Board of Commissioners

Currituck County is governed by a seven-member Board of Commissioners. Each member is elected by a county-wide vote to a four-year term, with no term limits.

The Board of Commissioners determines county policy and is responsible for hiring the County Manager, County Attorney, and Clerk to the Board of Commissioners.

There are five residency districts from each of which one commissioner is elected. There are also two at-large commissioner seats that do not have a residency requirement.

County Administration

- Interim County Manager: Rebecca Gay*
- County Attorney: Megan Morgan
- Clerk to the Board: Leeann Walton

The County Manager directs the daily operations of county government and carries out policies set by the Board of Commissioners. The County Manager is responsible for hiring the Assistant County Manager and department heads, with oversight and final approval of hiring department staff.

The County Manager is also the official budget officer for Currituck County government and is charged with presenting a balanced budget proposal to the Board of Commissioners.

Advisory Boards

Advisory boards and committees are comprised of citizens who volunteer to participate and contribute their time, knowledge, and experience for the betterment of the county. Members of advisory boards are appointed by the Board of Commissioners.

Each advisory board operates as a supportive body to the Board of Commissioners to provide information and offer suggestions to commissioners on a wide range of topics.

Currituck County residents who are at least 18 years old may apply to serve on the following advisory boards:

- Alcoholic Beverage Control Board
- Animal Services and Control Advisory Board
- Board of Adjustment
- Fire and Emergency Medical Services Advisory Board
- Historic Preservation Commission
- Jury Commission
- Land Transfer Tax Appeals Board
- Library Board
- Nursing Home Advisory Board
- Planning Board
- Recreation Advisory Board
- Senior Citizens Advisory Board
- Social Services Advisory Board
- Tourism Advisory Board
- Veterans Advisory Board

Currituck County maintains a copy of the budget available for viewing on the county website, at www.CurrituckCountyNC.gov.

*Assistant County Manager Rebecca Gay is serving as interim County Manager following the retirement of Donald I. McRee, Jr., on March 31, 2024. The Board of Commissioners will appoint a permanent County Manager in the upcoming fiscal year.

The following advisory boards have residency requirements for service:

- Carova Beach Road Maintenance Service District Advisory Board
- Corolla Wild Horse Advisory Board
- Game Commission
- Northwest Watershed Improvement Advisory Board
- Ocean Sands North/Crown Point Watershed District Advisory Board
- Whalehead Stormwater Drainage Service District Advisory Board

Organizational Chart

County Facts

Currituck County is located in the northeastern corner of North Carolina, with its northern border on the state line of Virginia and its eastern border at the Atlantic Ocean. It was formed in 1668 as one of the original North Carolina counties.

The county encompasses 261.91 square land miles and has a population of 31,593 year-round residents, according to the U.S. Census Bureau's 2023 data. Currituck is a growing county that experienced a 12.7% increase in population from July 2019 to July 2022.

Currituck's geography is widespread and includes a long north-to-south mainland section that is bordered by Virginia (north), Camden County (west), Dare County (south) and the Currituck Sound (east). More than 26,000 of the county's residents live in the mainland area.

The community of Knotts Island is located across the Currituck Sound from the mainland and is connected to Virginia. To travel to Knotts Island, one must take the Currituck-Knotts Island Ferry or drive through Virginia. Approximately 2,000 county residents live in Knotts Island.

The Outer Banks community of Corolla is located at the northern end of North Carolina's barrier islands. To reach Corolla, one must travel through Dare County and back north into Currituck County. Corolla includes a paved road section of neighborhoods and, to the north, an off-road four wheel drive area that is only accessible by driving on the beach.

Consisting mainly of Swan Beach, North Swan Beach, and Carova Beach subdivisions, it contains no paved roads and features secluded neighborhoods behind the dune line of the beach. Approximately 1,600 residents live year-round in Corolla and Carova.

Currituck County is one of only two counties in North Carolina that does not have any cities or towns within its borders.

Tourism is a major economic asset of Currituck County. Visitors come from all over the world to enjoy Currituck County's beaches and historical attractions. During the summer months, the population in Corolla can increase by approximately 50,000 people per week. Important attractions include the historic Whalehead house, Maritime Museum, Outer Banks Center for Wildlife Education, Historic Jarvisburg Colored School, Historic Courthouse and Old Jail, and the Currituck Beach Lighthouse.

The county has many tourism-related businesses that hire large numbers of local employees. Due to the successful tourism industry, Currituck County enjoys significant revenue gains through occupancy tax and sales tax.

Currituck County Schools consists of one high school, one early college high school, two middle schools, and six elementary schools. A seventh elementary school is under construction in Moyock. A five-member Board of Education is elected to serve four-year terms. Higher educational opportunities are available through College of The Albemarle, a community college that offers courses at two county-owned facilities in Community Park: the Regional Aviation and Technology Training Center and the Public Safety Center. Adjacent to these facilities is the Currituck Regional Airport which features a 5,000 foot runway, full-length parallel taxiway, hangars, and tie-down space.

The Currituck Sound, Atlantic Ocean, Intracoastal Waterway, and numerous other bodies of water provide abundant areas for fishing, kayaking, and boating activities. The county's rural environment also attracts a large number of hunters annually.

Eight public parks provide playgrounds, boat launches, tennis courts, pickleball courts, volleyball courts, skate parks, dog parks, trails, waterfront boardwalks, fishing, and picnic pavilions. In addition, the Currituck County Rural Center includes outdoor equestrian areas and an indoor pavilion.

Budget Message

Honorable Board of Commissioners,

I am pleased to submit Currituck County's Fiscal Year 2025 Proposed Budget. The proposed budget is prepared in accordance with the North Carolina Local Government and Budget Fiscal Control Act.

This proposed budget includes services that the county must provide, as well as those services that the community values. Community values are expressed through your policies, goals, and investments. This budget is a financially sound proposal addressing the important needs in this community and within the county's governing organization. As this budget is transmitted from the county manager to you, it now becomes your budget as the governing body to review, debate, modify and adopt.

Economic Conditions

Rising inflation rates have slowed, however, we continue to see higher prices for materials and services. Sales tax revenues continue to grow but at a much slower rate than we have experienced post-COVID.

In November 2023, Currituck County was again ranked as the least distressed county in North Carolina, receiving a Tier 3 designation for 2024 under the N.C. Department Commerce Development Tier Designations. The county has the state's third highest adjusted tax base per capita, the second highest population growth between 2019 and 2022, the fourth highest median household income, and the 21st lowest unemployment rate between October 2022 and September 2023.

Tier Designation Factors							
Adjusted Property Tax Base Per Capita FY 2023 - 2024		Population Growth July 2019 - July 2022		Median Household Income 2021		Unemployment 12-Month Avg 10/2022 to 09/2023	
Value	Rank	Value	Rank	Value	Rank	Value	Rank
\$266,474	98	12.77%	99	\$82,759	97	3.20%	79

While the county is grateful for its economic successes, it is difficult to understand how a rural county in northeastern North Carolina is ranked in the company of the counties of Wake, Chatham, Durham, and Union in the county-tier designation.

Occupancy Tax Litigation

Currituck County has historically utilized occupancy tax revenue to supplement the expense of providing public safety services to Corolla during the tourist season. Last year, you approved a transfer of \$3.39 million in occupancy tax revenue to support emergency medical services and law enforcement operations in Corolla. You also approved the transfer of \$1.4 million to the Corolla Fire Service District in support of fire protection services. The Board of Commissioners serving in its capacity as the Tourism Development Authority, determined in its own judgment expenditure of funds for public safety services in Corolla during tourist season "are designed to increase the use of lodging facilities, meeting facilities, recreational facilities, and convention facilities in a county by attracting tourists or business travelers to the county."

The use of these funds for public safety services, among other expenses, was challenged by a group of Corolla property owners in 2019. The lawsuit claimed that the county spends occupancy tax revenue in violation of state statute. The trial court ruled in the county's favor; however, the plaintiffs appealed, and the Court of Appeals reversed the trial court's decision in March 2024. The Court of Appeals ruling prohibits the use of occupancy tax revenue for public safety services. Therefore, this proposed budget does not include a transfer of occupancy tax revenue to support law enforcement, emergency medical services or fire protection in Corolla.

Approach to Budget Development

It remains a challenge to fund and provide services in a county with unique geography and without other local governments to share in the provision of services. In consideration of these challenges, current economic conditions, and the recent NC Court of Appeals occupancy tax ruling, we will continue to seek additional revenue sources

including grant funding opportunities and will evaluate opportunities for efficiencies in service delivery.

General Fund

The General Fund is the principal operating fund for Currituck County. The major operating activities include general government administration, public safety, education, human services, and other governmental service functions.

Public safety and public education are critical functions of county government. Keeping residents safe, responding to emergencies, and providing our children with a sound education are of primary importance. Because of their importance and cost to maintain personnel, vehicles and facilities, this budget proposes an allocation of 37% of General Fund appropriations to departments associated with public safety. The departments are Currituck County Sheriff's Office, Fire-Emergency Medical Services Department, Emergency Management, 911 Communications, Inspections, Animal Services and Control and Detention Center. In this recommended budget, it is proposed that 20% of the General Fund is appropriated to Education.

General Government

The proposed budget includes an appropriation of \$11,763,576 or 14% of the General Fund appropriation to General Government operations. This proposed budget includes an appropriation of \$712,462 for the county's five-year computer replacement program and \$600,000 for information technology virtualization infrastructure.

Public Safety

This proposed budget continues the commitment to invest significant funding into vehicle replacement programs for the Sheriff's Office and Fire-Emergency Medical Services. This proposed budget allocates \$694,950 for ten (10) patrol vehicles for the Sheriff's Office and \$802,500 for two (2) new ambulances for Fire-Emergency Medical Services.

Two years ago, you committed to incrementally purchase fire apparatus to replace the aging fleet. This proposed budget continues the replacement program with the allocation of \$1,015,000 for the purchase of fire apparatus.

Reliable communication is essential to safe and efficient public safety response. The county's cache of portable hand-held and vehicle mobile radios is reaching end-of-life. This proposed budget includes an appropriation of \$600,000 for the replacement of a combination of 100 portable and mobile radios. FY 2025 is identified as the first year of a five-year commitment to replacing these radios.

Education

Historically, Currituck County strongly supports education and the Currituck County School System. Even in challenging economic times the support is continued in this proposed budget.

Currituck County School System Local Current Expense

This proposed budget allocates \$14,288,105 as Local Current Expense funding which is a 9.61% increase over the current fiscal year Local Current Expense funding.

Currituck County Schools Capital Outlay

Over the last several fiscal years, the county has appropriated \$1,400,000 in capital outlay funding for the Currituck County School System. Over those fiscal years, the school system has applied \$400,000 for technology. Currituck County School FY 2025 request for capital outlay is \$1,535,000. The additional request of \$135,000 is for a one-time technology expense.

Last year, you committed to funding improvements identified in the school system's five-year capital improvement plan at an annual expense of approximately \$3,600,000. This proposed budget allocates \$2,900,000 for year two of the school system's capital outlay plan for a total recommended capital outlay allocation in the amount of \$4,435,000. To fully fund the school system's capital improvement request for the first year, it is expected that the school system will apply approximately \$400,000 from state lottery funds and approximately \$300,000 from the state Public Schools Repair and Renovation Fund.

A New Elementary School

Construction began on the new Tulls Creek Elementary School in October 2024. Last year, you adopted a \$0.04 property tax increase for construction of the new elementary school under the understanding that an additional

\$0.04 property tax increase would be required in FY 2025 to fund the full debt payment. The total debt service payment for Tulls Creek Elementary School in FY 2025 is \$6,288,000 which equates to approximately \$0.08 of the proposed FY 2025 tax rate.

Commitment to Higher Education

For some time, Currituck County and the regional community college, College of The Albemarle, have partnered to ensure county citizens have access to quality educational opportunities from trades to general college level courses. The partnership resulted in the establishment of the COA-Currituck campus providing aviation systems technology, computer-aided drafting technology and computer-integrated machining programs. At the county's Public Safety Center, COA-Currituck offers basic law enforcement, nursing aide and general education programs. Continuing the partnership, this proposed budget allocates \$287,147 to College of The Albemarle.

We also look forward to building upon our relationship with Elizabeth City State University, as the university expands its Aviation Science flight program to Currituck County Regional Airport.

Our Team

Health Insurance Benefit

Following your approval last year, the county joined the North Carolina Health Insurance Pool (NCHIP) in FY 2024 to offer our team greater health coverage at much less cost to the county. Our first year with NCHIP continues to be a success. This proposed budget includes a 3% increase to our renewal rate which is 5.4% less than the market average of 8.4%.

Cost-of-Living Adjustment

Personnel requests submitted by department heads for FY 2025 indicated the need for thoughtful consideration of how to best address our current staffing realities of turnover, vacancies, and salary shortfalls.

Fifty-six (56) individuals have voluntarily resigned from employment this year. Eighty-four (84%) percent of those individuals have worked for Currituck County for less than 5 years which means they are not vested in the retirement system and are not yet eligible for longevity. While traditional benefits add tremendous value, their impacts are deferred and the younger workforce values more immediate impacts to their compensation.

These changing employment trends drew focus on how to recruit and retain qualified employees while also recognizing funding limitations. This proposed budget includes a banded approach to a cost-of-living adjustment (COLA) that provides for the following:

- 8% COLA for Grades 50 to 69
- 6% COLA for Grade 70 to Grade 79
- 4% COLA for Grade 80 and above.

The 8% cost-of-living adjustment in Grades 50 to 69 provides the greatest increase in pay to those positions where we experience the greatest turnover and vacancies. For example, there are currently multiple vacancies in the Social Services and Emergency Medical Services departments. Most of the positions within these departments fall within Grades 50 to 69. The proposed increase will make the salaries for these positions more competitive.

While a positive step, the proposed COLA does not fully address salary disparities. This proposed budget also includes the recommendation to conduct a comprehensive salary study.

Personnel Changes

The following personnel changes are proposed in this budget:

Administration - Addition of one (1) Veteran Services Officer position funded at Grade 73. This position will be shared with and partially funded by Camden County.

Elections – Addition of one (1) Part-Time Elections Specialist position funded at Grade 54.

Finance - Addition of one (1) Accounting Clerk position funded at Grade 56.

Information Technology Services - Addition of one (1) MUNIS Software Specialist position funded at Grade 86; creation of a Support Technician advancement opportunity, up to a Support Technician II with credentials funded at Grade 68.

Public Works – Reclassification of Maintenance Worker Plumber from Grade 61 to Grade 70, and reclassification of Maintenance Worker HVAC from Grade 61 to Grade 74.

Register of Deeds – Reduce Assistant Register of Deeds position from one (1) full year to six (6) months, or one-half (1/2) of a position.

Sheriff’s Office – Reclassification of two (2) current vacant Deputy positions to one (1) Sergeant position and one (1) Lieutenant position and increase the Sheriff’s salary from \$101,310.60 to \$120,000.

Fire-Emergency Medical Services – Addition of one (1) EMS Logistics Position funded at Grade 70.

Planning – Reclassification of Administrative Assistant II Grade 64 to Planning Clerk Grade 66 and addition of one (1) Planning Technician position funded at Grade 66.

Social Services – Reclassification of DSS Director from Grade 95 to Grade 98.

Enterprise Funds

Generally, enterprise funds account for operations that are financed and operate much like a private business. The county maintains nine (9) enterprise funds. In enterprise funds that are water, sewer or solid waste related there are capital projects planned to begin or continue in FY 2025.

Those projects are:

- 16-inch Water Main Upgrades from Currituck Water Tank Sligo and Pumps Stations
- Reverse Osmosis Well #4 and Connection to Mainland Water Treatment Plant
- Mainland Water Treatment Plant Expansion
- New Reverse Osmosis Well and Connection to Southern Outer Banks Water System
- Southern Outer Banks Water Treatment Plant Expansion
- Reverse Osmosis Well at Historic Corolla Park
- Acquire land for new convenience center in Moyock Township
- Design expansion of Panther Landing Road Convenience Center.

Special Revenue Funds

Corolla Fire Service District

Corolla Fire Service District was established on May 21, 2018. Last year you increased the service district tax from \$0.05 to \$0.06 because the tax rate did not provide sufficient revenue to support the services. Due to the NC Court of Appeals ruling regarding the use of occupancy tax, occupancy tax revenue may not be transferred into the service district fund. The current tax rate does not provide sufficient revenue to support services provided and this proposed budget recommends a tax rate of \$0.09.

Knotts Island Fire Service District

Knotts Island Fire Service District was established on May 6, 2019. Because the current tax rate does not provide sufficient revenue to support services provided, this proposed budget recommends a tax rate increase from \$0.06 to \$0.09.

Capital Improvement Plan

Capital facilities and adequate infrastructure are critical for Currituck County’s provision of services and facilities. A plan is critical to determine the need and funding for capital facilities and infrastructure. In a deliberate process, county departments were asked to identify capital needs from FY 2025 through FY 2029. The result is the FY 2025-2029 Capital Improvement Program that is recommended to you for adoption with the FY 2025 budget. The FY 2025 capital budget represents projects proposed for funding in the proposed budget. The remaining projects shown in FY

2026 through FY 2029 represent planned projects that will be continually vetted and subject to change.

FY 2025 and Beyond

Like prior fiscal years, the budget process began with departments presenting their requests. The requests were not unreasonable, representing departmental professional judgment of funding required to maintain and enhance service to the community. Currituck County is a lean operation and department requests were in keeping with operational practice.

Following receipt of department requests the county management budget team vetted requests asking departments to justify some of the requests and thereafter deleting or delaying fulfillment of some requests. After that process, the amount of new revenue available in FY 2025 is not sufficient to meet rising cost and demand of county services and funding requests.

As presented above, last year you committed to increasing the property tax rate by 4 cents to fully fund the debt payment for Tulls Creek Elementary School. This budget proposes an additional 2 cent increase for a total tax rate increase of 6 cents. This increase is necessary to compensate for the elimination of the use of occupancy tax revenue to supplement public safety services in Corolla.

Therefore, this recommended budget proposes a property tax increase of 6 cents for the General Fund operating budget in the upcoming fiscal year setting the county's tax rate at 62 cents. I believe this \$81,939,449 General Fund operating budget is responsible for addressing community needs and expectations. This proposed budget addresses challenges and recognizes good stewardship of county resources and facilities.

Consideration of alternative sources of revenue will be required in the future. I encourage you to consider placing a referendum on the November ballot to levy an additional one-quarter percent sales tax under Article 46 of local option sales tax. Revenue is not restricted or earmarked and can therefore be used for any allowed use by counties. Article 46 sales tax does not apply to unprepared food (i.e. groceries) or gas purchases.

Coming Soon

Now that the budget is yours, we want citizens to have the opportunity to review the budget, to ask questions and provide feedback. Comments can be made to commissioners@currituckcountync.gov. The proposed budget will also be posted on the county's website and hard copies will be located at the office of the Clerk to the Board in the Historic Courthouse, 153 Courthouse Road, Currituck, North Carolina, 27929.

On June 3, 2024, a budget work session will be held prior to your regular meeting. A public hearing on the budget will be held at your regular meeting on June 17, 2023, at 6:00 p.m. at the Historic Currituck Courthouse. You may adopt the budget anytime following the public hearing but before July 1, 2024.

In closing, I thank department heads for their diligent and dedicated work preparing their budget submissions. I also thank the budget team: Finance Director Sandra Hill, Assistant Finance Director Caron Crouse, Human Resources Director Melissa Futrell, and Public Information Officer Randall Edwards for their efforts.

Thank you for your attention, deliberation, and consideration of this proposed budget.

Rebecca L. Gay
Interim County Manager

Budget Ordinance

County Of Currituck Budget Ordinance
For the Year Ending June 30, 2025

BE IT ORDAINED by the Board of Commissioners, County of Currituck, North Carolina that the following estimated resources, appropriations, and memoranda are adopted for the fiscal year commencing July 1, 2024 and ending June 30, 2025.

A. Estimated Resources:

Ad Valorem Taxes	54,247,100
Other Taxes and Licenses	9,807,500
Intergovernmental Revenues	2,953,518
Permits and Fees	5,024,370

Operations		<u>1,140,500</u>
TOTAL APPROPRIATIONS	\$	<u>1,140,500</u>

SECTION 34. AD VALOREM TAX RATE ESTABLISHED

There is hereby levied a tax rate of sixty-two cents (\$0.62) per one hundred dollars (\$100) valuation of all real and personal property situated in the County of Currituck on January 1, 2024 for the purpose of raising the revenue listed as “Ad Valorem Taxes” in Section 1, Part A of this ordinance.

The rate of tax is based on estimated total valuation of property for the purpose of taxation of \$8,351,556,341 and an estimated rate of collection of 99.27%. The estimated rate of collection is based on the fiscal year ended June 30, 2023.

SECTION 35. SPECIAL DISTRICT TAX RATES ESTABLISHED

Corolla Fire Service District	\$	0.090
Knotts Island Fire Service District		0.090
Carova Beach Road Service District		0.020
Hog Bridge Ditch Watershed Improvement District		0.030
Moyock Combined Watershed Improvement District		0.015
Northwest Watershed Improvement District		0.020
Ocean Sands North and Crown Point Watershed Improvement District		0.255
Whalehead Watershed Improvement District		0.100
Whalehead Beach Solid Waste Collection & Disposal Service District		0.015
Ocean Sands Water & Sewer District		0.115

SECTION 36. ANIMAL TAX RATE ESTABLISHED

There is hereby levied an animal tax of four dollars (\$4.00) for all male and spayed female dogs and four dollars (\$4.00) for all fertile female dogs listed for taxes as of January 1, 2023.

SECTION 37. SOLID WASTE COLLECTION AND DISPOSAL RATE ESTABLISHED

There is hereby established a disposal fee pursuant to Section 11-5(a) of the Solid Waste Ordinance of ninety-five dollars (\$95.00) per ton for in-county waste and one hundred and five dollars (\$105.00) per ton for out-of-county waste.

There is hereby levied an annual solid waste collection and disposal availability fee pursuant to Section 11-5(b) of the Solid Waste Ordinance of four hundred sixty-seven dollars (\$467) for all units on the Southern Outer Banks with door to door service and two hundred fifty-six dollars (\$256) for all units located elsewhere within the County of Currituck

SECTION 38. EMPLOYEE COMPENSATION

Employee compensation is included in summary form. Individual employee salaries and benefits are hereby approved and set as presented in the supporting documents presented as part of the budget deliberation process and officially filed with the Human Resources Director.

SECTION 39. OTHER FEES

The County of Currituck charges various fees. These fees are detailed in the Master Fee schedule that is presented in the appendix of the budget document.

SECTION 40. DISBURSEMENT OF SCHOOL APPROPRIATIONS

The amount here within appropriated as School Local Current Expense shall be disbursed to the school finance officer in twelve (12) equal monthly installments.

The amount here within appropriated as School Capital Outlay shall be disbursed to the school finance officer according to a mutually agreed disbursing schedule.

A quarterly progress report shall be furnished by the Board of Education to the Board of Commissioners detailing the extent to which all school capital outlay and school capital construction monies have been expended.

SECTION 41. SPECIAL APPROPRIATIONS AND RESTRICTIONS

The Budget Officer is hereby authorized to transfer appropriations within the funds as contained herein under the following conditions:

- A. They may transfer amounts within the same department within the same fund up to ten thousand dollars (\$10,000) providing an official report on such transfers at a regular meeting of the Board of Commissioners.
- B. They may transfer amounts between departments within the same fund up to one thousand dollars (\$1,000) providing an official report on such transfers at a regular meeting of the Board of Commissioners.
- C. They may appropriate fund balance to salaries and benefits in order to increase salaries of employees who have met requirements to increase certifications required by the county providing an official report on such appropriations at a regular meeting of the Board of Commissioners.
- D. They may make inter-fund loans for a period of not more than sixty (60) days.
- E. They may not transfer any amounts between funds or from any contingency line items within any funds.

SECTION 42. CONTRACTUAL OBLIGATIONS

The County Manager and the Assistant County Manager are hereby authorized to execute contractual documents under the following conditions:

- A. They may execute contracts for construction or repair projects which do not require formal competitive bid procedures.
- B. They may award contracts, reject bids, re-advertise for bids, waive bid bonds or bid deposit requirements, and waive performance and payment bond requirements for all formal bids of apparatus, supplies, materials and equipment as stated in G. S. §143-129.
- C. They may execute contracts for (1) purchases of apparatus, supplies, and materials, or equipment which are within the budgeted departmental appropriations; (2) leases of personal property for a duration of one year or less and within budgeted departmental appropriations; and (3) services which are within budgeted departmental appropriations.
- D. They may execute grant agreements to and from public and non-profit organizations which are within budgeted appropriations, unless a grantor organization requires execution by the Board of Commissioners.

- E. They may execute contracts, as the lessor or lessee of real property, which are of duration of one year or less which are within the budgeted departmental appropriations.
- F. Notwithstanding the authority granted in paragraphs a, b, c, d and e of this section, they may execute contracts with an elected official representing the county only after the contract with an elected official representing the county, and the amount to be paid under the contract, is approved by the Board of Commissioners in the manner provided by G. S. §14-234.

