

Q1 What is your residency status?

Answered: 578 Skipped: 4

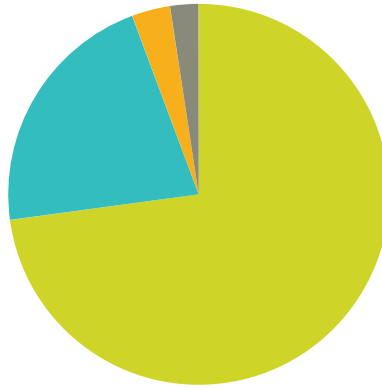

■ Less than three months of the year
 ■ I live in the county full-time
 ■ Approximately 1/2 the year

Answer Choices	Responses	
Less than three months of the year	62.63%	362
I live in the county full-time	21.45%	124
Approximately 1/2 the year	15.92%	92
Total		578

Q2 What is your ownership status?

Answered: 582 Skipped: 0

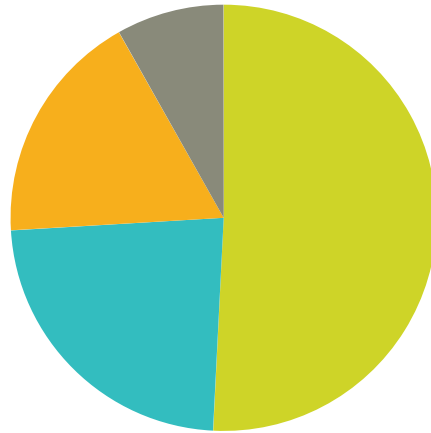

■ I own property, but don't claim residency
 ■ I own property and claim residency
■ Rent: Short-term visitor
 ■ Rent: Resident

Answer Choices	Responses
I own property, but don't claim residency	72.85% 424
I own property and claim residency	21.48% 125
Rent: Short-term visitor	3.26% 19
Rent: Resident	2.41% 14
Total	582

Q3 How long have you lived in Currituck County?

Answered: 563 Skipped: 19

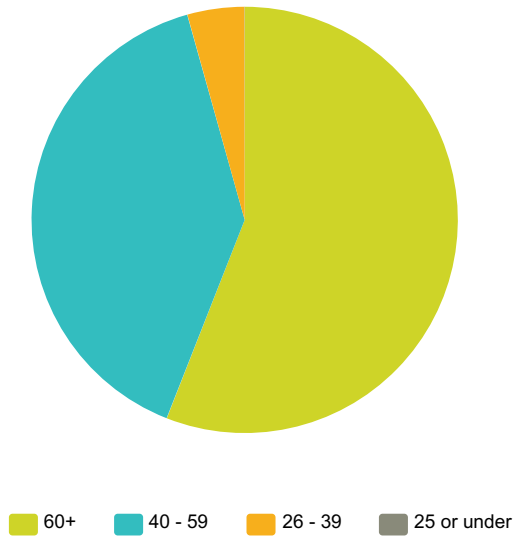

■ 6-20 years
 ■ 1-5 years
 ■ More than 20 years
 ■ Less than one year

Answer Choices	Responses	
6-20 years	50.80%	286
1-5 years	23.27%	131
More than 20 years	17.76%	100
Less than one year	8.17%	46
Total		563

Q4 What is your age range?

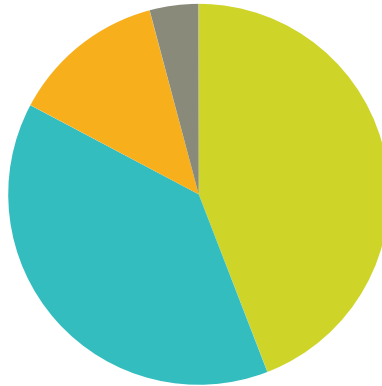

Answered: 577 Skipped: 5

Answer Choices	Responses	
60+	55.98%	323
40 - 59	39.69%	229
26 - 39	4.33%	25
25 or under	0.00%	0
Total		577

Q5 If you work, where do you work?

Answered: 580 Skipped: 2

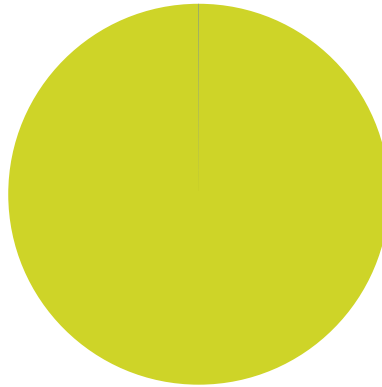

■ Outside of the state
 ■ N/A
 ■ In Currituck County
 ■ Outside of Currituck, but in NC

Answer Choices	Responses	
Outside of the state	44.14%	256
N/A	38.62%	224
In Currituck County	13.10%	76
Outside of Currituck, but in NC	4.14%	24
Total		580

Q6 Within which community in Currituck County do you reside?

Answered: 582 Skipped: 0

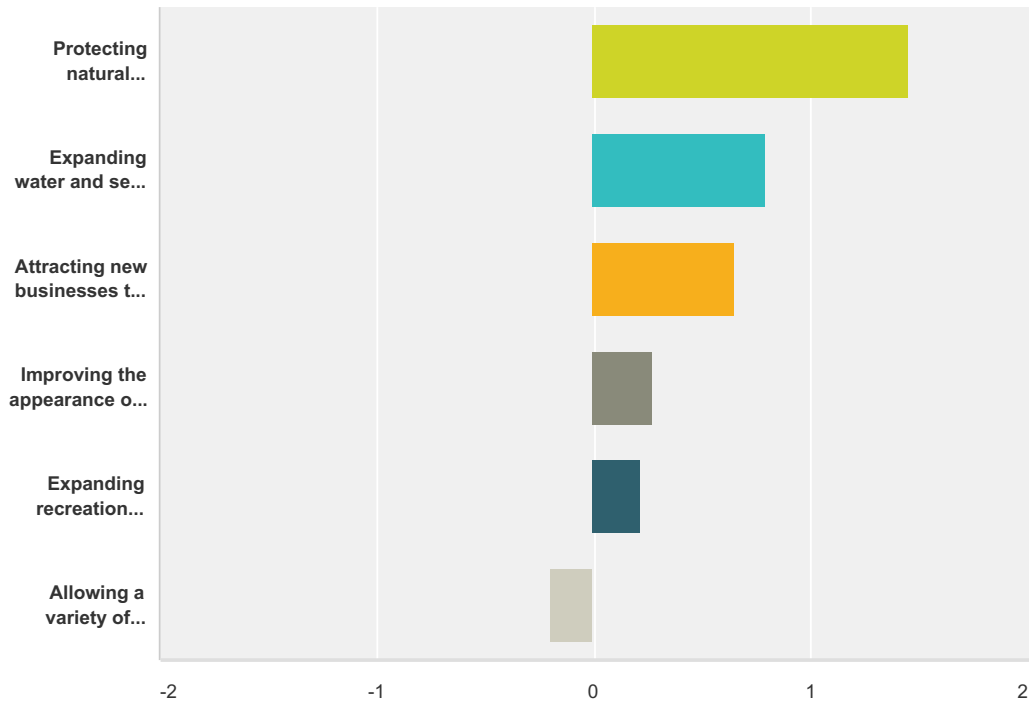

- Corolla
- Lower Currituck
- Northern Mainland
- Knott's Island & Gibb's Woods
- Off-Road area

Answer Choices	Responses	
Corolla	100.00%	582
Lower Currituck	0.00%	0
Northern Mainland	0.00%	0
Knott's Island & Gibb's Woods	0.00%	0
Off-Road area	0.00%	0
Total		582

Q7 Currituck County's permanent population is projected to increase from 25,000 to 42,000 by 2045. The seasonal population is projected to increase by more than 30,000 during the same time period. Considering the projected growth, what should be the priorities for county government?

Answered: 561 Skipped: 21

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Protecting natural resources from development	1.80% 10	7.18% 40	29.80% 166	61.22% 341	557	1.45
Expanding water and sewer utilities to new areas or unserved areas	5.05% 28	22.74% 126	42.60% 236	29.60% 164	554	0.79
Attracting new businesses that provide local jobs	3.81% 21	24.50% 135	54.26% 299	17.42% 96	551	0.65
Improving the appearance of buildings	7.10% 39	38.80% 213	42.81% 235	11.29% 62	549	0.27
Expanding recreation opportunities	5.48% 30	42.41% 232	40.95% 224	11.15% 61	547	0.21
Allowing a variety of housing types	5.97% 33	60.58% 335	26.22% 145	7.23% 40	553	-0.20

#	Other/Comments	Date
---	----------------	------

1	I believe the beach is the recreation. Don't become Myrtle Beach north.	11/23/2016 11:09 AM
2	We had the type of recreation we wanted and now it is being destroyed by the continued development to allow more homes and large event homes	11/21/2016 3:34 AM
3	Improve transportation across the county particularly during the summer months.	11/16/2016 9:51 PM
4	I am opposed to the development of the 4X4 beach. I do not want roads,businesses, restaurants or hotels to damage the beach area and the natural habitat of the wild horses.	11/14/2016 11:19 AM
5	Drainage issues from recent flooding	11/13/2016 9:14 PM
6	I did not put protecting natural resources at a high priority because I want to see the proposed bridge built from the Currituck mainland to Corolla. I asume I cannot say to protect natural resources in other cases.	11/12/2016 4:31 PM
7	Factoring in development impacts to drainage and flooding before issuing building permits. Put the responsibility on the builders/developers to provide pre- and post-development hydrographs to ensure no net increase in runoff from developed property. Will that require the builder to use various BMPs to prevent storm runoff? Yes. But that cost should be on the builder and property owner developing the property--not by the neighboring property owners who have no recourse to increased flooding related to the new developments.	11/12/2016 12:08 AM
8	Bridge access is most important	11/11/2016 4:47 PM
9	The beaches are what people come for, the Outer Banks are known for its family friendly atmosphere, not like a carnival in other states. Many of our visitors come from New Jersey which have their own different type of beach towns.	11/11/2016 4:12 PM
10	I think developing new businesses that are in keeping with the character of Corolla is important. Also making sure that new and old buildings are also in keeping with the character and history of the area.	11/11/2016 12:37 PM
11	Please look at expanding sidewalk areas and better bike paths, as there are patches that are not available and creates dangerous scenarios. Plus you should ban the rentals of those scooters and cars that go 30 miles an hour. Everyone tries to pass them and it's going to lead to deaths.	11/11/2016 9:04 AM
12	build a bridge to Corolla from the mainland	11/11/2016 8:43 AM
13	limit size of houses ie; large event houses	11/11/2016 8:08 AM
14	A large part of the charm of Corolla is its natural resources and that it is not overly developed.	11/10/2016 10:43 PM
15	Improve highway infrastructure	11/10/2016 10:31 PM
16	There's currently too much development in this area for the infrastructure.	11/10/2016 10:28 PM
17	Maintain the natural environment by preventing overdevelopment in Corolla.	11/10/2016 9:22 PM
18	I am in favor of the Mid Currituck Bridge	11/10/2016 9:08 PM
19	Limiting access to Northern portion of OBX by denying construction of North Access Bridge. Dealing with flood conditions in specific neighborhoods during storm conditions; specifically in Ocean Sands Development	11/10/2016 8:37 PM
20	The horses and Corova area need to be protected from development	11/10/2016 8:34 PM
21	limit the size of homes and no pools 4 or 5 bedrooms	11/10/2016 8:20 PM
22	A great deal of the attractiveness of THE OBX in Corolla is the undeveloped beauty . Please do not ruin it.	11/10/2016 8:16 PM
23	Top priority: Ensuring access to superior education for all our students	11/10/2016 7:49 PM
24	Solutions to the CURRENT FLOODING around Ocean Sands and vicinity should be a HIGH PRIORITY !	11/10/2016 7:19 PM
25	Local business used to thrive from our summer visitors, but now we get people on food stamps who can't afford food let alone do any shopping. How can that happen? When the bridge is built it will be easier for the locals to go to VA to shop, but I doubt retailers can expect much from those that come here to visit.	10/27/2016 10:05 PM
26	Id like to see the county work to improve access to/from Corolla by widening roads and building the mid-currituck bridge	10/10/2016 2:46 PM
27	We live in Pine Island, and this summer there were several sewer back up issues that caused sewage water to back up into Pine Island homes. That's a HUGE issue that needs to be fixed in terms of infrastructure improvements before any expanded vision can be thought about. Get the basics right and you'll keep attracting homeowners. We unfortunately were one of the homes that had a back up into our home on July 4th night. It cost us several thousand dollars.	9/26/2016 8:21 PM
28	Must have that bridge!	9/16/2016 4:38 PM

