITLE: SOIL AND STORMWATER MANAGER SOIL AND WATER CONSERVATION DEPARTMENT

GENERAL STATEMENT OF JOB

The Soil and Stormwater Manager provides technical and administrative work in developing soil and water conservation plans within the Albemarle (Currituck) Soil and Water Conservation District under the supervision of the Currituck Soil and Water Supervisors and stormwater related services to the County under the supervision of the County Manager.

SPECIFIC DUTIES AND RESPONSIBILITIES

SOIL AND WATER CONSERVATION RELATED JOB FUNCTIONS

Advises County residents about conservation practices; contacts landowners interested in district programs, and advises of availability and needs for resource management systems, Cost Share Program planning for agricultural land and soil erosion control, water conservation problems and efforts to improve water quality, and mosquito control assistance; administers the USDA Farm Bill programs; interprets and explains local, state and federal rules and regulations; visits sites under consideration, examines runoff, erosion and other related conservation problems, determines need and feasibility of conservation practices, and recommends applicable systems.

Plans and lays out a wide variety of conservation practices, such as field borders, grassed waterways, pipe drops, open ditches, tile drainage, crop rotation, cover cropping, terraces, strip cropping, drainage systems, diversions, critical area treatment, grasslands establishment and maintenance, etc.; draws plan specifications and oversees implementation to ensure adherence to specifications.

Gather data and information necessary to develop conservation plans, including performing, gathering and analyzing soil information, plant identification and analysis, soil engineering studies, watershed surveys, animal waste management surveys, etc.

Makes follow-up contacts with landowners providing encouragement and technical assistance in the application and maintenance of conservation practices; prepares certification of program implementation as appropriate and necessary for payment; notifies supervisors when practices are being maintained.

Monitors watershed projects, plans for construction needs and advises landowners of identified maintenance needs.

Participates in annual natural resources "field day" programs for County students; assists in school science fairs.

SOIL AND STORMWATER TECHNICIAN

Make oral presentations to civic, church, school, business and other groups, as appropriate, on various natural resources topics.

Maintains program manuals; maintains survey equipment; obtains vehicle maintenance.

Answers telephone and greets visitors, receiving inquiries and providing information based on considerable knowledge of Department programs and activities, or referring inquiries to appropriate personnel; distributes forms, soil sampling materials, applications, educational literature and guidelines, etc., as requested.

Provide a variety of assistance to supervisor in implementation of Department programs and activities.

STORMWATER RELATED JOB FUNCTIONS

Administer minor stormwater permits for the county as it relates to minor subdivisions, and lots with fill or additional impervious coverage.

Serve on county Technical Review Committee for major subdivisions, working with the Planning Department and County Engineer to make recommendations to developers and landowners

Review subdivision and site plans for compliance with the County's UDO, Stormwater Manual and sound engineering practices related to design of stormwater systems. Perform and interpret various hydraulic and stormwater computer software programs.

~~Manage County Stormwater Districts including development of budgets and capital improvement plans, maintenance programs and working with Stormwater District advisory committees.~~

Review Culvert Certifications as required for site development.

Work with county residences and businesses to address individual stormwater concerns.

ADDITIONAL JOB FUNCTIONS

Perform duties as assigned by the County Manager or his designees during a State of Emergency or other disaster.

Have the ability to read, analyze, and interpret governmental regulations and procedures.

Performs other related work as required.

MINIMUM TRAINING AND EXPERIENCE

Bachelor's degree in soil and water conservation practices, agriculture, forestry, civil engineering or related field, and one to two years of experience in agriculture or soil, stormwater and water conservation practices and a minimum of 2 years design experience in municipal stormwater systems and software or management of municipal stormwater systems; or any equivalent combination of training and experience which provides the required knowledge, skills and abilities.

SOIL AND STORMWATER TECHNICIAN

SPECIAL REQUIREMENTS

Possess a valid North Carolina driver's license.

KNOWLEDGE, SKILLS AND ABILITIES

Considerable knowledge of applicable federal, state and local laws, and standard practices, methods and techniques of agriculture and agricultural and forestry operations

Considerable knowledge of planning and application of soil, water and related resource conservation and development practices.

General knowledge of the practices, principles and use of drafting, surveying and stormwater systems

General knowledge of tools and supplies used in soil and water management

Ability to use common office programs including word processing, spreadsheets, stormwater software and file maintenance programs

Ability to understand drainage features and flow patterns of the county drainage ditches and watersheds

Ability to recognize types of soil and to determine soil content and suitability for various uses

Ability to compile data and maintain records, organize materials, and coordinate the paperwork for the North Carolina Agriculture Cost Share Program.

Ability to exercise considerable independent judgment in applying program standards in individual cases.

Ability to exercise considerable tact and courtesy in contact with landowners, land users and the general public.

Ability to perform rigorous outdoor work in various types of weather.

Ability to perform physical labor as necessitated by work assignments.

Ability to establish and maintain effective working relationships as necessitated by work assignments.

MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED TO PERFORM ESSENTIAL JOB FUNCTIONS

Physical Requirements: Must be physically able to operate a variety of machinery and equipment, including computers, calculators, design instruments, laser-equipped transits, global-positioning equipment, soil augers, measuring chains, axes, saws, shovels, etc. Must be physically able to operate a motor vehicle. Must be able to exert up to 50 pounds of force occasionally, and/or up to 25 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects. Requires the ability to physically maneuver over and/or upon varying

SOIL AND STORMWATER TECHNICIAN

terrain, surfaces or physical structures. Physical demand requirements are for Medium to Heavy Work.

Data Conception: Requires the ability to compare and/or judge the readily observable, functional, structural or composite characteristics (whether similar or divergent from obvious standards) of data, people or things.

Interpersonal Communication: Requires the ability to speak and/or signal people to convey or exchange information. Includes receiving instructions, assignments or directions from superiors.

Language Ability: Requires the ability to read a variety of reports, correspondence, ordinances, maps, site plans, spreadsheets, engineering charts, surveys, guides, manuals, technical references, etc. Requires the ability to prepare correspondence, reports, contracts, forms, etc., using prescribed formats. Requires the ability to speak to people with poise, voice control and confidence.

Intelligence: Requires the ability to apply principles of logical or scientific thinking to define problems, collect data, establish facts, and draw valid conclusions; to interpret an extensive variety of technical instructions in mathematical or diagrammatic form; and to deal with several abstract and concrete variables.

Verbal Aptitude: Requires the ability to record and deliver information, to explain procedures, to follow oral and written instructions. Must be able to communicate effectively and efficiently in a variety of technical or professional languages, including engineering and agricultural terminology.

Numerical Aptitude: Requires the ability to utilize mathematical formulas; to add and subtract; multiply and divide; calculate decimals and percentages; interpret graphs; perform calculations involving variables, formulas, square roots and polynomials; perform statistical calculations, which include frequency distributions, reliability and validity tests, correlation techniques, factor analysis and econometrics; perform algebraic operations.

Form/Spatial Aptitude: Requires the ability to inspect items for proper length, width and shape.

Motor Coordination: Requires the ability to coordinate hands and eyes rapidly and accurately in using office equipment and surveying tools.

Manual Dexterity: Requires the ability to handle a variety of items, such as keyboards, control knobs, toggle switches, levers, etc. Must have minimal levels of eye/hand/foot coordination.

Color Discrimination: Requires the ability to differentiate between colors and shades of color.

Interpersonal Temperament: Requires the ability to deal with people beyond giving and receiving instructions. Must be adaptable to performing under stress when confronted with persons acting under stress.

Physical Communication: Requires the ability to talk and hear: (Talking: expressing or exchanging ideas by means of spoken words. Hearing: perceiving nature of sounds by ear.) Must be able to communicate via telephone.

Currituck County Agenda Item Summary Sheet

Agenda ID Number – (ID # 3270)

Agenda Item Title: Adoption of the 2021 Local Government Agencies General Records Retention & Disposition Schedule

Submitted By: Samantha Evans – County Manager

Presenter of Item:

Board Action: Action

Brief Description of Agenda Item:

Is this item regulated by plan, regulation or statute?

Manager Recommendation:

2021 General Records Schedule: Local Government Agencies

The records retention and disposition schedules and retention periods governing the records series listed herein are hereby approved. This approval extends to and includes the following standards in the **2021 General Records Schedule: Local Government Agencies**:

1. Administration and Management Records
2. Budget, Fiscal, and Payroll Records
3. Geographic Information System Records
4. Human Resources Records
5. Information Technology Records
6. Legal Records
7. Public Relations Records
8. Risk Management Records
9. Workforce Development Records

In accordance with the provisions of Chapters 121 and 132 of the *General Statutes of North Carolina*, it is agreed that the records do not and will not have further use or value for official business, research, or reference purposes after the respective retention periods specified herein and are authorized to be destroyed or otherwise disposed of by the agency or official having custody of them without further reference to or approval of either party to this agreement.