SECTION 43. MICRO-PURCHASE THRESHOLD SELF-CERTIFICATION

In accordance with 2 C.F.R. § 200.320(a)(1)(iv) and the applicable provisions of North Carolina law, the county hereby self-certifies the following micro-purchase thresholds, each of which is a “higher threshold consistent with State law” under 2 C.F.R. § 200.320(a)(1)(iv) (C):

- A. \$30,000, for the purchase of “apparatus, supplies, materials, or equipment”; and
- B. \$30,000, for the purchase of “construction or repair work”; and
- C. \$50,000, for the purchase of services not subject to competitive bidding under North Carolina law;
- D. \$50,000, for the purchase of services subject to the qualifications-based selection process in the Mini-Brooks Act; provided that such threshold shall apply to a contract only if the county has exercised an exemption to the Mini-Brooks Act, in writing, for a particular project pursuant to N.C Gen. Stat. § 143-64.32. If the exemption is not authorized, the micro-purchase threshold shall be \$0.

The self-certification made herein shall be effective as of the date hereof and shall be applicable until the end of the current fiscal year but shall not be applicable to Federal financial assistance awards issued prior to November 12, 2020, including financial assistance awards issued prior to that date under the Coronavirus Aid, Relief, and Economic Support (CARES) Act of 2020 (Pub. L. 116-136).

In the event that the county receives funding from a federal grantor agency that adopts a threshold more restrictive than those contained herein, the county shall comply with the more restrictive threshold when expending such funds.

The county shall maintain documentation to be made available to a Federal awarding agency, any pass-through entity, and auditors in accordance with 2 C.F.R. § 200.334.

The county shall maintain documentation to be made available to a Federal awarding agency, any pass-through entity, and auditors in accordance with 2 C.F.R. § 200.334.

The Purchasing and Contracting Policy shall be revised to reflect the increased micro-purchase thresholds specified herein, and to take all such actions, individually and collectively, to carry into effect the purpose and intent of this Section.

SECTION 44. MEMORANDA

- A. Officers:
 - Rebecca L. Gay is the Interim County Manager and Budget Officer
 - Leeann Walton is the Clerk to the Board
 - Samantha Evans is the Deputy Clerk to the Board
 - Sandra L. Hill is the Finance Director
 - Caron Crouse is the Assistant Finance Director
 - Olivia Luks is the Deputy Finance Director
 - Tracy L. Sample is the Tax Collector
 - Michelle Rose is the Deputy Tax Collector

- B. Facsimile Signatures:
The use of facsimile signature machines, signature stamps, or similar device in signing checks and drafts is hereby authorized; however, off-line checks and pre-audit certification requires in the minimum of one original authorizing signature. The Finance Director is hereby charged with the custody of all facsimile stamps, plates or other devices.
- C. Official Depositories:
The official depositories of the County of Currituck are:
Bank of America, North Carolina
North Carolina Cash Management Trust, Charlotte, North Carolina
North Carolina Investment Pool
Towne Bank of Currituck, North Carolina
Truist Bank, North Carolina
U S Bank
Wells Fargo, North Carolina
- D. Bank for Imprest Expenditure Accounts for Health Benefits:
Citibank, N.A.
- E. Daily deposits are required by all departments on the last business day of each month and when the amount of money held on hand sums to five hundred dollars (\$500).
- F. Returned Check or Electronic Funds Transfer Fees:
The County will assess a returned check charge consistent with G.S. §25-3-512 on all checks or electronic funds transfers returned to the County due to insufficient or unavailable funds, except for the payment of taxes. The returned check fee will be \$35.00 per item returned. This fee will also be charged for ACH or credit card transactions that are not paid due to insufficient funds.
- G. Policy on Appropriations:
The Board of County Commissioners will not consider supplemental appropriations for any service, function, purpose or activity that could have been reasonably considered during the budget process.

SECTION 45. USE OF BUDGET ORDINANCE

The Budget Officer and the Finance Director shall use this budget ordinance for administration of the budget and for the accounting system.

Introduction & Process

The purpose of the annual budget process is to prepare a financial plan for the upcoming fiscal year. The plan should be consistent with, and a reference for, the goals and objectives of the Board of Commissioners. The plan should also provide for professional efficiency and effectiveness in goal accomplishment and utilization of valuable county resources.

The budget document is the annual financial plan for county operations during the fiscal period beginning July 1 and ending June 30. The plan describes the anticipated sources of revenues and the intended usage of resources during the upcoming fiscal year. The budget document, along with the audited annual comprehensive financial report are the two key documents that describe the county's financial plans and the county's financial status each year. The budget document presents a look ahead while the audited annual comprehensive financial report provides a look back at the county's financial condition.

County funds are budgeted and accounted for during the year on the modified accrual basis of accounting in accordance with North Carolina General Statutes. Under the modified accrual basis, revenues are recognized in the accounting period in which they become both measurable and available to pay liabilities of the current period. Expenditures are recognized in the accounting period in which the revenues or services are received, except for interest expense that has not matured which is recognized when due. The county's accounting records for general governmental operations are reported on the modified accrual basis. Enterprise and pension trust fund operations are reported on the accrual basis. Under this basis, revenues are recognized in the accounting period when earned and expenses are recognized in the period incurred.

The North Carolina General Statutes also provide for balanced project ordinances adopted for the life of projects which are expected to extend beyond the end of the fiscal year. The budget appropriations for project ordinances do not lapse until the completion of the project, while the appropriations for funds that adopt annual budgets lapse at the end of the fiscal year. The county adopts project ordinances for the County Governmental Facilities Fund, the School Facilities Fund, the Multi-year Grant fund, and construction funds associated with various enterprise construction projects. Therefore, the activities of these funds are not included in the Annual Budget.

Reader's Guide

The Budget Overview section describes fund structure and financial policies that guide the Board of Commissioners and County Manager as they make decisions concerning resource allocations.

The Revenue Overview section presents an analysis of the major revenue sources of the operating budget as well as a summary of all anticipated revenue collections during the fiscal year.

The information presented in the Expenditure Overview section of this budget document is primarily at a summary level to give the reader an overview of the budget from several different perspectives. Most of the summary tables in this section reflect both total appropriations by fund, as well as appropriations net of transfers. Appropriations to other funds, also referred to as transfers, involve the movement of money from one fund to another to support all or a part of the functions to be carried out by the receiving fund or represents payment for services provided, items purchased, or contributions to debt service. When reviewing the budget as a whole, it is more accurate to utilize the figures net of transfers because this will eliminate the double accounting for amounts transferred.

The county's operations are grouped into different funds as a means of reporting and accounting for all financial transactions. The various types of funds described more fully in the "Appropriations by Funds" section of the budget document. Within each fund are one or more county departments, with a department being an organizational unit which provides a major type of public service. Each section has a departmental or agency sheets showing total expenditures by type. The more detailed line-item departmental budget documents are provided in the appendix.

In this document, organizational charts are included to display the staffing of each department. Some of the organizational charts include lighter ovals. These lighter ovals depict a position that is supervised by the department head but is specifically funded by another budget. An example of this is the Sheriff's Office organizational chart, which includes the Detention Center. The Detention Center falls under the Sheriff's supervision but is funded by its own budget.

The number beside the job title is the number of employees that fall under that description within the specified department.

Budget Overview

Fund Structure

Accounts are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts comprised of assets, liabilities, fund equity, revenues, and expenditures or expenses as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

The presentation of the annual budget is organized into various related types of fund categories including the two major headings: operations and capital projects. Each type of fund is explained in the sections below, including the various revenue sources that support each fund and the services provided by the expenditures from each fund.

Operations

Operations is comprised of four separate fund types that provide for the basic operations of county government: General Fund, Special Revenue Funds, Enterprise Funds, and Pension Funds.

General Fund

The General Fund is the principal operating fund for Currituck County. It is established to account for all financial resources except those required by State law, local ordinance, and generally accepted accounting principles to be accounted for in another fund. The county uses five funds internally to make up the general fund; the Operating Fund; the Payment in Lieu of Open Space Fund; the Fire Services Fund; the Revaluation Fund and the Land Banking Fund.

The Operating Fund revenues primarily consist of ad valorem taxes, Federal and State shared revenues, the local option sales taxes, licenses, permits and fees. The major operating activities include general government administration, public safety, education, human services, and other governmental service functions. The Payment in Lieu of Open Space Fund accounts for funds collected from land developers to accumulate resources to provide parks and recreational facilities in areas where there will be residential development. The Fire Services Fund revenues primarily consist of transfers from the Operating Fund, which are used to provide fire protection throughout the county. The Revaluation Fund revenues also consist of transfers from the Operating Fund to accumulate resources required by the North Carolina General Statutes to fund the octennial revaluation.

Debt Service Fund

The Debt Service Fund accounts for principal interest payments for the debt associated with capital projects for the county and public school system. Enterprise fund debt is funded within each respective enterprise fund.

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. The county currently maintains fifteen Special Revenue Funds: the Tourism Development Authority Fund; Carova Beach Road Service District; Emergency Telephone System Fund; Corolla Fire Fund; Knotts Island Fire Fund; Guinea Mill Watershed Improvement Fund (combined with Moyock during 2022); Hog Bridge Ditch Watershed Improvement Fund; Moyock Watershed Improvement Fund; Northwest Watershed Improvement Fund; Ocean Sands North and Crown Point Watershed Improvement Fund; Whalehead Watershed Improvement Fund; Whalehead Beach Solid Waste Collection and Disposal Fund; Department of Social Services (DSS) Client Accounts Fund; Fines and Forfeitures Fund; and Deeds of Trust Fees Fund.

The Tourism Development Authority Fund revenues primarily consist of the lodging occupancy tax, currently 6%, which by authorizing legislation is largely restricted to promote tourism and tourism related activities. The Carova Beach Road Service District Fund revenues consist of ad valorem taxes, revenues received from horse tour operator permits and occupancy taxes. The Emergency Telephone System Fund is funded by a surcharge assessed on each telephone line and cell phone utilized within the county. The county also shares in the surcharge assessed on wireless services within the State. The proceeds of these surcharges are restricted for the operations and maintenance of the 911 system.

The watershed improvement funds are funded by special district taxes levied within the boundaries of the service district to be used for drainage improvements within each specific service district. The Whalehead Beach Solid Waste Collection and Disposal District is funded by a special district tax levied within the boundaries of the service district to be used for maintenance of solid waste collection and disposal within the service district. The Corolla Fire Protection Fund provides funding for paid fire protection services in the Corolla Fire Protection District. The Knotts Island Fire Protection Fund provides funding for paid and volunteer fire protection services in the Knotts Island Fire Protection District. The DSS Client Accounts, the Fines and Forfeitures and the

Deeds of Trust Fees Funds were considered fiduciary funds in past years but are now required to be shown as special revenue funds. These funds track receipts from various parties and the remittance of those receipts to the appropriate entity.

Enterprise Funds

Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs of providing goods and services to the general public on a continuing basis will be financed or recovered primarily through use charges; or (b) where the governing body has decided that the periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other useful purposes.

The county currently maintains several enterprise funds: Ocean Sands Water and Sewer Fund; Mainland Water Fund; Solid Waste Fund; Southern Outer Banks Water Fund; and the Mainland Sewer Fund. The proposed budget also includes Ocean Sands Water and Sewer Developmental Fee Fund; Mainland Water Developmental Fee Fund; Southern Outer Banks Water Developmental Fee Fund; and Mainland Sewer Developmental Fee Fund. These developmental fee funds were created in the fiscal year ending June 30, 2019 during implementation of Session Law 2018-34.

Pension Funds

Pension Funds are used to accumulate and account for assets held by the county as trustee or agent for individuals, private organizations, other governmental units, and/or other funds. The county maintains one Pension Trust Fund for a Post Employment Benefits Fund, which provides a health care benefits plan extended to certain qualified retired employees as defined in the Personnel Policy. A second Pension Fund is the Law Enforcement Officers' Special Separation Allowance, a single employer public employee retirement system. The Board of Commissioners approved a resolution on April 19, 2021, creating two trusts for these retirement related benefits. The trusts were funded for the first time in July 2021.

Capital Projects

Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities. The county maintains four funds that qualify as Capital Projects Funds: Capital Improvements Fund; Emergency Equipment Replacement Fund; School Capital Reserve; and

Transfer Tax Capital Reserve.

Capital Improvement Fund

The Capital Improvements Fund's primary revenue source is the restricted portion of the additional supplemental one-half of one percent local government sales and use tax and the unrestricted portion of the supplemental one-half of one percent local government sales and use tax. This fund is utilized to meet county capital project needs.

Emergency Equipment Replacement Fund

The Emergency Equipment Replacement Fund's primary revenue source is a transfer from the General Fund. This fund is used to accumulate funding for major equipment needs of the volunteer fire departments.

School Capital Reserve Fund

The School Capital Reserve Fund's primary revenue source is the restricted portion of the additional supplemental one-half of one percent local government sales and use tax and the restricted portion of the supplemental one-half of one percent local government sales and use tax. This fund is utilized to meet the public school system's capital project needs.

Transfer Tax Capital Reserve Fund

The Transfer Tax Capital Fund's primary revenue source is the tax imposed, currently 1%, on all instruments conveying an interest in real property and is to be used for any lawful capital purpose.

Multi-Year Project and Grant Ordinances

Currituck County maintains ten multi-year funds that are not annually budgeted, which are authorized by project ordinance that run through the life of the project. Project and grant ordinances are utilized to budget for capital projects or federal and state grants that are reasonably expected to exist for more than a single year.

Financial Policies

Currituck County's financial policies guide the Board of Commissioners and County Manager as they make decisions concerning resource allocations. The financial condition of the county must be accurately maintained to assure resources are available to meet the community's priorities. The following policies are related to the adoption and implementation of the annual budget.

Operating Budget

The county shall operate under an annual balanced budget ordinance whereby the sum of net revenues and appropriated fund balances equals the expenditure appropriations. The Local Government Budget and Fiscal Control Act (NCGS 159-8) requires a balanced budget ordinance from all local governments. The county's annual budget shall be adopted by July 1 and shall be effective for a fiscal period beginning July 1 and ending June 30.

All departments share in the responsibility of meeting policy goals and ensuring the county's long-term financial health of the county. Balanced revenue and expenditure forecasts model the county's ability to absorb operating costs from changes in the economy, service demands, debt service, and capital improvements.

The annual budget process weighs all competing requests for county resources, within expected fiscal constraints. Appropriations requested after the original budget is adopted require Board of Commissioners approval and must identify expenditure reductions or revenue increases to offset.

Grant funding supplements county funds when it complements county programs and services. Inconsistent or fluctuating grants are not used to fund ongoing programs. In the event of reduced grant funding, county resources will be substituted only after all program priorities and alternatives are considered during the budget process.

Revenues

Revenue projections shall be set at realistic and attainable levels, sufficiently conservative to avoid shortfalls, yet accurate enough to avoid a regular pattern of setting tax rates that produce significantly more revenue than is necessary to meet expenditure requirements. The county reviews certain programs and services as areas for potential funding through user fees.

User Fees

North Carolina General Statutes (NCGS) authorize the setting of fees by counties in Chapter 153A - 102.

The purpose of the User Fee Policy is to establish guidelines, in accordance with G.S. 153A-102, which shall be used by the County Manager to determine fees and commissions that are not statutorily restricted. Furthermore, this policy also establishes guidelines for the county government regarding the institution of fees for performing services or duties permitted or required by law.

User fees are an allowable manner of paying for services that generate direct benefits to persons who receive the service. Fees shall be developed based on the cost of providing services and county-wide goals and objectives as set by the Board of Commissioners. All user fees shall be evaluated annually and updates shall be presented to the Board of Commissioners during the annual budget process.

Examples of fees include building permits, inspection fees, facility rentals, park rentals, sports registrations, airport hangar fees, deed recording, marriage licenses, noise permits, solid waste tipping fees, utilities, maps, and event registrations. A complete master fee list is available on the county website at www.currituckcountync.gov and in the appendix of this document.

Fund Balance

The county shall maintain a fund balance position that is adequate to meet the county's existing needs and potential future challenges. Management is expected to manage the budget so that revenue shortfalls and expenditure increases do not impact the county's amount committed for working capital.

The county will maintain a combined General Fund and Debt Service Fund total fund balance of at least 30% of General Fund and Debt Service Fund combined revenues.

Financial Reporting

The county's Annual Comprehensive Financial Report (ACFR) is annually submitted to the GFOA Certification of Achievement for Excellence in Financial Reporting Program. Currituck has achieved the GFOA's highest rating in 16 of the past 17 fiscal years. Each annual financial report is maintained on the county website, available for public viewing, at www.currituckcountync.gov.

Fiscal Monitoring

Monthly interim financial statements present actual revenues and expenditures versus budget for the fiscal year to date. These summary interim financial statements are presented to county management and the Board of Commissioners and will identify major variances that require investigation to preserve the county's financial position.

Capital Improvement Plan

The county adopts a five year Capital Improvement Plan to be revised and approved annually. Typically, capital expenditures included as a project in the Capital Improvement Plan cost at least \$10,000. If a capital project is to be debt funded, the county adheres to a risk-averse guideline whereby it appropriates the debt funding source for the capital project only after the designated debt funding source has been officially secured.

Capital and Debt

Capital Funds are utilized by the county. Revenues deposited into the county's capital project funds are used to pay capital project expenditures. Investment income from the county's general fund, federal interest subsidies authorized by ARPA, state lottery funds, and bond issue premiums are other sources of revenue used to pay debt as it becomes due. These funds are usually multi-year funds and not budgeted.

Public Engagement

County residents have multiple opportunities to learn about the proposed budget through public hearings, work sessions, county website, videos, and telephone calls and emails to commissioners. Citizens may provide comments to the Board of Commissioners regarding concerns they have with the county budget prior to its adoption.

Revenues

Overview

An analysis of the major revenue sources of the General Fund follows. This analysis provides information on those sources which represent the majority of the total operating revenues of the General Fund.

The revenue estimates for the annual operating budget have been made carefully in accordance with county practices. It is necessary to prudently estimate revenues because of the need to be assured that resources will be available to meet operating, debt, and capital needs pursuant to the balanced budget requirements imposed by state statutes.

Property Tax Base

Property tax values have undergone changes over the past several years. State legislated changes, as well as the increase of the overall assessed valuation of the county during the most recent revaluation, have positively impacted the budgetable assessed valuation.

Fiscal Year	Assessed Value	Tax Rate	
2013	\$ 8,188,541,638	\$ 0.320	
2014	5,565,624,903	0.485	Revaluation
2015	5,864,064,156	0.480	
2016	5,995,996,462	0.480	
2017	6,111,443,899	0.480	
2018	6,246,566,250	0.480	
2019	6,403,894,792	0.480	
2020	6,592,164,374	0.480	
2021	6,778,769,583	0.480	
2022	8,143,596,305	0.460	Revaluation
2023	8,228,991,925	0.460	
2024	8,474,418,384	0.560	
2025	8,815,310,395	0.620	

Revaluation

North Carolina General Statutes require that real property values for ad valorem purposes be revalued not less than each eighth year. The most recent revaluation by the county became effective for the fiscal year ended June 30, 2023.

Ad Valorem Tax

The ad valorem tax revenue estimate represents a tax rate of \$0.62 per \$100 applied to the estimated tax base of \$8,815,310,395 with a collection rate of 99.08%. This yields a current tax estimate of \$54,152,099. North Carolina General Statutes limit the collection rate so that it cannot exceed the percentage of the levy actually realized in cash at the end of preceding fiscal year. While actual collections may exceed the budgeted collection percentage, it is desirable to allow excess

revenue to offset other potential shortages that may occur when other revenues do not meet expectations.

North Carolina Franchise Tax

Franchises are special privileges granted by local governments to certain types of business that either exhibit a strong public service characteristic or that utilize public rights-of-ways in the provision of their services. A franchise tax is assessed (normally expressed as a percentage of gross sales) in exchange for the special privileges being extended. The county receives a franchise tax from the State of North Carolina, which has been paid in by the cable service providers that operate within the county. It is estimated that proceeds for these taxes will be \$228,000 in FY 2025.

North Carolina Beer And Wine Tax

The North Carolina Beer and Wine tax is a state shared revenue distributed to local governments based on beer and wine sales within the governmental jurisdiction. The State levies excise taxes on beer and wine at the wholesale level. It is estimated that the county share will be \$115,000 in FY 2025.

Local Option Sales Tax

North Carolina counties rely heavily on local sales taxes as an important revenue source within the county general fund to support critical public services. Local sales taxes are the second largest county-levied revenue.

North Carolina counties are limited in the amount and type of local sales taxes to those specifically authorized by the General Assembly. The General Assembly authorized the first cent of local option sales tax in 1971 “to afford the counties and municipalities with opportunity to obtain an added source of revenue with which to meeting their growing financial needs”.

While cited statutorily as a local government sales and use tax, the local sales tax levy is imposed solely by the Board of Commissioners by resolution following a favorable referendum, if required, or by board resolution. North Carolina’s Department of Revenue oversees local sales tax collections from retailers, in concert with state sales tax collections.

North Carolina maintains two distinct, and unique, inter-county allocation methods for sales taxes collected under the local levy. The point of delivery allocation method credits the county to which the goods are delivered, and all local sales tax levies save a ½ cent tax are allocated in this manner. Generally point of delivery coincides with the point of sale, e.g. where the sales transaction actually occurs and the purchaser

walks away with the goods in hand. Larger items such as appliances and construction materials may be delivered to the purchaser's home or where the goods are to be used. It is the county area to which the goods are delivered that is credited for the sales tax collected.

The second inter-county allocation method is based on the county's population as a percent of the state's total population, according to the most recent state-certified population estimates. Local sales taxes allocated under the per capita method are collected in a statewide pool and then allocated to the county area based on the county's population percentage.

However, a statutory adjustment is made prior to the individual county area distribution that could increase, decrease or retain the actual per capita percentage. This adjustment factor, ranging from 1.49 in Dare County to 0.81 in Columbus County, is thought to correct for the 1987 sourcing change from destination to the retailer's location, and was put in place in conjunction with legislative authority for the second ½ cent per capita local sales tax. Currituck County's adjustment factor is 0.94.

Several local option sales taxes have been authorized since the initial local sales tax in 1971. Below is a description of each local sales tax as referenced by its statutory citation in Chapter 105 of the North Carolina General Statutes. Largely, any local sales tax authorized prior to 2000 included unprepared food sales in the local sales tax base. After the state phased out food sales in the state sales tax base in 1998, the General Assembly has not permitted any new local sales tax levies to be applied to unprepared food.

In keeping with the Streamlined Sales Tax Agreement (see below) and following the state's phase out of state sales taxes on unprepared food, the two percent local sales tax on food—its administration and accounting—is now treated as if it is a state sales tax (beginning with fiscal year 2003 collections). For allocation purposes, one-half of the food sales tax is distributed on a per capita basis while the other half is distributed proportional to the 1997-98 Article 39 tax on food. Overall, food accounted for nearly \$140 million per penny in 2012-13, or 12.5 percent of the total.

Article 39 was the original local option sales tax and authorized in 1971. It was set at one percent of eligible sales, the highest individual levy authorized, and is allocated on a point of delivery basis. All counties impose Article 39, which may be levied via a referendum or by board resolution. Since Article 39 was the original

local sales tax, all subsequent local sales tax articles refer back to Article 39 for administrative purposes. For example, Article 39 outlines the steps for repealing a local sales tax and allows for a petition of 15% of qualified voters to force a referendum on the levy's repeal. (Dare County's levy of a 1 percent sales tax for beach re-nourishment, as allowed under a local bill, was repealed in this manner).

Article 40 was authorized in 1983 to provide "an added source of revenue with which to meet their (counties and cities) growing financial needs, and to reduce their reliance on other revenues, such as the property tax". Set at one-half percent, Article 40 is allocated on a per capita basis. All counties impose Article 40, which may be levied similarly to Article 39.

Article 40's statutory language requires counties to set aside 30 percent of its proceeds for public school capital outlay purposes, including school indebtedness. When originally enacted, counties were required to set aside 40 percent for the first 5 years of the levy, and then 30 percent for the next 5 years. Cities sharing in the distribution had similar set aside requirements for water and sewer capital outlays. The General Assembly enacted legislation to extend the county-required set aside indefinitely while the city set aside was allowed to sunset.

A county may petition the Local Government Commission (LGC) to allow the county to use part or all of its required set aside for purposes other than school capital needs, if it can demonstrate that it is able to meet its public school capital needs without Article 40 proceeds. Informal discussions with the LGC indicate that the local board of education would need to sign off on the county's petition prior to the LGC approving the set aside release. Since the local sales tax on food was converted to a "state" sales tax and decoupled from Article 40, the school capital set-aside is not required for the food portion of proceeds.

Article 42, authorized in 1986 at one-half percent, was originally allocated like Article 40 on a per capita basis. It too was enacted as an added source of local revenue and to reduce reliance on other revenues such as the property tax but also for the loss of "federal revenue sharing". After its enactment, counties could levy a total of two percent in sales taxes, with 50% allocated on a point of sale basis and 50% allocated on a per capita basis. All counties levy Article 42, which may be imposed similarly to Article 39.

In 2009, and as a part of the historic county Medicaid

Relief Swap of 2007, Article 42 was converted from a per capita to a point-of-delivery basis. This change was made to reduce the state's financial exposure to a state-funded hold harmless for those counties whose loss of Article 44 sales taxes as a part of the swap exceeded their gain from Medicaid relief. The food sales tax receipts originally levied under Article 42, now levied under Article 5, the state's sales tax legislation, remain distributed on a per capita basis.

Article 42, like Article 40, also has set aside requirements. Current law requires counties to use 60 percent of Article 42 receipts for public school capital outlay purposes. As originally enacted, the required set aside stepped down and phased out after 11 years but subsequent legislation removed the step down and mandated the 60 percent set aside indefinitely. The General Assembly further modified the set aside to require counties whose Article 42 receipts are less under the point of delivery allocation to earmark enough revenue to make up for the loss of school construction funding.

