Step 1: Pre-application Conference

The purpose of a pre-application conference is to provide an opportunity for the applicant to determine the submittal requirements and the procedures and standards applicable to an anticipated text amendment application. A pre-application conference is also intended to provide an opportunity for county staff to become familiar with, and offer the applicant preliminary comments about, the scope, features, and impacts of the proposed text amendment, as it relates to the standards in the Unified Development Ordinance (UDO).

The applicant shall submit a written description of the nature and purpose of the text amendment to the Planning and Inspection Department during the pre-application conference.

Step 2: Application Submittal and Acceptance

The applicant must submit a complete application packet on or before the application submittal deadline date which is usually the fourth Thursday of each month. If submitting on the submittal deadline date, please call 252-232-3055 to schedule an appointment. Applications may be initiated by the Board of Commissioners, the Planning Boards, the Director, the TRC, or any other interested party. A complete application packet consists of the following:

Submitted on a USB flash drive or a compact disc (CD):

- Completed Currituck County Text Amendment Application.

Applicable Fee:

- \$300

Upon receiving an application, staff shall determine whether the application is complete or incomplete. A complete application contains all the information and materials listed above and is in sufficient detail to evaluate and determine whether it complies with appropriate review standards. If an application is determined to be incomplete, the applicant may correct the deficiencies and resubmit the application for completeness determination. Incomplete applications will not be processed.

Step 3: Staff Review and Action

After accepting the text amendment application, staff shall review, prepare a written report, and provide a recommendation on the application. The recommendation may include a second option that will include text to address conflicts with the existing ordinance or adopted plans.

Step 4: Advisory Body Review and Recommendation

After the staff prepares a staff report and provides a recommendation on the application, staff shall schedule the application for a public meeting with the Planning Board. At the public meeting, the Planning Board shall consider the application, relevant support materials, staff report, and any public comments. It shall then recommend approval, approval of a modified version, or denial, and clearly state factors considered in making the recommendation. The Planning Board shall provide a recommendation on an application it reviews within two months from the date of its initial meeting to consider the application.

Step 5: Public Hearing Scheduling and Public Notification

After the Planning Board provides a recommendation on the application, staff shall ensure that the public hearing on it is scheduled for a regularly scheduled Board of Commissioners meeting, or a meeting specially called for by the Board of Commissioners. The required public hearing with the Board of Commissioners shall be scheduled so there is sufficient time for a staff report to be prepared and for the public notification requirements to be satisfied under state law.

The application shall meet the following public notification requirements:

- **Published Notice**
Staff shall publish a notice of the hearing once a week for two successive calendar weeks in a newspaper having general circulation in the county. The first-time notice is published, it shall not be less than 10 days nor more than 25 days before the date fixed for the hearing.

Step 6: Public Hearing Procedures, and Decision-Making Body Review and Decision

The applicant must attend the public hearing. During the public hearing, the Director will present the staff report with the review body findings and recommendation to the Board. The applicant will then have the opportunity to present any information they deem appropriate. The public may be permitted to speak in accordance with the Board of Commissioners rules of procedure, or at their discretion, as appropriate, in support of or in opposition to the application. The applicant and Director may respond to any comments, documents, or materials presented.

The Board of Commissioners shall make one of the following decisions on the application:

- Adoption of the text amendment as proposed;
- Adoption of a revised text amendment;
- Denial of the text amendment; or
- Remand of the text amendment application back to the Planning Board for further consideration.

A text amendment is a matter committed to the legislative discretion of the Board of Commissioners and is not controlled by any one factor. In determining whether to adopt or deny a conditional rezoning, the Board of Commissioners may weigh the relevance of and consider whether and the extent to which the application:

- Is consistent with the goals, objectives, and policies of the Land Use Plan, other applicable county-adopted plans, and the purposes of the UDO;
- Is in conflict with any provision of the UDO, or the County Code of Ordinances;
- Is required by changed conditions;
- Addresses a demonstrated community need;
- Is compatible with the purpose and intent of the zoning district in the UDO, or would improve compatibility among uses and ensure efficient development within the county;
- Would result in a logical and orderly development pattern; and
- Would result in significant adverse impacts on the natural environment including, but not limited to, water, air, noise, stormwater management, wildlife, vegetation, wetlands, and the natural functioning of the environment;