Destructions

G.S. § 121-5 authorizes the Department of Natural and Cultural Resources to regulate the destruction of public records. Furthermore, the local government agency agrees to comply with 07 NCAC 04M .0510 when deciding on a method of destruction. The North Carolina Administrative Code states:

"(a) Paper records which have met their required retention requirements and are not subject to legal or other audit holds should be destroyed in one of the following ways:

1. burned, unless prohibited by local ordinance;
2. shredded, or torn up so as to destroy the record content of the documents or material concerned;
3. placed in acid vats so as to reduce the paper to pulp and to terminate the existence of the documents or materials concerned; or
4. sold as waste paper, provided that the purchaser agrees in writing that the documents or materials concerned will not be resold without pulverizing or shredding the documents so that the information contained within cannot be practicably read or reconstructed.

(b) When used in an approved records retention and disposition schedule, the provision that electronic records are to be destroyed means that the data and metadata are to be overwritten, deleted, and unlinked so the data and metadata may not be practicably reconstructed.

(c) When used in an approved records retention and disposition schedule, the provision that confidential records of any format are to be destroyed means the data, metadata, and physical media are to be destroyed in such a manner that the information cannot be read or reconstructed under any means."

All local government agencies should maintain logs of their destructions either in the minutes of their governing board or in their Records Management file. Confidential records will be destroyed in such a manner that the records cannot be practicably read or reconstructed.

Public records, including electronic records, not listed in this schedule are not authorized to be destroyed.

Audits and Litigation Actions

Records subject to audit or those legally required for ongoing official proceedings must be retained until released from such audits or official proceedings, notwithstanding the instructions of this schedule.

Electronic Records

All local government agencies and the Department of Natural and Cultural Resources concur that the long-term and/or permanent preservation of electronic records requires additional commitment and active management by the agency. Agencies agree to comply with all policies, standards, and best practices published by the Department of Natural and Cultural Resources regarding the creation and management of electronic records.

Local government agencies should consider retention requirements and disposition authorities when designing and implementing electronic records management systems. Any type of electronically-created or electronically-stored information falls under the North Carolina General Assembly's definition of public records cited above. For example, e-mail, text messages, blog posts, voicemails, websites, word processing documents, spreadsheets, databases, and PDFs all fall within this definition of public records. In addition, G.S. § 132-6.1(a) specifies:

“Databases purchased, leased, created, or otherwise acquired by every public agency containing public records shall be designed and maintained in a manner that does not impair or impede the public agency's ability to permit the public inspection and examination of public records and provides a means of obtaining copies of such records. Nothing in this subsection shall be construed to require the retention by the public agency of obsolete hardware or software.”

Local government agencies may scan any paper record and retain it electronically for ease of retrieval. If an agency wishes to destroy the original paper records before their assigned retention periods have been met, the agency must establish an electronic records policy, including putting into place procedures for quality assurance and documentation of authorization for records destructions approved by the Government Records Section. This electronic records policy and releases for destruction of records must be approved by the Government Records Section. Agencies should be aware that for the purpose of any audit, litigation, or public records request, they are considered the records custodian obligated to produce requested records, even if said records are being maintained electronically by an outside vendor. Therefore, contracts regarding electronically stored information should be carefully negotiated to specify how records can be exported in case a vendor goes out of business or the agency decides to award the contract to a different vendor.

Reference Copies

All local government agencies and the Department of Natural and Cultural Resources agree that certain records series possess only brief administrative, fiscal, legal, research, and reference value. These records series have been designated by retention periods that allow these records to be destroyed when “*reference value ends*.” All local government agencies hereby agree that they will establish and enforce internal policies setting minimum retention periods for the records that Natural and Cultural Resources has scheduled with the disposition instruction “*destroy when reference value ends*.” If a local government agency does not establish internal policies and retention periods, the local government agency is not complying with the provisions of this retention schedule and is not authorized by the Department of Natural and Cultural Resources to destroy the records with the disposition instruction “*destroy when reference value ends*.”

Record Copy

A record copy is defined as “The single copy of a document, often the original, that is designated as the official copy for reference and preservation.”¹ The record copy is the one whose retention and disposition is mandated by this schedule; all additional copies are considered reference or access copies and can be destroyed when their usefulness expires. In some cases, postings to social media may be unofficial copies of information that is captured elsewhere as a record copy (e.g., a press release about an upcoming agency event that is copied to various social media platforms). Appropriately retaining record copies and disposing of reference copies requires agencies to

¹ Society of American Archivists, *Dictionary of Archives Terminology*.

designate clearly what position or office is required to maintain an official record for the duration of its designated retention period.

Transitory Records

Transitory records are defined as “record[s] that [have] little or no documentary or evidential value and that need not be set aside for future use.”²

North Carolina has a broad definition of public records. However, the Department of Natural and Cultural Resources recognizes that some records may have little or no long-term documentary or evidential value to the creating agency. These records are often called transitory records. They may be disposed of according to the guidance below. However, all public employees should be familiar with their appropriate retention schedule and any other applicable guidelines for their office. If there is a required retention period for these records, that requirement must be followed. When in doubt about whether a record is transitory or whether it has special significance or importance, retain the record in question and seek guidance from a DNCR records analyst.

Routing slips and transmittal sheets adding no information to that contained in the transmitted material have minimal value after the material has been successfully transmitted. These records may be destroyed or otherwise disposed of after receipt of the material has been confirmed. Similarly, “while you were out” slips, memory aids, and other records requesting follow-up actions (including voicemails and calendar invites) have minimal value once the official action these records are supporting has been completed and documented. These records may be destroyed or otherwise disposed of once the action has been resolved.

Drafts and working papers, including notes and calculations, are materials gathered or created to assist in the creation of another record. All drafts and working papers are public records subject to all provisions of Chapter 132 of the General Statutes, but many of them have minimal value after the final version of the record has been approved, and may be destroyed after final approval, if they are no longer necessary to support the analysis or conclusions of the official record. Drafts and working documents that may be destroyed after final approval include:

- Drafts and working papers for internal and external policies
- Drafts and working papers for internal administrative reports, such as daily and monthly activity reports;
- Drafts and working papers for internal, non-policy-level documents, such as informal workflows and manuals; and
- Drafts and working papers for presentations, workshops, and other explanations of agency policy that is already formally documented.

Forms used solely to create, update, or modify records in an electronic medium may be destroyed in office after completion of data entry and after all verification and quality control procedures, so long as these records are not required for audit or legal purposes. However, if the forms contain any analog components that are necessary to validate the information contained on them (e.g., a signature or notary’s seal), they must be retained according to the disposition instructions for the records series encompassing the forms’ function.

² Ibid.

It is further agreed that these records may not be destroyed prior to the time periods stated; however, for sufficient reason they may be retained for longer periods. This schedule supersedes previous versions of this schedule and any localized amendments; it is to remain in effect from the date of approval until it is reviewed and updated.

CHANGE LOG FOR PROGRAM RECORDS SCHEDULE: LOCAL GOVERNMENT AGENCIES

Issued By:

NC DEPARTMENT OF
NATURAL AND CULTURAL RESOURCES

North Carolina Department of Natural and Cultural Resources
Division of Archives and Records
Government Records Section

October 1, 2021

EXECUTIVE SUMMARY

This document lists the changes that have been made from the Municipal Records Retention and Disposition Schedule issued on September 10, 2012 as well as the County Management Records Retention and Disposition Schedule issued on April 15, 2013 that are now present in the 2020 Program Records Schedule for Government Agencies. While previously adopted amendments, grammatical and alphabetization changes, wordsmithing, and the updating of citations are not listed, substantive changes are listed in the left-hand column. In the center column are the titles of new records series that have been added to the schedule. In the right-hand column are records series that have been either superseded by the *General Records Schedule: Local Government Agencies* or discontinued because the records are no longer created or received by local departments.

MUNICIPAL AND COUNTY MANAGEMENT CLARIFICATION

While some items included below were identical on the Municipal and County Management schedules, there are cases where an item was only on one schedule or had a different name on each schedule. In those cases, the item will have either an (M) or a (CM) after its title. An (M) indicates that the referenced item was only on the Municipal schedule. A (CM) indicates that the referenced item was only on the County Management schedule. When titles differ, or when multiple items from one schedule fall under a larger term in the other schedule, all previous item titles are provided.