Article 44, set at one-half percent, was authorized in 2001 to replace state reimbursements for local tax base losses legislatively repealed in the 1980s. The state was facing a fiscal crisis at that time, and chose to withhold and repeal the local reimbursement distribution of \$333 million. All counties immediately took action to impose Article 44, which permitted an accelerated levy and collections schedule to replace lost state reimbursements within the 2001-2002 fiscal year.

As a part of the 2007 Medicaid Relief Swap, Article 44 was ceded to the state to offset the state's increased Medicaid costs for assuming the county Medicaid cost share. Counties continue to see Article 44 adjustments as refund requests are processed and sales tax discoveries are made. As originally enacted, Article 44 followed the then established local sales tax allocation of 50% per capita and 50% point of delivery, the first levy to have a dual allocation method. Legislation authorizing Article 44 provided for a 10-year hold harmless provision for those local governments whose expected Article 44 receipts did not replace their repealed state reimbursements. After several extensions, the Article 44 hold harmless sunset in 2013.

Article 46, at one-quarter percent and allocated by point of delivery, was also authorized as a part of the 2007 Medicaid Relief swap, whereby legislators acknowledged the substantial infrastructure and operating demands facing county governments.

Unlike the previous local sales tax options, the county's

voters must approve its levy via an advisory referendum prior to board enactment. As of this writing, 47 counties have been successful in having Article 46 approved by their voters. The county has neither voted on or enacted Article 46.

Investment Earnings

The prudent investment of public funds is a key responsibility of local governments. Available funds are invested following the principles of the prudent person rule which states: Investments shall be made with judgment and care, under circumstances then prevailing, which person of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. The long term time span on significantly low earning rates combined with completion of several ongoing construction projects accounts for the lower projections for investment earnings. The county is projected to earn \$1,557,724 (\$3,437,046 total all funds) for FY 2025.

Excise Stamp Tax

The Excise Stamp Tax is a documentary stamp tax paid to the Register of Deeds for recording of deeds and mortgages whereby any interest in real property is conveyed to another. This tax is shared with the State. The county estimates collections of the excise stamp tax to be \$1,000,000 for FY 2025.

Building Permits

Reasonable fees sufficient to cover the costs of administration, inspections, publication of notices and similar matters are charged to applicants. The county estimates collections to be \$1,000,000 for FY 2025.

Transfers From Other Funds

Some services and projects provided through the General Fund are financially supported from revenues collected through other funds. Therefore, in an effort to match revenues with the corresponding expenditures, funds are transferred into the General Fund. Information for anticipated transfers into the General Fund for the upcoming budget year is provided in the Schedule of Transfers on page 53.

Special Revenue Funds

Special Revenue Funds address specific needs in the county and development strategies for addressing those needs. See the Appropriations by Fund – Special Revenue Funds section of this document, page 124 for details regarding special revenue funds budgets.

Enterprise Funds

Enterprise funds supply water and sewer services to various sections of the county. There are four funds that provide water and sewer services. In addition, there are construction funds and developmental fee funds for each.

There is also a solid waste fund that provides convenience center services to county residents. The fees charged for all of the services can be viewed on the Master Fee Schedule.

The Enterprise Funds are managed to be self-sufficient. User fees are determined with the assistance of consultants and, in conjunction with developing detailed budgets, assist each fund to break even while planning for future capital needs.

Appropriated Fund Balance

In prior budget years, actual revenues may exceed amounts projected to be collected or actual expenditures may be under amounts proposed to be spent. This excess is accumulated over time in fund balance. The portion of fund balance that represents expendable available financial resources can be utilized in future years to assist in balancing the budget. The county appropriated fund balance in an effort to stabilize the ad valorem tax rate.

The appropriated fund balances for the upcoming year and for the preceding ten years is detailed below:

Fiscal Year	Appropriation	
2025	\$ 0	
2024	0	
2023	3,852,000	
2022	11,357,638	Increase for school projects
2021	6,373,558	
2020	4,518,013	
2019	4,254,530	
2018	3,458,315	
2017	3,831,972	
2016	3,411,669	
2015	3,440,993	

Tax Values, Rates, and Collections

User Fee Change Summary

North Carolina General Statute authorizes counties to establish fees for performing services and duties permitted or required by law. For services not restricted by statute, the county, in accordance with its board adopted user fee policy, adopts a master fee schedule. The master fee schedule is included in the appendix to this document and is also available on the county website. Changes to the schedule are approved by the Board of Commissioners as needed during the year and revisions are posted on the county website.

A summary of user fee changes for the upcoming fiscal year is provided below.

	FY 2024 Adopted	FY 2025 Proposed
Airport		
After Hours Fee - 5:01 PM through 7:59 AM Daily	\$75 first hour/\$25 each additional hour	\$75 per hour
Concession Fees - Banner Towing Operations	\$75 annual fee	\$300 annual fee
Concession Fees - Jet Ramp Fee	\$50	\$50, Not waived with fuel purchase
Hangar Leases - Noncommercial leases		\$3,000 Annual/due in monthly payments of \$250
Hangar Leases - Office Space		\$600 Annual/due in monthly payments of \$50
Hangar Leases - Commercial - A-5-T, A-11-T & office space 2 combined	\$5,796 Annual paid monthly payment of \$483	Delete Fee
Hangar Leases - Commercial - A-5-T, A-11-T & office space 2 combined	\$5,506 Annual paid once a year in advance	Delete Fee
Hangar Leases - Commercial - A-5-T, A-11-T & office space 2 combined	\$5,216 Annual if three year lease agreement. This may be paid by monthly payments of \$435	Delete Fee
Hangar Leases - Commercial - C-2, C-3, C-4 and C-5	\$6,555 Annual paid monthly of \$546.25	\$7,200 Annual paid monthly \$600
Hangar Leases - Commercial - C-2, C-3, C-4 and C-5	\$6,227 Annual paid once a year in advance	\$6,840 Annual paid once a year in advance
Hangar Leases - Commercial - C-2, C-3, C-4 and C-5	\$5,900 Annual if three year lease agreement. This may be paid by monthly payments of \$492	\$6,480 Annual if three year lease agreement. This may be paid monthly.
Hangar Leases - Commercial - A-1-T, A-6-T & office space 1 combined	\$5,520 Annual	Delete Fee
Hangar Leases - Commercial - A-1-T, A-6-T & office space 1 combined	\$5,244 Annual paid once a year in advance	Delete Fee
Hangar Leases - Commercial - A-1-T, A-6-T & office space 1 combined	\$4,968 Annual if three year lease agreement. This may be paid by monthly payments of \$414	Delete Fee
Hangar Leases - Commercial - B-1-C & B-2-C	\$5,520 Annual	\$6,000 Annual
Hangar Leases - Commercial - B-1-C & B-2-C	\$5,244 Annual paid once a year in advance	\$5,700 Annual paid once a year in advance
Hangar Leases - Commercial - B-1-C & B-2-C	\$4,968 Annual if three year lease agreement. This may be paid by monthly payments of \$414	\$5,400 Annual if three year lease agreement. Paid once a year in advance.

	FY 2024 Adopted	FY 2025 Proposed
Hangar Leases - Commercial - C-1	\$7,590.00 Annual	\$8,400 Annual
Hangar Leases - Commercial - C-1	\$7,211.00 Annual paid once a year in advance	\$7,980 Annual paid once a year in advance.
Hangar Leases - Commercial - C-1	\$6,831.00 Annual if three year lease agreement. This may be paid by monthly payments of \$569	\$7,560 Annual if three year lease agreement. Paid once a year in advance.
Single/Multi Piston Tie-down Lease		\$20 Monthly Fee
Single/Multi Piston overnight parking		\$20 paid after staying more than 5 consecutive days

> 20,000 gallons in addition to base rate per 1,000 gallons	9.42	9.75

Expenditures

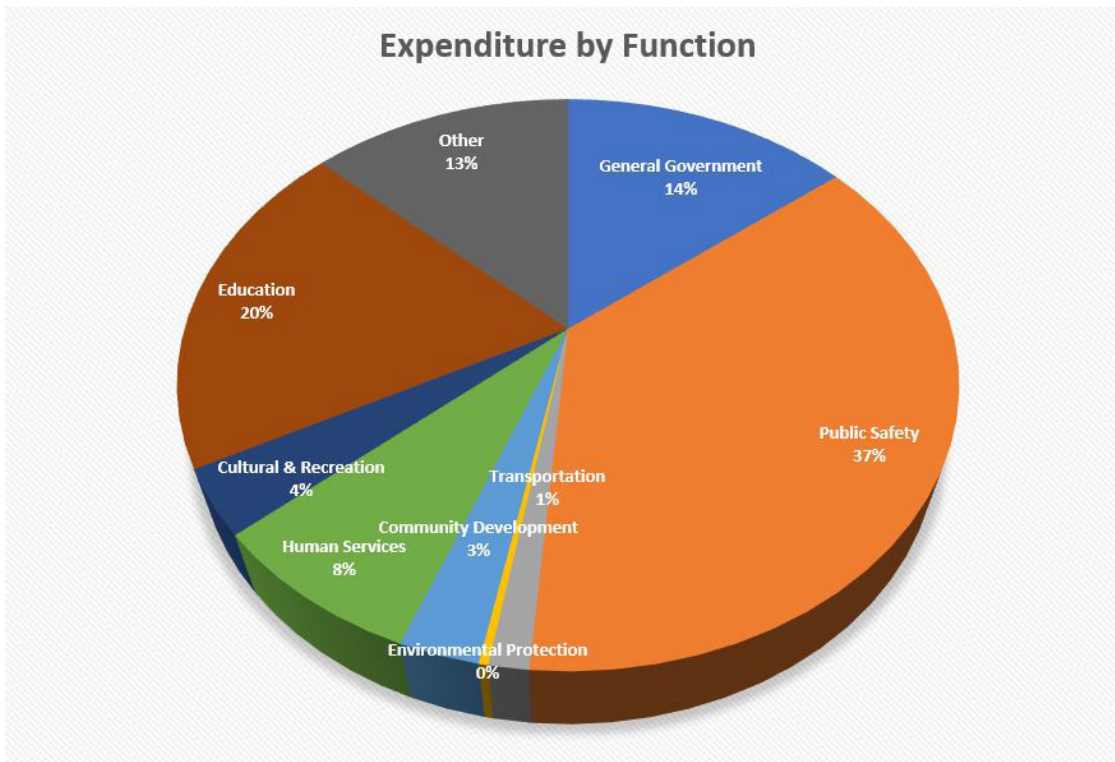

Overview

Within the General Fund, the largest portion of funding supports public safety. Departments associated with public safety include the Currituck County Sheriff's Office, Fire-Emergency Medical Services, Emergency Management, 911 Communications, Inspections, Animal Services and Control, and the Detention Center. Public safety accounts for 37% of General Fund expenditures.

Currituck County designates 20% of the General Fund to support education. This funding is allocated to Currituck County Schools and College of The Albemarle. General government operations accounts for 14% of the General Fund budget. This includes salary and benefits for county personnel.

The chart below depicts these and additional highlighted areas that receive funding through the General Fund.

Governing Board

The seven-member Board of Commissioners receives a monthly stipend. The stipend is \$1,200.00 per month with the exception of the Chairman whom receives a monthly stipend of \$1,300.00.

NOTE: Included in the Authorized Positions are fractions of a position. This illustrates a portion of a full-time position. For budgeting purposes, Currituck County utilizes FTE or, Full-Time Equivalent, and it is essentially a count of "hours worked" rather than a number of employees. Forty hours (40) would equal 1.0 FTE, while nineteen hours (19) would equal .48 FTE.

Personnel Changes Summary

The following information details proposes staffing changes of Currituck County Government for the fiscal year ending June 30, 2025.

General Fund

ADMINISTRATION: Addition of one (1) Veteran Services Officer position funded at Grade 73. This position will be shared with and partially funded by Camden County.

ELECTIONS: Addition of one (1) part-time Elections Specialist position funded at Grade 54.

FINANCE: Addition of one (1) Accounting Clerk position funded at Grade 56.

ITS: Addition of one (1) MUNIS Software Specialist position funded at Grade 86; creation of a Support Technician advancement opportunity up to a Support Technician II with credentials funded at Grade 68.

PUBLIC WORKS – Reclassification of Maintenance Worker Plumber from Grade 61 to Grade 70 and reclassification of Maintenance Worker HVAC from Grade 61 to Grade 74.

REGISTER OF DEEDS – Reduce Assistant Register of Deeds position from one (1) full year to six (6) months or one-half (1/2) of a position.

SHERIFF'S OFFICE – Reclassification of two (2) existing vacant Deputy positions to one (1) Sergeant position and one (1) Lieutenant position, and increase the Sheriff's salary to \$120,000 from \$101,310.60.

EMERGENCY MEDICAL SERVICES – Addition of one (1) EMS Logistics Specialist position funded at Grade 70.

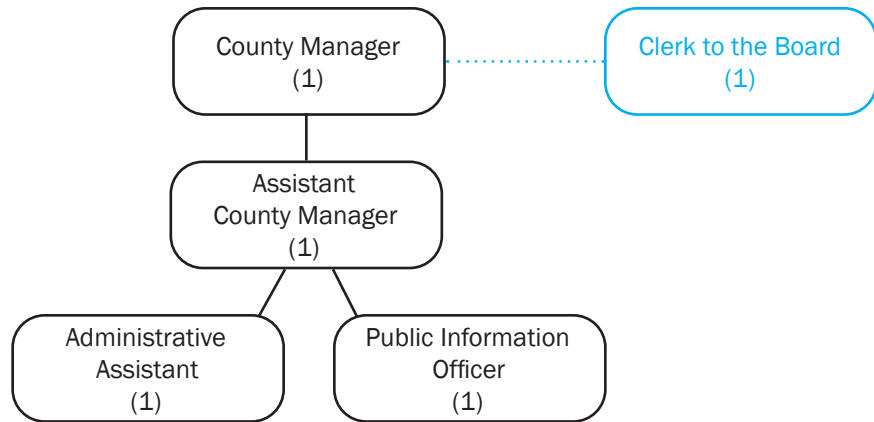

PLANNING – Reclassification of Administrative Assistant II Grade 64 to Planning Clerk Grade 66 and addition of one (1) Planning Technician position funded at Grade 66.

SOCIAL SERVICES – Reclassification of DSS Director from Grade 95 to Grade 98.

General Fund:

	1,064,716	1,089,869	867,238	1,297,738	

Mission

The County Manager’s Office is responsible for the executive leadership of Currituck County Government. The County Manager serves as chief administrator, appointed by and serving at the pleasure of the Board of Commissioners.

The County Manager carries out the day-to-day administration of county government and is responsible for implementing policies established by the Board of Commissioners, coordinating the work of all county agencies, and representing the county in efforts with other governmental units and agencies.

The manager’s duties include preparing the annual budget, recommending new and revised policies and programs to the Board of Commissioners, and implementing county programs and services in a timely, efficient, and fiscally responsible manner.

Accomplishments In FY 2024

The County Manager’s Office implemented a new public records request system that increases the ease of use for citizens and the efficiency of staff in fulfilling the requests.

The County Manager’s Office implemented an online Mainland Community Calendar and Business Directory.

The county successfully hosted its third cohort of the Citizens Academy. Approximately 30 county residents attended 12 free weekly sessions to learn about Currituck County government. From February 1 - April 18, 2024, the class met with a total of 23 departments over eleven class sessions. The twelfth and final session featured a “Budgetopolis” group activity facilitated by a staff member of the UNC School of Government.

FY 2025 Goals And Discussion

The County Manager’s office will continue to direct staff in achieving the goals determined by the Board of Commissioners.

The Manager’s office will oversee the County Access Permit program for county residents, as well as the ATV permit distribution.

The office will support Human Resources in conducting a salary study.

The office will work with the lobbying firm of Ward & Smith to advance the legislative goals of the Board of

Commissioners.

The County Manager will seek grant opportunities for infrastructure and capital improvements

The county will utilize a variety of public information resources to maintain consistent lines of communication with citizens. The Focus on Currituck printed newsletter, which is mailed to every address in Currituck County, will be produced and delivered on a quarterly basis. The county will continue its ongoing series of informational videos on various departments and topics of importance.

The county will also host the fourth cohort of the Citizens Academy in 2025.

Future Considerations

The County Manager's Office will continue to advance the goals of the Board of Commissioners.

The office will continue to offer the Citizens Academy program for residents who wish to learn about local government. These classes will allow residents to meet county leadership, department heads and staff, and learn about services offered to the public. It also promotes citizen involvement in county government and provides more communication with the public.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 233,542	\$ 253,416	\$ 255,948	\$ 266,648	
Operating Expenses	157,477	150,966	98,400	98,650	
Capital Outlay	14,019	-	-	-	
	405,038	404,382	354,348	365,298	

Mission

The County Attorney is appointed by and serves at the pleasure of the Board of Commissioners. The County Attorney represents the county's interests, including its county officials and employees, in litigation filed by or against them on a broad range of issues. The office provides legal advice and assistance related to statutes, rules, regulations, and court interpretations. The office also drafts legal documents, researches legal precedents, advises officials on legal implications of actions, and studies county policies, procedures, and actions to ensure compliance with the law.

Accomplishments In FY 2024

During Fiscal Year 2024, 476 contracts were processed and 243 public records were reviewed. A total of 11 demand letters were sent concerning code enforcement violations and five lawsuits were filed for code enforcement violations. Overall, the county has 22 outstanding lawsuits entering the new fiscal year.

FY 2025 Goals And Discussion

The Legal Department will practice governmental law in support of the county, including but not limited to public finance, land use, public records, tax, open meetings, and condemnation. It will ensure that county activities conform to constitutional and statutory requirements.

Staff will prepare all ordinances and resolutions adopted by the Board of Commissioners as well as legislation

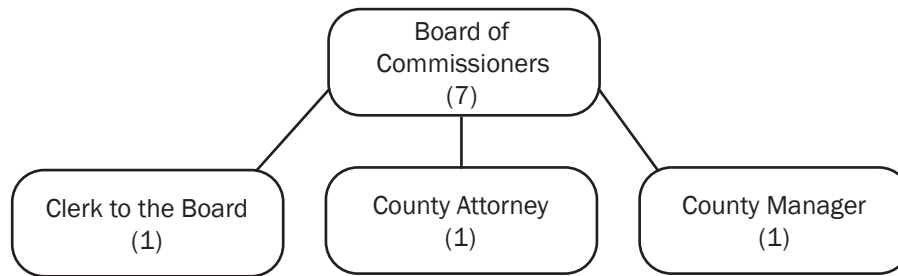

proposed by the Board of Commissioners for enactment by the North Carolina General Assembly.

The County Attorney will advise the Board of Commissioners on substantive and procedural issues pertaining to their public duties as elected officials.

The department will draft, review, interpret, and prepare all county legal documents. The department will represent the county in civil litigation filed by or against the county, including its officials and employees.

Staff will ensure the legality of county contracts, financing arrangements, employment policies, and ordinances and will conduct in-rem tax foreclosures working in conjunction with the Tax Department. Staff will also provide advice on various legal questions presented by county departments.

Governing Body

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 109,803	\$ 109,805	\$ 109,805	\$ 109,805	
Operating Expenses	56,115	102,510	103,010	103,010	
	165,918	212,315	212,815	212,815	

Mission

The Board of Commissioners is a seven-member elected group that serves as the governing body of Currituck County. Its mission is to set policies and establish goals for the county.

Commissioners are elected by registered voters to serve four-year terms. The Board of Commissioners hires the County Manager, County Attorney, and Clerk to the Board of Commissioners.

Accomplishments In FY 2024

The Board of Commissioners approved a spending plan to fund construction of Tulls Creek Elementary School in Moyock. This major construction project broke ground in October 2023 and completion is expected in October 2025.

The county celebrated the completion of renovations at Moyock Elementary School and Moyock Middle School. These projects increased classrooms and cafeteria capacity at both facilities.

Year 4 of the Shoreline Stability Study was completed in November 2023. The county has begun the process to develop a Beach Management Plan to help guide decisions on methods to protect the natural environment of the beach area and dune system in Corolla.

Commissioners continue to work with state and federal legislators to encourage legislation that benefits Currituck County.

The county also retains Ward and Smith, P.A., as lobbyists to work on the county's behalf with members of the North Carolina General Assembly. Ward & Smith helped to secure \$16 million for utility infrastructure and \$4 million for airport capital improvements.

FY 2025 Goals And Discussion

The Board of Commissioners will attend conference and training opportunities to represent Currituck County at local, state, and national gatherings. Commissioners will meet with elected representatives in Raleigh and Washington D.C. in support of the county's priorities and coordinate with lobbyists to pursue legislation beneficial to Currituck County.

The Board will recruit and hire a new County Manager.

Three newly elected members of the Board will be seated in December 2025.

Future Considerations

The Board of Commissioners will adopt a county budget that funds and maintains a high level of services while preserving the lowest property tax rate that is possible.

This must be done with respect to the county's growing residential population and pressures that come with continued growth and development.

Future school capital needs will be addressed in order to accommodate the county's growing population. The Board will continue to support Currituck County Schools with adequate facilities.

The county will continue to support the local tourism industry. It will work with tourism partners to limit the impacts of tourism on the natural environment and quality of life for permanent residents.

The county will maintain a healthy fund balance and appropriate reserves in case of a hurricane or other natural disaster.

Note: The Board of Elections employs approximately 100 part-time poll workers per election cycle.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 170,048	\$ 206,135	\$ 232,783	\$ 242,682	
Operating Expenses	54,761	132,799	137,138	103,480	
Capital Outlay	13,363	13,000	100,587	66,000	
	238,172	351,934	470,508	412,162	

Mission

The Elections Office is governed by the Currituck County Board of Elections, which is a five-member board appointed by the North Carolina State Board of Elections every two years in June. The Director of Elections oversees all federal, state, county, municipal, and special elections conducted in accordance with mandates set by federal and state law and State Board of Elections policy.

The Board of Elections will maintain the integrity of elections through accurate reporting of election results and will administer State Board of Elections policies that interpret federal and state statutes. The Board will secure ADA-compliant accessible polling places and provide an inclusive elections process for all eligible voters.

Accomplishments In FY 2024

The Board of Elections conducted the North Carolina Primary Election on March 5, 2024. At the time of the election, there were a total of 24,266 registered voters in Currituck County. Of the registered voters, 6,378 cast ballots in the Primary Election. This includes 1,335 votes cast during the early voting period and 101 ballots

received through absentee voting.

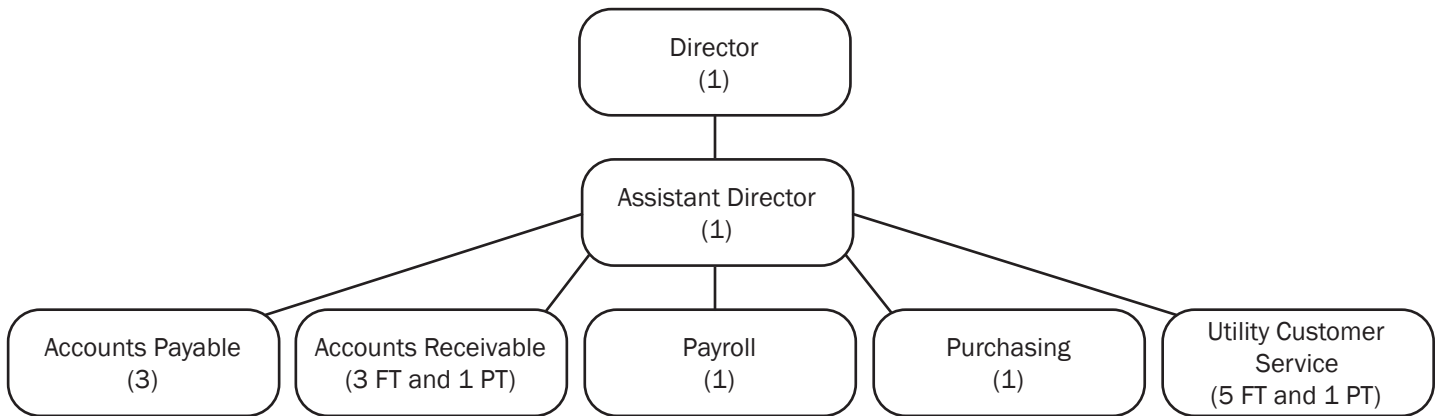

The Board of Elections achieved 100% reporting accuracy for the Primary Election.

FY 2025 Goals And Discussion

The Board of Elections will conduct the North Carolina General Election for Currituck County on November 5, 2024. This will include elections for the United States President and Vice-President, North Carolina Governor and Lieutenant Governor, as well as several other federal and state offices.

Locally, the General Election will include Currituck County races for the Board of Commissioners, Clerk of Superior Court, Board of Education, and Register of Deeds.

Staff will conduct the early voting period from October 17 - November 2, 2024. On election day, the Board of Elections will provide fair and accessible voting for county residents at 11 voting precincts in Currituck County. Currituck County Board of Elections will aim for achieving 100% reporting accuracy for the General Election.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 926,711	\$ 999,400	\$ 1,024,478	\$ 1,066,779	
Operating Expenses	161,702	193,857	210,158	210,158	
	1,088,413	1,193,257	1,234,636	1,276,937	

Mission

The Finance Department provides financial direction; accurate and timely accounting processes and reporting to internal and external stakeholders; compliance and oversight of procurement practices; and compliance with federal and North Carolina laws and best practices. To maintain optimal levels of support and fiscal accountability to county leadership and transparency to all stakeholders, the Finance Department works closely with all department leaders. The Finance Department's proactive approach to coordination and communication leads to more effective decisions and results throughout the county.