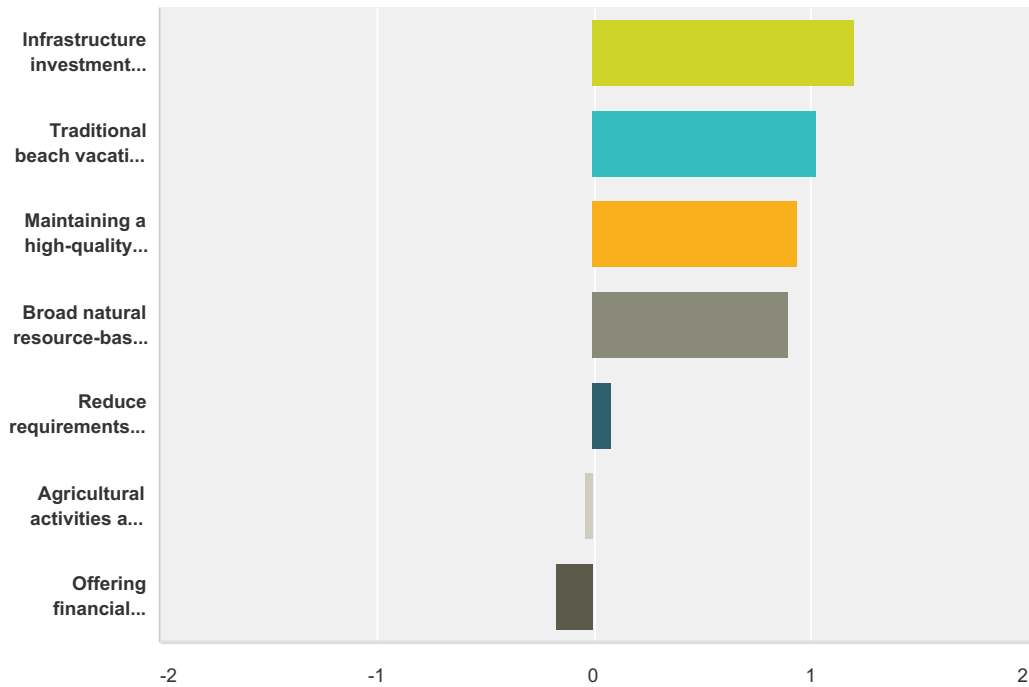

29	Amphitheater in Heritage Park would be nice.	9/15/2016 12:40 PM
30	Building proper infrastructure	9/11/2016 9:18 PM
31	Variety of housing types should not include these huge houses that have so many bedrooms they should be considered hotels.	9/4/2016 3:14 PM
32	biggest priority should be protecting current structures from destruction. This would be from beach nourishment program which is essential and currently lacking	8/28/2016 5:39 PM
33	How do you fairly represent owners who use their property for personal purposes vs. those that use it as an investment vehicle (as a rental)? Those that use their property for rental purposes, and their renters, place a much higher burden on the infrastructure and services...at the expense of those that choose not to rent their property	8/24/2016 5:29 PM
34	No clue what improving appearance of buildings is or how the state or county could help with this. What is important and not mentioned is getting qualified construction workers to come back to the outer banks so we have good people to maintain the thousands of rental properties. They all left for Texas years ago Appropriate ads in national publications explaining the opportunities would help. Along with this tackling develop ways to combat the terrible drug and alcohol problems that exist would be important. By the way this one line space for extra comments is almost unworkable. You can't review what you have written and if you make typos it is almost impossible to correct. I almost gave up on doing this survey. I despise this format. I is used by folks that really do not want to hear detailed information. (.	8/24/2016 9:44 AM
35	Local jobs should not be solely dependent on summer recreational or sales activities.	8/23/2016 2:53 PM
36	Also fixing existing water and sewer utilities - high priority	8/23/2016 10:19 AM
37	Maintenance of the beauty we have is far more important than growing.	8/23/2016 10:03 AM
38	build the bridge to provide another route off the outer banks for emergencies	8/23/2016 6:54 AM
39	Currituck county needs the Mid-Currituck Bridge to alleviate congestion in the near future	8/22/2016 4:31 PM
40	sea turtles back on Pine Island and outer banks. excellent! there is a balance between protecting natural resources and development initiatives but they can work very well together. a possibility to consider with Dare County is initiating the largest migratory fowl sanctuary area between the new proposed currituck bridge and the wright memorial....then get the currituck and dare schools together with water grass plantings, crab breeding, oyster farming. the Army Corps site in Duck is large enough to encompass a campus for the University of North Carolina for WIND and WAVE research...could be solar as well....with a soundside research station on the oysters/crabs etc. So much opportunity if your energies are directed and you have a positive outlook on development opportunities. status quo may not be a prudent course.	8/22/2016 4:15 PM
41	It will grow faster. The efforts recently are about to turn Currituck mainland into chesapeake 2.0.	8/17/2016 9:52 AM
42	development is here to stay	8/7/2016 2:45 PM
43	County consider all development as an opportunity to expand job creation and tax base while using the additional tax base to enhance the lives of its residentirety and visitors.	8/7/2016 1:49 PM
44	Transportation must be improved to support Outer Banks tourism and to prevent this tourism from adversely impacting permanent residents.	8/3/2016 7:36 PM
45	Protect the wild horses..	7/17/2016 5:58 PM
46	above mostly regarding OBX	7/16/2016 9:59 AM
47	Regarding the question on how long we have lived in the County, we were unsure how to answer that question. We have owned our house for 20+ years but do not live in the County, We also do not rent our house. regarding question on expanding water and sewer, areas which currently have not got sufficient service should receive priority in getting these services. Areas which have no current need and are undeveloped should be at the very bottom of receiving it. Water and sewer problems are already a problem on the outer banks.	7/10/2016 8:41 PM
48	If there is a rating for high priority, there should be a rating for LOW priority	7/10/2016 12:48 PM
49	The natural resources Currituck has to offer are like no other; we must protect them as a first priority.	7/9/2016 1:11 PM
50	Need more beach access parking with restrooms in Corolla	7/6/2016 1:52 PM
51	Corolla is what Corolla is. People reside here for what Corolla is. Seasonal visitors come here on vacation because Corolla is what Corolla is. There is no reason to change it, small improvements are fine. No one gets something for nothing. You can't have the best of both worlds. For every "Improvement", there is a loss of something else. What does Corolla want to sacrifice?	6/28/2016 4:45 AM
52	Providing schools and paid firefighters	6/27/2016 4:47 PM

53	providing affordable housing for people who work here. I don't make enough to live here.	6/27/2016 1:58 PM
54	I do not understand what is meant by "allowing a variety of housing types."	6/27/2016 12:55 PM
55	Corolla long term plan should be to form a real nautical and pretty town center (like duck)	6/26/2016 3:18 PM
56	Bridge	6/26/2016 9:25 AM
57	PLEASE: NO MORE MEGA HOUSES AT THE BEACH! Our infrastructure is already taxed to the limit and building these monstrous, 6+ bedroom houses should no longer be permitted because it makes this problem worse. Thus must stop or you will turn the Northern Beaches into a crowded and even more undesirable vacation area version of the Jersey Shore. HEAVEN FORBID!!	6/25/2016 5:48 PM
58	Traffic	6/24/2016 8:14 PM
59	sustainable, reasonable growth is a priority while keeping the identity of OBX intact.	6/24/2016 8:35 AM
60	There should only be development for full time legal Currituck County residents.	6/23/2016 10:55 PM
61	Transportation...HIGH priority	6/23/2016 9:03 PM
62	The plan needs to set conditions for Corolla and Carova to remain an enjoyable place for year round residents; a place where wildlife and natural resources are protected. To meet the the increase of 30,000 seasonal guests the infrastructure of Corolla and Carova must be improved and sustained by Currituck County. Specifically, greater number of Sheriff Deputies and a paid Fire and Rescue with modernized vehicles and equipment.	6/23/2016 3:36 PM
63	Build the Mid Currituck Bridge!	6/23/2016 3:15 PM
64	We need more activities such as recreation fields in the Corolla and Duck area. Also there needs to be some higher density and more affordable housing for the workforce to serve the tourists.	6/23/2016 9:14 AM
65	Stop delaying the second bridge. It would have helped 25 or 30 years ago!	6/23/2016 8:11 AM
66	build a northern bridge for safety for hurricane evac and to ease traffic issues	6/23/2016 6:35 AM
67	Strengthen the local communities rather than becoming a tourist trap.	6/21/2016 6:07 PM
68	Controlling growth so that it occurs in a responsible fashion (ie: make the developers pay for the roads and other infrastructure improvements before allowing any more development. Limit the amount of development so as to avoid reaching a tipping point with tourism.	6/21/2016 2:52 PM
69	Restrict off road access	6/21/2016 7:48 AM
70	Put more restrictions in with regard to size and number of new homes.	6/20/2016 3:40 PM
71	Growth will happen no matter what therefore it is prudent to control and manage that growth to protect natural resources and recreation opportunities, pinpointing areas that can be developed without infringing on a fore mentioned priorities.	6/20/2016 3:04 PM
72	Maintain vigil as to no business enterprise on the beach. Work on better traffic patterns.	6/20/2016 2:40 PM
73	Traffic congestion on route 12, needs to be addressed--HIGH PRIORITY.	6/20/2016 2:31 PM
74	rethinking how a community can combine tourism with sustainability	6/20/2016 9:56 AM
75	Recreation oportunities are not an issue, what is the beach for anyway? Protect it and begin permitting 4 wheel access.	6/20/2016 9:50 AM
76	Take a trip to Nantucket, planners, and see what GREAT zoning looks like. The beach is being ruined by commercial development that has no architectural covenants.	6/20/2016 9:45 AM
77	Limit new building size compactly to 7 bedrooms	6/19/2016 9:26 PM
78	allow driving on the 4x4 beach by permit only	6/19/2016 7:17 PM
79	Please DO NOT let Corolla become a mini-Nags Head. IF we wanted that kind of development, we would have bought there	6/19/2016 6:29 PM
80	control flooding	6/19/2016 4:43 PM
81	Corolla bridge project need to be built/completed	6/19/2016 2:52 PM
82	build the mid-currituck bridge	6/19/2016 2:40 PM
83	No Mid Curritck Bridge!!!!	6/19/2016 12:57 PM
84	Putting rules into place to limit concrete. Keeping houses at current size. New occupancy limits.	6/19/2016 11:58 AM