WATER ANALYSIS Cross-reference added to Violations.		

2021 LOCAL GOVERNMENT PROGRAM RECORDS RETENTION AND DISPOSITION SCHEDULE CHANGE LOG

**STANDARD 13: EMERGENCY MEDICAL SERVICES AND FIRE DEPARTMENT RECORDS**

The most significant change from the previous schedule is that all items pertaining to Emergency Management are now included in the General Records Schedule: Local Government Agencies. Since Emergency Management is a function carried out by various local agencies, and since Emergency Management is not necessarily an agency paired with Emergency Medical Services (EMS) and Fire Departments, it is logical to place the Emergency Management items in the General Schedule where they apply to all local agencies. **All Emergency Management specific standards will now be found in Standard 8 (Risk and Emergency Management) of the General Records Schedule: Local Government Agencies, to be reflected in the new revisions to the General Schedule for 2020.**

Clarification note added to the standard introduction concerning body-worn camera footage from EMS and Fire Department personnel that reads: *Footage from body-worn cameras is classified with the content captured or the purpose of the footage rather than by its format. Recordings may fit under FIRE INVESTIGATION CASE FILES, DISPATCH RECORDS AND RECORDINGS, PUBLICITY RECORDS (General Schedule), TRAINING AND EDUCATIONAL RECORDS, and other items as appropriate. Footage is only confidential if it fits within an item where confidentiality is conferred by state or federal statute.*

**STANDARD 18: PUBLIC UTILITIES AND ENVIRONMENTAL/WASTE MANAGEMENT RECORDS**

This standard combines the Municipal Schedule Standard 17, Public Utilities and Environmental Management Records, and the County Management Schedule Standard 15, Public Utilities and Waste Management Records. To ease searching, records series have been loosely grouped into the categories Environmental Records, Erosion Control Records, Flood Control Records, Utilities Records, and Water Quality Records. This change log indicates name changes under “changes” and the Municipal and County items that have been superseded under “discontinued items.” Some overlap was found with County Management Schedule Standard 5, Code Enforcement and Inspection Records. In these cases, the records series can now be found on the Local Government Program Schedule Standard 12, Code Enforcement and Inspection.

CURRITUCK COUNTY NORTH CAROLINA

November 1, 2021

Minutes – Regular Meeting of the Board of Commissioners

6:00 PM CALL TO ORDER

The Board of Commissioners met at 6:00 PM in the Historic Courthouse Board Meeting Room, 153 Courthouse Road, Currituck, North Carolina, for a Regular Meeting.

Attendee Name	Title	Status	Arrived
Michael H. Payment	Chairman	Present	
Paul M. Beaumont	Vice Chairman	Present	
J. Owen Etheridge	Commissioner	Present	
Mary "Kitty" Etheridge	Commissioner	Present	
Selina S. Jarvis	Commissioner	Present	
Kevin E. McCord	Commissioner	Present	
Bob White	Commissioner	Present	

Chairman Payment called the meeting to order.

A) Invocation & Pledge of Allegiance

Commissioner Beaumont offered the Invocation and led the Pledge of Allegiance.

B) Approval of Agenda

Commissioner White moved for approval of the agenda. Commissioner Mary Etheridge seconded the motion. The motion carried, 7-0, and the agenda was approved.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Bob White, Commissioner
SECONDER:	Mary "Kitty" Etheridge, Commissioner
AYES:	Michael H. Payment, Chairman, Paul M. Beaumont, Vice Chairman, J. Owen Etheridge, Commissioner, Mary "Kitty" Etheridge, Commissioner, Selina S. Jarvis, Commissioner, Kevin E. McCord, Commissioner, Bob White, Commissioner

PUBLIC COMMENT

Please limit comments to matters other than those appearing on this agenda as a Public Hearing. Public comments are limited to 3 minutes.

Chairman Payment opened the Public Comment period.

No one came forward. Public Comment period was closed.

Communication: Minutes from November 1, 2021 (Approval Of Minutes- 11/1/21 & SM 10/25/21)

COMMISSIONER'S REPORT

Commissioner Jarvis conveyed birthday wishes to Commissioner Mary Etheridge, and discussed the upcoming Thanksgiving holiday and expressed her gratitude for family and friends.

Commissioner Mary Etheridge acknowledged the absent of the Clerk to the Board and sent prayers for a speedy recovery. She encouraged citizens to make their voices heard by becoming involved in local government and volunteering in the community. She stressed the importance of participating on advisory boards and running for office.

Commissioner White agreed with Commissioner Mary Etheridge. Encouraged the community to attend Board of Commissioner and advisory Board meetings. He directed Citizens to the county website for schedules and member application process. Chairman White spoke of the Board's upcoming retreat and encouraged the public to attend.

Chairman Payment reiterated community involvement. He advocated for citizens to contact Board members with any questions or contact the Clerk to the board. Chairman Payment congratulated Samantha Evans, Deputy Clerk to the Board of Commissioners, for successful completion of the Clerks Certification Institute program through UNC School of Government. He stressed safety through the holiday season.

Commissioner Beaumont discussed social media and encouraged Citizens to reach out. He expressed gratitude for living in Currituck County.

Commissioner McCord addressed social media. He and Commissioner J. Owen Etheridge attended Sergeant Joseph Davidson's retirement luncheon and spoke of the quality service Sgt. Davidson provided to Currituck County's citizens along with his leadership within the Currituck Sheriff's office. He announced the County's upcoming 28th Christmas Parade and Tree Lighting scheduled for December 3, 2021, at Cooperative Extension. He cautioned citizens to be watchful to protect themselves from theft over the holidays.

Commissioner J. Owen Etheridge attended Sergeant Joseph Davidson's retirement luncheon and expressed gratitude to Sgt. Davidson's years of service.

Birthday wishes to Commissioner Mary Etheridge were echoed by Chairman Payment, Commissioner J. Owen Etheridge, Commissioner McCord, Commissioner Bob White, and Commissioner Beaumont.

COUNTY MANAGER/COUNTY ATTORNEY REPORTS

Interim County Manager/County Attorney, Ike McRee, conveyed birthday wishes to Commissioner Mary Etheridge. He addressed the white signs with CE# in various locations mark Dominion Power construction.

He requested direction from the Board of Commissioners regarding the Historic Long Point Coast Guard Quarters located at the Old Harrison Marina. JD Louis Construction Management proposed purchasing of a county owned lot adjacent to the county's Whalehead Club and Historic Corolla Park facilities for relocation. Commissioner White recalled that the county has developed plans for use of those lots for additional park amenities, the Board of Commissioners determined that the county is not interested in selling either lot.

Mr. McRee discussed the former Highway Patrol unit and former Soil Conservation trailer repairs and poor conditions. Consensus of the board was to proceed with Public Works recommendation of disposal. The Board requested an analysis of structure conditions for Former Elections mobile unit and former Sheriff office located in Grandy.

Commissioner White inquired about the Paradise Homes property status located in Grandy. Mr. McRee informed the Board that the County has maintained the property. Staff has determined the best route to

dispose of the units is to use gov.deals, for county surplus properties.

Commissioner Beaumont inquired about two units on East Ridge Rd. Mr. McRee informed the Board that He will meet with building inspectors concerning the process of reviewing the properties.

Mr. McRee provided an update concerning the hazardous sidewalk located in front of the Corolla ABC store site. County Assistant Engineer has been in contact with Mr. Whitehurst and he is ready to provide an estimate to replace.

PUBLIC HEARINGS

A. PB 21-20 Baxter Station:

APPLICATION SUMMARY	
Property Owner: Jarvis Harvest LLC Charles T. Busby PO Box 88 Maple NC 27956 (Per Tax Record and NC Sec'y of State) Jarvis Harvest LLC 701 Blue Point Drive Wilmington NC 28411 (Per Application)	Applicant: Allied Properties LLC 417 Caratoke Hwy Unit D Moyock NC 27958
Case Number: PB 21-20	Application Type: Conditional Rezoning
Parcel Identification Number: 0009-000-025A-0000	Existing Use: Cultivated Farmland
Land Use Plan Classification: Rural*	Parcel Size (Acres): 53.43
Moyock Small Area Plan Classification: Full Service	Zoning History: RA-20 (1974), A (1989); AG (2013)
Current Zoning: AG (Agricultural)	Proposed Zoning: C- MXR (Conditional – Mixed Residential)
Request: Conditional zoning to allow 80 single-family detached lots within an age-restricted community located in Moyock on the south side of Baxter Lane adjoining Baxter Lane Estates to the East and Hidden Oaks to the south, Moyock Township.	