Accomplishments In FY 2024

The Finance Department started the fiscal year working to determine a cost-effective financing option for construction of Tulls Creek Elementary School. This is the largest financing in the county's history and staff worked with First Tryon Financial Advisors to successfully close on a fifteen-year debt on November 1, 2024. Staff submitted its twenty-first Annual Comprehensive Finance Report for the fiscal year ended June 30, 2022 to the Government Finance Officers Association of the United States and Canada. For this report, Currituck

County received the Certificate of Achievement for Excellence in Financial Reporting.

The Assistant Finance Director achieved a Certified Local Government Officers certification from the North Carolina Government Finance Officers Association. The Contract/Purchasing Agent achieved the Certified Purchasing Agent designation from the North Carolina Association of Governmental Purchasing.

FY 2025 Goals And Discussion

The primary focus of the Finance Department and the Customer Service Division of the Utilities Department is to continue efforts to cross-train staff that provide valuable services to our citizens. During FY 2024, two staff members each with twenty-nine years of service with the county have retired. Additional employees with longevity are expected to retire this year. This training will minimize the loss of institutional knowledge and experience.

Procedural manuals will be developed or revised as staff members cross-train. These manuals will have processes for both internal office staff and training guides for other departments that interact with our

financial systems. Finance is also working to have more frequent training available for other departmental staff.

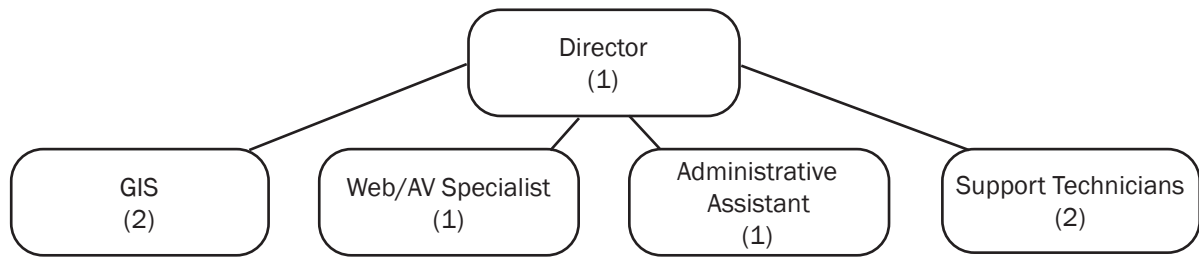

As Currituck County continues to grow in population, the Finance Department will be instrumental in assisting with funding and possible financing for construction to keep up with the demand for services for fire protection, solid waste management, water and sewer expansion and all other governmental services.

Future Considerations

As the county continues with significant population growth, expansion of services will be necessary to meet citizen expectations. The county is planning expansion of the solid waste convenience system and water and sewer systems. A new Fire-EMS station is anticipated in the Moyock area. Finance plays an integral part of funding and financing these large projects.

Hiring qualified employees is another challenge that all county departments continue to experience. The Finance Department will coordinate the hiring of future staff with Human Resources to recruit qualified individuals to work and support the Finance and Utilities departments as needed.

Information Technology Services

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 20245 Adopted
Salaries and Benefits	\$ 597,332	\$ 614,986	\$ 721,483	\$ 766,691	
Operating Expenses	520,493	742,611	1,125,175	1,128,375	
Capital Outlay	106,099	337,000	1,000,550	936,920	
	1,223,924	1,694,597	2,847,208	2,831,986	

Mission

To provide reliable and available information technology systems in the most secure manner to promote efficient and secure network services for Currituck County.

Accomplishments In FY 2024

The IT Department made significant strides in upgrading and securing the county's technological infrastructure. The department managed a significant fiber installation project to replace the existing backhaul connections, enhancing redundancy and protection by utilizing better routing. A critical project installing fiber from the public safety building to the Barco radio tower was completed, bolstering the redundancy and fault tolerance of 911 communications and supporting the upgrade of the radio system.

These improvements were complemented by the revamp of the county website and completion of the technology overhaul in the Board of Commissioners meeting room. These accomplishments have set a robust foundation for the county's IT capabilities, improving both the efficiency and reliability of public services.

FY 2025 Goals And Discussion

Looking ahead to Fiscal Year 2025, the IT Department has set ambitious goals to further enhance Currituck County's digital landscape. The primary objective is to refresh the IT infrastructure, ensuring that the county's technological backbone is modern, secure, and capable

of meeting the growing demands of its services.

The department is committed to proactively addressing the evolving landscape of cyber threats, ensuring that the county's systems and data remain secure against potential cyber-attacks.

These initiatives are pivotal for maintaining Currituck County's reputation as a forward-thinking and secure community, ready to face the challenges of tomorrow.

Future Considerations

The department will continue to implement evolving cybersecurity strategies and provide a secure county network against constant cybersecurity threats to public agencies. Staff will continue to communicate regularly with state and federal agencies that provide information and guidance to local information technology departments in order to provide better services and improve security of systems.

The department will address all problems that county employees experience with information technology equipment and systems in a timely and effective manner. This will help county staff work more efficiently and provide better services to the public.

Human Resources

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 267,536	\$ 363,700	\$ 363,895	\$ 380,783	
Operating Expenses	88,077	40,343	47,575	87,575	
Capital Outlay	5,559	-	-	-	
	361,172	404,043	411,470	468,358	

Mission

To partner with county departments in supporting, developing, and growing the county's greatest asset: employees. Human Resources is focused on high-quality customer service and is committed to sound practices for recruitment, development, reward, and retention of the county's workforce.

Accomplishments In FY 2024

The Risk Management Administrator was hired and has implemented an online learning management system, NEOGOV, for county staff. Through NEOGOV, each new county employee completes one-on-one safety orientations. These include North Carolina Department of Labor occupational health and safety mandated training.

The Risk Management Administrator serves as the county's Safety Director. In this role, the Risk Management Administrator chairs safety committee meetings and has developed a fact-finding analysis of all workers' compensation and general liability concerns. These efforts resulted in several financial savings regarding subrogation of liability of some claims.

Currituck County received a perfect score on a bi-annual safety assessment, which yielded a 3% savings on property loss and worker compensation insurance premiums.

Human Resources implemented email invoicing of retiree insurance payments. This has decreased mailing expenditures while expediting the payment process. Staff implemented a one-on-one hiring process, which

facilitates a robust personal experience and leads to positive initial experiences for new county employees.

Currituck County joined the North Carolina Health Insurance Pool, providing health insurance to employees through Blue Cross Blue Shield of NC and dental and vision insurance through Delta. This first year in the pool has been very successful and the renewal increase for FY 2025 is only 3%, compared to current market renewal rates at 8.4%.

FY 2025 Goals And Discussion

The Risk Management Administrator will conduct an analysis of individual job safety and will also identify training and North Carolina Department of Labor deficiencies within each job classification.

Human Resources is researching a paperless onboarding process which would allow new hires to complete form online. This may save staff time and paper resources, while ensuring the employee onboarding process is organized and efficient. The department will also incorporate data-driven decisions to reassess and update the county's offboarding process.

Future Considerations

As the workforce evolves and new challenges arise, the county must adapt its strategies to meet changing needs. Retiring individuals have different expectations and plans for their retirement and county staff will have to enhance its engagement with these individuals to better understand their preferences. A proactive approach to new strategies will help the county effectively support its employees and retirees.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 20245 Adopted
Salaries and Benefits	\$ 504,183	\$ 558,960	\$ 550,335	\$ 580,020	
Operating Expenses	209,363	232,409	205,400	202,400	
	713,546	791,369	755,735	782,420	

Mission

To provide fair and equitable appraisal, assessment, billing, and collection of taxes on real, business, and personal property in Currituck County. The Tax Department is committed to excellent customer service and to fair and timely tax administration as guided by the North Carolina General Statutes. The Tax Administration office works as a team to deliver excellent customer service and strives to maintain and improve upon the collection rate each year as it is a vital component in the county’s budget process.

Accomplishments In FY 2024

The Tax Department is a consistent leader in county property tax collection within North Carolina. In the last fiscal year, the department achieved an overall collection rate of 99.3%, which is one of the higher collection rates among all North Carolina counties.

Currituck County has an overall tax base of \$8.6 Billion and levies approximately \$53 Million in property taxes. In FY 2024, there are 26,323 taxable real estate parcels in the county. This represented an increase of 1.1% from the previous fiscal year.

In addition, there were 2,243 taxable personal property accounts. This was an increase of 5.3% from the previous fiscal year.

FY 2025 Goals And Discussion

The department will be responsible for appraising, assessing, and listing all real estate and personal property within the county, including 10 special service districts.

The department will collect all current and delinquent taxes on such property excluding registered motor vehicles.

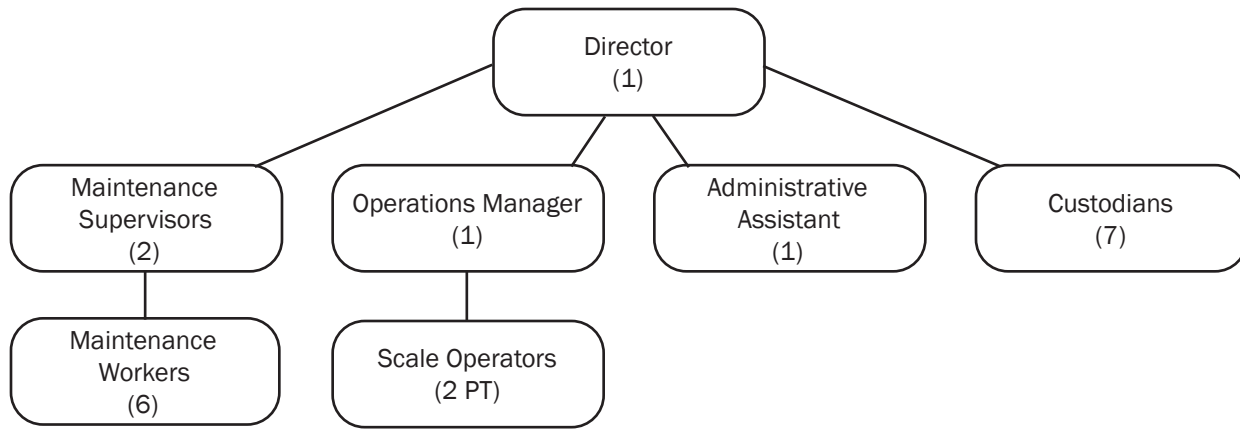

Tax administration will oversee the billing and collection of the hotel/motel room occupancy tax, animal and solid waste fees, special assessments, and calculate the amount of Land Transfer Tax on real estate deeds and leases.

Future Considerations

In North Carolina, counties are required to conduct a countywide property revaluation, or reassessment, at least every eight years. Currituck County last conducted a revaluation in 2021 and is scheduled to perform its next revaluation in 2029.

Public Works

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 977,783	\$ 830,530	\$ 872,726	\$ 867,901	
Operating Expenses	521,799	689,070	711,586	684,936	
Capital Outlay	611,068	361,000	1,245,500	443,800	
	2,110,650	1,880,600	2,829,812	1,996,637	

Mission

To sustain and maintain Currituck County's property and facilities in order to enhance the quality of life for citizens, attract new residents, and support economic growths.

Accomplishments In FY 2024

The Public Works Department moved into its new facility, located adjacent to Currituck Regional Airport. This building provides office space and much needed warehouse space. The improved storage capability allows Public Works to purchase maintenance and custodial items in bulk.

In FY 2024, Public Works maintained 60 county buildings encompassing approximately 600,000 square feet. Staff also maintained five beach access ramps, more than 11 miles of walkways, and more than 100 parking lots. Overall, staff completed 1,525 work orders for maintenance or repairs.

Public Works continued to order fuel for the county's fuel farm and maintain accurate reporting. Staff also oversaw various contracted services for the county, such as landscaping, waste disposal, generator maintenance, roofing, and pest control.

Public Works was involved in many successful county projects. These included the installation of 6 HVAC units at county buildings.

The door hardware at the Judicial Center was replaced and new parking lot lighting was installed at the complex. Inside the courts building, new carpet was installed in Courtroom B and the adjacent hallway. Carpet was also installed in the Social Services building.

Repairs to the roof of the Moyock Library were completed and a handicap-accessible door was installed at the building's entrance.

The county's solid waste convenience centers accepted 36,600 tons of trash and 3,041 tons of recycleable materials. Specialty wastes accepted included 3,517 lbs of light bulbs, 3,740 lbs of household batteries, 7,562 lbs of used cooking oil, 126,125 lbs of used motor oil, and 40,356 lbs of car batteries.

In addition, new apron was poured at the Transfer Station.

FY 2025 Goals And Discussion

The Public Works Department will facilitate replacement of the existing fuel farm.

The county plans to expand the Moyock convenience center for trash and recycling. This site is the county's busiest convenience center and expansion will better serve the fast-growing community of Moyock.

Staff will complete a full assessment of county facilities in FY 2025 to identify future areas of need. Planned facility projects include a new HVAC system at the Detention Center, resealing the parking lots at the Judicial Center and YMCA building, continuing roof repairs at various county buildings, and a geothermal line replacement.

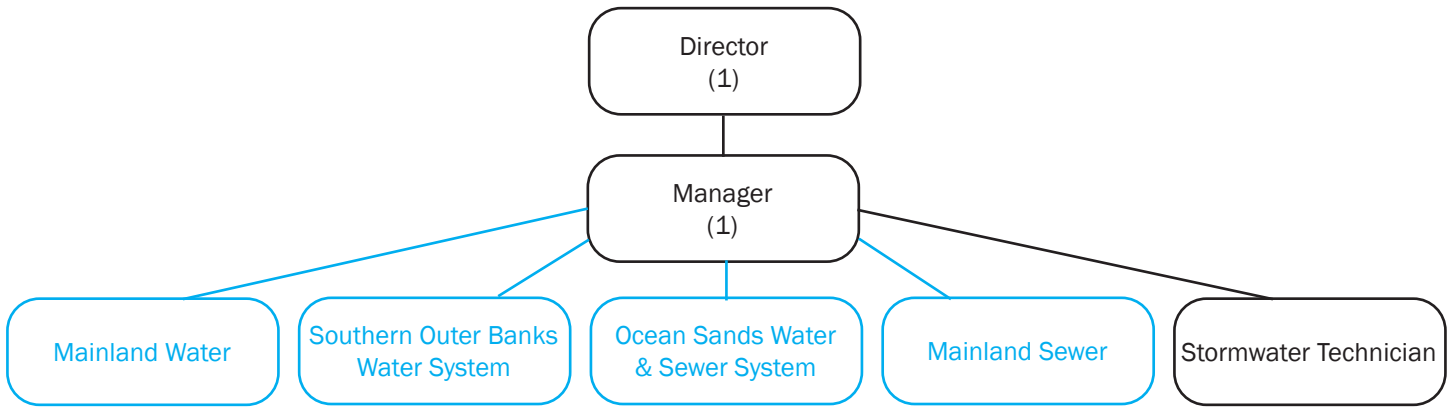

Engineering work will also be completed for upcoming projects, including the plumbing system at the Detention Center and the electrical system at the Judicial Center.

Future Considerations

The county must continue to invest in the maintenance of county facilities to provide excellent workspaces for employees and effective services for citizens.

Identified needs include installing new carpet in the Clerk of Court office and new flooring in the Corolla satellite office, Detention Center plumbing upgrades, and window replacement at the Knotts Island Senior Center.

Public Utilities

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 303,506	\$ 375,106	\$ 508,214	\$ 389,006	
Operating Expenses	8,870	12,937	9,125	10,125	
Capital Outlay	-	33,500	-	-	
	312,376	421,543	517,339	399,131	

Mission

To provide efficient, effective, and reliable water and wastewater utility services in a manner that respects the natural environment of Currituck County.

Accomplishments In FY 2024

The Public Utilities Department operates the Mainland water system, Southern Outer Banks Water System, Mainland sewer system, and the Ocean Sands water and sewer system.

The Mainland and Southern Outer Banks Water Systems, combined, produced and treated 973 million gallons of water to serve 14,045 customers during the fiscal year.

Staff operated the two water treatment plants and maintained 145 raw water wells. Additionally, 450 miles of water line pipes and 170 cross connection backflow units were maintained throughout the county.

The water system staff responded to 4,835 work orders, which included 377 new service installations and 118 new meter changeouts. Staff also completed 6,410 utility location tasks.

The Mainland and Ocean Sands sewer systems treated a combined total of 90 million gallons of wastewater. Staff operated five wastewater treatment plants and

maintained 44 miles of collection lines. The county also continued its cleaning program for sewer system collection lines.

Sewer system staff also maintained 41 lift stations, nine Albemarle Regional Health sewer sites, 35 Newtown pump stations, and 10 stormwater stations.

Staff also continued public education efforts to help prevent fats, oils, and grease from being deposited into the sewer system.

Countywide, Public Utilities completed many projects during FY 2024. A major project was the expansion of both the Mainland Water Treatment Plant and the Southern Outer Banks Water System plant. At each facility, an additional reverse osmosis skid was installed. This increased the water treatment capacity by 750,000 gallons per day at each site.

A new well was established on Maple Road to provide additional raw water for the Mainland Water Treatment Plant.

At the Mainland Water Treatment Plant, wiring for the original sand plant well was replaced. The sand plant is still in operation and water treated in this section is mixed with treated water from the reverse osmosis facility.

In Corolla, a new generator was installed at the Whalehead deep well that serves the Southern Outer Banks treatment plant. Also, a new altitude valve was installed on the Ocean Sands water tower.

A new stormwater pumping station and generator was installed at Bonito Street, within the Whalehead Stormwater Service District, to help alleviate stormwater flooding in this area of Corolla.

Several projects were completed at wastewater treatment plants. At Ocean Sands, staff replaced chains and flights, as well as the EQ panel. Filter beds were replaced at the Waterside Villages wastewater treatment plant and the Moyock Commons plant received an electrical system upgrade. Staff also replaced the generator at the Welcome Center lift station.

FY 2025 Goals And Discussion

The Public Utilities Department has several projects planned for FY 2025 to continue the county's efforts to maintain and improve utility infrastructure.

At the new deep raw water well on Maple Road, the well housing structure and piping connection to the mainland water plant will be completed.

Configuration of the 16 inch water main piping extension from the Currituck water tank to the Sligo boost station is planned. Boost stations will be added at Sligo and Coinjock.

The housing structure and piping to the Southern Outer Banks treatment plant will be completed for the new Whalehead deep raw water well. A new electrical panel and power wiring will be installed for the shallow well field and wells along NC Highway 12 will be rehabbed and maintained.

A new bleach holding tank and new brine tank will be installed at the Southern Outer Banks Water System. A new generator will also be installed at the facility along with a new CL2 chlorine analyzer. In addition, the green sand media will be replaced.

A new mobile package treatment plant will be installed at the Moyock wastewater plant. The county will work towards replacement of the permanent Moyock Regional Wastewater Treatment Plant.

The spray field will be replaced at the Waterside Villages Wastewater Treatment Plant. A clearing project will also be done for the plant's groundwater lowering pipes.

Additional wastewater projects include a bar screen replacement at the Ocean Sands facility, cleaning of sewer lines, and design of new wastewater storage facilities.

Future Considerations

Currituck County's population growth, combined with its status as a successful tourist destination, will continue to influence the investment in utility infrastructure. The ability to provide plentiful, clean drinking water and adequate sewer service for the community is a significant factor when planning for the future.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	-	\$ 269,639	\$ 272,298	\$ 282,209	
Operating Expenses	-	37,532	24,410	24,410	
Capital Outlay	-	42,500	-	-	
	-	349,671	296,708	306,619	

Mission

To provide professional and administrative oversight of capital construction and maintenance projects in the county.

Accomplishments In FY 2024

The Engineering Department successfully led many projects during the 2024 Fiscal Year, including some that are still ongoing.

A major success was the completion of renovations at Moyock Elementary School and Moyock Middle School. These projects increased the number of classrooms and improved the dining areas at each school.

In Corolla, Engineering staff oversaw the construction of the a new sidewalk on Dolphin Street. In Historic Corolla Park, the vehicle air station was relocated to a more suitable location within the park. Construction of a new Corolla ABC store was also completed.

Phase III of the Corolla beach walkover replacement project was completed. This phase included replacing the walkovers at the Sturgeon and Bonito public access sites.

The county constructed a new Public Works facility in Barco. This building includes staff offices and two large garage bays for storage and equipment repairs. Renovations of county offices were initiated at the

Grandy satellite office facility and completed at the Historic Courthouse for Planning and Inspections staff. Also, restoration of the Historic Jarvisburg Colored School is in progress.

FY 2025 Goals And Discussion

The Engineering Department will manage several projects for Currituck County during FY 2025. The most significant project is the construction of Tulls Creek Elementary School, located in Moyock. A groundbreaking ceremony was held on October 27, 2023 to begin construction and the school is scheduled to open in 2025.

The county will construct a new fuel farm to service county vehicles. Repairs will also be made at the Historic Courthouse.

In Barco, the county will initiate Phase III of athletic field additions at Community Park. Also in Barco, new digital signage will be installed for The College of the Albemarle.

In Corolla, the county will construct a new beach walkover at Marlin Street and begin the design phase for new walkovers at additional locations. The Corolla Greenway multi-use path will be extended from Albacore Street to Dolphin Street.

Corolla ABC Store

The county owns a building in Corolla for lease to the Currituck County ABC Board. The county will establish funds to cover expenses for building maintenance.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Operating Expenses	-	-	-	\$ 22,500	
	-	-	-	22,500	

Register of Deeds

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 344,356	\$ 358,087	\$ 363,018	\$ 344,557	
Operating Expenses	832,480	834,853	573,676	580,026	
	1,176,836	\$ 1,192,940	936,694	924,583	

Mission

To record, index, and preserve all real estate and business-related documents for citizens of Currituck County. The department will also issue marriage licenses, certified birth records, and certified death records.

Accomplishments In FY 2024

The Register of Deeds office recorded 3,499 documents from May 1, 2023 to April 30, 2024. There were 326 marriage licenses recorded and 214 deaths. Zero births were recorded in the county for the fiscal year.

Commissioners Books B and C were preserved in the fiscal year. In addition, staff members earned annual continuing education credits.

Staff provided a free fraud detection service for citizens who registered. The office also provided a free online records search tool. This is used for genealogy and other research to locate records by name or date.

FY 2025 Goals And Discussion

The Register of Deeds office will continue to provide an accurate recording service for all real estate and business-related documents in Currituck County. The office will provide for the safe-keeping and security of all documents and records.

Services provided will include issuing marriage licenses, birth certificates, and death certificates. The office will also provide a notary service for citizens.

The office will continue to provide protection against cyber attacks to county records. Registered citizens will continue to receive free fraud detection services.

Staff will continue to preserve additional historical books and pursue continuing education credits and training.

Future Considerations

The county must continue efforts to protect vital records from cybersecurity threats. The office must also have appropriate HVAC systems to ensure proper temperature and humidity controls for the preservation of historic records.

Future technology needs will be critical for the Register of Deeds office in order to keep pace with the growth of Currituck County.

Court Facilities

North Carolina counties are responsible for providing adequate facilities for the state's courts. This responsibility includes courtrooms, provision of office and storage space, parking, and related spaces for judges, the clerk of superior court and staff, district attorneys and magistrates. A facilities fee is collected in each court case as part of the court costs paid by litigants. The fee is distributed to counties and must be used specifically for providing, maintaining and constructing court facilities for court and court-related officials.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted

	\$ 921,685	1,392,976	-	35,100	

General Fund:

Public Safety

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 7,199,434	\$ 8,485,544	\$ 9,796,050	\$ 9,332,519	
Operating Expenses	1,014,441	1,136,841	1,041,492	1,040,492	
Capital Outlay	696,428	1,151,548	1,227,305	887,404	
	8,910,303	10,773,933	12,064,847	11,260,415	

Mission

To ensure the community receives law enforcement services that provide a safe community. The Sheriff's Office will work to maintain dedicated employees at proper levels to enforce the laws of the state and protect our community. The Sheriff's Office will obtain the tools, training, and technology to investigate and prevent crimes in the county, utilizing the most current technology and training.

Accomplishments In FY 2024

The Sheriff's Office filled six School Resource Officer (SRO) positions during FY 2024. This allows for a SRO to be present every day in each school of the Currituck County Schools system.

The Sheriff's Office issued more than 4,000 citations. This helps provide additional funding for Currituck County Schools through money that is allotted from the state back to the county.

During the year, 11 deputies received their professional certificates. In addition, 10 deputies attended specialized leadership training.

Staff also maintained the Digital Forensics Lab located at the Sheriff's Office.

FY 2025 Goals And Discussion

The Sheriff's Office will work towards establishing a complete vehicle inventory.

Sheriff's Office personnel will continue high levels of training. Deputies will review all county ordinances. The Sheriff will work with the Board of Commissioners to maintain competitive salary levels for employees.

Overall, the department will attain strong community engagement through several methods, including public events, open houses, summer youth camp, Citizens Academy, social media, and deputy interaction during standard patrols.