85	No further development in off-road area. No paved road and no commercial operations in off road area! The Carova Park is an ideal example of wise recreational development	6/19/2016 11:31 AM
86	stop the over development	6/19/2016 11:21 AM
87	Business development should be a priority on the mainland.	6/19/2016 11:12 AM
88	Stormwater control	6/19/2016 10:51 AM
89	Build the Bridge!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!	6/19/2016 8:42 AM
90	Another priority would be expanding public parking areas with public rest room facilities. Also expand the current bike/pedestrian path the entire length of the Outer Banks (i.e. from Southern Shores to Corova).	6/19/2016 8:36 AM
91	Drainage should be a high priority.	6/19/2016 8:23 AM
92	bridge, bridge, bridge!	6/19/2016 8:05 AM
93	The thing that makes this area attractive is the natural enviroment. Increasing development will negate that attractiveness and turn it into the Jersey Shore. Limiting development must be a priority	6/19/2016 8:00 AM
94	Giving the Mid County bridge 100% support	6/18/2016 2:48 PM
95	Limit large houses, limit development, corolla is currently maxed out. The beach can not handle more people	6/18/2016 10:23 AM
96	Water resources are limited and need protection.	6/17/2016 8:12 PM
97	It's very key that the beaches be nourished and protected and that the Corolla infrastructure be maintained and improved as travel & tourism drive the County's economy, pay for its government and services and travel & tourism is the biggest economic driver for the entire State.	6/17/2016 2:36 PM
98	smaller housing on same size lots will not strain existing or expanding utilities as much as do these large rentals(5 beds and larger). i know, more rentals less property taxes but more and larger houses use too much sewerage, water, electric AND natural resources.	6/16/2016 3:08 PM

Q8 What should be the priorities for county government regarding economic development?

Answered: 550 Skipped: 32

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Infrastructure investment (water, sewer, broadband, etc.)	2.22% 12	8.32% 45	50.28% 272	39.19% 212	541	1.20
Traditional beach vacation tourism	1.30% 7	16.67% 90	45.19% 244	36.85% 199	540	1.02
Maintaining a high-quality of life to attract new business investment	3.14% 17	17.93% 97	46.03% 249	32.90% 178	541	0.94
Broad natural resource-based tourism (hunting, fishing, paddling, hiking, biking, etc.)	1.11% 6	17.19% 93	55.82% 302	25.88% 140	541	0.90
Reduce requirements/regulation necessary for starting/expanding a business	9.65% 52	47.12% 254	31.54% 170	11.69% 63	539	0.08
Agricultural activities and agricultural-based tourism	10.37% 56	50.00% 270	33.70% 182	5.93% 32	540	-0.04
Offering financial incentives for major industries/businesses such as construction ready sites, tax discounts, lower utility rates, etc.	8.70% 47	57.59% 311	26.67% 144	7.04% 38	540	-0.17

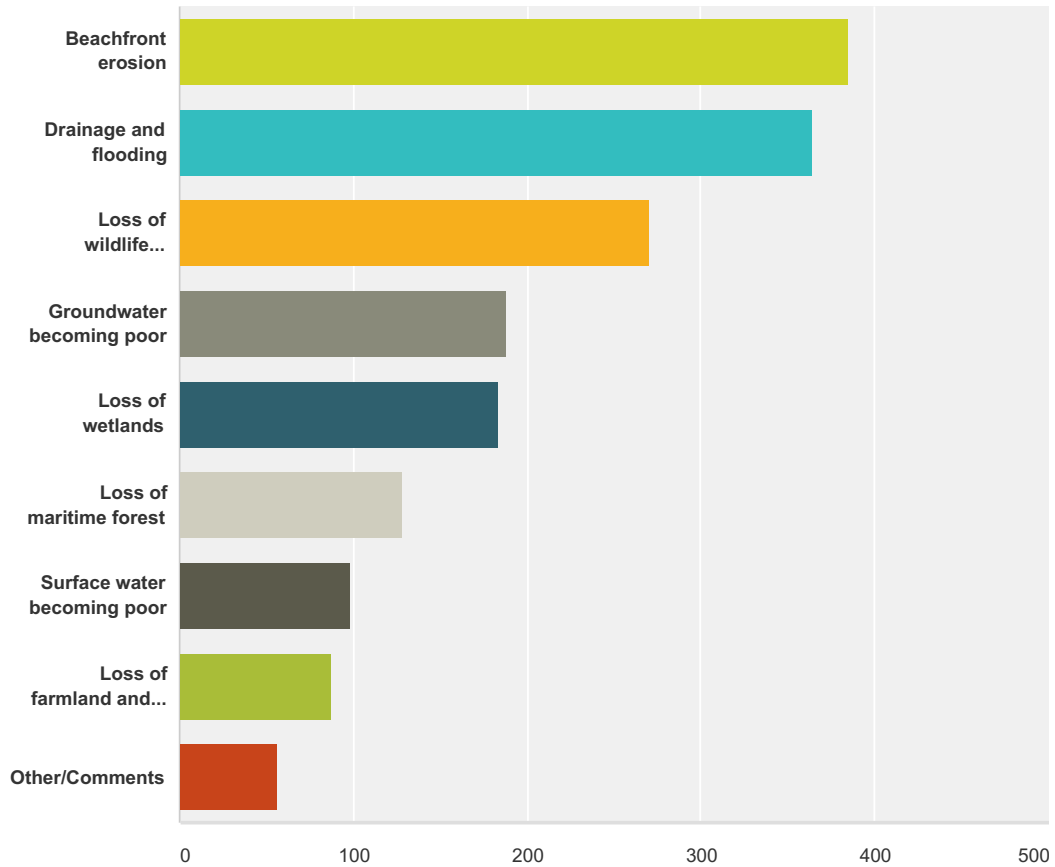

#	Other/Comments	Date
1	Why do we need to offer incentives to major industries? Why don't we focus on the small businesses we already have and offer them incentives. How many more Super Wings does one town need? If we are going to focus on natural resource-based tourism, ie., hunting, might need to consider the amount of people in the area while shooting a gun.	11/21/2016 3:42 AM
2	Be careful with tax incentives. Many companies jump from incentive to incentive.	11/12/2016 5:25 PM

3	You have two areas here. On mainland, the priority should be better schools through school choice, charters, private, parochial--anything to increase competition. Put the funding on the student and not on the school district. Let the parents decide where their children attend school but let them also retain the responsibility for transportation if selecting schools outside their areas. The schools on the other hand should see each student as individuals coming in with a sack for school funding--whatever the average cost of teaching a student should come to whatever school the child/parents select to attend. Those schools which refuse to compete and improve should rightly see attendance--and corresponding funding--drop until they choose to compete or lay off staff and ultimately shut their doors. On the Outer Banks the situation is different and the major problem is poor building codes leading to increased flooding. The quality of the area does not go up by letting builders and developers do whatever they want which is largely what is going on now. Make them responsible for any offsite impacts their proposed developments will have and the problem of trying to regulate and restrict harmful building practices will likely become self regulating.	11/12/2016 12:18 AM
4	Again, as long as the new businesses are in keeping with the character of the area.	11/11/2016 12:38 PM
5	the last thing we need to do is relax requirements for starting and expanding businesses. Why do we have two Wings stores across the street from each other????	11/11/2016 9:05 AM
6	I am very disappointed that the county does not seem to have any desire to preserve Green Space and instead wants to build on every inch	11/10/2016 11:36 PM
7	maintain a high quality of life, not wanting to attract new business or development	11/10/2016 9:58 PM
8	Overdevelopment in Corolla is going to result in diminishing tax revenue from property rentals as the tourists find that the uncrowded natural beauty of the beach that drew them in the first place is becoming no different then the beaches they live closer to.	11/10/2016 9:28 PM
9	I feel like the beach homeowners pay the bulk of the taxes and don't get much in return.	11/10/2016 7:55 PM
10	Long time visitors to the Outer Banks are vacationing elsewhere because we are becoming too much like Myrtle Beach.....over crowded.	10/27/2016 10:08 PM
11	Refer to the sewer infrastructure issue in Pine Island that I referenced in last question.	9/26/2016 8:22 PM
12	Got to have that bridge!	9/16/2016 4:39 PM
13	Internet access & wireless phone service needs improvement. Charter is overpriced, unreliable & needs competition.	9/15/2016 12:44 PM
14	Keep development out of the 4X4 area. Ensure development fits with the aesthetics of the area. A proposal to build a storage unit near the south Currituck beach access does not comply. We need an overflow parking area more.	9/4/2016 3:18 PM
15	limit development and preserve and protect our natural resources in this beautiful area. passive use which does not impinge on wildlife, ocean and beaches	9/2/2016 7:48 PM
16	none of this will work if our beaches are worthless- clearly we need a beach nourishment program like other forward thinking communities have done- e.g. Duck but look at what SC has done- e.g. Hilton Head	8/28/2016 5:41 PM
17	A Major Concern is the crowding at the north end of Pine Island, John Deer Gators, umbrella concessions, crowded parking at small lot. We advertise for uncrowded beaches to attract renters and it is being destroyed leaving us with the option of selling and getting out before the real estate values drop further. So far the county and Currituck Club have given a deaf ear to these concerns, even to the point of the county not enforcing its own ordinances!!!!	8/28/2016 5:09 PM
18	It's not about growth. It's about quality of living.	8/24/2016 5:31 PM
19	We need to maintain a high quality of life to attract workers to service existing businesses, we do not need new businesses. We also need to broaden natural resource tourism except hunting. folks can go so far away on the mainland	8/24/2016 9:49 AM
20	The quiet, high-quality beaches draw people from the honky-tonk Ocean city (MD & NJ) beaches. You risk replicating that model and know that you don't have to do this.	8/23/2016 2:56 PM
21	We do not need to grow, we just need to make better what beauty we already have.	8/23/2016 10:04 AM
22	hunting/fishing...well, i'm a duck hunter but so was Audubon. Ducks Unlimited is a conservation group. I'd still love to see sanctuary status between the bridges and an effort to build the sound to encourage migratory fowl layovers safely in Currituck county. Aquaculture should be EMBRACED with incentives for new startup ventures in the sound.	8/22/2016 4:21 PM
23	These comments relate to mainland.	8/13/2016 8:04 AM
24	Currituck can offer all of the above with thoughtful and balanced planning	8/7/2016 1:53 PM
25	Regarding incentives this should be limited to the mainland.	7/10/2016 8:46 PM
26	Corolla should be more nature inspired to attract those who want a more low key vacation, not noisy attractions.	7/10/2016 12:51 PM