*Requires a Land Use Plan amendment.

SURROUNDING PARCELS		
	Land Use	Zoning
North	Commercial, Residential Subdivisions (Windswept Pines, Georgias Vineyard, etc.)	GB, AG, C-MXR
South	Residential Subdivision (Hidden Oaks)	C-SFM
East	Residential Subdivision (Baxter's Lane Estates)	C-SFM
West	Vacant, Railroad	GB

Communication: Minutes from November 1, 2021 (Approval Of Minutes- 11/1/21 & SM 10/25/21)

HISTORY

IN 2019 THE DEVELOPER PROPOSED A CONDITIONAL ZONING TO PLANNED DEVELOPMENT – RESIDENTIAL (PD-R) FOR THIS PROPERTY. THE PROPOSAL CONTAINED 103 SINGLE-FAMILY DWELLING UNITS AND 44 DUPLEX DWELLING UNITS WITH A MINIMUM LOT SIZE OF 10,000 SQUARE FEET AND THE CONSTRUCTION OF AN ON-SITE WASTEWATER TREATMENT PLANT. THE PLANNING BOARD RECOMMENDED DENIAL OF THAT REQUEST BECAUSE IT WAS INCONSISTENT WITH THE 2006 LAND USE PLAN AND THE MOYOCK SMALL AREA PLAN. THIS PROPOSAL WAS ALSO DETERMINED TO BE INCOMPATIBLE WITH SURROUNDING SUBDIVISIONS AND NEIGHBORHOODS. ADDITIONALLY, THE PROPOSED NEIGHBORHOOD WOULD BE SERVED BY MOYOCK ELEMENTARY SCHOOL WHICH WAS OVER CAPACITY. FOR THESE REASONS, THE REQUEST WAS NOT REASONABLE OR IN THE PUBLIC INTEREST. THE DEVELOPER WITHDREW THE REQUEST IN JUNE 2020, PRIOR TO IT BEING CONSIDERED BY THE BOARD OF COMMISSIONERS.

NARRATIVE

The applicant is now proposing an age-restricted residential community containing 80 single-family dwelling units. All units are proposed to be occupied by occupants 55 years of age or older. Before the issuance of the first building permit for the first dwelling unit, the developer will record a restrictive covenant in the homeowners' association documents restricting the age of the occupants accordingly. The restrictive covenants will require certifications of age of all household occupants at least once every two years and provide enforcement of violations. Outlined in the attached letter dated December 1, 2020, from the applicant's attorney, Currituck County can accept age restrictive covenants as legally enforceable conditional zoning conditions. According to the applicant's attorney, restrictions that comply with federal and state law "prevents school-aged children from occupying units."

Per the County Attorney, the current department of HUD standards define age restricted or an age restricted community as: (i) a community intended and operated for occupancy by persons 55 years of age or older; (ii) a community where at least 80% of the units have at least one occupant who is 55 years of age or older; (iii) the community must publish and adhere to policies and procedures that demonstrate the intent to operate as "55 or older" housing and (iv) the community must comply with HUD's regulatory requirements for age verification of residents. The applicant is proposing zero occupants less than 55 years old.

The properties along Baxter Lane have historically dealt with stormwater runoff and flooding issues. As part of the conditional zoning request, one condition the developer is offering is to help address drainage in this area. The Baxter Lane Ditch will be improved, and on-site stormwater storage will be provided, including berms as necessary, to address the 100-year storm on the Baxter Station property. An undersized culvert will be replaced at Baxter Lane Extension, assuming the County obtains right of entry onto all private properties. Currituck County's Soil and Stormwater Manager is confident that the proposed improvements will help alleviate stormwater runoff issues along Baxter Lane and adjoining properties. There is also a waterline under the undersized culvert that must be addressed, and the developer is working directly with Public Utilities to rectify that situation. Since these improvements are conditions proposed by the applicant, should the Board of Commissioners agree to the conditions, these improvements are bindings on the land and will become a part of the preliminary plat/use permit requirements.

The amenities plan for the 55 and older community includes a dog park and a waterfront garden with landscaping, walking paths, a pergola, and seating. (See attached amenities plan.)

Since the 2006 Land Use Plan classifies the property as Rural in the Moyock subarea, a Land Use Plan amendment is required to reclassify the property as Full Service to develop at the desired density of 1.49 units per acre. Since the more specific Moyock Small Area Plan classifies this area as Full Service, the amendment to the LUP is consistent with the policies and guidance offered in that plan. G.S. 160D-605 provides that “[i]f a zoning map amendment is adopted, and the action was deemed inconsistent with the adopted plan, the zoning amendment shall have the effect of also amending any future land-use map in the approved plan, and no additional request or application for a plan amendment shall be required.”

ZONING DISTRICT DENSITY COMPARISON

This rezoning request will result in a substantial density increase for the property. Please note that this is raw data and assuming ideal conditions with no limitations on the property (soil suitability, infrastructure placement, etc.). These numbers should be used for general reference purposes only.

AG (Existing) Conservation Subdivision Required (Currently Allowed)	17 lots	23 lots
	Minimum lot size 30,000 sf	Minimum lot size 30,000 sf
	50% open space	60% open space
	Max Density: .33 u/ac	Max Density: .4 u/ac
MXR Request Assuming Full Service LUP Map Amendment	80	
	15,000 sf minimum lot size	
	30% open space required; 38% proposed	
	Max Density: 2 u/ac with 1.49 u/ac proposed	

COMMUNITY MEETING

A community meeting on this version of the plan was held on July 20, 2021, at the Eagle Creek Pavilion. There were approximately 14 neighboring property owners in attendance. Most questions centered around drainage issues and plan for improvements, lot size/subdivision layout, poor soils, and general development in Moyock.

CONDITIONS OF APPROVAL

ONLY CONDITIONS MUTUALLY AGREED TO BY THE OWNER(S) OF THE PROPERTY TO BE CONDITIONALLY ZONED AND THE BOARD OF COMMISSIONERS MAY BE APPROVED AS PART OF A CONDITIONAL ZONING DISTRICT. IF THE BOARD WISHES TO ADD ADDITIONAL CONDITIONS OF APPROVAL, THE APPLICANT MUST AGREE TO THE NEW CONDITIONS FOR THE CONDITIONS TO BE VALID. THE PROPERTY OWNER AND APPLICANT ARE OFFERING TWO PROPOSED CONDITIONS THAT THE BOARD MUST AGREE TO:

- 1. REGARDING AGE RESTRICTION: THE USE OF THE PROPERTY SHALL BE LIMITED TO AN AGE-RESTRICTED RESIDENTIAL COMMUNITY WHERE ALL UNITS ARE OCCUPIED BY OCCUPANTS FIFTY-FIVE (55) YEARS OF AGE OR OLDER. BEFORE THE ISSUANCE OF THE FIRST BUILDING PERMIT FOR THE FIRST DWELLING UNIT, DEVELOPER WILL RECORD A**

RESTRICTIVE COVENANT IN THE HOMEOWNERS' ASSOCIATION DOCUMENTS RESTRICTING THE USE ACCORDINGLY, REQUIRING OCCUPANTS TO CERTIFY THE AGE OF ALL HOUSEHOLD OCCUPANTS AT LEAST ONCE EVERY TWO YEARS, AND PROVIDING FOR ENFORCEMENT OF SUCH RESTRICTION.

