

# RECYCLING IN CURRITUCK COUNTY

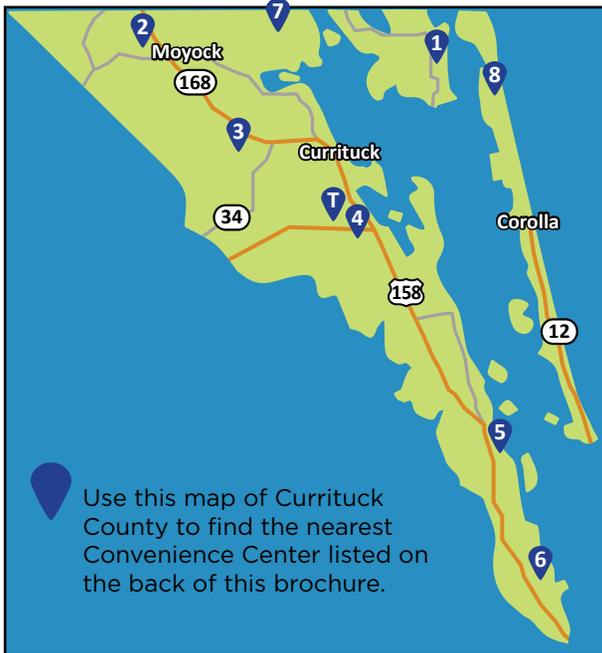

Designed for residents of Currituck County, this easy reference guide on the county's waste and recycling services tells how to properly prepare your recyclables and dispose of other special wastes.

The county operates eight staffed convenience drop-off centers listed on the back of this brochure. These convenience centers are for **residential waste and recycling only**. County residents **MUST** have a solid waste permit decal displayed on their vehicle's windshield when utilizing one of the centers. All commercial and business waste generators must contract with a private waste hauler or take waste directly to the Transfer Station.

## COROLLA CURBSIDE SERVICE:

Currituck County provides Corolla residents one recycling container per house through Bay Disposal, Inc. Recycling is picked up twice a week on trash collection day. Contact the Currituck County Public Works Department for more information.

For more information, visit:  
<https://co.currituck.nc.us/public-works/>

Use this map of Currituck County to find the nearest Convenience Center listed on the back of this brochure.