27	What makes Currituck unique will be vanquished with further development; let's not make Currituck live every other place.	7/9/2016 1:14 PM
28	Currituck County is not Dare County, nor should it be. Especially the Corolla and Northern Beaches area.	6/28/2016 4:48 AM
29	The Corolla Outer Banks don't need more businesses	6/27/2016 4:48 PM
30	Providing protection for the wild horse herds and people who would harm them, educate the public on laws and enforce them	6/27/2016 2:03 PM
31	Bridge	6/26/2016 9:26 AM
32	DEAL WITH THE DAMNED WEEKEND TRAFFIC ON ROUTE 12 TO THE NORTHERN BEACHES!!! If Cuurtiuck County doesn't fix the intolerable weekend traffic situation that occurs every in season weekend, there won't be anything else to worry about because the vacation tourism business will simply disappear. The only priorities you will need to worry about will be creditor priorities in bankruptcy court.	6/25/2016 9:45 PM
33	Traffic	6/24/2016 8:15 PM
34	Businesses that 'fit' the geographic, demographic 'contours' should be courted.	6/24/2016 8:36 AM
35	Development for commercial should NOT be a priority at all!	6/23/2016 10:58 PM
36	It must be kept in mind that Currituck County has two distinct populations, the Mainland and Corolla/Carova, with different goals and objectives. Industry, agriculture, and business promotion should be emphasized on the Mainland while tourism and the protection of the fragile ecosystems of Corolla/Carova must be guarded.	6/23/2016 3:48 PM
37	Manage and control growth. Do not sell out to developers.	6/21/2016 4:37 PM
38	Improve schools. Provide more cultural activities such as lectures, concerts,. Improve access to health care.	6/21/2016 2:54 PM
39	Need a measured and strategic growth policy to prevent growth which cannot be properly serviced.	6/20/2016 3:42 PM
40	Without adequate infrastructure growth becomes stymied, the fewer burdens on starting or expanding a business will generate more jobs and therefore sustainable growth.	6/20/2016 3:08 PM
41	Build the north bridge	6/20/2016 1:08 PM
42	Recognizing the current assets are attractions	6/20/2016 9:58 AM
43	No Mid Currituck Bridge!!!	6/19/2016 12:58 PM
44	Please keep the business-environment balance in mind. While investments and property values are important, overdevelopment is counter to the feel of the community-the reason people come to live and vacation. Protect the natural environment. We don't need another Virginia Beach.	6/19/2016 8:55 AM
45	Corolla needs to move to a more year round city	6/19/2016 8:47 AM
46	Build the Bridge!!!!!!!!!!!!!!!	6/19/2016 8:43 AM
47	The county is too diverse geographically and environmentally to apply these questions for all of county. For example, infrastructure investment might be appropriate for maina,d but not for the Outer Banks communities, where such investment would be not only financially prohibitive, but environmentally detrimental. This survey clearly doesn't serve the county it its entirety.	6/17/2016 8:18 PM
48	Need a gym or YMCA near Corolla	6/17/2016 10:38 AM
49	County does not regulate businesses now so how could they reduce requirements????	6/17/2016 8:11 AM

Q9 What are the impacts of growth and development on the natural environment in Currituck County that concern you the most? Choose up to three:

Answered: 546 Skipped: 36

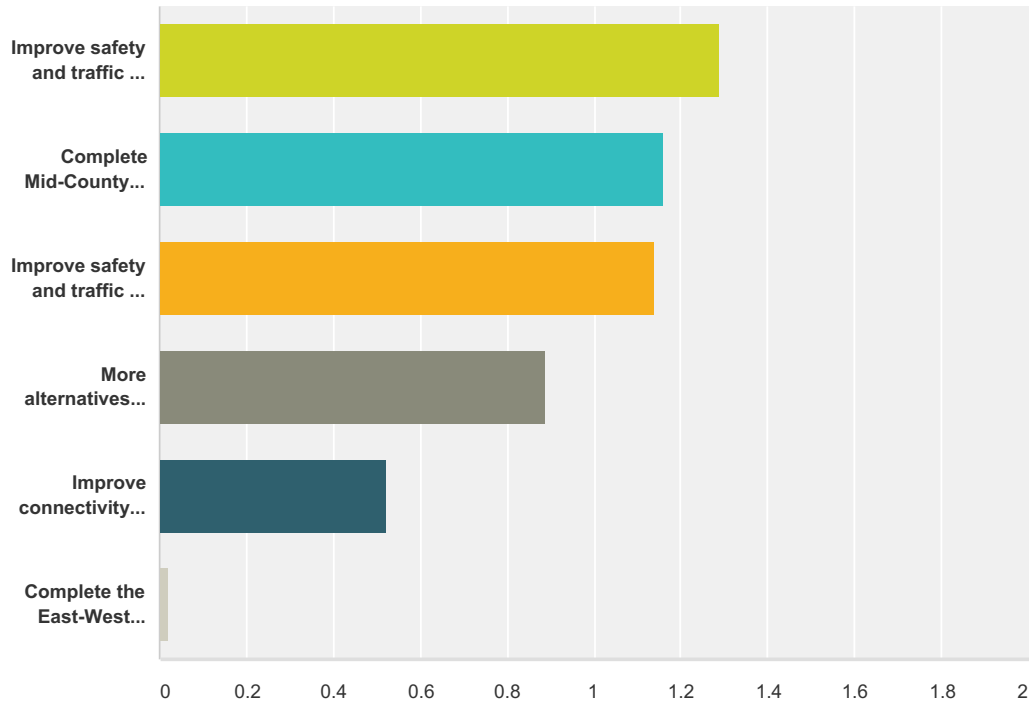

Answer Choices	Responses
Beachfront erosion	70.51% 385
Drainage and flooding	66.67% 364
Loss of wildlife habitat	49.45% 270
Groundwater becoming poor	34.43% 188
Loss of wetlands	33.70% 184
Loss of maritime forest	23.44% 128
Surface water becoming poor	17.95% 98
Loss of farmland and open space	16.12% 88
Other/Comments	10.26% 56
Total Respondents: 546	

#	Other/Comments	Date
1	Flooding should be managed at a county level instead of letting the individual developments decide on their own	11/26/2016 2:28 PM
2	Impact on drainage and resulting flooding is huge.	11/23/2016 11:11 AM
3	Quite frankly they all concern me	11/21/2016 3:44 AM
4	Loss of tourism due to development of the 4X4 beach and loss of the habitat of wild horses.	11/14/2016 11:24 AM
5	Drainage and flooding from heavy rain has caused problems for many residents in Corolla and should be placed at the highest priority	11/12/2016 7:33 PM
6	North Carolina seems to have lax wetland protection compared to adjoining states	11/12/2016 5:27 PM
7	Our home is in Ocean Sands within the next year it will be our permanent home. The area flooded ten years ago and now within one year has flooded 3 times.	11/11/2016 4:15 PM
8	this is now a major concern	11/11/2016 9:40 AM
9	All are important for what makes the area unique.	11/11/2016 8:16 AM
10	Overdevelopment with huge hotel like houses reduces the enjoyment of the natural beauty	11/10/2016 9:32 PM
11	I own house in Ocean Sands and I am concerned about the recent flooding in the area.	11/10/2016 9:10 PM
12	Good zoning, which includes infrastructure.	10/16/2016 5:13 PM
13	loss of quiet and feeling of "untouched" nature. over crowded roads and commercial shopping	10/10/2016 2:49 PM
14	I believe the sewer back up issues in Pine Island are a direct result of the construction of the Pine Island Reserve mega-homes.	9/26/2016 8:24 PM
15	Increased traffic	9/20/2016 8:44 PM
16	still need that bridge!	9/16/2016 4:39 PM
17	We need to ensure the preservation of land for the Corolla Wild Spanish Mustangs.	9/4/2016 3:19 PM
18	Currituck County should be as involved in Beach Nourishment as Dare County	8/29/2016 11:08 AM
19	huge issue- if beaches go away - rentals not attractive and huge economic implications to all aspects of business	8/28/2016 5:43 PM
20	Roads too crowded at times. Invasion of a once peaceful community, bypassed New Jersey for this now we are becoming New Jersey and it does not pay to own and rent if they are both the same crowded commercialized enterprises.	8/28/2016 5:12 PM
21	loss of wildlife habitat includes loss of wetland and maritime forest.	8/24/2016 9:50 AM
22	If we lose the beachfront, we lose a key economic engine for the County	8/22/2016 4:40 PM
23	None	8/7/2016 2:47 PM
24	Government intrusion on property rights	8/7/2016 2:23 PM
25	Sure looks like your survey is skewed and biased to no development, way to be fair and impartial Currituck	8/7/2016 1:54 PM
26	Need to plan for rising sea levels and impact on beaches and oceanfront communities	7/16/2016 1:46 PM
27	Everybody lives, directly or indirectly, off the beach; we must protect it or we will have nothing.	7/9/2016 1:15 PM
28	Poor planning and lack of oversight has contributed to the flooding problems in Corolla.	7/1/2016 8:56 AM
29	Over development	6/29/2016 10:06 AM
30	Flooding is a major issue! Heavy rainfalls are drastic in impact. Not even storms.	6/28/2016 8:06 PM
31	You do not get something for nothing. These are the things you loose and experience when developing areas. It has to be a balance of the loss offset by a balance of the gain. How much are you willing to loose for what you want to gain?	6/28/2016 4:52 AM
32	Too many big houses bringing too many people who are underage and unsupervised drinking and creating disturbances and disturbing the residents and wild horses, placing them in a possible hazardous position	6/27/2016 2:05 PM
33	Keep taxes low and no added taxes because of of the Corolla Stormwater project. Not needed! We can continue to live fine without it as most all the OBX do for sure.	6/27/2016 8:58 AM
34	Loss of the current 4x4 area due to overdevelopment and traffic.	6/26/2016 8:02 PM