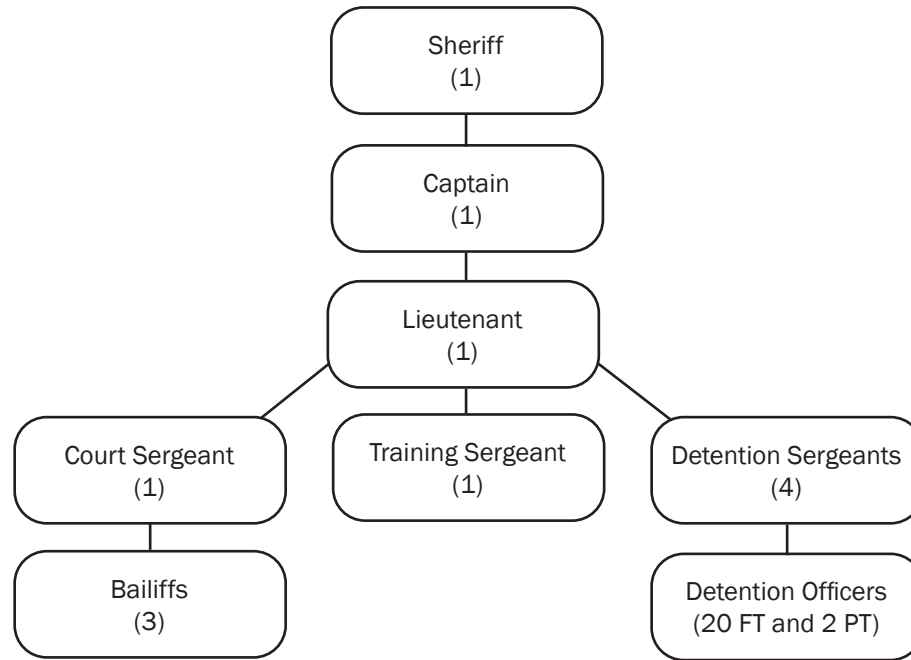

Future Considerations

Increasing the number of sworn deputies will be an important factor as Currituck County's residential population continues to increase. The number of businesses is growing as well. This growth will require a larger law enforcement presence to provide for community safety.

The Sheriff's Office will consider establishing a position of School Resource Officer (SRO) Supervisor. The position will provide direct oversight of the 10 School Resource Officers in Currituck County. An additional SRO position will be required in FY 2026.

Detention Center

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 1,725,420	\$ 2,335,538	\$ 2,503,726	\$ 2,389,438	
Operating Expenses	607,349	696,474	674,100	694,127	
Capital Outlay	53,750	34,750	31,700	37,123	
	2,386,519	3,066,762	3,209,526	3,120,688	

Mission

The Detention Center will be professional in its duties, remaining the premier detention/correctional facility in North Carolina. The center's management philosophy is to hold inmates accountable for their behavior. This philosophy is the driving principle in keeping the inmate population low. The Detention Center will set an example for the entire detention field through hiring, retaining, and training superb personnel. The Detention Center will continue to invest in the professional development, growth, and success of its officers.

Accomplishments In FY 2024

The Detention Center achieved many successes during the fiscal year. Captain David Castelov was honored with the North Carolina Jail Administrator of the Year Award. Castelov retired during the fiscal year and was succeeded as captain and administrator of the Detention Center by Lt. Conrad Cervantes. Training Officer Erica Cartwright was promoted to Detention Center Lieutenant.

Three officers received the Intermediate Detention Officer certification from the North Carolina Sheriffs' Education and Standards Commission. One officer earned the Advanced Detention Officer certification.

Staff continued to provide knowledge and information relating to the Detention Center to citizens through participation in the Citizens Academy and the Sheriff's Youth Summer Camp.

The Detention Center generated revenue through statewide Misdemeanant Confinement Program housing of inmates, inmate phone, commissary, and Fresh-to-You Meals program.

The Detention Center also updated its contract with Southern Health Partners to provide a full-time nurse for inmate medical needs.

FY 2025 Goals And Discussion

The Detention Center will hire new staff for all remaining full-time open positions. Staff promotions will include two court security officers, two intake officers, one training sergeant, and one sergeant position vacated by the prior.

Technology will be improved at the Detention Center. The outdated inmate phone system will be upgraded during the next fiscal year. Also, the use of tablets will be implemented to allow inmates access to a variety of tools, such as educational and training material, to help reduce the recidivism rate.

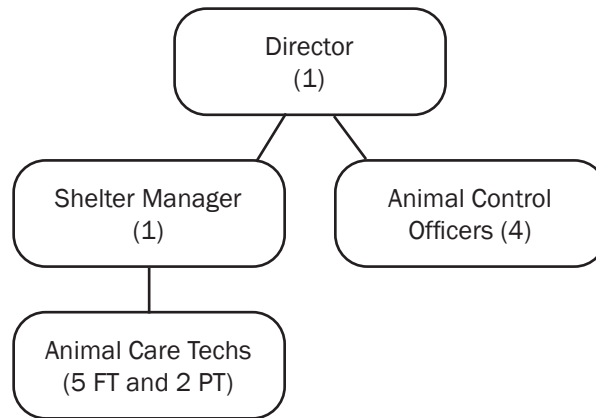

The Detention Center will implement Pre-TRIIP, a pretrial inmate health coverage plan, to cover inmate medical charges. This will reduce the inmate medical costs funded by Currituck County taxpayers.

The Detention Center will upgrade tasers used by staff to provide officers with the most up-to-date and safest equipment to best perform their duties. In addition, Detention Officer uniforms will be upgraded to align with the Sheriff's Office to provide a more unified appearance.

Future Considerations

Upgrades and repairs will need to continue at the Detention Center facility and kitchen. This will help provide the most effective and safest environment for inmates and staff.

Animal Services and Control

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 676,637	\$ 724,368	\$ 715,869	\$ 760,824	
Operating Expenses	171,956	207,879	201,435	206,391	
Capital Outlay	39,242	45,000	-	-	
	887,835	977,247	917,304	967,215	

Mission

Animal Services and Control protects the rights of animals in the community to ensure proper care and accommodations are provided. The department operates the animal shelter and provides animal control services for citizens with domesticated animal safety and welfare concerns. The animal shelter is an open admission shelter and receives all stray, abandoned, and surrendered pets in Currituck County. Staff works with fosters, volunteers, and transfer rescue partners to treat and rehome more than 1,000 animals every year. Animal Control officers enforce state laws and local ordinances related to animal care and welfare.

Accomplishments In FY 2024

The Animal shelter established several new rescue partnerships this year. These partnerships help decrease the length of stay for many animals. Staff was also able to expand the department's network of local volunteers.

Department staff completed several continuing education courses on animal cruelty, rabies updates, compassion fatigue, Fear Free classes, and Humane Society webinars.

Animal Control succeeded in a felony animal cruelty case that resulted in a prison sentence for the offender.

The animal shelter took in a total of 1,174 pets during FY 2024. This included 341 owner surrenders, 775 stray pets, and 38 transfers from other facilities. The shelter also took in 20 pets for safekeeping due to bite quarantines, cruelty, or mutual aid to another agency.

The shelter facilitate adoptions for 530 pets, returned 158 animals to owners, and transferred 217 to other organizations. In addition, 156 animals were euthanized.

Animal Control officers responded to 2,264 calls for service. This included 536 stray or loose animals, 438 investigations or followups, 265 animal bites or attacks, 92 animal cruelty complaints, 93 injured animals, 79 reports of vicious animals, 78 requests for animal traps, and 42 reports of livestock loose on roads.

FY 2025 Goals And Discussion

The Animal Shelter will utilize the facility's vet room to conduct spay and neuter procedures as well as other minor surgeries. This service helps control the overpopulation of pets in Currituck County.

Staff will continue to work with local veterinarians to offer low-cost pet services to citizens who need assistance.

Future Considerations

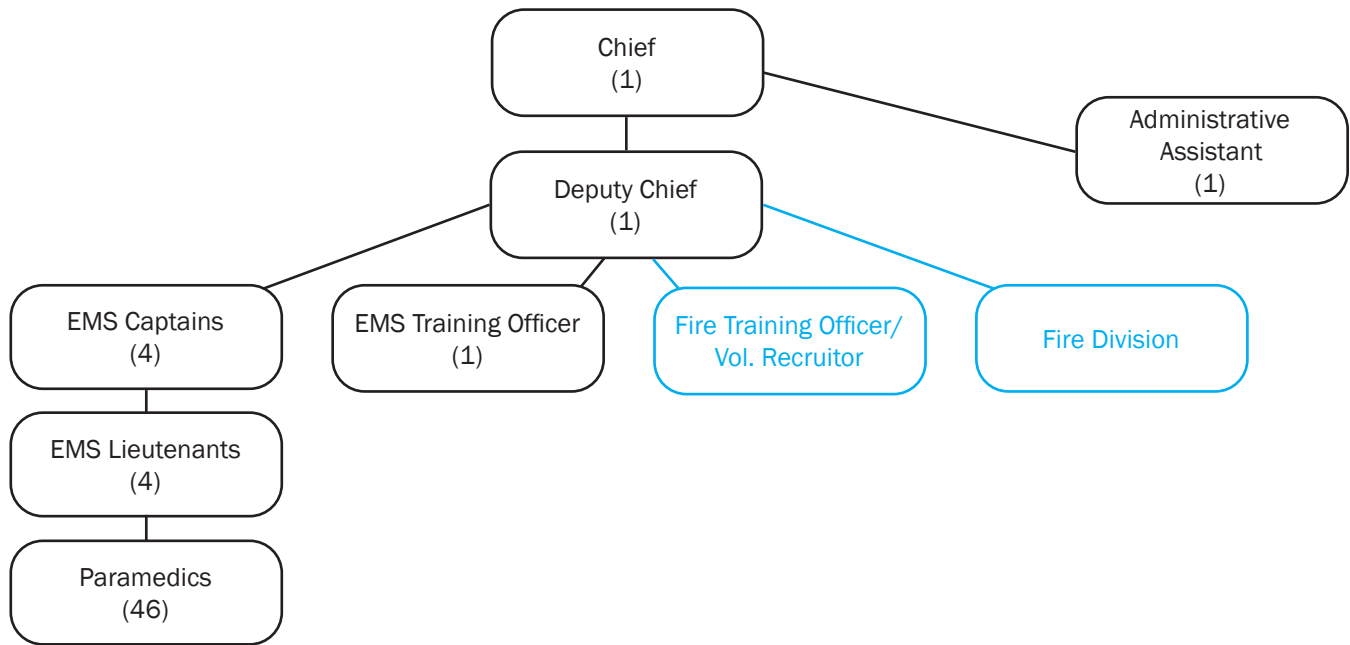

To continue addressing the problem of an overpopulation of stray pets in Currituck County, the department will provide community education on methods to reduce the stray and feral population. Large numbers of stray animals place a strain on county resources at the Animal Shelter and Animal Control officers. As the county continues to increase in population, public education to residents may help prevent the number of stray pets from continually increasing.

Jury Commission

As required by North Carolina General Statute, at least every two years the three-person Jury Commission oversees the compilation of a master jury list of licensed drivers and/or registered voters. This funding supports the operations of the Jury Commission.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted

	5,916,334	7,478,634	8,105,034	8,358,618	

Mission

To serve Currituck County citizens and visitors with protection of life and property through professional fire, rescue, and emergency medical services.

Accomplishments In FY 2024

The Fire-Emergency Medical Services Department completed many updates during FY 2024. These updates ensure a comprehensive overview of the department's dedication to maintaining high standards of safety and efficiency. The inclusion of new firefighting equipment highlights the commitment to ensuring the safety of both team members and the community.

Ambulance stretchers were replaced with new models that are safer for patients and employees. A new ambulance stretcher load system will be implemented to improve operational efficiency. The 17 year old "stair chair" stretchers were replaced to improve mobility assistance.

All cardiac monitors were upgraded to more advanced

models, providing paramedics with better analysis capability for patients. Three (3) LUCAS devices were added to the department. These devices support automated CPR efforts. Also, outdated suction units were replaced with modern, more efficient models.

Airway management tools were upgraded to ensure high-quality respiratory care. The county also purchased new Self-Contained Breathing Apparatus (SCBA), turnout gear, fire hoses, and nozzles for fire personnel. This greatly enhances firefighting capabilities and safety for firefighters.

The department progressed towards adding needed vehicles during FY 2024. Two four-wheel drive van ambulances were ordered. These will be used specifically for beach area responses.

An ambulance replacement program was initiated with the order of two new medic units. These will be operated by personnel on the mainland.

FY 2025 Goals And Discussion

Fire-Emergency Medical Services will continue the ambulance replacement initiative by ordering two new medic units. In addition, an aging Quick Response Vehicle will be replaced to maintain rapid emergency response capabilities.

Staff will update the narcotics management program. This will include installing new safes with tracking software of medic units.

Future Considerations

The county will need to consider an increase to staffing levels of Fire-EMS as the county's residential population continues to grow. An increase in population leads to a rise in demand for services. Adjusting the staffing levels will also help decrease the amount of overtime required by current personnel.

Fire-EMS will benefit greatly from the ambulance replacement program in the coming years and staff will be able to provide enhanced services to the community. The county should also ensure that ambulances are outfitted with the best life-saving equipment available and that staff is granted the appropriate training on all equipment in order to provide the best service to the community.

Emergency Management

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 195,345	\$ 211,360	\$ 213,559	\$ 222,420	
Operating Expenses	78,871	82,952	90,682	90,682	
Capital Outlay	13,798	88,000	631,600	631,600	
	288,014	382,312	935,841	944,702	

Mission

Emergency Management is a vital link to the public and all emergency services providers. The department's mission is to provide county residents, guests, businesses, industries, and non-profit organizations with the education and support necessary to reduce the loss of life and human suffering; to minimize property damage; and to protect environmentally vulnerable areas from all types of emergencies through a comprehensive risk-based, all-hazard emergency management program.

Accomplishments In FY 2024

Emergency Management assisted the Sheriff's Office in a search for a missing person by securing resources, and utilizing various communication platforms to keep the community informed.

Staff partnered with the Sheriff's Office, Fire-EMS, Communications, and Currituck County Schools to conduct active assailant workshops and tabletop exercises with funding received from a Homeland Security Grant.

A shelter/evacuation transportation assistance tabletop exercise was conducted with staff from Social Services and the school system.

Emergency Management staff assisted various county

departments with planning and conducting county-sponsored events, included the July 4th fireworks display at Whalehead, Christmas Parade, and Bulls & BBQ. Staff also assisted the Eagle Creek Community with resource management and event security for a concert event that drew thousands of people.

Emergency Management staff attended several public events to share educational information regarding preparedness. These events included Fire & EMS Kids Camp, Citizens Academy, and the Currituck Business Expo.

Staff coordinated several vital training sessions for local and statewide partner agencies. Staff also attended training courses to expand its own capabilities.

In 2024, Emergency Management is working with Dare County to update the Outer Banks Hazard Mitigation Plan. This update is required every five years by the Federal Emergency Management Agency. Several county government departments and community stakeholders work with Dare County Government staff to evaluate and update this regional plan.

Emergency Management coordinated a hurricane exercise with county staff to prepare for the 2024 hurricane season.

FY 2025 Goals And Discussion

Emergency Management will meet requirements to maintain Emergency Management Performance Grant funding. Grant funding helps staff achieve many objectives throughout the year.

Emergency Management staff will set up and facilitate the Emergency Operations Center in the Public Safety Building during times of emergency when an all-county response is necessary. This includes ensuring that county staff have the equipment and supplies necessary in the Public Safety Center throughout the response period.

Staff will support the Sheriff's Office and Fire-Emergency Medical Services during emergency response incidents and large public safety events. Emergency Management staff will also facilitate resource coordination with regional, state, and federal partners.

Emergency Management will develop a hurricane safety public education campaign prior to hurricane season. It is important to increase citizen awareness and improve storm preparation in the community.

As part of enhancing public awareness, Emergency Management will operate Currituck Alert, the county's mass notification system, to provide citizens with real-time safety information before, during, and after critical events. Staff will also continue other public education campaigns to increase citizen awareness including participation in the 2025 Citizens Academy.

Future Considerations

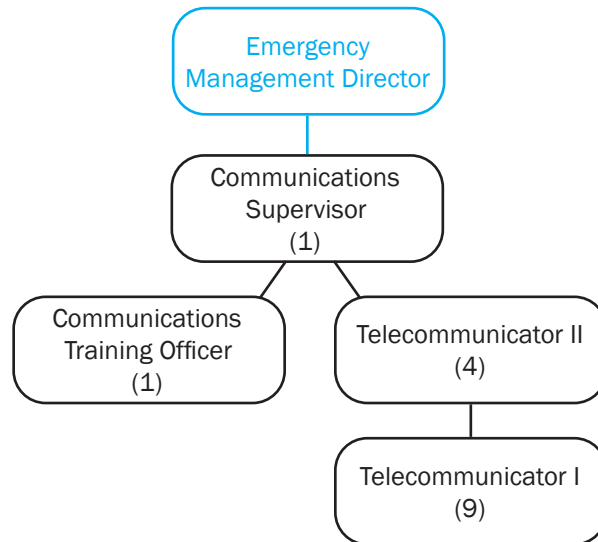

Climate change is a factor that will present significant challenges for Currituck County's environment and for the Emergency Management Department. As water levels rise and weather events become more intense, the county must continue to build responder and community knowledge for preparation and response.

As the county grows, more countywide training and emergency response exercises will be needed. Emergency plans must continually be updated and developed to reflect changes in the community.

Increasing the staff size in the Emergency Management Department will be an important consideration in the future.

Communications

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 1,011,383	\$ 1,231,742	\$ 1,291,954	\$ 1,319,987	
Operating Expenses	254,610	420,722	395,910	406,910	
Capital Outlay	6,893	9,000	22,000	22,000	
	1,272,886	1,661,464	1,709,864	1,748,897	

Mission

Communications serves as a critical link between public safety agencies and citizens. The department strives to ensure the preservation of life and property by treating all callers with professionalism, courtesy, and compassion and by relaying accurate information in a timely and efficient manner.

Accomplishments In FY 2024

The 911 Communications Center received 13,085 emergency calls for service, of which 9,064 were from a wireless phone. The center also received 30,242 calls for service on non-emergency lines.

Currituck Communications received a grant of a nearly \$2 million from the North Carolina 911 Board. These funds are being used to update the public radio system to provide more reliable communication and improve first responder safety. The upgraded radio system will be operational in the summer of 2024.

911 Communications Center staff participated in several community events, working to provide information to the public about 9-1-1. These events included Currituck

Food and Business Expo, Moyock Fire Department's Community Day, Currituck County Sheriff's Office Community Night Out, and Currituck County Planes & Plows. Also, Communications staff worked alongside county partners as tactical dispatchers to ensure the safety of the public at the July 4 Independence Day Celebration in Corolla.

911 Communications Center staff participated in Fire-Emergency Medical Services Advisory Board meetings to provide and receive feedback. Staff also collaborated with county partners on ways to improve responses for medical and fire calls for the community.

The 911 Communications Center joined Currituck County Schools in using Motorola's RAVE product. This program allows the school system to communicate with 911 through an application on faculty and staff members' cell phones. This technology will be crucial during any call for service at a school building.

911 Communications Center staff participated in an active assailant exercise series with Emergency Management, the Sheriff's Office, Fire-Emergency

Medical Services, and the Currituck County School System.

Several staff members obtained important certifications during FY 2024. These included the Center Manager Certification Program, Communications Training Officer, Emergency Medical Dispatch-Q, North Carolina Emergency Management Assisting Individuals and Groups in Crisis, and Critical Incidents Training through Trillium.

Communication staff participated in the 2024 Citizens Academy. Staff shared information on all aspects of 911 and provided a tour of the 911 Center, along with a demonstration of technology used by dispatchers.

FY 2025 Goals And Discussion

The 911 Communications Center will continue to provide professional service in a timely and efficient manner, maintaining or exceeding industry standards for 9-1-1 call processing. Staff will continue to meet all professional standards for training and education.

911 medical calls will continue to be evaluated through an in-house quality assurance program and will also be evaluated through the Emergency Medical Services Peer Review process.

The 911 Communications Center will upgrade computer equipment used for call-taking and data entry to enable staff to provide the best services possible to county residents. Communications will also implement new technology to aid in communication with surrounding Public Safety Answering Points and improve interoperability between other counties in the region.

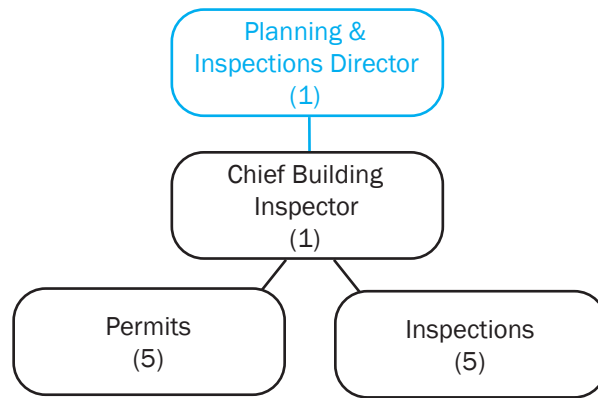

Future Considerations

Emergency call volume continues to steadily increase as the county's year-round population grows. For this reason, an increased need for more 911 telecommunicators is anticipated. The installation of a fifth console position in the 911 Center is expected within the next five years.

The 911 Communications Center will implement a Fire Priority Dispatch System for prioritizing responses to fire incidents. This program will result in faster, more appropriate responses by fire departments throughout the county.

Inspections

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 950,668	\$ 1,023,405	\$ 1,142,512	\$ 1,085,832	
Operating Expenses	75,292	395,120	227,495	227,495	
Capital Outlay	33,488	135,000	40,000	45,000	
	1,059,448	1,553,525	1,410,007	1,358,327	

Mission

To enforce state and local laws, and local ordinances and regulations, relating to: the construction of buildings; the installation of facilities such as plumbing systems, electrical systems, heating systems, refrigeration systems, and air conditioning systems; and the maintenance of buildings in a safe, sanitary, and healthful condition.

Accomplishments In FY 2024

The Permits and Inspections staff processed 2,838 building, fire, and zoning applications. Staff issued 6,955 permits, including building, electrical, plumbing, mechanical, and fire permits. Inspectors performed 12,917 building, fire, and zoning related inspections. Staff issued 440 new residential construction permits and 420 Certificates of Occupancy for single-family dwellings.

Currituck County has four inspectors with Level 3 certification in all trades. There are only approximately 200 inspectors with such credentials in the entire state.

FY 2025 Goals And Discussion

Staff will implement the new Energov permit software. Staff will maintain accurate records and provide excellent customer service to all customers and treat all customers fairly and equally.

The Permits and Inspection staff will receive applications for permits and issue or deny permits in a timely manner. Staff will conduct inspections in a timely, professional manner and properly issue or deny certificates of compliance. Staff will also correctly issue orders to correct violations and will bring judicial actions against actual or threatened violations.

Future Considerations

The department will provide a high level of customer service as new development results in increased numbers of applications, permits, and required inspections. The department will accept applications and issue permits in a timely manner. Inspectors strive to perform inspections on an efficient schedule. However, a continued rise in construction may result in a need to increase the number of staff in the department.

The county's growth also presents a challenge for code enforcement. There are more properties and more potential areas for violations in the county. As a result, the department may receive an increase in the number of code violation complaints and requests for investigations.

The department must also continue to improve its use of technology to increase efficiency and provide better services for citizens. Upgrades to permitting software will be necessary. The staff will also look to incorporate video-based inspections and review.

Fire Services

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 78,411	\$ 233,882	\$ 243,899	\$ 213,556

Notes

See Corolla Fire District for Corolla Volunteer Fire Department.
See Knotts Island Fire District for Knotts Island Fire Services.

Public Safety Center

The Public Safety Center opened in August 2021 and serves as the home for administrative offices of the Sheriff’s Office, Fire-Emergency Medical Services, and Emergency Management. It also houses the 911 Communications Center. Additional agencies with office space here include the North Carolina Forest Service, North Carolina Highway Patrol, and the College of the Albemarle’s Basic Law Enforcement Training program.

The College of the Albemarle also utilizes classrooms and office space to provide post-secondary educational opportunities for county residents.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	-	-	-	\$ 53,734

	154,577	245,176	224,100	277,834	

Medical Examiner

North Carolina has a centralized, state administered medical examiner system for post death investigations. The system includes a network of county medical examiners who are responsible for investigating deaths within their jurisdiction. The county medical examiner must make a full report of investigations to the Chief Medical Examiner and receives a fee for each completed investigation. If the deceased was a county resident, the county must pay the medical examiner's fee.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted

	775,445	1,036,706	1,066,814	1,081,805	

Mission

Currituck County Regional Airport is a general aviation airport which is operated, maintained, and preserved for the benefit of the community and serving as the gateway to the Outer Banks.

Accomplishments In FY 2024

Currituck Regional Airport hosted a total of 24,164 operations during FY 2024. This included 9,766 aircraft landings and 11,620 takeoffs. There were also 1,708 go arounds and 1,070 overflights.

The airport features two runways, Runway 5 and Runway 23. Runway 5 accommodated 5,310 takeoffs and 4,929 landings. Runway 23 had 5,091 takeoffs and 4,576 landings.

Construction began on a new fuel farm and a 10 unit T hanger. Completion of both projects is expected in 2025.

Airport staff partnered with the Cooperative Extension to host a very successful event, “Planes & Plows”, at the airport facility. The event attracted hundreds of visitors to the airport complex and provided attendees with free plane rides, entertainment, and information on airport operations and services.

Staff participated in the 2024 Citizens Academy. The Airport Director informed citizens of services provided at the airport and the role of the airport in the tourism industry.

FY 2025 Goals And Discussion

Progress will continue on the projects to construct a new fuel farm and a new T hangar. These assets will be very beneficial to the airport’s ability to provide services.