2. REGARDING DRAINAGE IMPROVEMENTS: DRAINAGE IMPROVEMENTS WILL BE PROVIDED AS FOLLOWS:

- a. **PERFORM MODELING OF THE BAXTER DITCH TO ITS OUTLET ON THE JARVIS (LANDING) PROPERTY.**
- b. **BASED ON MODEL RESULTS, MAKE IMPROVEMENTS TO BAXTER LANE DITCH ALONG THE BAXTER STATION PROPERTY BOUNDARY, INCLUDING WIDENING, DEEPENING, LAYING BACK SIDE SLOPES AND PUTTING ON PROPER GRADE. IMPROVEMENTS TO BE COMPLETED PRIOR TO PUTTING FIRST PLAT PHASE OF SUBDIVISION TO RECORD.**
- c. **RECORD AN EASEMENT ALONG THE BAXTER STATION PART OF THE DITCH TO PROVIDE ACCESS FOR ONGOING MAINTENANCE.**
- d. **INCLUDE A PROVISION IN THE COVENANTS OF BAXTER STATION THAT CLARIFIES THAT THE HOA WILL HAVE THE RESPONSIBILITY TO MAINTAIN THE BAXTER LANE DITCH THROUGH THE SUBDIVISION AT LEAST ANNUALLY, AND BUDGET FOR FUNDING WITHIN THE HOA DUES STRUCTURE TO ASSURE THAT ONGOING MAINTENANCE IS FUNDED.**
- e. **MODEL THE BAXTER STATION TO MANAGE THE 100-YEAR STORM EVENT AND PROVIDE STORMWATER STORAGE, INCLUDING BERMS AS NECESSARY, TO PREVENT RUNOFF FROM BAXTER STATION DURING THE 100 YEAR STORM EVENT FROM ADVERSELY IMPACTING OFFSITE PROPERTIES.**
- f. **IF CURRITUCK COUNTY IS ABLE TO OBTAIN THE NECESSARY RIGHT OF ENTRY AGREEMENTS, THE EXISTING UNDERSIZED CULVERT AT BAXTER LANE EXTENSION WILL BE REPLACED WITH A PROPERLY SIZED CULVERT SET AT THE PROPER GRADE.**

THERE IS WATERLINE UNDER THE UNDERSIZED CULVERT ON BAXTER LANE EXTENSION. PUBLIC UTILITIES IS REQUESTING THE FOLLOWING CONDITION:

- 3. THAT THE DEVELOPER WILL LOWER OR MOVE THE WATERLINE LOCATED AT THE END OF BAXTER LANE TO PROVIDE PROPER SEPARATION TO THE NEW DRAINAGE CULVERT. PUBLIC UTILITIES MUST APPROVE THE CONSTRUCTION PLAN PRIOR TO WORK BEGINNING ON THE CULVERT/WATERLINE.**

LAND USE PLAN

The 2006 Land Use Plan classifies this site as Rural within the Moyock subarea. The policy emphasis for the Moyock subarea is managing the increased urban level of growth that this area is sure to experience over the next decade and beyond. In areas where on-site wastewater is proposed, and other county services are limited, development density should be limited to 1-2 units per acre. The proposed development plan may be considered consistent with the Moyock subarea emphasis, but this consideration does not change the 2006 Land Use Plan land use classification of the subject property. This signifies a discrepancy with the UDO dimensional standards for the MXR district. * **The following land use plan policies are relevant to the request:**

Policy HN1	Currituck County shall encourage development to occur at densities appropriate for the location. LOCATION AND DENSITY FACTORS shall include whether the development is within an environmentally suitable area, the type and capacity of sewage treatment available to the site, the adequacy of transportation facilities providing access to the site, and proximity of the site to existing and planned urban services.
<p>*Prior zoning map amendments (2015 and 2018) adopted by the BOC placed emphasis on the Moyock Small Area plan future land use map classifying this property as Full Service. A zoning map amendment, PB 18-23 effective May 6, 2019, placed emphasis on the CAMA Land Use Plan. The decision emphasizes the 2006 Land Use Plan as the controlling document and the relation to the UDO dimensional standards for the MXR district signifies a discrepancy between the two plans and requires a Land Use Plan map amendment.</p>	

MOYOCK SMALL AREA PLAN

The Moyock Small Area Plan identifies this site as Full Service. Full-Service designations are focal points in the community where high amounts of activity occur. Typical densities in Full-Service designations range from 1.5 – 3 units per acre depending on surround land uses.

Policy FLU1	Promote compatibility between new development and existing development to avoid adverse impacts to the existing community. This is achieved through design and includes larger setbacks, landscaped or forested strips, transition zones, fencing, screening, density and/or bulk step downs, or other architectural and site planning measures that encourage harmony.
--------------------	---

STAFF CONCERNS

- PARTICIPATING IN THE HUD REGULATED PROGRAM FOR AGE-RESTRICTED COMMUNITIES IS A VOLUNTARY ACTION. SHOULD THE DEVELOPER CHOOSE NOT TO PARTICIPATE IN THE HUD AGE-RESTRICTED COMMUNITY PROGRAM, AN AMENDED CONDITIONAL ZONING DISTRICT WILL BE REQUIRED.
- THERE ARE CONCERNS FOR SCHOOL CAPACITY SHOULD THE DEVELOPER CHOSE TO NO LONGER PARTICIPATE IN THE AGE-RESTRICTED COMMUNITY.
- IT IS UNDERSTOOD THAT THE INTENT IS FOR THE HOA TO BE RESPONSIBLE FOR ENFORCING THE AGE RESTRICTION REQUIREMENT, BUT IT SHOULD BE NOTED THAT ENFORCEMENT ACTIONS OFTEN FALL TO THE COUNTY AND STAFF ENFORCEMENT OF THE AGE-RESTRICTION WOULD BE VERY DIFFICULT, EVEN IF LEGALLY PERMISSIBLE.

TECHNICAL REVIEW COMMITTEE COMMENTS

THE TECHNICAL REVIEW COMMITTEE REVIEWED THIS CONDITIONAL ZONING REQUEST AND IDENTIFIED THE FOLLOWING COMMENTS:

1. THE 2006 LAND USE PLAN IDENTIFIES THIS PROPERTY AS RURAL WITHIN THE MOYOCK SUBAREA. THE POLICY'S EMPHASIS FOR THE MOYOCK SUBAREA IS MANAGING THE INCREASED URBAN LEVEL OF GROWTH THAT THIS AREA IS SURE TO EXPERIENCE OVER THE NEXT DECADE AND BEYOND. IN AREAS WHERE ON-SITE WASTEWATER IS PROPOSED,

AND OTHER COUNTY SERVICES ARE LIMITED DEVELOPMENT DENSITY SHOULD BE LIMITED TO 1-2 UNITS PER ACRE.

2. THE MOYOCK SMALL AREA PLAN IDENTIFIES THIS SITE AS FULL-SERVICE. THIS DESIGNATION IDENTIFIES AREAS WHERE THERE WILL BE SIGNIFICANT PUBLIC INVESTMENT IN INFRASTRUCTURE, AND THUS CAN SUPPORT HIGHER DENSITY OF DEVELOPMENT.
3. THE UDO DIMENSIONAL STANDARDS IN THE MXR ZONING DISTRICT PROVIDE THE MAXIMUM DENSITY OF 2 UNITS PER ACRE IN THE FULL-SERVICE AREA AND 1 UNIT PER ACRE IN THE LIMITED-SERVICE AREA. THE UDO DOES NOT PROVIDE DENSITY ALLOCATION FOR PROPERTY IN THE RURAL LAND USE CLASSIFICATION. THE MXR ZONING DISTRICT PURPOSE PROVIDES MORE INTENSE DEVELOPMENT DENSITY AND USES THAN THE AREAS TYPICALLY IDENTIFIED AS THE RURAL LAND USE CLASSIFICATION.
4. PRIOR ZONING MAP AMENDMENTS, INCLUDING THE AMENDMENTS IN 2015 AND 2018, PLACED EMPHASIS ON THE MOYOCK SMALL AREA PLAN ALLOWING FOR THE FULL-SERVICE DEVELOPMENT DENSITY OF 2 UNITS PER ACRE. HOWEVER, A ZONING MAP AMENDMENT, PB 18-23 WITH AN EFFECTIVE DATE OF MAY 6, 2019, PLACED EMPHASIS ON THE 2006 LAND USE PLAN AS THE APPROVED CAMA PLAN. THAT DECISION, IF APPLIED TO THIS PROPERTY, WOULD NOT MEET THE COUNTY UDO SINCE THIS AREA IS IDENTIFIED AS RURAL WITH NO DEVELOPMENT DENSITY ALLOCATED.
5. BASED ON THE 2019 DECISION, AN AMENDMENT TO THE 2006 LAND USE PLAN LAND USE MAP (RURAL TO FULL-SERVICE) IS NECESSARY FOR THIS INCREASE IN DEVELOPMENT DENSITY TO BE ALLOWED UNDER THE UDO.
6. CONDITIONAL ZONINGS ARE LEGISLATIVE DECISIONS OF THE BOARD AND NOT CONTROLLED BY ANY ONE FACTOR. IN DETERMINING WHETHER TO ADOPT OR DENY A PROPOSED REQUEST, THE BOARD MAY CONSIDER THE STANDARDS IN UDO, SECTION 2.4.3.C.
 - a. Is consistent with the goals, objectives, and policies of the Land Use Plan, other applicable county-adopted plans, and the purposes of this Ordinance;
 - b. Is in conflict with any provision of this Ordinance, or the County Code of Ordinances;
 - c. Is required by changed conditions;
 - d. Addresses a demonstrated community need;
 - e. Is compatible with existing and proposed uses surrounding the land subject to the application, and is the appropriate zoning district and uses for the land;
 - f. Adversely impacts nearby lands;
 - g. Would result in a logical and orderly development pattern;
 - h. Would result in significant adverse impacts on the natural environment—including, but not limited to, water, air, noise, stormwater management, wildlife, vegetation, wetlands, and the natural functioning of the environment;
 - i. Would result in development that is adequately served by public facilities (e.g., streets, potable water, sewerage, stormwater management, solid waste collection and disposal, schools, parks, police, and fire and emergency medical facilities);
 - j. Would not result in significantly adverse impacts on the land values in the surrounding area; and
 - k. Would not conflict with the public interest and is in harmony with the purposes and intent of this Ordinance.