35	Loss of the very thing that make the Curituck County beaches unique, particularly their essentially undeveloped (relative to other beach communities) and unspoiled nature. If that disappears, the Currituck County beaches will become indistinguishable from the Maryland Beaches or the (dreadful) Jersey Shore and people will not be willing to drive extra hours to get here.	6/25/2016 9:48 PM
36	Beach nourishment	6/24/2016 8:16 PM
37	Keep the area natural friendly as possible	6/24/2016 6:53 PM
38	Extremely difficult 'choices'. As expected, all important. Controlled, balanced, growth of the County is VITAL.	6/24/2016 8:40 AM
39	Too many people. Traffic congestion.	6/23/2016 10:23 PM
40	Loss of wild horse habitat	6/23/2016 5:06 PM
41	There are only a few large tracts of undisturbed virgin oceanfront land between Duck and Corolla. The county should purchase a few parcels and create conservatory areas with trails.	6/23/2016 9:20 AM
42	Loss of sand dunes as well as erosion.	6/21/2016 2:56 PM
43	Overcrowding of beach area with excessively-large houses and construction of high density housing developments	6/21/2016 1:05 PM
44	People come for the natural beauty and it is being destroyed. Daily.	6/20/2016 9:46 AM
45	Beach replenishment is a major concern!	6/19/2016 11:28 PM
46	Over building of residential/commercial units on acerage available(ie. mini hotels and event housing properties	6/19/2016 4:57 PM
47	Increase lanes from two lane traffic on 12 North or install the Mid-county bridge	6/19/2016 12:20 PM
48	I would choose more items if possible.	6/19/2016 8:57 AM
49	Build the Bridge!!!!!!!!!!!!!!!!!!!!	6/19/2016 8:44 AM
50	All of the above	6/19/2016 7:16 AM
51	All of the above	6/19/2016 5:48 AM
52	Whalehead has solved Drainage/flooding problem and is paying for it via a drainage ax assssment. Suggest other Corolla devep[m]ents do the samw.	6/18/2016 10:55 PM
53	The island wants to move west. There is nothing we can do to stop that	6/18/2016 10:25 AM
54	It's important to retain the rural/coastal character while adjusting to growth.	6/17/2016 9:29 PM
55	None	6/16/2016 9:14 PM
56	traffic	6/16/2016 2:51 PM

Q10 NCDOT is responsible for building and maintaining public roads in the county. In working with NCDOT, what should be the priorities for county government regarding transportation?

Answered: 546 Skipped: 36

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Improve safety and traffic on NC 12	1.67% 9	6.49% 35	47.87% 258	43.97% 237	539	1.29
Complete Mid-County Bridge to improve summer traffic and provide evacuation route for Corolla.	0.74% 4	24.17% 131	9.78% 53	65.31% 354	542	1.16
Improve safety and traffic on Caratoke highway, especially during tourist season	3.93% 21	9.53% 51	49.91% 267	36.64% 196	535	1.14
More alternatives such as bicycle and pedestrian routes (mainland and Corolla) or public transit in Corolla	3.55% 19	20.93% 112	40.93% 219	34.58% 185	535	0.89
Improve connectivity of roads other than Caratoke Highway	11.30% 59	27.78% 145	41.76% 218	19.16% 100	522	0.52
Complete the East-West connector from Moyock (NC 168) to Camden County (US 17)	23.22% 121	42.23% 220	25.14% 131	9.40% 49	521	0.02

#	Other/Comments	Date
1	Bicycle and pedestrian routes - not public transit	11/15/2016 11:54 AM
2	I would like to see a boardwalk and bicycle route on the 4X4 beach for nonmotorized transportation.	11/14/2016 11:27 AM
3	I am a native of the Outer Banks and I am not in favor of a Mid-County Bridge. I feel it will have a negative impact on Corolla.	11/12/2016 3:09 PM

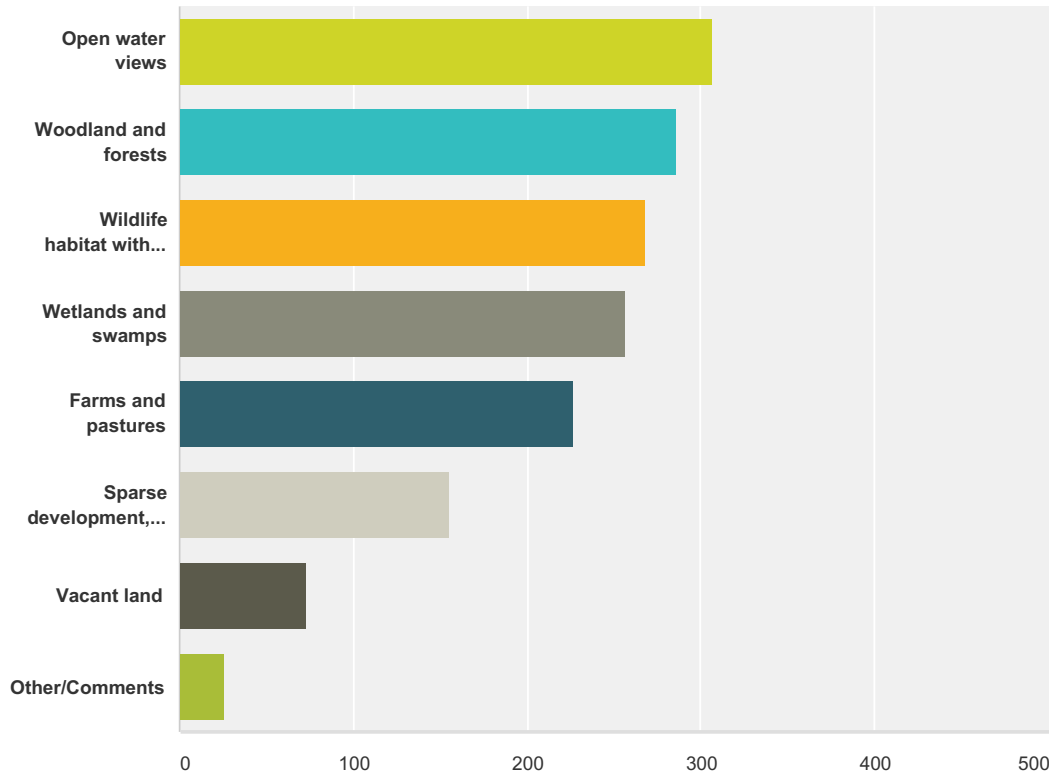

4	A beautiful bike/walking path was built in Ocean Sands and we have seen many, many people using and enjoying it. Always worried about people on route 12 with cars speeding by them.	11/11/2016 4:17 PM
5	We don't want or need the mid-currituck bridge!	11/11/2016 9:06 AM
6	As we get older, we would really appreciate public transportation	11/10/2016 11:38 PM
7	Public transit in Corolla NOT a priority	11/10/2016 11:07 PM
8	Traffic on 12 in Corolla during the peak tourist season is totally saturated capacity.	11/10/2016 9:34 PM
9	I am very much in favor of the mid currituck bridge	11/10/2016 9:12 PM
10	Safety is paramount, evacuation route is a need if emergency event during summer!	10/16/2016 5:14 PM
11	Mid county bridge will improve job opportunities within county and provide Corolla access to Co. Government facility, health care facilities, resources & volunteer opportunities.	9/15/2016 12:50 PM
12	Build the bridge. place an east bound toll of at least \$10 and a special pass for workers living on the mainland but working on the outer banks.Finish the bike pathe in Corolla to connect with Pine Islandand Dare County.	9/5/2016 11:27 AM
13	I don't see a wide use of a transit system in Corolla. We need more public beach accesses with adequate parking.	9/4/2016 3:22 PM
14	Consider seasonal ferry service alternative between Currituck OBX and Currituck mainland - would open up development of mainland for more tourist \$ if mainland could be reached readily by beachgoers.	9/4/2016 11:14 AM
15	second crossing at Corolla is essential! way overdue and insanely short sited to not have already completed	8/28/2016 5:44 PM
16	If the Mid 'county bridge goes in this will become a daytrip by Norfolk residents overrunning the communities.	8/28/2016 5:15 PM
17	The Mid County Bridge must be a high priority.There is not adequate egress from Corolla in case of an evacuation. This is a human disaster waiting to happen.	8/24/2016 5:35 PM
18	Mid county bridge is vital. And as an extra add onelane in northern outer banks 12 from 4 wheel drive entrance down to Duck. Then folks could get by a bit better traffic wise if they stay in the northern outer banks.	8/24/2016 9:55 AM
19	Bicycle paths always add to the quality of life in a resort style community. Any community for that matter.	8/23/2016 2:59 PM
20	Highest priority should be completion of the Mid-County Bridge	8/22/2016 5:54 PM
21	Mid-County bridge is top priority!	8/22/2016 5:06 PM
22	Safe, pedestrian free bike lanes the length of coastal Currituck.... ie just widen Rt 12 3 feet on each side...	8/22/2016 4:32 PM
23	jogging, walking, biking in extremely safe environments will keep tourists coming back and residents very happy year round.	8/22/2016 4:26 PM
24	No public transit in Corolla	8/19/2016 3:58 PM
25	Building another bridge will increase more traffic and development. It will also hurt an already weakened ecosystem and make the peninsula less strong during major storms.	8/13/2016 10:33 AM
26	Address specific bottlenecks for improved traffic flow & safety, especially through Duck, to reduce delays.	8/3/2016 7:42 PM
27	Do not build the Mid County Bridge. It will not relieve traffic congestion, and disturb the wildlife. Work to improve Route 12	7/18/2016 10:47 AM
28	I really want the mid Currituck Bridge	7/17/2016 6:52 PM
29	Nothing more than a trolley system	7/10/2016 12:53 PM
30	Build the Mid-Country Bridge please!	7/7/2016 9:28 AM
31	The mid-Currituck bridge is an expensive bandaid that has no necessity, just convenience. Deal with the bottleneck in Duck, anyone driving north of Duck has no problem. Do we need a two billion dollar bridge and infrastructure to serve 4 months of the year? Evacuation? We know 5 days in advance before an evacuation is even necessary. Day one, evacuate Dare, day two evacuate Currituck. Works like a charm. Build a cheaper bridge that connects just north of Duck.	6/28/2016 4:59 AM
32	Ticket drivers who are imdeding traffic by going well below the speed limit and stacking a line of traffic behind creating bottlenecks in the road.	6/27/2016 2:09 PM