Staff will again partner with the Cooperative Extension to host “Planes & Plows” at the airport facility. Staff will also participate in the 2025 Citizens Academy. These outreach efforts will help enhance the airport’s profile in the community and provide important information to the public.

Future Considerations

Currituck Regional Airport maintains a waiting list for hangar units. This list currently includes more than 50 individuals. The construction of additional hangars should be a future consideration.

The airport staff will seek funding opportunities through grants for a runway rehabilitation and strengthening project. This will be necessary due to to the airport’s popularity and the increasing amount of air traffic into and out of the airport.

Inter-County Public Transportation

Currituck County is a member of the Inter-County Public Transportation Authority. The authority, managed by Albemarle Regional Health Services, serves Pasquotank, Perquimans, Camden, Chowan, and Currituck counties. The Authority's intended services are to transport the public to nutrition sites, medical appointments, and other locations to access services or attend activities related to daily living.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Operating Expenses	\$ 21,866	\$ 49,575	\$ 53,642	\$ 56,142	
	21,866	49,575	53,642	56,142	

General Fund:

Environmental Protection

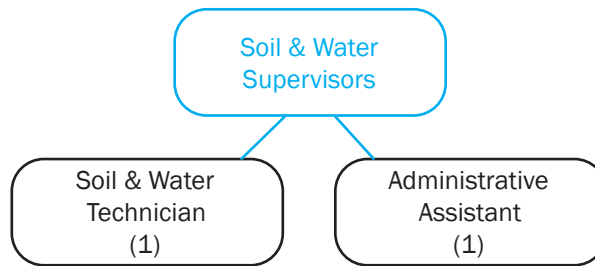

Forestry

The county has a cooperative agreement with the North Carolina Department of Agriculture and Consumer Services, Forest Service Division, for forest protection and management. The county funds 40% of the annual county forestry program.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Operating Expenses	\$ 73,974	\$ 96,664	\$ 100,000	\$ 100,000	
	73,974	96,664	100,000	100,000	

Soil and Water Conservation

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 138,820	\$ 141,744	\$ 137,577	\$ 145,368	
Operating Expenses	18,395	24,147	21,770	21,770	
	157,215	165,891	159,347	167,138	

Mission

To assist agricultural producers and landowners with implementing best management practices for soil and water quality. To create a dynamic partnership between local and state government which is committed to excellent leadership and citizen service for the conservation of natural resources. To place value on community service, diversity, environmental compatibility, voluntary incentive-based participation, and education in conservation as an investment in the future.

Accomplishments In FY 2024

Through the Streamflow Rehabilitation Assistance Program, staff oversaw the clearing of 31,000 linear feet of stormwater ditches in the county. A total of \$293,600 in state funding was used for these projects.

Staff assisted local farmers and property owners in agricultural programs including cover crop, residue and tillage management.

FY 2025 Goals And Discussion

The county anticipates receiving more funding from the state for use by the Streamflow Rehabilitation Assistance Program. With additional funding, the clearing of stormwater drainage ditches will continue.

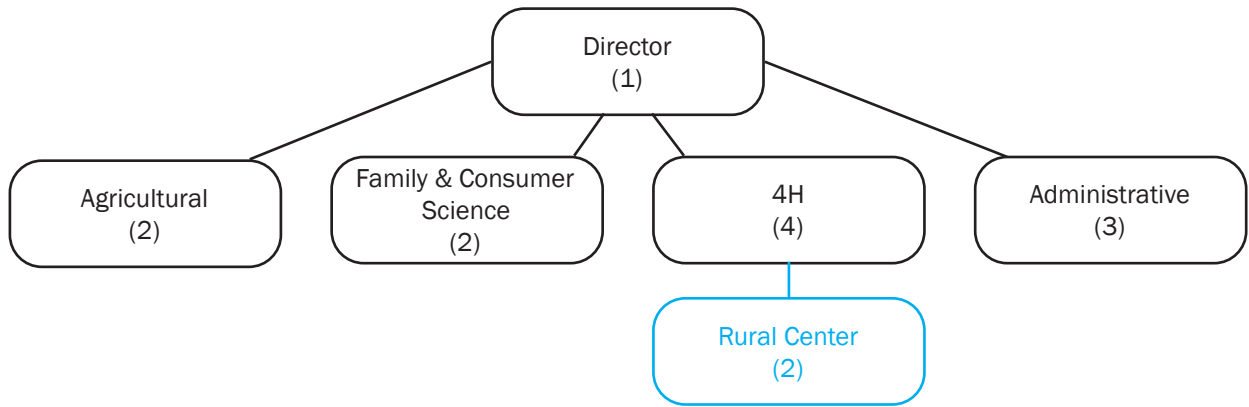

General Fund:

Community Development

Cooperative Extension

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 199,101	\$ 202,379	\$ 207,760	\$ 232,671

Capital Outlay	-	10,729	-	80,000	
	575,820	674,134	322,519	736,136	

Mission

The North Carolina Cooperative Extension in Currituck exists to ensure that everyone has access to non-formal, research-based education that improves agriculture, the environment, human health and wellbeing, youth, and communities.

Goals of NC Cooperative Extension

North Carolina Cooperative Extension maintains goals that are standard for each Extension facility in North Carolina. These include:

- Improve plant production systems
- Enhance consumer horticulture
- Preserve natural resources and improve environmental systems
- Enhance community and guide rural development strategies
- Improve food safety and nutrition practices
- Preserve family financial wellbeing
- Develop competent, coping, contributing members of society through youth development programming.

Accomplishments In FY 2024

The Currituck County Center of NC Cooperative Extension offered 504 educational classes. In addition, 272 one-on-one consultations were provided to farmers, landscapers, and homeowners to help them

solve agricultural or horticultural problems.

Extension volunteers contributed more than 5,500 hours of service time.

In the 4H program, a total of 2,612 youth participated in a wide variety of programs. Currituck 4H participants were very successful in various competitions. 334 youth from Currituck were recognized in 43 state or national level events. One received the highest 4H accolade of induction into the NC 4H Honor Club. Three local youths earned a spot on the national shooting sports team and two represented North Carolina on the National Horse Communications team.

The 2023 Northeast Ag Expo Variety Trials were conducted. The total impact for Currituck County farms was calculated to be \$1,395,403.95.

Senior adults saved more than \$255,000 in medical costs by utilizing Extension's Medicare counseling services.

Through classes offered at Extension, 184 local citizens learned how to utilize health cooking and safe food preservation practices. In addition, Extension received support through a Local Foods Proclamation that was adopted by the Board of Commissioners.

In the Master Gardener program, 21 new volunteers were certified.

Through Extension's weekend backpack program, 122 local students received free food for weekend meals.

Extension staff partnered with the Currituck Regional Airport to host "Planes & Plows". This special event highlighted the county's agricultural and aviation history and attracted hundreds of attendees to the airport facility.

FY 2025 Goals And Discussion

Cooperative Extension will deploy online volunteer training modules for 4H volunteers. This will create a more efficient system for volunteer requirements and help attract more potential volunteers.

The 4H staff will expand youth program opportunities in the county's geographically remote areas, such as Corolla and Knotts Island. 4H will also aim to increase participation in the public speaking program by 10%.

Through a partnership with Currituck County Schools, Extension will look to expand opportunities for classroom teachers to use 4H enrichment curriculum materials.

Agricultural staff will expand the high tunnel educational program series and farm trials. Farm variety trials will be conducted for corn, wheat, and soybean growers.

Extension will provide safe pesticide handling and certification classes for area farmers and landscapers. Certification classes will also be offered in ServSafe Food Safety for local food service professionals.

Staff will expand the availability of Medicare Part D counseling services and educational programs.

Extension will continue to offer community events. These will include the Home, Flower & Garden Show and "Planes & Plows". Extension will also host the Currituck Holiday Tree Lighting and Parade.

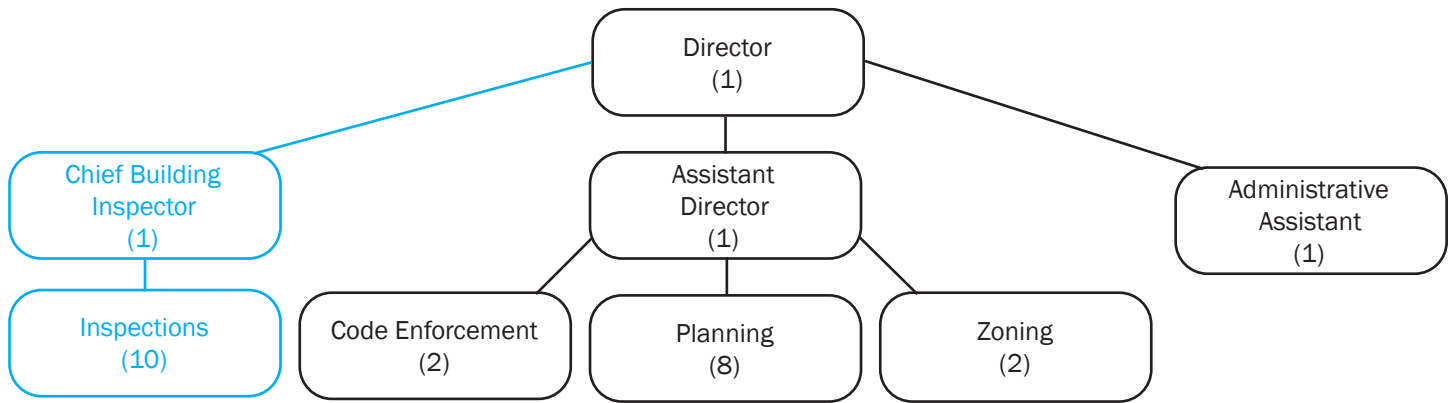

Extension staff will provide facilitation skills training for local business leaders and Currituck County staff. In addition, facilitation services will be provided for community groups.

Future Considerations

Cooperative Extension will continue working to help keep the local agricultural industry successful. This is a significant challenge due to areas of farmland being sold or converted into residential developments.

Staffing will present challenges as competition for quality employees among other agencies is a concern. Staffing part-time temporary positions is becoming more difficult. These positions are critical to the success of the 4H summer programs for children.

The Cooperative Extension building will need repairs and maintenance over the next few years. This aging facility has a high-rate of usage from the public and county staff for programs, meetings, conferences, and events.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 891,659	\$ 1,022,102	\$ 1,201,410	\$ 1,209,181	
Operating Expenses	65,011	168,222	183,945	308,945	
Capital Outlay	-	31,000	40,000	40,000	
	956,670	1,221,324	1,425,355	1,558,126	

Mission

To provide solution-oriented services to the community through the application of professional planning and inspection skills, adopted plans, and standards which facilitate the growth of the local economy and enhance the quality of life and preserve the natural environment for current and future generations.

Accomplishments In FY 2024

The Zoning staff performed 1,323 reviews of site plans. The Technical Review Committee reviewed 67 planning items, including 9 major site plans and 8 final plans. Staff presented 24 planning items to the Board of Commissioners for consideration.

Staff coordinated a dune grass planting and sand fence cost-share program for oceanfront property owners. This program provides grant funding to oceanfront property owners who plant dune vegetation and install sand fences to stabilize and protect the dune line.

Staff retained McAdams, a third-party engineer, to assist with technical review of stormwater plans. McAdams is updating the Stormwater Manual and stormwater regulations in the Unified Development Ordinance.

Staff effectively served and provided information for the Board of Commissioners, Planning Board, Board of Adjustment, and the Historic Preservation Commission.

FY 2025 Goals And Discussion

Staff will work to incorporate technological upgrades that will streamline the Technical Review Committee, Zoning, Minor and Family Subdivision application processes. Staff will update the Unified Development Ordinance for consistency with the newly adopted and certified Imagine Currituck 2040 Vision Plan. Staff will update the Stormwater Manual and stormwater regulations in the Unified Development Ordinance.

The department will seek public input and establish a Small Area Civic Plan for Coinjock and the future Mid-Currituck Bridge area on the mainland. Staff will continue to work with the National Flood Insurance Program to improve the county's Community Rating System rating to better serve our residents.

Staff will continue to promote a dune grass planting and sand fence cost share program for property owners. The department will also coordinate with the Nature Conservancy to work on regional initiatives for environmental projects.

An increased focus will be placed on continuing education and professional certifications for department staff.

General Fund:

Human Services

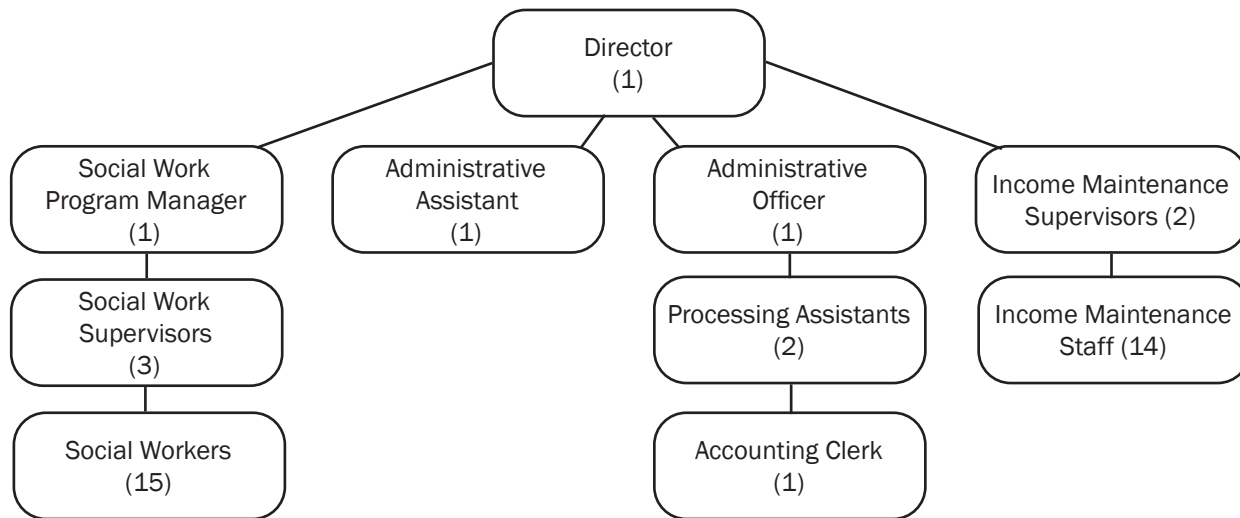

Health Administration

Currituck County is a member of, and served by, Albemarle Regional Health Services that provides public health services to eight counties in Northeastern North Carolina.

Mental health services are provided to Currituck County by Trillium Health Resources, a local government agency that manages serious mental health, substance use, and intellectual/developmental disability services. Currituck County is represented on the Trillium Health Resources board by a member of the Board of Commissioners.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Health	\$ 362,508	\$ 390,000	\$ 394,963	\$ 394,963	
Mental Health	411,520	450,000	-	83,893	
	774,028	840,000	394,963	478,856	

Social Services Administration

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 2,706,657	\$ 3,363,822	\$ 3,912,811	\$ 3,875,982	
Operating Expenses	756,912	900,615	982,184	982,136	
Capital Outlay	5,585	128,000	112,925	118,925	
	3,469,154	4,392,437	5,007,920	4,977,043	

Mission

To provide an array of essential social services to Currituck County citizens that will support self-sufficiency and self-reliance through education and jobs that will endeavor to prevent abuse, neglect, or exploitation of children or the elderly, and will support enhanced self-worth.

Accomplishments In FY 2024

The Social Services staff assisted 520 during Operation Santa Claus in December 2023. This program relies on community donations to provide Christmas presents for county children and food baskets for senior citizens and families.

Social Services received favorable program monitoring results from the North Carolina Department of Health and Human Services in the areas of child welfare, adult services, fiscal, Medicaid, and other public assistance programs.

Five additional positions were added at Social Services to support the increased workload that resulted from the expansion of Medicaid. This led to many more citizens

in Currituck County becoming eligible for assistance and greatly increased the staffing needs at Social Services.

A foster parent recruitment video was produced to assist with publicizing the need for licensed foster homes in Currituck County. Radio advertisements were also used to help recruit potential foster parents.

The Social Services building was improved through the replacement of flooring in the majority of offices and common areas.

FY 2025 Goals And Discussion

Social Services will provide high-quality internship opportunities for social work and human services students. The department will build existing staff capacity to prepare for the expected retirements of key staff within the next one to two years. The recruitment and retention of Social Services employees is very important, as staffing is a challenge throughout North Carolina.

Staff will continue to recruit additional foster parents and advertise the need in the county.

County and Public Assistance

In North Carolina, counties are the prime deliverers of public social services. Like other North Carolina counties, Currituck County is involved in providing a wide range of public assistance programs including Work First, Food and Nutrition Services, Medicaid, Child Care Subsidy, Low-Income Energy Assistance and Foster Care and Adoption Assistance.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted

	441,486	827,451	827,451	833,001	

Juvenile Crime Prevention Control

The North Carolina Division of Juvenile Justice and Delinquency Prevention partners with Juvenile Crime Prevention Councils in each county to reduce and prevent juvenile crime. Juvenile Crime Prevention Council members are appointed by the Board of Commissioners and meet monthly. To qualify for Juvenile Crime Prevention Council funding, the county must match state funding.

	1,156,946	1,528,664	1,341,259	1,287,406	

Mission

To provide diverse, high-quality recreation and leisure opportunities to enhance the lives of Currituck County residents and visitors. To develop and maintain safe and attractive facilities to meet current and future needs of the community.

Accomplishments In FY 2024

The Parks and Recreation youth athletic programs successfully served more than 3,000 children in Currituck County during the 2024 fiscal year. The department also offered adult softball and adult basketball programs to approximately 250 residents.

A new open gym program for pickleball was established and is serving more than 700 people of various ages. A new open gym for volleyball is serving an average of 20-25 people on Friday nights.

Department staff provided essential assistance for several public and private special events held in Currituck County. The department maintained healthy working relationships with other agencies such as

Currituck County Schools, Currituck County Travel & Tourism, Special Olympics of North Carolina, and YMCA of South Hampton Roads.

During fiscal year 2024, the department hosted 30 travel sports tournaments at Currituck Community Park Athletic Complex. These events brought in an estimated 15,000 visitors to Currituck County.

Construction was completed of a custom playground in Corolla. The playground (above) is a one-of-a-kind facility located at Historic Corolla Park.

A project was completed to repair and upgrade the boat ramp at Sound Park. This project also included replacement of finger piers and a waterfront boardwalk.

All full-time department staff and the majority of part-time site staff achieved certifications in First Aid and CPR, including AED training.

FY 2025 Goals And Discussion

In the coming fiscal year, Parks and Recreation will continue to offer athletic programs for Currituck County youth that builds character and teaches the basics of each sport, while placing an emphasis on displaying good sportsmanship.

The department will successfully implement an open gym program to offer basketball to the community. Staff will also work closely with Currituck Schools and Special Olympics of North Carolina to expand our athletic programs and make them more inclusive.

The department will address recreational infrastructure needs of the county, including design of Currituck Community Park Phase III.

Staff will continue the very important process of making repairs and renovations to some of the department's older facilities and complete renovations to restrooms at JP Knapp and Knotts Island Ruritan Park.

Parks and Recreation will support the county's economic base by hosting tournaments for travel sports teams. There are 39 tournaments scheduled for the upcoming season. The department aims to host as many of those scheduled events as possible and to provide the visitors an experience that cannot be matched in the surrounding area. Currituck Community Park is one of the most popular Travel and Tourism destinations on the Currituck Mainland, which is a testament to the quality

of the facility and the excellent service offered to visiting teams, coaches, and families.

Future Considerations

Currituck County's population growth will challenge the department in several ways. As youth athletics participation increases, the county must be able to provide adequate practice and game facilities.

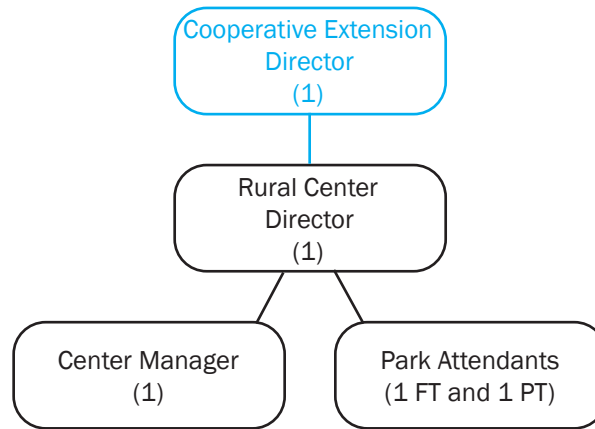

Aside from athletic leagues, population growth will increase the need for additional public park spaces and recreation opportunities. Current parks will also require additional maintenance and equipment upgrades.

Financially, the rising costs of equipment, uniforms, and athletic supplies will impact the department budget.

The staff is challenged to find an adequate number of quality coaches and volunteers from the community. In addition, the recruitment of referees and umpires is a challenge for youth sports.

As the county grows, the department may need to increase staffing levels to properly maintain facilities and coordinate athletic programs.

Currituck County Rural Center

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 167,884	\$ 205,619	\$ 207,926	\$ 221,614	
Operating Expenses	44,336	57,062	59,110	59,638	
Capital Outlay	30,571	14,000	20,000	20,000	
	242,791	276,681	287,036	301,252	

Mission

The Currituck County Rural Center exists for the educational, cultural, and recreational enrichment of the citizens and visitors of Currituck County.

Accomplishments In FY 2024

The Rural Center averaged 755 visitors per month in 2023. This included a monthly average of 37 equestrians utilizing the facility.

Each month, an average of 148 rounds of disc golf were played on the facility's course.

The Rural Center hosted 12 animal events during the previous year.

The most popular months for visitation were October, with 1,365 visits, and November, with 1,745 visits. The months with the lowest attendance were December, with 279, and July, with 378.

FY 2025 Goals And Discussion

The Rural Center will educate the public about how the county's natural resources, geography, and human activity shaped the cultural history of Currituck County. The facility will provide a venue for environmental

education, agricultural education and demonstration, and for 4H youth development programs.

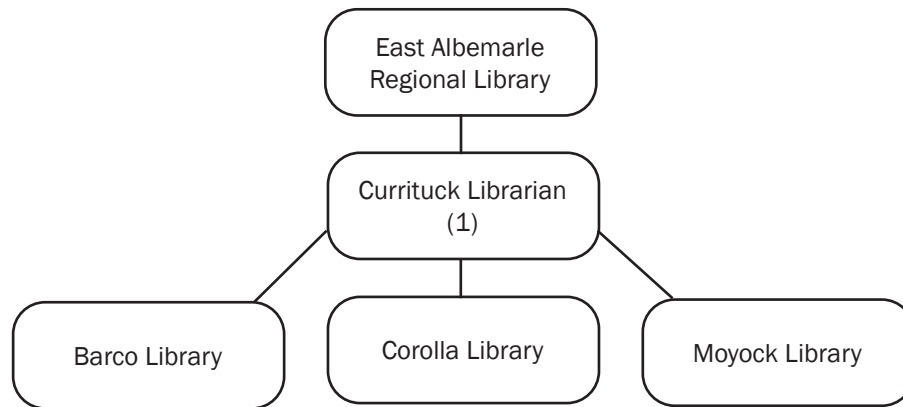

The facility will provide recreational and tourism space to support equine activities and events. The center will also provide additional recreational opportunities for Currituck County residents and visitors.

Future Considerations

Consideration must be given to assessing and facilitating repairs to the Rural Center's aging structures, boardwalk, and shorelines.

Marketing and advertising for the Rural Center's amenities and programs is essential to attract visitors to the facility. This is very important, in part due to the facility's location off of the main 168 corridor.

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 564,041	\$ 652,823	\$ 657,251	\$ 700,001	
Operating Expenses	102,695	124,180	120,185	127,540

	717,109	783,703	834,136	884,241	

Mission

To foster an inclusive environment for all which supports the pursuit of information, education, entertainment, and personal enrichment through the development of collections, provision of services, and the facilitation of community engagement.

Accomplishments In FY 2024

The Currituck Library is a member of the East Albemarle Regional Library with three branch locations to serve the citizens of Currituck County. Combined, these three branches welcomed a total of 46,607 visitors in FY 2024. Among these were 986 new library patrons.

The Currituck Library maintained a total collection of 65,994 materials. This included 24,530 items for adults and 32,500 for children and teens. The number of audio, video, and periodicals was 8,964.

The library offered public computers, which were utilized by citizens 3,798 times. The library's Wi-Fi network was used by guests 5,463 times.

The three branch locations received a total of 13,669 reference questions. Staff also provided assistance

to 88 job searches and 1,559 questions for technical assistance.

The Currituck Library offered 535 public programs, which were attended by 7,308 participants.

Library meeting rooms available to the public were used on 569 occasions by a total of 8,619 attendees.

Through working with other regional libraries, the Currituck Library received 58 inter-library loans for local patrons. The library also loaned out 119 items through the inter-library loan system.

FY 2025 Goals And Discussion

In FY 2025, the Currituck Library will maintain its collection for use by Currituck County residents at all three branch locations. The library will offer a variety of programs for children, teens, and adults.

The library will prepare for the dissolution of the East Albemarle Regional Library. The Currituck Library will become a county department beginning July 1, 2026.