TECHNICAL REVIEW COMMITTEE RECOMMENDATION

PROVIDED ADEQUATE PUBLIC FACILITIES ARE AVAILABLE TO SERVE THE PROPOSED DEVELOPMENT, THE TECHNICAL REVIEW COMMITTEE RECOMMENDS APPROVAL OF THE

Communication: Minutes from November 1, 2021 (Approval Of Minutes- 11/1/21 & SM 10/25/21)

CONDITIONAL ZONING APPLICATION SUBJECT TO THE FOLLOWING CONDITIONS (MUST BE AGREED UPON BY THE COUNTY AND THE APPLICANT):

1. **THE 2006 LAND USE PLAN FUTURE LAND USE MAP MUST BE AMENDED TO IDENTIFY THE PROPERTY AS FULL-SERVICE AS PART OF THE MOTION FOR APPROVAL.**
2. **REGARDING AGE RESTRICTION: THE USE OF THE PROPERTY SHALL BE LIMITED TO AN AGE-RESTRICTED RESIDENTIAL COMMUNITY WHERE ALL UNITS ARE OCCUPIED BY OCCUPANTS FIFTY-FIVE (55) YEARS OF AGE OR OLDER. BEFORE THE ISSUANCE OF THE FIRST BUILDING PERMIT FOR THE FIRST DWELLING UNIT, DEVELOPER WILL RECORD A RESTRICTIVE COVENANT IN THE HOMEOWNERS' ASSOCIATION DOCUMENTS RESTRICTING THE USE ACCORDINGLY, REQUIRING OCCUPANTS TO CERTIFY THE AGE OF ALL HOUSEHOLD OCCUPANTS AT LEAST ONCE EVERY TWO YEARS, AND PROVIDING FOR ENFORCEMENT OF SUCH RESTRICTION.**
3. **REGARDING DRAINAGE IMPROVEMENTS: DRAINAGE IMPROVEMENTS WILL BE PROVIDED AS FOLLOWS:**
 - a. **PERFORM MODELING OF THE BAXTER DITCH TO ITS OUTLET ON THE JARVIS (LANDING) PROPERTY.**
 - b. **BASED ON MODEL RESULTS, MAKE IMPROVEMENTS TO BAXTER LANE DITCH ALONG THE BAXTER STATION PROPERTY BOUNDARY, INCLUDING WIDENING, DEEPENING, LAYING BACK SIDE SLOPES AND PUTTING ON PROPER GRADE. IMPROVEMENTS TO BE COMPLETED PRIOR TO PUTTING FIRST PLAT PHASE OF SUBDIVISION TO RECORD.**
 - c. **RECORD AN EASEMENT ALONG THE BAXTER STATION PART OF THE DITCH TO PROVIDE ACCESS FOR ONGOING MAINTENANCE.**
 - d. **INCLUDE A PROVISION IN THE COVENANTS OF BAXTER STATION THAT CLARIFIES THAT THE HOA WILL HAVE THE RESPONSIBILITY TO MAINTAIN THE BAXTER LANE DITCH THROUGH THE SUBDIVISION AT LEAST ANNUALLY, AND BUDGET FOR FUNDING WITHIN THE HOA DUES STRUCTURE TO ASSURE THAT ONGOING MAINTENANCE IS FUNDED.**
 - e. **MODEL THE BAXTER STATION TO MANAGE THE 100-YEAR STORM EVENT AND PROVIDE STORMWATER STORAGE, INCLUDING BERMS AS NECESSARY, TO PREVENT RUNOFF FROM BAXTER STATION DURING THE 100 YEAR STORM EVENT FROM ADVERSELY IMPACTING OFFSITE PROPERTIES.**
 - f. **IF CURRITUCK COUNTY IS ABLE TO OBTAIN THE NECESSARY RIGHT OF ENTRY AGREEMENTS, THE EXISTING UNDERSIZED CULVERT AT BAXTER LANE EXTENSION WILL BE REPLACED WITH A PROPERLY SIZED CULVERT SET AT THE PROPER GRADE.**
4. **THAT THE DEVELOPER WILL LOWER OR MOVE THE WATERLINE LOCATED AT THE END OF BAXTER LANE TO PROVIDE PROPER SEPARATION TO THE NEW DRAINAGE CULVERT. PUBLIC UTILITIES MUST APPROVE THE CONSTRUCTION PLAN PRIOR TO WORK BEGINNING ON THE CULVERT/WATERLINE.**
5. **SHOULD THE DEVELOPMENT STOP PARTICIPATING IN THE VOLUNTARY HUD REGULATED AGE-RESTRICTED COMMUNITY PROGRAM, AN AMENDED CONDITIONAL ZONING REQUEST MUST BE APPROVED PRIOR TO THOSE LESS THAN 55 YEARS OLD OCCUPYING A DWELLING UNIT.**

PLANNING BOARD RECOMMENDATION

On October 12, 2021, the Planning Board recommended denial of the requested conditional rezoning. The original motion to approve resulted in a 2-2 vote. The request is **denied** as it did not receive approval by a majority vote as stated in the Currituck County Planning Board Rules of Procedure.

Communication: Minutes from November 1, 2021 (Approval Of Minutes- 11/1/21 & SM 10/25/21)

A CONDITIONAL ZONING IS A LEGISLATIVE DECISION OF THE BOARD OF COMMISSIONERS. IN DETERMINING WHETHER TO APPROVE OR DENY A CONDITIONAL REZONING THE BOARD OF COMMISSIONERS SHALL ADOPT A WRITTEN STATEMENT OF CONSISTENCY.

The conditional zoning request is consistent with and amends the 2006 Land Use Plan by designating this property as Full-Service on the future land use map because the amendment recognizes and implements the Full-Service designation of the Moyock Small Area Plan adopted by the Board of Commissioners.

The request is reasonable and in keeping with the changed conditions acknowledged by the Moyock Small Area Plan and addresses the demonstrated community need of providing a Full-Service area.

CONDITIONS OF APPROVAL

Only conditions mutually agreed to by the owner(s) may be approved as part of a conditional zoning district. Conditions shall be limited to those that address conformance of development and use of the site with county regulations and adopted plans and that address the impacts reasonably expected to be generated by the development or use. No condition shall be less restrictive than the standards of the parallel general use zoning district.

AGREED UPON CONDITIONS OF APPROVAL:

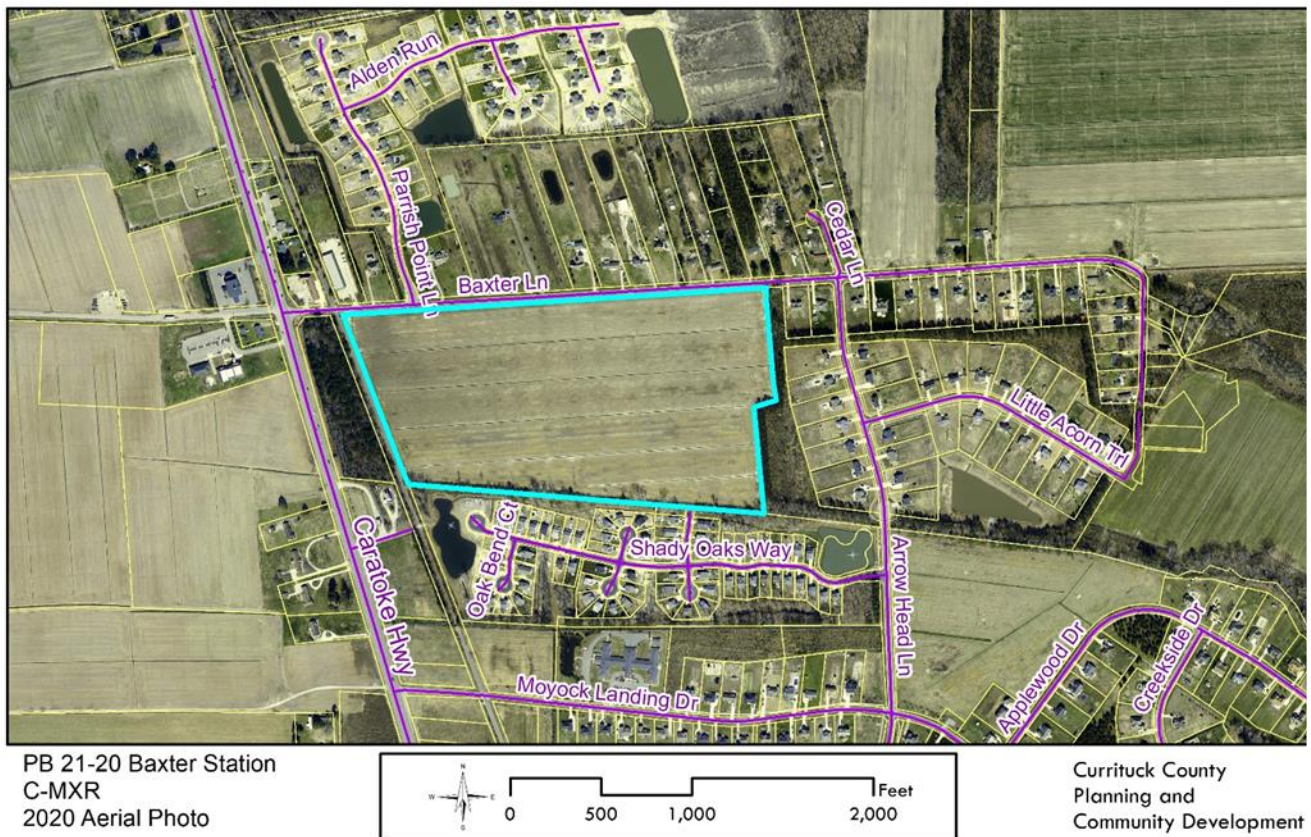

1. **REGARDING AGE RESTRICTION: THE USE OF THE PROPERTY SHALL BE LIMITED TO AN AGE-RESTRICTED RESIDENTIAL COMMUNITY WHERE ALL UNITS ARE OCCUPIED BY OCCUPANTS FIFTY-FIVE (55) YEARS OF AGE OR OLDER. BEFORE THE ISSUANCE OF THE FIRST BUILDING PERMIT FOR THE FIRST DWELLING UNIT, DEVELOPER WILL RECORD A RESTRICTIVE COVENANT IN THE HOMEOWNERS' ASSOCIATION DOCUMENTS RESTRICTING THE USE ACCORDINGLY, REQUIRING OCCUPANTS TO CERTIFY THE AGE OF ALL HOUSEHOLD OCCUPANTS AT LEAST ONCE EVERY TWO YEARS, AND PROVIDING FOR ENFORCEMENT OF SUCH RESTRICTION.**
2. **REGARDING DRAINAGE IMPROVEMENTS: DRAINAGE IMPROVEMENTS WILL BE PROVIDED AS FOLLOWS:**
 - a. **PERFORM MODELING OF THE BAXTER DITCH TO ITS OUTLET ON THE JARVIS (LANDING) PROPERTY.**
 - b. **BASED ON MODEL RESULTS, MAKE IMPROVEMENTS TO BAXTER LANE DITCH ALONG THE BAXTER STATION PROPERTY BOUNDARY, INCLUDING WIDENING, DEEPENING, LAYING BACK SIDE SLOPES AND PUTTING ON PROPER GRADE. IMPROVEMENTS TO BE COMPLETED PRIOR TO PUTTING FIRST PLAT PHASE OF SUBDIVISION TO RECORD.**
 - c. **RECORD AN EASEMENT ALONG THE BAXTER STATION PART OF THE DITCH TO PROVIDE ACCESS FOR ONGOING MAINTENANCE.**
 - d. **INCLUDE A PROVISION IN THE COVENANTS OF BAXTER STATION THAT CLARIFIES THAT THE HOA WILL HAVE THE RESPONSIBILITY TO MAINTAIN THE BAXTER LANE DITCH THROUGH THE SUBDIVISION AT LEAST ANNUALLY, AND BUDGET FOR FUNDING WITHIN THE HOA DUES STRUCTURE TO ASSURE THAT ONGOING MAINTENANCE IS FUNDED.**
 - e. **MODEL THE BAXTER STATION TO MANAGE THE 100-YEAR STORM EVENT AND PROVIDE STORMWATER STORAGE, INCLUDING BERMS AS NECESSARY, TO PREVENT RUNOFF FROM BAXTER STATION DURING THE 100-YEAR STORM EVENT FROM ADVERSELY IMPACTING OFFSITE PROPERTIES.**

Communication: Minutes from November 1, 2021 (Approval Of Minutes- 11/1/21 & SM 10/25/21)

- f. IF CURRITUCK COUNTY IS ABLE TO OBTAIN THE NECESSARY RIGHT OF ENTRY AGREEMENTS, THE EXISTING UNDERSIZED CULVERT AT BAXTER LANE EXTENSION WILL BE REPLACED WITH A PROPERLY SIZED CULVERT SET AT THE PROPER GRADE.

TECHNICAL REVIEW COMMITTEE RECOMMENDED CONDITION THAT MUST BE AGREED UPON BY THE APPLICANT AND THE COUNTY:

1. THAT THE DEVELOPER WILL LOWER OR MOVE THE WATERLINE LOCATED AT THE END OF BAXTER LANE TO PROVIDE PROPER SEPARATION TO THE NEW DRAINAGE CULVERT. PUBLIC UTILITIES MUST APPROVE THE CONSTRUCTION PLAN PRIOR TO WORK BEGINNING ON THE CULVERT/WATERLINE.
2. THE 2006 LAND USE PLAN FUTURE LAND USE MAP MUST BE AMENDED TO IDENTIFY THE PROPERTY AS FULL-SERVICE AS PART OF THE MOTION FOR APPROVAL.
3. SHOULD THE DEVELOPMENT STOP PARTICIPATING IN THE VOLUNTARY HUD REGULATED AGE-RESTRICTED COMMUNITY PROGRAM, AN AMENDED CONDITIONAL ZONING REQUEST MUST BE APPROVED PRIOR TO THOSE LESS THAN 55 YEARS OLD OCCUPYING A DWELLING UNIT.