33	The Mid county Bridge question as a leading question.If you think it is n't a priority then I suppose you are not interested in improving summer traffic and evacuation issues. Building the bridge will have a devastating impact on Corolla and the 4 X 4 beaches.	6/27/2016 1:01 PM
34	Bridge!	6/26/2016 9:27 AM
35	ADDRESS THE WEEKEND TRAFFIC PROBLEM ON ROUTE 12!!!	6/25/2016 9:49 PM
36	Thanks so much for the new bike/jogging path on NC 12 from Food Lion to Harris Teeter	6/25/2016 4:24 PM
37	No need for public transportation.	6/25/2016 2:35 PM
38	The proposed Mid Currituck Bridge is colossal waste of money.	6/24/2016 9:51 PM
39	Make it easy for tourists to come to Corolla	6/24/2016 8:18 PM
40	Work to carry out the plan (ESPECIALLY COROLLA VILLAGE) ON THE RECORD	6/24/2016 6:58 PM
41	the 'beach', and homes in and around it, provide the lion's share of revenue and are a priority as well as the main 'identity' for our biggest industry; tourism. I think the biggest challenge is to identify a realistic top level of what we want as 'growth, a balance of environment and tourism, and once met, the goal is to maintain that level and NOT exceed it.	6/24/2016 8:50 AM
42	Offer motor transportation north and south. Trolley, bus etc..	6/23/2016 9:17 PM
43	My family and I are grateful for the Corolla Greenway as it has provided safety for walkers, runners, and bicyclists. Please extend the greenway from the Dare-Currituck county line to the 4-wheel drive entrance. The Mid-County Bridge will not only change Corolla/Carova's way of life and the delicate ecosystems of the area it also will be a great expense for 3 months of the year when North Carolina's infrastructure is crumbling. It is my belief that the Mid-County Bridge will not improve summer traffic, but create new contested areas in Corolla, Duck and Southern Shores.	6/23/2016 4:03 PM
44	Offer public Transportation on 4X4 beaches. Police should be more proactive and control beach traffic in regards to aggressive driving, doughnuts, and just basic civility of driving habits. Enforce the driving laws to tourists	6/23/2016 10:04 AM
45	The proposed MCB is a poorly thought out and inordinately expensive project that only benefits tourists a mere 13 weekends per year at the expense of NC taxpayers. It will create worse traffic problems on the northern 1/2 of Rt. 12	6/23/2016 8:44 AM
46	It take 30 years or so to initiate and complete a project! This is unsatisfactory considering all the taxes that are generated!	6/23/2016 8:17 AM
47	We need the bridge built -tourists are heading to other places due to traffic	6/23/2016 6:39 AM
48	In my opinion the Mid County Bridge is being pushed by those who want to develop more rental space in Corolla and is not for evacuation purposes. A more cost effective approach would be to improve route 12. The county/state should stop pandering to the developers who will leave the area after making their money	6/22/2016 5:25 PM
49	Construct left turn lanes into all subdivision entrances along HWY 12. Right shoulder passing is rampant and tearing up the roadsides. Traffic delays for left turning traffic can be lengthy.	6/22/2016 3:13 PM
50	Pave Rt. 12 up to the Virginia border!	6/21/2016 8:10 PM
51	Perhaps a parking area at the beginning of the 4x4 beach, in order to eliminate the dangerous traffic situation.	6/21/2016 2:33 PM
52	Wider shoulder for bikes. Sidewalk for pedestrians.	6/21/2016 4:37 AM
53	Public transit in Corolla would not alleviate existing traffic and safety issues. Would just create more problems.	6/20/2016 5:29 PM
54	Have new Corolla bike path connect to Duck's paths as part of last question	6/20/2016 9:27 AM
55	Safe public roads to be provided for the amount of housing and buildings that are allowable	6/19/2016 4:59 PM
56	No Mid Currituck Bridge!!!	6/19/2016 12:59 PM
57	Has the Planning Board taken into consideration the added cost of law enforcement that will be needed as well as the damage to the environment on the northern beaches due to a greater influx of day trippers?	6/19/2016 11:19 AM
58	Bingo we have a Winner -- Build the Bridge!!!!!!!!!!!!!!!!!!!!!! Have heard tourist say they aren't coming back because it takes hours grinding up 12 North to get to where they need to go. And it is getting worse building more houses and not having adequate roads of access. So in other words build the Bridge! I happened to have to take 64 out of Manteo to I95 and crossed almost 10 miles of water by bridges. Why can't that happen in Currituck County?	6/19/2016 8:51 AM
59	The paths added through Oceans Sands (Corolla) are a very nice addition.	6/19/2016 8:27 AM

60	Prudence should be used when considering expansion of roads and access. Greater acces will increase population including permanent, vacationers, and day trippers. This in turn will place greated demands on development which can only be done at the expense of the fragile enviornment. DOT should focus efforts in Dare County the find a solution to the Duck bottleneck which is the primary cause of summer traffic backups.	6/19/2016 8:07 AM
61	Mid-County bridge is the key.....understand the toll will be high but it has to be reasonable...	6/18/2016 2:59 PM
62	Extend the corolla greenway	6/18/2016 10:26 AM
63	Mid-County Bridge is critical from an emergency management perspective and economic development. If people get trapped during a hurricane, the OBX brand is dead.	6/17/2016 9:32 PM
64	Build the mid county bridge now!!!! Need more sidewalks in Corolla for running and biking	6/17/2016 10:40 AM
65	the roads seem fine and in good repair. rental traffic is just too much. NEED RENTALS TO KEEP MY TAXES DOWN.	6/16/2016 3:13 PM

Q11 Residents of Currituck County often refer to the importance of the area’s “rural character.” What do you consider the three most important elements to rural character? Choose up to three:

Answered: 535 Skipped: 47

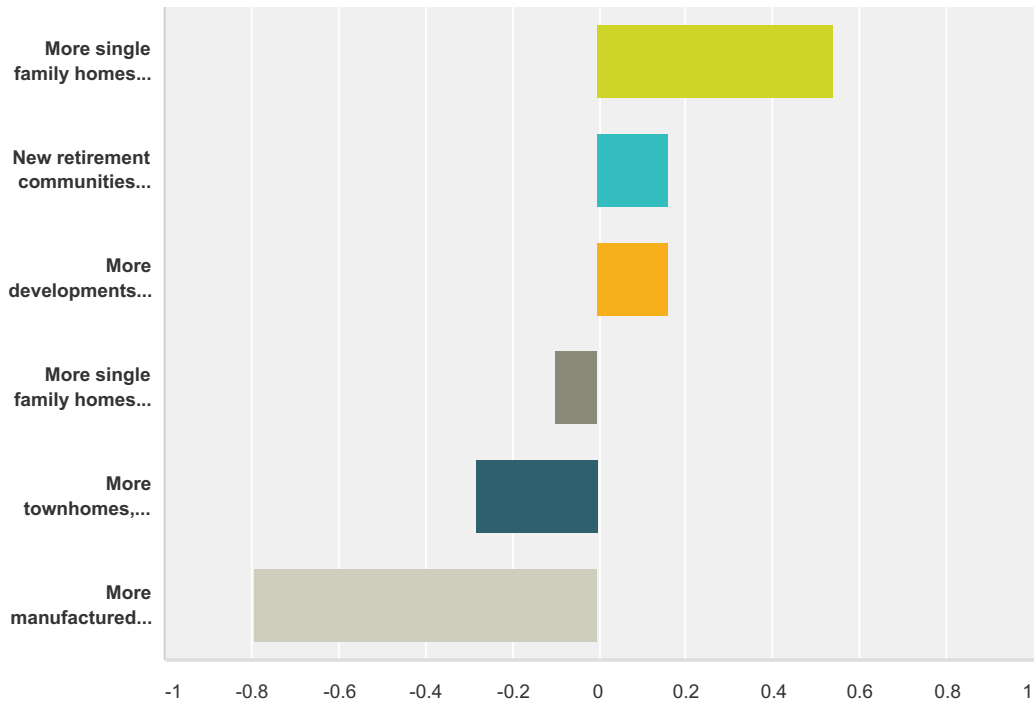

Answer Choices	Responses
Open water views	57.38% 307
Woodland and forests	53.46% 286
Wildlife habitat with areas for hunting and fishing	50.09% 268
Wetlands and swamps	48.04% 257
Farms and pastures	42.43% 227
Sparse development, such as a house on a 5 acre lot	29.16% 156
Vacant land	13.64% 73
Other/Comments	4.86% 26
Total Respondents: 535	

#	Other/Comments	Date
1	Wildlife habitat is very important	11/15/2016 11:59 AM

2	Some of the housing on the north beach side have become ridiculously large and takes away from the quaint rural character that is so charming.	11/11/2016 4:19 PM
3	I don't care about "rural character".	11/11/2016 9:10 AM
4	Limit size of houses on the Outer Banks	11/10/2016 9:36 PM
5	support local/mom and pop business, minimal commercial and big box stores / shopping centers. reduced light and noise pollution.	10/10/2016 2:52 PM
6	Personally love farm markets and opportunity to buy locally.	9/15/2016 12:52 PM
7	people already have plenty of fishing spots and there should be no hunting in the outer banks--only mainland	8/24/2016 9:58 AM
8	Cluster developments and openpace land preservation within new developments can preserve a rural character.	8/23/2016 3:02 PM
9	Develop the county with eye to business and residents. Growth will come; develop plans to handle it.	8/13/2016 8:10 AM
10	Really impossible to select only 3 if true "rural character" is important. Not selecting something from the above list becomes a threat. Either one is for sustaining rural character or they aren't. One can't approach this half way and claim to support the importance.	7/16/2016 10:06 AM
11	Beaches unencumbered by commercial development.	7/9/2016 1:18 PM
12	Not big on seeing wildlife....except for birds...to be honest, the snakes, foxes, etc are not something I want to see on vacation.	7/6/2016 3:25 PM
13	What it is not is what you see from Nags Head to North Kitty Hawk	6/28/2016 5:01 AM
14	peace and quiet, no large houses filled up with underage kids drinking and doing stupid things making a racket until dawn, not following the laws. There should be consequences to illegal actions, when they happen. Adults who let kids drink should be punished, and kids drinking underage should be cited. Disturbances created by these groups should be treated by the law as breaking the law and fined or arrested, what ever the situation warrants. ass	6/27/2016 2:12 PM
15	Eliminate mega houses on the beach	6/24/2016 8:19 PM
16	No commercial development in the 4x4 area	6/23/2016 5:08 PM
17	homes that are actually homes and not small hotels. Houses with more than 6 bedrooms are placing stress on already lacking infrastructure.	6/23/2016 10:06 AM
18	Houses on large lots does NOT mean those Saga mega rental monsters, by the way. Single family homes on large acreage are what should be allowed - not those with more than 8 bedrooms.	6/23/2016 8:52 AM
19	Controll and manage commercial and residential development.	6/21/2016 4:41 PM
20	Rope Park within 200' of residential development is a disgrace to Currituck County.	6/20/2016 9:54 AM
21	Rural Character is lovely -- But the Bridge is an absolute mandatory piece for if know other reason then safety. So many close calls during hurricane season -- one of these times it's going to be major. Then watch all the finger pointing.	6/19/2016 8:57 AM
22	interested in keeping corolla "beachy"	6/19/2016 8:50 AM
23	All of the above	6/19/2016 7:17 AM
24	Question is flawed. Not interested can in rural character	6/19/2016 12:01 AM
25	Character is key. All on the list are important.	6/17/2016 9:34 PM
26	Limit development density using bedrooms per acre as a metric	6/17/2016 8:13 AM

Q12 The County's housing stock is approximately 85% Single Family Homes, 12.7% Manufactured Homes and 2.2% Multi-family. In the next 30 years, Currituck is projected to grow by 17,000 new residents requiring 7,400 new dwelling units. What do you think the County's priority should be for encouraging the types of housing listed below?