Senior Services

	FY 2023 Actual	FY 2024 Adopted	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted
Salaries and Benefits	\$ 297,604	\$ 304,147	\$ 307,878	\$ 326,058	
Operating Expenses	124,579	138,020	136,812	142,256	
Capital Outlay	-	-	59,500	59,500	
	422,183	442,167	504,190	527,814	

Mission

The Aging and Senior Services Department operates three senior centers that are community focal points on aging. Each center is a unit where senior citizens can meet, receive services, and participate in activities that will affirm their dignity and self-worth. The staff creates opportunities for senior adults to apply their wisdom and insight and exercise their skills. Each senior center plays an integral role as a resource for the community and assists other agencies in serving individual and group services.

Accomplishments In FY 2024

The Aging and Senior Services Department has senior centers in Currituck, Knotts Island, and Powell's Point. Combined, these three facilities received more than 14,200 visits by Currituck County senior citizens in FY 2024.

In the senior nutrition program, a total of 3,772 congregate meals were served at the three sites. The home-delivered meal program served 11,601 meals to approximately 60 homebound senior citizens in the county.

The Senior Services staff offered 24 daily programs at the senior centers. In addition, 287 special programs and events were offered. These included day trips, crafting classes, and educational programs on health and nutrition. Special events included the Sock Hop, Senior Health and Wellness Day, Volunteer Banquet,

Christmas Party, Senior Dinner and Dance, Mother's Day Tea, Father's Day Coffee, Spring Fling, Tripp Harrison concert, and Scam Jam.

Two overnight group trips were taken to Asheville, N.C., and Savannah, Ga.

Eight (8) Title IIIID/Exercise programs were offered. These included the 10-week Bingocize

exercise, 10-week Bingocize exercise/nutrition, 10-week Bingocize exercise/fall prevention, 10-week Bingocize range of motion, Ball Drumming, Gentle Chi Yoga, Chair Exercise, and Walk in the Park programs.

The AARP Free Tax Preparation service aided 275 county residents in filing their tax returns.

Outreach programs included the Farmers Market Nutrition Program, Senior Bell Choir, March for Meals, Elder Abuse Prevention Walk, Operation Fan/Heat Relief, Sewers "Ditty Bags" for Hope House, Currituck County Library, Cooperative Extension Medicare, Nutrition, and Education, Know Your County, and County Highlights.

Donations were collected for Santa for Seniors, Food Baskets for the Elderly, Christmas in July for Hygiene, and Loads of Love Food Drive.

The Albemarle Senior Games included 39 participants from Currituck County. Currituck hosted the pickleball tournament.

A total of 107 volunteers donated 3,075 hours to Senior Center programs.

Senior Services achieved several goals in 2024. Year-round programming was fully reinstated in Corolla in September 2023. Senior Services offered two “open to the public” programs on Dementia and Scam Jam. The department also offered three “intergenerational” programs, including a summer reading program with Moyock Library, Mother’s Day Tea, and Veterans Picnic.

The Senior Bell Choir was reestablished in January 2024. Past performances included those at the Senior Center Christmas Party, CHKD, Currituck House, Central Elementary School, Whalehead, Sentara Nursing Home, and 2024 Citizens Academy.

All staff maintained certifications in CPR, AED, and first aid while completing a minimum of 15 hours of professional development and work-related training. All three senior center sites received a 100% “A” health code rating.

Senior Services has representation on the following: Senior Citizens Advisory Board, Adult Protection Multidisciplinary Team, Regional Advisory Council, Albemarle Senior Games, LIHEAP Outreach Committee, and the Community Risk Reduction committee. Senior Services programs also receive support from other county government departments, various local and state agencies, local businesses, community groups and clubs, and many individual citizens.

FY 2025 Goals And Discussion

Senior Services will include “intergenerational” programming opportunities by partnering with local schools, libraries, and churches. Programs will include specific “open to the public” events, such as fire safety, health, and wellness presentations. Overall, programs will place a significant focus on health, nutrition, and education.

Senior Services will work with fellow departments and local agencies to identify and serve persons in our community who are in need. This will include ways to combat abuse, neglect, nutritional, and transportation needs.

The department will increase utilization of staff’s certifications and abilities interchangeably among the three senior center locations.

The department will utilize community contributors in areas of their expertise to offer more diverse programming. Senior Services will also increase programming opportunities in Corolla.

Future Considerations

As Currituck County’s elderly population continues to increase, the demand for services provided by the Aging and Senior Services Department will also increase. In the future, this may require additional staff members to help provide services.

The department relies on volunteers for some programs, such as the Home Delivered Meals Program. Finding an adequate number of volunteers is a challenge, which is made more difficult by the county’s geography. The distances from Senior Centers to some homebound senior citizens’ homes requires considerable driving distances for volunteers. However, the program has been very successful and staff will work hard to continue this success.

General Fund:

Education

Currituck County Schools

Funding public schools is a state and county government responsibility. Counties are responsible for financing construction and maintenance of school facilities and providing funds for a school system's current expenses.

	FY 2023 Actual	FY 2024 Original	FY 2025 Requested	FY 2025 Proposed	FY 2025 Adopted

Special Revenue Funds

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. The county currently maintains fifteen Special Revenue Funds which are further described in this section. The charts within this section provide revenue sources (e.g., tax revenue and other revenue) and estimated expenditures (e.g., wages and benefits, operating expenditures, capital outlay, and transfers). The number within the gray highlighted row represents the net activity within the fund.

Tourism Development Authority

The Tourism Development Authority is a public authority created under Session Law 2005-95 for the purpose of expending the net proceeds of occupancy tax and to promote travel, tourism and conventions in the county, sponsor tourist-related events and activities in the county , and finance tourist-related capital projects in the county. It is governed by seven members who by statute are those serving as members of the board of commissioners and the county’s designated travel and tourism representative serving as an ex officio nonvoting member. On July 7, 2008, the Tourism Development Authority entered an Interlocal Government Agreement with the county for the county’s management of the authority’s responsibilities.

See pages 170-176 for budget information.

Carova Beach Road Service District

Carova Beach Road Service District is a service district created on September 8, 2009, under Article 16 of Chapter 153A of the General Statutes of North Carolina for the purpose of maintaining streets and, if necessary, the removal of derelict motor vehicles from street rights-of-way in Carova Beach Subdivision. Initially encompassing only street rights-of-way, the district was expanded on May 6, 2019 to include all property within Carova Beach Subdivision. As provided by statute, the county’s board of commissioners serves as the district’s governing board and advised by its appointed advisory board.

Guinea Mill Watershed

Guinea Mill Watershed Improvement District was a service district created on February 21, 2000 under Article 16 of Chapter 153A of the General Statutes of North Carolina. The purpose for the service district was to finance, provide and maintain stormwater infrastructure within a designated area of Moyock Township. The service district was expanded on May 6, 2019 and then included within the Moyock Watershed Service District upon its expansion on June 7, 2021. The Guinea Mill Watershed Improvement District funds are to be used for stormwater improvement projects within the former Guinea Mill Watershed Improvement District boundaries.

Hog Bridge Ditch Watershed

Hog Bridge Ditch Watershed Improvement Service District was established on June 6, 2005 under Article 16 of Chapter 153A of the General Statutes of North Carolina. The purpose for the service district was for water management and watershed improvements to improve the water quality in Hog Bridge Ditch and protect residential and agricultural lands from detrimental flooding along a 4.4-mile canal west of the Shawboro community. The service district area is the same as the Hog Bridge Jury Ditch established in 1916 by order of the Currituck County Superior Court. It is expected that the Hog Bridge Ditch Watershed Improvement Service District will be repealed in FY 2024. The remaining service district funds will be used for stormwater improvement or maintenance projects within the boundaries of the service district until depleted.

Revaluation

North Carolina law requires each county to reappraise all real property in the county for tax assessment purposes at least every eight years. Under Section 153A-150 of the North Carolina General Statutes, counties are required to estimate the cost of real property reappraisal and raise the necessary funds in equal annual installments. The funds are held in a special reappraisal fund and used only for reappraisal of real property.

Mission

To provide efficient, effective, and reliable water utility services in a manner that respects the natural environment of Currituck County.

The Mainland Water System's treatment plant in Maple provides service to approximately 7,000 customers in mainland Currituck from Moyock to Point Harbor. The plant's average daily production is 1.8 million gallons. On-site storage tanks can hold 1.9 million gallons and the plant also maintains five elevated storage tanks throughout the mainland.

Accomplishments In FY 2024

A significant accomplishment achieved this year is the expansion of the reverse osmosis treatment system at the Mainland Water Department Plant on Maple Road. The expansion provides additional capacity of 750,000 gallons per day of treated water. Along with the plant expansion, a deep well was installed on Maple Road to provide a larger supply of raw water to the treatment plant.

Staff continued to test for the presence of PFAS chemicals in the water system.

Staff maintained a Fats, Oils, and Grease public information program to educate the public about the dangers of putting these substances into the utility system pipes.

FY 2025 Goals And Discussion

Progress will continue on the design and construction of a new 16-inch water main pipe from Currituck to Moyock to serve the northern section of the county's mainland. The initial phase includes new pump stations at Sligo and Barco, modifications to the Coinjock and Tulls Creek pump stations, and installation of 6,200 linear feet of 16" raw water main from the Currituck water tank to the Sligo pump station.

Staff will continue to test for the presence of PFAS chemicals and other harmful substances in the treated water supply. The county aims to provide safe, clean drinking water for all customers.

The staff will work to prevent fats, oils, and grease from entering the utility system through the public education program.

Future Considerations

Construction of two additional wells are programmed through FY 2028. Significant water main replacements

are also anticipated in Wedgewood Lakes and Walnut Island through FY 2029.

The rising costs of materials and construction will place financial pressure on the county when expansion projects are scheduled.

Mission

To provide efficient, effective, and reliable water utility services in a manner that respects the natural environment of Currituck County.

The Southern Outer Banks Water System provides service to approximately 3,000 customers in Corolla. The treatment plant has a production capacity of 3 million gallons per day.

prevent these materials from being deposited into the utility system.

The SOBWS will meet the demands of customers during the peak usage months in the summer tourist season and for all permanent residents year round.

Future Considerations

Construction of an additional well site is anticipated in FY 2026. A 500,000 gallon elevated water tank is proposed in FY 2027. Both projects will require significant financial resources.

Accomplishments In FY 2024

The county expanded the Southern Outer Banks Water System's reverse osmosis treatment system this year. This expansion provides an additional capacity of 750,000 gallons per day of treated water for customers in Corolla. Along with the plant expansion, a deep well is under design to provide a larger raw water supply to the treatment plant

Staff continued to test for the presence of PFAS chemicals in the county's water system.

A Fats, Oils, and Grease public information program works to educate the public on the dangers of putting these substances into the utility system pipes.

FY 2025 Goals And Discussion

Construction of the new deep well in Historic Corolla Park is expected to begin in the fall of 2024. The project also includes the construction of a water transmission line from the well site to the existing raw water main along NC Highway 12.

Staff will continue to test treated water for the presence of PFAS chemicals and other harmful substances. The county aims to provide clean, safe drinking water for all customers.

The county will continue to provide the public with information on the Fats, Oils, and Grease program to

Mission

To provide efficient, effective, and reliable wastewater utility services in a manner that respects the natural environment of Currituck County.

The Mainland Sewer System provides service to approximately 600 customers. Three wastewater treatment plants are utilized: Moyock Regional Sewer System; Maple Sewer System; and the Walnut Island/Waterside Villages Sewer System. These three plants combine to treat a capacity of 259,000 gallons per day.

Accomplishments In FY 2024

The county completed sprayfield repairs at the Walnut Island and Waterside Villages Wastewater Treatment Plant.

A temporary mobile plant at the Moyock Regional Wastewater Treatment Plant will be operational during the summer of 2024.

FY 2025 Goals And Discussion

Staff will review proposals and select a design-builder for the design and construction of a 300,000 gallon per day wastewater treatment plant and high-rate infiltration system at the Moyock Regional Wastewater

Treatment Plant. The project will be funded with a direct appropriation received from the N.C. General Assembly.

Future Considerations

The county must continue to invest in its utility infrastructure to meet the demands of the growing residential population. A concern will be that future expansion of this system, when necessary, will be impacted by the rising costs of materials and construction.

Capital Improvement Plan

Introduction

Capital facilities and adequate infrastructure are critical for the county's continuing growth. The FY 2025 - 2029 Capital Improvement Plan (CIP) is a long-term plan that anticipates future needs and supports responsible stewardship of existing facilities and assets.

Capital expense typically involves substantial cost, the acquisition of a tangible asset, and/or takes more than one year to complete. Anything financed by debt is considered capital.

Within operating budgets, purchases greater than \$5,000 are considered capital. Operating budgets may also include funding for projects that can be completed within a designated fiscal year. Long-term capital planning requires county departments to submit capital expenses greater than \$10,000. The acquisition of land is also considered a capital expenditure. If a capital project is to be debt funded, the county adheres to a risk-averse guideline whereby it appropriates the debt funding source for the capital project only after the designated debt funding source is officially secured.

The FY 2025 capital budget represents funded projects. The remaining projects shown in FY 2026 - 2029 represent planned projects. Planned projects are continually vetted and subject to change, or ultimately may not be funded.

Capital Projects Funds

The Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities. The county maintains four funds that qualify as Capital Projects Funds:

- Capital Improvements Fund
- Emergency Equipment Replacement Fund
- School Capital Reserve
- Transfer Tax Capital Reserve.

The Capital Improvements Fund's primary revenue source is the restricted portion of the additional supplemental one-half of one percent local government sales and use tax and the unrestricted portion of the supplemental one-half of one percent local government sales and use tax. This fund is utilized to meet county capital project needs.

The Emergency Equipment Replacement Fund's primary source of revenue is a transfer from the General Fund. This fund is used to accumulate funding for the volunteer fire departments' major equipment needs.

The School Capital Reserve Fund's primary revenue sources are the restricted portion of the additional supplemental one-half of one percent local government sales and use tax and the restricted portion of the supplemental one-half of one percent local government sales and use tax. This fund is utilized to meet school system capital project needs.

The Transfer Tax Capital Fund's primary revenue source is the tax imposed, currently 1%, on all instruments conveying an interest in real property and is to be used for any lawful capital purpose.

Multi-Year Funds

Currituck County maintains ten multi-year funds that are not annually budgeted, which are authorized by project ordinance that run through the life of the project. Project and grant ordinances are utilized to budget for capital projects or federal and state grants that are reasonably expected to exist for more than a single year.

These multi-year projects are accounted for in ten major funds. The County Governmental Facilities Fund accumulates funds for major capital construction for governmental facilities. The School Capital Facilities Fund accumulates funds for school facilities. The remaining funds accumulate funds for construction in the various enterprise funds.

The projects discussed within this section are ongoing or programmed to begin in FY 2025, but are not a comprehensive summary of all multi-year funds.

Capital Budget Process

Departments submit capital budget and plan requests in November. Capital requests describe needs and identify amounts needed to fund each project. The long-term capital improvement program is developed and managed through needs assessment, project prioritization, and cost estimation. Funding requests are discussed among county staff who understand program elements and identify funding and financing alternatives. Final requests are presented to the Board of Commissioners for final approval and inclusion in the Capital Improvement Plan.

Needs Assessment

Current and future capital needs are assessed through comprehensive master planning and critical needs assessments.

Comprehensive needs assessments for non-routine capital projects are often undertaken through a facility master planning and review process. The county land use

plan, small area plans, pedestrian and wayfinding plans, and strategic plan also guide capital improvements. Where appropriate, reference plans are detailed in project descriptions.

The county also engages in long-term planning for routine capital expenditures. For example, hiring consultants to evaluate the condition of historic structures helps anticipate routine capital expenditures for many years into the future. These types of assessments ensure funding is allocated to make needed repairs and replacements within appropriate timeframes.

County departments assess the needs for other capital investments as part of the two-year budget process. For projects not driven by master plans or other long-term plans, departments prepare investment justifications to explain the impact on service delivery.

Project Prioritization

Within the limited funding available for capital projects, the county must annually prioritize potential capital projects. For many capital expenditures, prioritization is an outgrowth of the master planning process. Adjustments are made, as necessary, through technical assessments of long-term needs and timing requirements. In some cases, staff and technical teams revisit master plans to compare the plans' assumptions against current needs for renovations and new facilities. Project timing is also reviewed. The Board of Commissioners provides policy guidance in planning retreats and the budget process.

To determine what expenditures will be funded and when those expenditures should occur, the county evaluates potential capital projects against the following goals:

- Continue obligation to meet life, safety, and basic environmental concerns;
- Pursue operating expense savings;
- Maintain the integrity of existing capital assets;
- Improve county facilities, systems and infrastructure to meet future needs and promote higher service levels;
- Add new facilities based on approved plans; and
- Expand service delivery based on state and federal requirements and board directives.

Cost Estimation

Staff from Public Works, Engineering, Finance, Information Technology Services, Public Utilities and Administration conduct reviews of cost estimates and expenditure forecasts for construction and operating costs.

Funding Capacity Analysis

The Finance Department assesses funding capacity

available in the five-year capital horizon. Funding capacity results from two fundamental strategies used to finance the capital plan: dedicated funding streams and debt. The county incorporates its capital program, as well as the five-year capital program from Currituck County Schools into the analysis for an overall funding strategy within debt and capital policies.

Highlights of the FY 2025 - 2029

Capital Improvement Program

The FY 2025 - 2029 Capital Improvement Program addresses routine and non-routine capital projects including facilities improvements and maintenance, technology improvements, parks and recreation improvements, public safety communication upgrades and new construction of county facilities.

Vehicle Procurement

The Sheriff's Office programmed the replacement of ten (10) patrol units annually. The FY 2025 request totals \$694,950 for the purchase and outfitting of ten vehicles.

Emergency Equipment Replacement

Fire-Emergency Medical Services programmed the replacement of two (2) ambulances at a cost of \$802,500 annually through FY 2029. The annual purchase of one fire apparatus has been programmed each year fiscal year through FY 2028.

Public Safety Communications

One hundred (100) radios will be purchased annually through FY 2029 at a cost of \$600,000 each year.

Fire Equipment Replacement

Fire-Emergency Medical Services programmed \$225,000 annually through FY 2028 for the replacement of self-contained breathing apparatus (SCBA) for county fire and volunteer fire services.

Technology

Approximately \$700,000 is required in FY 2025 in the General Fund for acquisition, upgrading, and modernization of the county's technical infrastructure including desktop and laptop computers and associated accessories.

Facilities Improvement

The facilities improvement plan includes funding for maintenance of existing county facilities and investments in new facilities or renovations as needed to meet service demand. This plan includes funds for lifecycle upgrades at county facilities including re-roofing and building systems projects, repaving projects at county facilities, minor renovations, and improvements identified in facility condition assessments.

Currituck County Public School System

The Currituck County Public School System's Capital Improvement Program is a five-year plan that includes funding for repairs and renovation at existing facilities, life cycle replacement, design and construction of new facilities, education equipment replacement, and technology. Construction of a new elementary school in Moyock is underway. The school system also anticipates an annual request of approximately \$3.6 million dollars for each of the next four years to address repairs and renovation to existing facilities.

Summary by Fund FY 2025

County Governmental Facilities Construction (Multi-Year)

Phase III Whalehead Public Access Dune Walkover Replacements

Design of the Bonito, Marlin, and Sturgeon public access dune walkover replacements was initiated mid-2022. Like Phase II, the walkovers will be constructed of wood and concrete panels, and will feature amenities such as bike racks, benches, and showers. Construction of the Sturgeon and Bonito walkovers will be complete in June 2024. Construction of the Marlin walkover will begin in the fall of 2024.

Sturgeon Walkover Replacement:

FY 2022	\$ 25,767
FY 2023	-
FY 2024	352,930

Bonito Walkover Replacement:

FY 2022	\$ 25,767
FY 2023	-

FY 2024	322,664

Historic Jarvisburg Colored School Siding Restoration

An architectural firm was engaged by staff in February of 2021 to investigate wood rot and exterior paint loss at the Historic Jarvisburg Colored School. The firm concluded that the addition of a moisture barrier and air conditioning during a previous restoration caused condensation in the walls and led to deterioration of the woodwork. The scope of the restoration project includes structural jacking and stabilization, exterior siding and wood trim repair and replacement, interior wood paneling and trim repair and replacement, wood window repair and replacement, installation of interior storm windows, wood door repair, and gutter and downspout installation.

FY 2021	\$ 50,000
FY 2022	-
FY 2023	250,000
FY 2024	26,764

Whalehead Boathouse Roof Repair

Upon recognizing a moisture intrusion, an architect was engaged to examine the boathouse structure and make recommendations for repair and preservation of the boathouse roof. Repairs will consist of the removal of the current wood shingle roof in its entirety and replacement with a new, in-kind roof.

FY 2023	\$ 8,900
FY 2024	200,000

Corolla ABC Store

Design of a new ABC liquor store in Corolla was initiated in 2019. The original construction bid was awarded in February 2019. Work stopped in July 2020 and was delayed until the project was re-bid in November 2022. The Certificate of Occupancy was issued in April 2024 and the store is tentatively scheduled to open in May 2024.

FY 2019	\$ 200,000
FY 2020	2,100,000
FY 2021	-
FY 2022	-
FY 2023	845,000
FY 2024	-

Fuel Farm Replacement

Currituck County owns and operates a fueling facility in Maple. The fuel facility equipment is failing and requires replacement. The scope of work includes the rehab of two existing 12,000-gallon tanks and addition of one 5,000 gallon and one 10,000-gallon tank for gasoline. Construction is ongoing with anticipated completion in the fall of 2024.

FY 2021	\$ 1,000,000
FY 2022	-
FY 2023	-
FY 2024	125,000

Currituck Community Park - Phase III

The county engaged a consultant in FY 2023 to complete design for the permitting of clearing and filling a wooded portion of Currituck Community Park in Barco. The project scope of work was revised in January 2024. The scope includes all design services for the construction of two (2) baseball/softball fields and associated facilities.

FY 2023	\$ 50,000
FY 2024	450,000

Historic Courthouse Restoration

An architectural consulting firm was engaged in September 2022 to evaluate moisture intrusion and potential structural issues in the 1840s and 1898 sections of the historic courthouse. The consultant provided a conditions assessment and remedial plan of action. The assessment recommended several types of remedial work to address water intrusion into the building including replacement of all existing windows, flashing, and interior trim. The consultant is finalizing design for the remedial work.

FY 2024	\$ 1,500,000
---------	--------------

FY 2025 Programmed Projects

Phase IV Whalehead Public Access Dune Walkover Replacement

Continuation of a multi-year project to replace thirteen (13) existing public access dune walkovers within the Whalehead Subdivision in Corolla. Phase IV of the project includes replacement of the Herring, Tuna, and Shad dune walkovers. A consultant has been engaged and design will begin over the summer of 2024.

Phase V Whalehead Public Access Dune Walkover Replacement

Funding will be allocated for the design of improvements for the Southern Beach Access and Albacore public access dune walkover. Phase V is the final phase of the walkover replacement project.

Corolla Greenway - Albacore Street to Dolphin Street

The Board of Commissioners is prioritizing an extension of the Corolla Greenway multi-use path from Albacore Street to Dolphin Street, which includes the commercial areas of Timbuck II and Monterey Plaza. The section will connect to the existing Monterey Shores bike path terminus located behind the Towne Bank building. A consultant has been selected and design will begin in FY 2025.

Plan References: Connecting Corolla, Connect Currituck Pedestrian Plan

Whalehead Dredging and Historic Corolla Park Improvements

The county has sought approval from regulatory agencies to dredge the historic channel into the boat basin at Whalehead in Historic Corolla Park unsuccessfully for many years. Recent efforts led to the engagement of a consultant to assist in obtaining regulatory approvals.

The scope of works includes development of a preferred submerged aquatic vegetation (SAV) enhancement and restoration scenario, evaluation of existing living shoreline/wetland enhancement work, evaluation of an existing culvert crossing at the southern canal and Club Road, and identification of other in-kind (SAV) and out-of-kind mitigation alternatives. vegetation (SAV) resource impacts associated with the future dredging of the Whalehead Club side channel leading to the existing boat basin and boat ramp. The overall project scope will consider the following: channel dredging and associated SAV mitigation, pond remediation, basin dock replacement and construction of kayak launch, rip rap repair, and culvert improvements

Judicial Center Generator

The project includes the purchase installation of a generator and automatic transfer switch at the Currituck County Judicial Center located at 2801 Caratoke Highway in Currituck.

Jail Plumbing

The project includes repairs to the existing plumbing systems at the Currituck County Detention Center located at 407 Maple Road.

Projects Completed in FY 2024

The following projects were completed in FY 2024:

- Bonito Street Sidewalk Replacement
- Corolla Village Road Public Access Handicap Ramp Extension
- Historic Corolla Park Playground
- Sound Park Bulkhead Repair
- Public Works Maintenance Facility

School Construction Fund (Multi-Year)

Tulls Creek Elementary School

The project consists of a new Tulls Creek Elementary School to be constructed on a 36-acre parcel off Tulls Creek Road in Moyock, North Carolina. A groundbreaking ceremony was held on October 27, 2023. The approximately 118,000 square-foot school will have a capacity for 800 students and the core facilities will support a capacity of 920 students. The building will be two stories with 58 total classrooms, including Pre-K, K-5, art, music, computer lab, STREAM and resource rooms. Design began in July 2022 and construction completion is anticipated in October 2025.

Currituck County Schools is also programmed to spend approximately \$3.6 million on facility improvements in FY 2025.