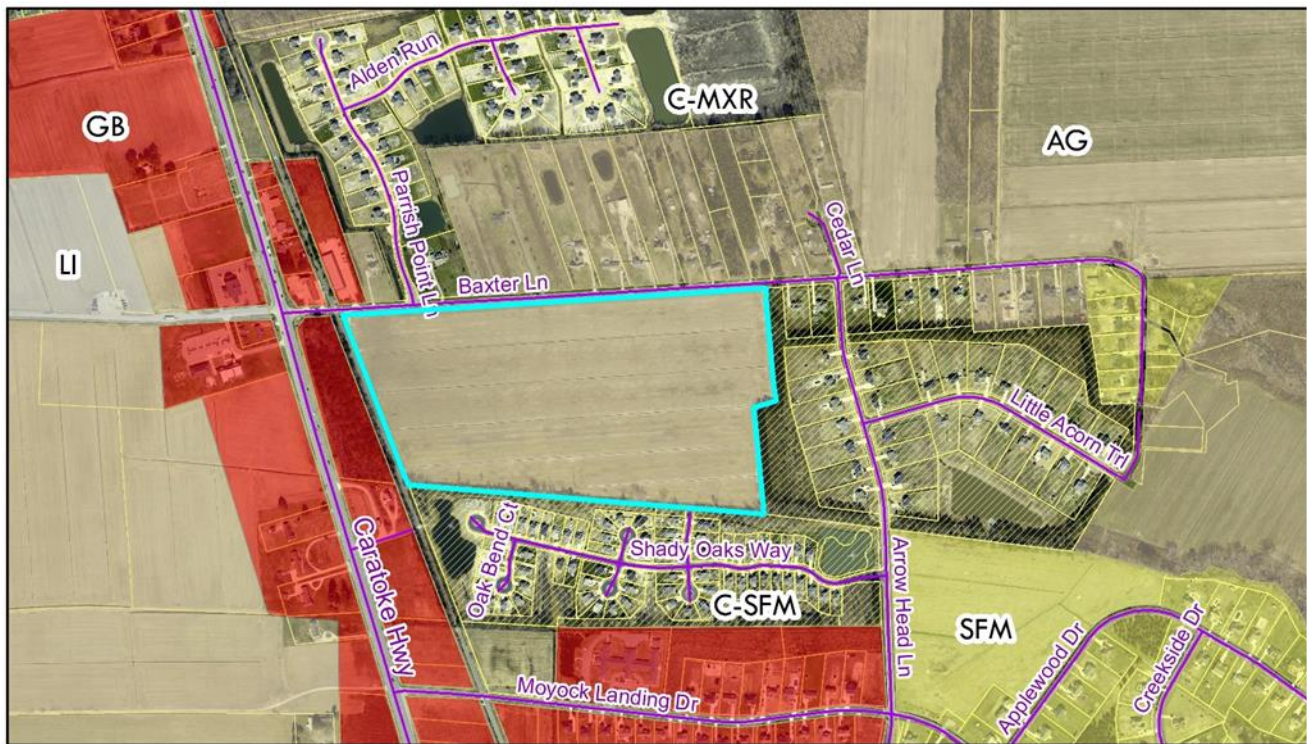

Communication: Minutes from November 1, 2021 (Approval Of Minutes- 11/1/21 & SM 10/25/21)

Tammy Glave, Senior Planner, reviewed the conditional rezoning application with Commissioners. A powerpoint was used to display location maps, summarize proposed conditions and rezoning for the subject property and surrounding parcels.

Interim County Manager/County Attorney Ike McRee stated during presentation of the proposed conditions of approval regarding item F, the county identified the owner, and the owner has agreed to convey an easement to the county for the culvert at Baxter Lane Extension.

Mark Bissell, Engineer, presented on behalf of the applicant. He used the overhead and provided an overview of the plan, displayed the design plat and summarized changes from the original plan, and addressed staff concerns. Zoning conditions to address stormwater and construction phasing were reviewed.

Commissioner Jarvis expressed concern regarding the Homeowner Association responsibilities for enforcing the age restriction requirements, and enforcement actions evolving into County staff enforcement issues. Justin Old, the applicant explained the process of the Federal HUD requirements.

Chairman Payment opened the Public Hearing.

Richard Truran, Baxter Lane homeowner, expressed concerns of the drainage and overflow from Baxter Lane flooding the roads, ditches and stated the ponds are not retaining due to new development and slab homes owners are concerned septic tanks are going to be affected. Chairman Payment requested County Engineer, Eric Weatherly to address the concerns. Mr. Weatherly recommended for Mr. Bissell to develop his model for up and downstream drainage. Soil and Water Conservation, Dylan Lloyd stated the ponds are no longer in compliance and the culvert needs to be replaced. Mr. Bissell proposed the ditch line in the new design will be elevated on Windswept Pines, Baxter is to be widened and deeper.

No others were signed up nor wished to speak and the Public Hearing was closed.

Commissioner Mary Etheridge expressed reservations concerning an age-restricted residential community. Commissioner Jarvis expressed her reservations on unmanaged growth.

Commissioner McCord moved to approve PB 21-20: Baxter Station, C-MXR because the request is consistent with and amends the 2006 Land Use Plan by designating this property as Full Service on the future land use map because:

The amendment recognizes and implements the Full-Service designation of the Moyock Small Area Plan adopted by the Board of Commissioners.

The proposed gross density allocation of 1.49 dwelling units per acre is in keeping with the Full-Services designation of the Moyock Small Area Plan. The designation identifies areas where there will be significant public investment in infrastructure and can support higher density of development.

MSAP Policy FLU1 promotes compatibility between new development and existing development to avoid adverse impacts to the existing community.

And the request is reasonable and in keeping with changed conditions acknowledged by the Moyock Small Area Plan, and addresses the demonstrated community need of providing a Full-Service area that offers both residential and commercial uses in the development.

The applicant and the Board of Commissioners agree to the following conditions of approval.

1. Regarding Age Restriction: The use of the property shall be limited to an age-restricted residential community where all units are occupied by occupants fifty-five (55) years of age

- or older. Before the issuance of the first building permit for the first dwelling unit, Developer will record a restrictive covenant in the homeowners' association documents restricting the use, accordingly, requiring occupants to certify the age of all household occupants at least once every two years, and providing for enforcement of such restriction.
2. Regarding Drainage Improvements: Drainage improvements will be provided as follows:
 - a. Perform modeling of the Baxter ditch to its outlet on the Jarvis (Landing) property.
 - b. Based on model results, make improvements to Baxter Lane ditch along the Baxter Station property boundary, including widening, deepening, laying back side slopes and putting on proper grade. Improvements to be completed prior to putting first plat phase of subdivision to record.
 - c. Record an easement along the Baxter Station part of the ditch to provide access for ongoing maintenance.
 - d. Include a provision in the covenants of Baxter Station that clarifies that the HOA will have the responsibility to maintain the Baxter Lane ditch through the subdivision at least annually, and budget for funding within the HOA dues structure to assure that ongoing maintenance is funded.
 - e. Model the Baxter Station to manage the 100-year storm event and provide stormwater storage, including berms as necessary, to prevent runoff from Baxter Station during the 100-year storm event from adversely impacting offsite properties.
 - f. If Currituck County is able to obtain the necessary right of entry agreements, the existing undersized culvert at Baxter Lane Extension will be replaced with a properly sized culvert set at the proper grade.
 3. That the developer will lower or move the waterline located at the end of Baxter Lane to provide proper separation to the new drainage culvert. Public Utilities must approve the construction plan prior to work beginning on the culvert/waterline.
 4. Should the development stop participating in the voluntary Federally regulated age-restricted community program, an amended conditional zoning request must be approved prior to those less than 55 years old occupying a dwelling unit.
 5. The 2006 Land Use Plan future land use map must be amended to identify the property as Full-Service as part of the motion for approval.

Commissioner White seconded the motion. The motion passed on a member vote of 5 in favor, 2 opposed.

Chairman Payment called for a brief recess at 8:00 PM. The meeting reconvened at 8:10 PM.

RESULT:	APPROVED [5 TO 2]

B. Discussion of service contract with Corolla Volunteer Fire and Rescue Squad Inc.

Interim County Manager/County Attorney, Ike McRee, discussed the service contract with Corolla Volunteer Fire and Rescue Squad (CVFRS) Inc. A proposal was provided to amend the contract with terms allowing the CVFRS opportunity to apply for a grant. Commissioner Beaumont recommends moving forward with a six month agreement allowing the CVFRS to apply for a grant to obtain a platform truck. He suggests reviewing all the fire contracts.

Commissioner Beaumont moved for approval and the motion was seconded by Commissioner White. The motion carried, 7-0.

Currituck Chairman Mike Payment called meeting to order at 5:30PM

JOINT MEETING WITH BOARD OF EDUCATION

The Currituck County Board of Commissioners held a Special Meeting with the Currituck County Board of Education to review the Operations Research and Education Laboratory (ORED) Study and Facilities Study 2021 on the school expansion projects.

Dr. Matt Lutz, Superintendent introduced Thomas Dudley and Terry Karlson from Institute for Transportation Research and Education (ITRE) at North Carolina State University, to share the ORED presentation. Mr. Dudley presented a 10-year forecast of the land use plan, growth factors and geography at the school level. The services of the study include data collected from geographic information system analysis, software, and mathematical optimization. Mr. Karlson discussed the land use process and results. Data throughout the county from residential development, transportation, economic development, and water sewer infrastructure was collected to determine the impact of future student enrollment and capacity. Capacity numbers were provided by Currituck planning department.

Dr. Lutz introduced Jimmy Hite, with Hite Associates Architecture Engineering to present the Facilities Study 2021. The Facility study displayed each campus in a diagram for each floor plan in its district representing the present capacity of existing facilities. Each campus was reviewed to see what expansions or classroom modifications with the maximum capacity may take place. The Department of Public Construction make recommendation of classroom size. Elementary space is a fixed square footage, whereas high school space is flexible. Dr. Lutz requested for two mobile units providing room for 6 classroom spaces.

Communication: Special Meeting Minutes from October 27, 2021. (Approval Of Minutes- 11/1/21 & SM 10/25/21)

Board of Commissioners and Board of Education discussed the process of requesting a bond, the need to identify and purchase land for the school projects and moving forward to have funds in place by the end of January 2022.