Answered: 538 Skipped: 44

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
More single family homes on large lots	7.74% 40	30.17% 156	39.65% 205	22.44% 116	517	0.54
New retirement communities (age-limited) with condos and townhomes	12.18% 62	40.47% 206	38.70% 197	8.64% 44	509	0.16
More developments with a mixture single family lots, townhomes, and condos	9.67% 50	43.33% 224	34.24% 177	12.77% 66	517	0.16
More single family homes on small lots	9.57% 47	52.55% 258	32.79% 161	5.09% 25	491	-0.10
More townhomes, condominiums and apartments	10.93% 55	60.64% 305	24.45% 123	3.98% 20	503	-0.28
More manufactured homes	13.65% 67	82.89% 407	3.05% 15	0.41% 2	491	-0.79

#	Other/Comments	Date
1	I just answered the previous question of what is "rural character" why would I want any of these on a farm or wetland. The county doesn't need to do this..	11/21/2016 3:53 AM
2	No apartment buildings!	11/15/2016 12:01 PM
3	Pre-fab homes can provide economical quality housing. Low- level apartments, no more than three stories, are needed on the beach.	11/12/2016 5:34 PM
4	more affordable housing for business support personel	11/11/2016 8:26 AM
5	Single story homes for starters and aging boomers	9/5/2016 11:29 AM
6	The problem her is obviously that the outer banks needs to be considered differently from the mainland. My comments are geared toward the ocean communities and my answers would be completely different for the mainland where commercial development and proper housing --along with the bridge will improve everyone's life. I mean you really need two different surveys because all the ocean dwellers will have opposing views from the mainland folks. And that is OK. It is not a problem. the 2 different types of land and activities and owners are different and you can have different opinions for each sector. In other words, set up different planning for each segment. So I just do not really know how to complete this survey for the entire county because my priorities are different as an ocean-side owner (2 homes). As an example I would answer the last 3 questions above the opposite way if I was on the mainland..and I think they should be answered differently. I believe by lumping all the questions together for both mainland residents and (primarily) nonresident ocean owners you will get a false reading on the questons and come to conclusions that are not warranted. this survey should have had separate sections to be filled out by mainland and oceanside.folks. then you could have different and appropriate plans for each territory. the survey developers must know this so it raises deep suspicions as to what is going on are you looking for results that back your current views or are you really looking for a comprehensive plan that seeks improvements as a whole--considering different areas????????? Further if it is the latter why didn't you tell folks taking the survey at the beggining that you wanted anwers based on their respective territories.)	8/24/2016 10:36 AM
7	Currituck has a unique opportunity to develop small, quality residi h ence that are affordable and in line with the scenic and rural character. Don't mess it up with highrises or cheap profit units for developers. Your beautiful land is your heritage and your future. It is irreplaceable and yours to manage well -- it is smart ecomomically to be very choosy about development.	8/23/2016 3:07 PM
8	We do not need to grow, we need to make better what is already developed.	8/23/2016 10:07 AM
9	I am sure we are not alone. We own a rental home in Corolla and would consider retiring there, but things are so desolate and deserted in the off season is quite eerie. Encouraging a more vibrant off season community would attract folks like us.... retirees with retirement plans / savings just waiting to be spent.	8/22/2016 4:36 PM
10	Housing "shock" is attributed to VA expansion. This survey is making it very clear "imagine currituck" is just a way to figure out how to make Currituck a giant suburb with Walmarts and Targets for all!	8/17/2016 9:56 AM
11	Drainage and sewer are limiting factors on the mainland.	8/13/2016 8:12 AM
12	THE LAST THING THE COUNTY NEEDS IS CONDOS, TOWNHOUSES AND MANUFACTURED HOUSING!!!!!!!	7/28/2016 7:17 PM
13	in lieu of density of condos and townhomes, why not consider single family (1 or 2 level) zero lot line homes which require minimal to no yard maintenance for those seeking that, reduce the density of development per acre and can be designed to create a village environment	7/16/2016 10:11 AM
14	Just please do not wreck the 4x4 beaches by allowing commercial development.	7/9/2016 1:20 PM
15	Retirement communities s/b be duplexes, not traditional thomes; condos s/be limited to 2-3 stories.	7/8/2016 11:01 AM
16	Do not allow large houses at the Outer Banks, will destroy the character!	7/1/2016 9:42 AM
17	17,000 in 30 years is not a lot....	6/28/2016 5:04 AM
18	Affordable housing for people who work here and aren't paid enough to live here	6/27/2016 2:14 PM
19	Let the market decide. The County Commissioners are no where near smart enough to make this call.	6/25/2016 9:51 PM
20	Small lots are acceptable if the developer puts land into parks, recreational uses, etc	6/25/2016 1:40 PM
21	need, SUMMER EMPLOYMENT HOUSING IN CORROLA	6/24/2016 7:02 PM
22	No new housing except for full time legal residents.	6/23/2016 11:03 PM
23	Define single family home as no more than 5-6 bedrooms	6/23/2016 5:10 PM
24	This question applies to Mainland Currituck County. I live year round in Corolla.	6/23/2016 4:08 PM

25	<p>The new bridge will create more year around tourism and improve the financial viability of businesses in Duck and Corolla. Many businesses struggle because the season is simply too short and also because the businesses are totally dependent on the tourists. This is in part because the county has focused growth on large single family homes. These homes are primarily rented by extended families with children during June, July and August, and when the kids go back to school then rentals are limited to the newlyweds, young families and retirees. Many homeowners of vacation homes are tired of the constant maintenance associated with the large homes and given the opportunity would prefer to have smaller condos or town homes. Also resales of the large homes are practically non existent because of difficulties for buyers to obtain financing. Between Corolla and Duck there is very little undeveloped land available, unfortunately opportunities to change the housing mix are limited. While there are opportunities for growth in 4x4 area of Carova, until there is a paved road this is not going to happen. The stretch of Route 12 on the sand is like a 4 lane highway in the summer and it is only a matter of time before people get run over. There needs to be a road with fencing to protect the horses and several low profile overpasses for pedestrians and the horses to access the beaches. Currently on weekends it looks like a 4x4 truck rally on the beach. These tourists are mainly young people that bring their own beer and contribute little to the economy, cause congestion and create unsafe conditions on the beach.</p>	6/23/2016 10:01 AM
26	stop the mega houses that are being built-they are hotels not houses	6/23/2016 6:41 AM
27	Size of single family homes should be restricted by strict guidelines; coverage factor, height, community impact, etc.	6/22/2016 3:04 PM
28	Consider more densley populated planned communities with ammenities such as parks, tennis coursts, playing fields, pools, walking trails.	6/21/2016 4:44 PM
29	Again, no developments of any sort without accompanying infrastructure improvements	6/21/2016 2:59 PM
30	affordable housing for those who work in the community, especially Corolla	6/20/2016 10:02 AM
31	Need professional planning not 60' rope park next to SFR. Maybe the proposed water park can go next door to David Griggs home in Griggs Acres.	6/20/2016 9:57 AM
32	If you're going to encourage retirement communities, you need medical facilities in Corolla.	6/19/2016 2:56 PM
33	Rural character means less congestion! Townhouses, condos, multi-family housing brings congestion of traffic and requires more extensive and expenses infrastructure. We need to attract more small business that support residential communities	6/19/2016 12:01 PM
34	Growth is coming across the board -- That's another reason to Build the Bridge!	6/19/2016 8:58 AM
35	Just no large homes	6/18/2016 10:27 AM

Q13 How should the County prioritize its efforts to provide quality parks and recreation?

Answered: 537 Skipped: 45

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
More trails, greenways and paths	2.26% 12	8.46% 45	43.80% 233	45.49% 242	532	1.26
Small, neighborhood oriented parks	6.94% 36	21.19% 110	52.79% 274	19.08% 99	519	0.70
More public access to water (ocean, sounds and rivers) including boating/paddling facilities	2.86% 15	30.34% 159	40.65% 213	26.15% 137	524	0.63
Large, centrally located County-wide parks	8.58% 43	52.10% 261	29.54% 148	9.78% 49	501	-0.03

#	Other/Comments	Date
1	I will say it would be nice if my folks had a place to dock overnight, I find that a little strange.	11/21/2016 3:55 AM
2	Currotuck seems to have quite a few large parks for active recreation already. More preservation areas would be good.	11/12/2016 5:37 PM
3	COROLLA NEEDS PUBLIC ACCESS TO THE SOUND. PLEASE PURSUE FINDING ANOTHER RAMP LOCATION OTHER THAN THE WHALEHEAD CLUB.	11/12/2016 3:17 PM
4	Where will they park? We do not want large areas of paved parking. People pay to rent in our area because of what we are, we do not want to become an overcrowded parking lot type of area.	11/11/2016 4:22 PM
5	We have difficulty because of physical limitations in accessing the beach since the stairs are so high and there is so little handicap parking at the access points where we could walk easily such as behind the Food Lion and the public beach	11/10/2016 11:42 PM
6	There should be boat access at the Whalehead park boat basin to allow small recreational boats to be launched.	11/10/2016 9:42 PM
7	Heritage Park & Greenway in Corolla are wonderful resources -- well done & well utilized. Greenway needs to be connected.	9/15/2016 12:55 PM