FY 2022	\$ 3,500,000
FY 2023	-
FY 2024	58,000,000

Enterprise Construction Fund (Multi-Year)

Mainland Water System Construction Fund

16-inch Water Main Upgrades and Booster Pump Stations

The project includes hydraulic water modeling and design and construction of six and one-half miles of 16-inch water main along NC Hwy 168 from Sligo to the High Cotton elevated water tank in Moyock. A preliminary engineering report completed in August 2023 identified construction needs for an initial phase of the total project due to escalating costs. The initial phase includes new pump stations at Sligo and Barco, modifications to the Coinjock and Tulls Creek pump stations, and the installation of 6,200 linear feet of 16" raw water main from the Currituck water tank to the Sligo pump station. The project is currently under design.

FY 2022	\$ 750,000
FY 2023	-
FY 2024	-

Reverse Osmosis (RO) Well #4 and Connection to Maple Water Treatment Plant

The project includes design and construction of Reverse Osmosis Well #4, well site improvements (pumping system, well head facilities, etc.), and approximately 1,200 linear feet of raw water transmission main from the well site to a connection with existing piping on Maple Road. The project provides an additional source of water supply. The anticipated date of construction completion is July 2024

FY 2022	\$ 950,000
FY 2023	-
FY 2024	703,886

Maple Water Treatment Plant Expansion

The project consists of design and construction of a 750,000 gallon per day expansion of the Maple Water Treatment Plant. The project is scheduled for completion in mid-2024.

FY 2022	\$ 500,000
FY 2023	3,025,316
FY 2024	-

Southern Outer Banks Water System Construction Fund

New Reverse Osmosis (RO) Well and Connection to Southern Outer Banks Water System

The project includes drilling and testing a full-scale production well (Phase I), then developing the site with a wellhead, pumping system, and electrical systems (Phase II). The project also includes the construction of a water transmission line from the well site to the existing raw water main along NC Highway 12. The production well is scheduled to be drilled and testing over the winter of 2024/2025.

FY 2023	\$ 1,700,000
---------	--------------

Southern Outer Banks Water Treatment Plant Expansion

The project consists of design and construction of a 750,000 gallon per day expansion of the Southern Outer Banks Water Treatment Plant. The project is scheduled for completion in mid-2024.

FY 2022	\$ 500,000
FY 2023	5,269,653
FY 2024	1,000

FY 2025 Programmed Project

- Design of new distribution building at Pine Island.

Mainland Central Sewer Construction Fund

Temporary Mobile Plant

The project authorizes the installation, 36-month lease, and demobilization of a 100,000 gallon per day extended aeration modular wastewater package plant at the Moyock Regional Wastewater Treatment Plant. The plant is scheduled for delivery in May 2024, and installation completion is anticipated in June 2024.

FY 2023	\$ 1,222,784
FY 2024	410,000

Moyock Sewer Expansion 2022

The Board of Commissioners authorized use of the design-build delivery method for the construction of a 300,000 gallon per day (gpd) wastewater treatment plant and high-rate infiltration system in February 2024. Design-builder selection is anticipated in June 2024.

FY 2021	\$ 1,100,000
FY 2022	90,000
FY 2023	-
FY 2024	-

FY 2025 Programmed Projects

- Design of storage building at Maple Commerce WWTP and Moyock Commons WWTP.
- Design of operator building at Waterside Villages.

Tourism Development Authority

Budget Message

May 20, 2024

Honorable Board of Commissioners,

I am pleased to submit the Currituck County Tourism Development Authority's Fiscal Year 2025 Proposed Budget. The budget is prepared in accordance with the North Carolina Local Government and Budget Fiscal Control Act. This budget is a financially sound proposal addressing the important needs in this community and within the county's governing organization. As this budget is transmitted from the authority's budget officer to you, it now becomes your budget as the Tourism Development Authority's governing body to review, debate, modify and adopt.

Overview

The Tourism Development Authority is a public authority created under Session Law 2005-95 for the purpose of expending the net proceeds of occupancy tax and to promote travel, tourism and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county. It is governed by seven members who by statute are those serving as members of the board of commissioners and the county's designated travel and tourism representative serving as an ex officio nonvoting member. On July 7, 2008, the Tourism Development Authority entered an Interlocal Government Agreement with the county for the county's management of the authority's responsibilities. The Tourism Development Authority receives funds from the assessment of occupancy tax on the rental of lodging units within the county. Of the net amount of occupancy tax collected, two-thirds must be used for tourism-related expenses and the remaining one-third for promotion of travel and tourism in the county.

Fiscal Year 2025 Financial Picture and Beyond

Since 2019, the collection of occupancy tax has continued to increase year over year. Although occupancy tax collections in FY 2024 are approximately 3% higher than the same time in FY 2023, there is indication that rental unit numbers are returning to pre-COVID levels. It is therefore important to carefully watch and evaluate estimated occupancy tax revenue, and services reliant on occupancy tax, over FY 2025 and thereafter.

As you are aware, the Tourism Development Authority's use of occupancy tax revenue has been challenged, and the state Court of Appeals ruled in March 2024 that the county cannot use occupancy tax revenue to fund public safety services. Therefore, this proposed budget does not include a transfer of funds to support law enforcement, emergency medical services or fire protection in Corolla.

This recommended budget conservatively estimates occupancy tax revenue in the amount of \$11,792,865. It is recommended that occupancy tax expenditures are allocated as follows:

Tourism Promotion

For the authority's management, operation of the county's Travel and Tourism Department, media, print publications and other promotional activities this proposed budget allocates \$4,718,360. This allocation represents an increase of \$178,624 or 3.93% over the FY 2024 adopted budget.

Tourism-Related Expenditures

For tourism-related expenditures, this proposed budget allocates \$3,928,898 for the following for staff, operation and maintenance for beach access ramps, economic development, beach cleaning services, Carova Park, preservation of the county's historic buildings and properties, Corolla Wild Horse Fund's protection and management of the wild horse herd, and the Whalehead and Maritime Museums and Outer Banks Center for Wildlife Education in Historic Corolla Park.

The proposed budget allocates \$438,355 in capital outlay. Purchases and improvements include:

- \$32,355 for computer replacements

- \$90,000 for Wildlife Education Center audio-visual equipment replacement
- \$50,000 for vehicle replacement
- \$180,000 for Currituck Jack statue
- \$14,000 for Moyock Welcome Center improvements

The proposed budget includes transfers in the amount of \$2,707,252 for the following:

- \$195,000 for administration of the occupancy tax collections.
- \$301,252 for Currituck County Rural Center operations.
- \$60,000 for recreation field maintenance necessary for baseball/softball tournaments.
- \$30,000 for Carova Beach Road Service District maintenance of roads.
- \$60,000 for design of Southern Beach Access and Albacore walkover improvements.
- \$1,200,000 for construction of Herring, Tuna, and Shad walkover replacement projects.
- \$225,000 for Carova Beach Park bulkhead replacement.
- \$500,000 for Whalehead dredging project.
- \$96,000 for Shoreline Stability Study
- \$40,000 for promotional efforts for Currituck County Regional Airport.

I believe this \$11,792,865 proposed budget is responsible to expend occupancy tax revenue.

Now that the budget is yours, we want citizens to have the opportunity to ask questions and provide feedback. Comments can be made to commissioners@currituckcountync.gov The proposed budget will also be posted on the county's website at www.currituckcountync.gov and a hard copy will be located at the office of the Clerk to the Board in the Historic Courthouse.

On June 3, 2024 a budget work session will be held prior to your regular meeting. A public hearing on the budget will be held at your regular meeting on June 17, 2024 at 6:00 p.m. at the Historic Currituck Courthouse. You may adopt the budget anytime following the public hearing but before July 1, 2024.

In closing, I thank county staff for their diligent and dedicated work. I also thank the budget team: Finance Director Sandra Hill, Assistant Finance Director Caron Crouse, Human Resources Director Melissa Futrell, and Public Information Officer Randall Edwards.

Thank you for your attention, deliberation, and consideration of this proposed budget.

Rebecca L. Gay
Interim County Manager

Budget Ordinance

CURRITUCK COUNTY TOURISM DEVELOPMENT AUTHORITY BUDGET ORDINANCE For the Year Ending June 30, 2025

BE IT ORDAINED by the Currituck County Tourism Development Authority, County of Currituck, North Carolina that the following estimated resources, appropriations, and memoranda are adopted for the fiscal year commencing July 1, 2024 and ending June 30, 2025.

SECTION 1. OCCUPANCY TAX - PROMOTION

A.	Estimated Resources:		
	Other taxes and licenses	\$	11,366,865
	Sales and services		124,000
	Miscellaneous		52,000
	Investment Earnings		200,000
	Transfer In		50,000
	TOTAL ESTIMATED RESOURCES		<u>11,792,865</u>
B.	Appropriations:		
	Tourism Promotion		4,718,360
	General Tourism Expenditures		2,451,273
	Whalehead Museums		1,477,625
	Capital Outlay		438,355
	Transfers out		<u>2,707,252</u>
	TOTAL APPROPRIATIONS	\$	<u>11,792,865</u>

The information above is presented in summary form. Complete detailed information is available in the county budget.

SECTION 2. SPECIAL APPROPRIATIONS AND RESTRICTIONS

The Budget Officer is hereby authorized to transfer appropriations within the funds as contained herein under the following conditions.

A. They may transfer amounts within the same department within the same fund up to ten thousand dollars (\$10,000) providing an official report on such transfers at a regular meeting of the Board of Commissioners on a quarterly basis.

B. They may transfer amounts between departments within the same fund up to one thousand dollars (\$1,000) providing an official report on such transfers at the next regular meeting of the Board of Commissioners.

C. They may appropriate fund balance to salaries and benefits in order to increase salaries of employees who have met requirements to increase certifications required by the county providing an office report on such transfers at the next regular meeting of the Board of Commissioners.

D. They may make interfund loans for a period of not more than sixty days (60).

E. They may not transfer any amounts between funds or from any contingency line items within any funds.

SECTION 3. CONTRACTUAL OBLIGATIONS

The County Manager and the Assistant County Manager are hereby authorized to execute contractual documents under the following conditions:

A. They may execute contracts for construction or repair projects which do not require formal competitive bid procedures.

B. They may award contracts, reject bids, re-advertise for bids, waive bid bonds or bid deposit requirements, and waive performance and payment bond requirements for all formal bids of apparatus, supplies, materials and equipment as stated in G. S. 143-129.

C. They may execute contracts for (1) purchases of apparatus, supplies, and materials, or equipment which are within the budgeted departmental appropriations; (2) leases of personal property for a duration of one year or less and within budgeted departmental appropriations; and (3) services which are within budgeted departmental appropriations.

D. They may execute grant agreements to and from public and nonprofit organizations which are within budgeted appropriations, unless a grantor organization requires execution by the Board of Commissioners.

E. They may execute contracts, as the lessor or lessee of real property, which are of a duration of one year or less which are within the budgeted departmental appropriations.

SECTION 4. MEMORANDA

A. Officers:

Rebecca L. Gay is the Interim County Manager and Budget Officer
Leeann Walton is the Clerk to the Board
Samantha Evans is the Deputy Clerk to the Board
Sandra L. Hill is the Finance Director
Caron Crouse is the Assistant Finance Director/Deputy Finance Director
Olivia Luks, Deputy Finance Director
Tracy L. Sample is the Tax Collector
Michelle Rose is the Deputy Tax Collector

B. Facsimile Signatures:

The use of facsimile signature machines, signature stamps, or similar devices in signing checks and drafts is hereby authorized; however, off-line checks and pre-audit certification requires in the minimum of one original authorizing signature. The Finance Director is hereby charged with the custody of all facsimile stamps, plates or other devices.

C. Official Depositories:

The official depositories of the County of Currituck are:
Bank of America, North Carolina
Truist, North Carolina
North Carolina Cash Management Trust, Charlotte, North Carolina
North Carolina Investment Pool, Charlotte, North Carolina
Towne Bank of Currituck, North Carolina
U S Bank, North Carolina
Wells Fargo, North Carolina

D. Bank for Imprest Expenditure Accounts for Health Benefits:
Citibank, N.A.

E. Daily deposits are required by all departments on the last business day of the month and when the amount of money held on hand sums to five hundred dollars (\$500).

F. Returned Check or Electronic Funds Transfer Fees:

The county will assess a returned check charge consistent with G.S. §25-3-512 on all checks or electronic funds transfers returned to the county due to insufficient or unavailable funds, except for the payment of taxes. The returned check fee will be \$35.00 per item returned. This fee will also be charged for ACH or credit card transactions that are not paid due to insufficient funds.

G. Policy on Appropriations:

The Board of County Commissioners will not consider supplemental appropriations for any

service, function, purpose or activity that could have been reasonably considered during the budget process.

SECTION 5. USE OF BUDGET ORDINANCE

The Budget Officer and the Finance Director shall use this budget ordinance for administration of the budget and for the accounting system.

Mission

To promote Currituck County to attract guests for the purpose of visitation spending, which strengthens to local economy through local and state sales tax. This enhances the quality of life for county residents and encourages growth of tourism-related businesses.

award for Community Engagement for its “Report to the Community on the Visitor Economy” and accompanying videos. Also, NC Coast Host awarded the Tourism Impact Award for the Northern Region to the Currituck Visitors Centers, including the Moyock Welcome Center and the Corolla Visitor Center.

Accomplishments In FY 2024

The department won two highly-coveted tourism awards this year. The North Carolina Travel Industry Association awarded the department the platinum

The Tourism Department contracted with Chandlerthinks for a rebranding project. Currituck County has three very distinct destinations that offer very different visitor experiences in Corolla and Carova, Mainland, and

Knotts Island. Chandler thinks will present its findings this year and the department will roll out its new brand in summer or fall of 2024.

The county surpassed previous amounts of occupancy tax funds collected and enjoyed a profitable season for Whalehead tours, weddings, Under the Oaks Arts Festival and Cork & Craft. The Bulls & BBQ event sold out its November 2023 rodeo. The department's email marketing list and Facebook page increased in subscribers. Also, the department distributed event grant funding totaling \$97,000 to six local businesses and organizations in support of their events, which attracted visitation and spending to the county.

The Tourism Department launched its Make It Your Nature campaign to increase environmental awareness among our visitors and residents. This program is geared towards children, but also engages parents.

Staff assumed operations of the Outer Banks Center for Wildlife Education and hired a general manager for this facility.

The Historic Jarvisburg Colored School and Historic Corolla Park were featured in several television spotlights. Current historical restoration projects are still ongoing with the boathouse in Historic Corolla Park and the Historic Jarvisburg Colored School. These are expected to be completed in 2024.

The department applied for a grant from the Z. Smith Reynolds Foundation Inclusive Public Art program to erect a statue to honor enslaved sailor and Revolutionary War hero, John Jasper White, known as Currituck Jack. While Currituck did not receive the grant, four community meetings helped bring attention outside of Currituck County to this historic figure.

Tourism also conducted four community meetings regarding the Historic Jail to determine a vision for the interpretation of this facility when it is opened to the public.

FY 2025 Goals And Discussion

Goals for marketing Currituck County include out-of-market advertising to attract visitors. Marketing sources will include digital marketing, TV, radio, print, social media, streaming audio, email, billboards, and more. This is focused on attracting new visitors, as well as encouraging repeat visitation from previous visitors.

In-market advertising opportunities will target visitors after they arrive on the Corolla Outer Banks. This will

showcase attractions, shopping and dining, and outdoor adventure opportunities in Currituck. This strategy will also target visitors in other Outer Banks locations to entice them to visit the county. These day trips will result in increased sales tax collections and help convince these visitors to stay in Corolla on their next trip.

The county will grow occupancy tax and sales tax revenues through promotional efforts that continue to position the county as a remote, upscale, family friendly destination.

Staff will continue to improve the email database, social media reach, website content, video assets, and other promotional materials. A new website will be developed following the rebranding.

Staff will enhance communication with local business and travel industry partners and provide continued added value to these partners through our visitor centers, printed materials, and website.

The Make It Your Nature programming will educate visitors and residents on environmentally friendly practices.

Staff will coordinate with the Currituck NC 250th Semi Quincentennial task force to bring programming to Currituck County in 2026. This may include a reenactment of Betsy Dowdy's ride that would include the counties of Currituck, Camden, Pasquotank and Perquimans.

Future Considerations

Currituck County should continue to support the local tourism industry due to the many financial benefits it produces for the county government, residents, and county property owners.

Ocean Sands Water and Sewer District

Budget Message

May 20, 2024

Honorable Board of Commissioners,

I am pleased to submit Ocean Sands Water and Sewer District's Fiscal Year 2025 Proposed Budget. The budget is prepared in accordance with the North Carolina Local Government and Budget Fiscal Control Act. This budget is a financially sound proposal addressing the important needs in the district and within the district and county governing organizations. As this budget is transmitted from the district's budget officer to you, it now becomes your budget as the Ocean Sands Water and Sewer District governing body to review, debate, modify and adopt.

Overview

Ocean Sands Water and Sewer District is a water and sewer district created under Article 6 of Chapter 162A of the General Statutes of North Carolina to facilitate the financing, construction and management of water and sewer facilities in most of Ocean Sands planned unit development on the county's Outer Banks. The impetus for the district's creation was a settlement agreement between the Ocean Sands' developer, Coastland Corporation, and the county which reduced developmental density and obligated the county to establish a district which would provide water and sewer to the development to the extent possible. The district was created by the Board of Commissioners on July 6, 1987.

The Ocean Sands Water and Sewer District operates a wastewater collection system and treatment plant and provides water within the district's boundary after district and county water is treated and blended at the county's Southern Outer Banks water treatment plant.

The district's revenue for operations and capital expenditures are derived from ad valorem tax assessed on real and personal property within the district and utility rates.

Fiscal Year 2025 Financial Picture and Beyond

A water and sewer district is an entity that serves a small geographical area of the county and provides a greater level of service than other areas of the county receive. Ocean Sands Water and Sewer District is expected to pay for its operational and capital needs through financial resources from ad valorem taxes within the district and rates charged for utility services.

The current base rate for wastewater collection and treatment is well below the rate required to sustain the wastewater collection and treatment system. Last year, you adopted a budget in which the base sewer rate was increased from \$7.95 to \$13.00. This proposed budget includes a base sewer rate increase from \$13.00 to \$20.00. It is estimated that the base rate will need to be increased over a period of fiscal years so that revenue matches expenses.

This proposed budget conservatively estimates, with allocation of \$534,166 in appropriated retained earnings, revenues in the amount of \$2,978,313. It is recommended that expenditures are allocated as follows:

- For administration in the amount of \$359,574.
- For water treatment operations the amount of \$784,581.
- For sewer treatment operations in the amount of \$818,095.
- For debt service payment in the amount of \$601,063.

This proposed budget also includes the allocation of funds for capital outlay totaling \$415,000 for the following purposes:

- \$15,000 for hydrants.

- \$30,000 for major water system repairs.
- \$20,000 for infiltration and inflow repairs.
- \$20,000 for spare PLC parts.
- \$60,000 for spare pumps.
- \$50,000 for sewer emergency repairs.
- \$70,000 for lift station rehabilitation.
- \$30,000 for new operator truck.
- \$120,000 for tractor for spray field.

I believe this \$2,978,313 proposed budget is responsible and prudently raises additional revenue to properly meet the district's financial needs.

Now that the budget is yours, we want citizens to have the opportunity to ask questions and provide feedback. Comments can be made to commissioners@currituckcountync.gov. The proposed budget will also be posted on the county's website at www.currituckcountync.gov and a hard copy will be located at the office of the Clerk to the Board in the Historic Courthouse.

On June 3, 2024 a budget work session will be held prior to your regular meeting. A public hearing on the budget will be held at your regular meeting on June 17, 2024 at 6:00 p.m. at the Historic Currituck Courthouse. You may adopt the budget anytime following the public hearing but before July 1, 2024.

In closing, I thank county staff for their diligent and dedicated work. I also thank the budget team: Finance Director Sandra Hill, Assistant Finance Director Caron Crouse, Human Resources Director Melissa Futrell, and Public Information Officer Randall Edwards.

Thank you for your attention, deliberation, and consideration of this proposed budget.

Rebecca L. Gay
Interim County Manager

Budget Ordinance

CURRITUCK COUNTY OCEAN SANDS WATER & SEWER DISTRICT BUDGET ORDINANCE Annual Budget for FY 2025

BE IT ORDAINED by the Currituck County Ocean Sands Water and Sewer District, County of Currituck, North Carolina that the following estimated resources, appropriations, and memoranda are adopted for the fiscal year commencing July 1, 2024 and ending June 30, 2025.

SECTION 1. OCEAN SANDS WATER & SEWER OPERATING FUND

A. Estimated Resources:

District Taxes	\$	645,597
Charges for Services - Water		717,550
Charges for Services - Sewer		976,000
Other non-operating revenues		-
Investment earnings		90,000
Transfers from other funds		315,000
Retained earnings appropriated		234,166
TOTAL ESTIMATED RESOURCES		<u>2,978,313</u>

B. Appropriations:

Water operations		784,581
Sewer operations		818,095
Operations - Administration		359,574
Debt - sewer		601,063
Capital outlay - water		45,000
Capital outlay - sewer		370,000
TOTAL APPROPRIATIONS	\$	<u>2,978,313</u>

The information above is presented in summary form. Complete detailed information is available in the County budget.

SECTION 2. SPECIAL APPROPRIATIONS AND RESTRICTIONS

The Budget Officer is hereby authorized to transfer appropriations within the funds as contained herein under the following conditions.

A. They may transfer amounts within the same department within the same fund up to ten thousand dollars (\$10,000) providing an official report on such transfers at a regular meeting of the Board of Commissioners on a quarterly basis.

B. They may transfer amounts between departments within the same fund up to one thousand dollars (\$1,000) providing an official report on such transfers at the next regular meeting of the Board of Commissioners.

C. They may appropriate fund balance to salaries and benefits in order to increase salaries of employees who have met requirements to increase certifications required by the County providing an office report on such transfers at the next regular meeting of the Board of Commissioners.

D. They may make interfund loans for a period of not more than sixty days (60).

E. They may not transfer any amounts between funds or from any contingency line items within any funds.

SECTION 3. CONTRACTUAL OBLIGATIONS

The County Manager and the Assistant County Manager are hereby authorized to execute contractual documents under the following conditions:

- A. They may execute contracts for construction or repair projects which do not require formal competitive bid procedures.
- B. They may award contracts, reject bids, re-advertise for bids, waive bid bonds or bid deposit requirements, and waive performance and payment bond requirements for all formal bids of apparatus, supplies, materials and equipment as stated in G. S. 143-129.
- C. They may execute contracts for (1) purchases of apparatus, supplies, and materials, or equipment which are within the budgeted departmental appropriations; (2) leases of personal property for a duration of one year or less and within budgeted departmental appropriations; and (3) services which are within budgeted departmental appropriations.
- D. They may execute grant agreements to and from public and nonprofit organizations which are within budgeted appropriations, unless a grantor organization requires execution by the Board of Commissioners.
- E. They may execute contracts, as the lessor or lessee of real property, which are of a duration of one year or less which are within the budgeted departmental appropriations.

SECTION 4. MEMORANDA

A. Officers:

Rebecca L. Gay is the Interim County Manager and Budget Officer
Leeann Walton is the Clerk to the Board
Samantha Evans is the Deputy Clerk to the Board
Sandra L. Hill is the Finance Director
Caron Crouse is the Assistant Finance Director
Olivia Luks is the Deputy Finance Director
Tracy L. Sample is the Tax Collector
Michelle Rose is the Deputy Tax Collector

B. Facsimile Signatures:

The use of facsimile signature machines, signature stamps, or similar devices in signing checks and drafts is hereby authorized; however, off-line checks and pre-audit certification require the minimum of one original authorizing signature. The Finance Director is hereby charged with the custody of all facsimile stamps, plates or other devices.

C. Official Depositories:

The official depositories of the County of Currituck are:
Bank of America, North Carolina
Truist, North Carolina

Mission

To provide efficient, effective, and reliable water and wastewater utility services in a manner that respects the natural environment of Currituck County.

The Ocean Sands Water and Sewer System serves the Ocean Sands properties in Corolla. The fund serves approximately 1,000 water and sewer customers.

Accomplishments In FY 2024

Staff replaced a chlorine analyzer, green sand media, and an Ocean Sands EQ pump. A rehab of shallow wells in Corolla was completed along with the cleaning of sewer collection lines.

Staff continued to test for the presence of PFAS chemicals in the county’s water system.

FY 2025 Goals And Discussion

Staff will continue to test for the presence of PFAS chemicals and other dangerous substances in the treated water supply. The county aims to provide safe, clean drinking water for all customers.

Future Considerations

Future expansion may be necessary and maintenance must be sustained to provide an adequate utility system in Ocean Sands. Future needs will be impacted by the rising costs of materials and construction.

SECTION 2 - PAYMENTS TO BOARDS

Payments made to board members (except the Board of Commissioners and Board of Elections) are considered fees for the payment of all expenses incurred while serving in a voluntary capacity unless additional compensation is provided for in the enacting ordinance.

SECTION 3 - NEW APPOINTMENTS

Compensation

The County Manager is authorized without further approval to enroll new personnel at a grade level not to exceed that of step 3; however, no new position may be established or salaries increased without the approval of the County Board of Commissioners.

Minimum Wage

Notwithstanding the above, the County Manager may raise the salary of any employee to the Federal minimum wage level without further approval from the County Board of Commissioners.

SECTION 4 - PART-TIME AND TEMPORARY EMPLOYEE BENEFITS

County employee benefits, including but not limited to vacation leave, holiday leave, sick leave, retirement, 401k, and health insurance, shall not be provided for part-time and temporary employees unless otherwise provided for by the Board of Commissioners.