8	The Beach access at the North End by the firehouse is a horror show. Wow! that was bad planning!	8/23/2016 3:08 PM
9	We do not need to develop any more of the beautiful natural wonders of the OBX	8/23/2016 10:08 AM
10	Placing limits on vehicles permitted on the 4 X 4 beaches in Corolla due to destruction and erosion of beach and increased damage to sand roads behind the dunes. Permit system should be implemented immediately similar to Federal permits for southern area near Oregon Inlet and Hatteras Island.	7/28/2016 8:17 AM
11	What good is a large centralized park if it takes hours to drive to it?	7/9/2016 1:22 PM
12	Corolla is in great need of an access to the sound. The only access is in the 4 wheel drive area. The mainland has all the recreational facilities needed. The beach has no place to even have a meeting.	7/2/2016 12:06 PM
13	Maintain a vision of the Currituck Beaches and activities. We are not Virginia Beach or Myrtle Beach or Jersey Beach. There is a natural beauty here that we should not destroy.	6/28/2016 5:07 AM
14	cORROLA vILLAGE RD THRU THE LIGHTHOUSE IS JAMMED WITH VISITORS, THEY THINK IT IS A SIDE WALKI...SOME ONE IS GOING TO BE HIT BY VEHICLE IF SOMETHING IS NOT IMPROVED, LIKE THE VISION PLAN THE COUNTY HAS APPROVED	6/24/2016 7:15 PM
15	sooner or later sewer and water will be needed on 4x4 beaches. Start planning now	6/23/2016 10:08 AM
16	We desperately need some recreation fields in the Corolla and Duck area.	6/23/2016 10:02 AM
17	whalehead boat ramp is horrible for launching boats & hinders public saftey response for launching their rescue boats	6/20/2016 8:22 PM
18	Dont want general public access. Prefer the privacy.	6/19/2016 11:26 AM
19	Parks and Recreation are all null and void without proper access -- Build the Bridge!	6/19/2016 9:00 AM
20	Public boat or watercraft landings would be a nice addition in the Corolla area.	6/19/2016 8:31 AM
21	Improve corolla's boat ramp. It needs to be dredged	6/18/2016 10:28 AM
22	missed comment on last page. what this county considers single family is WAY TO LARGE as far as bedrooms AND square footage	6/16/2016 3:17 PM

Q14 What do you consider the three most important issues facing your community within Currituck County? Choose up to three:

Answered: 538 Skipped: 44

Answer Choices	Responses
Traffic congestion	63.94% 344
Natural hazards like stormwater run-off, flooding and beach erosion	51.86% 279
Tourism impacts (overcrowded beaches, large vacation rentals, etc.)	47.03% 253
Loss of wildlife habitat, farm land or open space to development	28.07% 151

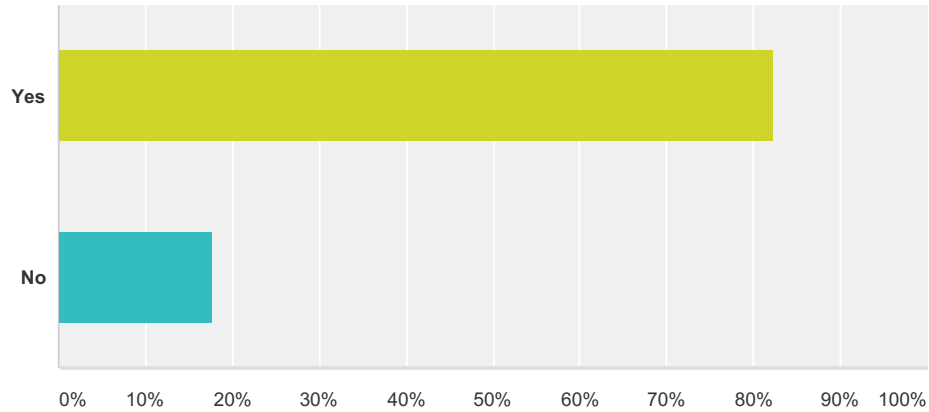

Adequate water and sewer utilities	24.91%	134
Lack of bicycle and pedestrian options	18.96%	102
Fluctuating property values	14.87%	80
Adequate County services including parks, libraries, seniors services, emergency services, etc.	14.68%	79
Public access to water (ocean, sounds, rivers)	9.48%	51
Other (please specify)	8.36%	45
Local job opportunities	6.13%	33
Affordable housing options	5.39%	29
Adequate school capacity	4.65%	25
Total Respondents: 538		

#	Other (please specify)	Date
1	Again all of these are important! Why are we only choosing 3?	11/21/2016 3:57 AM
2	The need for the new connecting bridge.	11/13/2016 8:33 PM
3	The Mid-County bridge must be built!!!	11/12/2016 10:51 AM
4	Except that many of the issues involving stormwater runoff and localized flooding are due directly to poorly controlled building practices and codes that permit developers to come in and build projects and houses with too much impermeable surfaces and no swales, ponds, or other engineered means of ensuring that the post-development hydrograph is no worse than the pre-development hydrograph. This should be mandated. How to implement? Make the developer/builder/or property owner submit the necessary data --not to a hand picked AE firm but to County building inspectors. They, in turn, set up relationships with area colleges with hydrology programs and supplement academic staff with grad or undergrad students who verify that the data submitted is representative of the building site, runs the models, and computes the pre- and post-development hydrographs--and don't approve building permits until the builders successfully present plans that don't dump all the runoff into surrounding neighborhoods. The cost of running the program is placed where it should be--the builders, developers, and property owners who want to build on the sites. The public in the areas are protected from impacts due to unrestricted development. and the County personnel who don't have the expertise to run the program don't have to. They just have to manage it and decide which colleges are providing adequate support for the program and funding them appropriately (with developer funding). Will developers like this? No. They would much rather build, collect their money, and get the heck out of town and let area residents deal with the flooding impacts of their money making ventures. Will different septic systems have to be employed for low lots--vice using the septic permit as the get out of jail free card to fill low sites to within 10 feet of the boundary as things are now? Yes. But there are dozens of modern design septic systems that work on low lots--mound systems, peat systems, pump to holding tank systems, Wisconsin systems, etc.	11/12/2016 12:39 AM
5	Bridge access	11/11/2016 4:52 PM
6	Flooding horrible in Corolla. I have lost three weeks of rentals because of floods just this year. Please, please address this problem.	11/11/2016 4:12 PM
7	The recent flooding and the loss of open land demonstrate to me that Currituck County has no concern over planning, preservation or prevention of natural disasters	11/10/2016 11:44 PM
8	H	11/10/2016 7:15 PM
9	access to quality medical care/services	10/10/2016 2:54 PM
10	Mid-County bridge and access to health care facilities.	9/15/2016 12:58 PM
11	Rainwater drainage	9/3/2016 8:59 AM
12	Potential for loss of access due to only one bridge in.	8/31/2016 7:12 PM
13	Beach nourishment	8/29/2016 11:12 AM
14	Beach Replenishment	8/28/2016 9:26 PM
15	Beach erosion and need for eventual re-nourishment like areas to south	8/28/2016 6:20 PM
16	loss of beach - implications for all the above	8/28/2016 5:47 PM

17	Beach erosion is the most vital issue on the outer banks and second is loss off natural resources from over development.	8/24/2016 10:39 AM
18	Over regulation of private property rights	8/22/2016 11:20 AM
19	Over regulation by the County	8/7/2016 2:26 PM
20	The Corolla area is putting up too many condos, townhouses, and villas. KEEP THE POPULATION DOWN BY MINIMIZING THESE TYPES OF DWELLINGS AND KEEP SINGLE FAMILY HOUSING A PRIORITY.	7/28/2016 7:20 PM
21	Build the Bridge...	7/7/2016 9:31 AM
22	Fire and medical staff	6/29/2016 10:09 AM
23	This is Corolla, it's getting better. Thanks for the great job on the new bike path and putting in the beach visitors center by the lighthouse.	6/28/2016 5:11 AM
24	Keep taxes and regulations low, practice common sense and stay away from the needless Corolla stormwater project	6/27/2016 9:03 AM
25	We should look at the county as 2 units, the county and the beach. More funds need to be directed to the beach because the beach has been the engine tat fuels 5he county economy.	6/24/2016 8:24 PM
26	Lack of a second bridge!	6/23/2016 8:24 AM
27	mega houses are hotels-stop building them	6/23/2016 6:44 AM
28	Desperately need to limit access in 4wd area and clean it up - too much trash floating around	6/23/2016 6:24 AM
29	Rental companies need to feel some pressure from the county to prevent renting cottages to groups of high school kids during the second and third weeks of June. Something needs to be done to keep this from happening every rental season. The rental companies need to be proactive rather than reactive on this issue.	6/22/2016 3:21 PM
30	Need for professional fire fighters to supplement/replace aging volunteer force, particularly in Corolla	6/22/2016 3:08 PM
31	Additional paid professional firemen in addition to the volunteer firefighters in Corolla. Additional lifeguard stands.	6/21/2016 4:49 PM
32	Development without a thought to sustainability	6/21/2016 3:02 PM
33	Over development in the 4x4 area	6/21/2016 8:34 AM
34	Large vacation rentals and hotels need to be controlled. Keep Corolla for family vacations. People come to Corolla to avoid Va Beach and Kitty Hawk "honky tonk."	6/20/2016 1:15 PM
35	Building 20 br 20 bath homes 10 in a row is also a disgrace to Currituck. Wait till the owners cannot afford to maintain these things.	6/20/2016 9:59 AM
36	We need stronger zoning, especially for COMMERCIAL areas. Just plain UGLY.	6/20/2016 9:48 AM
37	Traffic congestion is applicable only during "in" season.	6/19/2016 8:07 PM
38	beach erosion	6/19/2016 1:43 PM
39	The most imprtant is to stop the Bridge	6/19/2016 1:01 PM
40	possibility of using designated open space for new development	6/19/2016 1:01 PM
41	The county needs to assist and participate in development of full time higher paying jobs not totally dependent on tourism	6/19/2016 12:09 PM
42	Build The Bridge -- Number 1 far and a way! Makes me wonder why tarrific congestion was the first choice of all on the list? It's on everyones mind -- In fact it's screaming!	6/19/2016 9:04 AM
43	Build the mid county bridge soon!	6/19/2016 4:55 AM
44	Emergency evacuation off of the island	6/18/2016 2:06 PM
45	Need to build the bridge to Corolla !!	6/17/2016 10:48 AM

Q15 Do you have the time to answer 12 additional questions? This section of the survey will take approximately 15 to 20 minutes. As a thank-you for answering these additional questions, you will have the opportunity to enter a raffle for a tourism gift basket at the end of the survey.

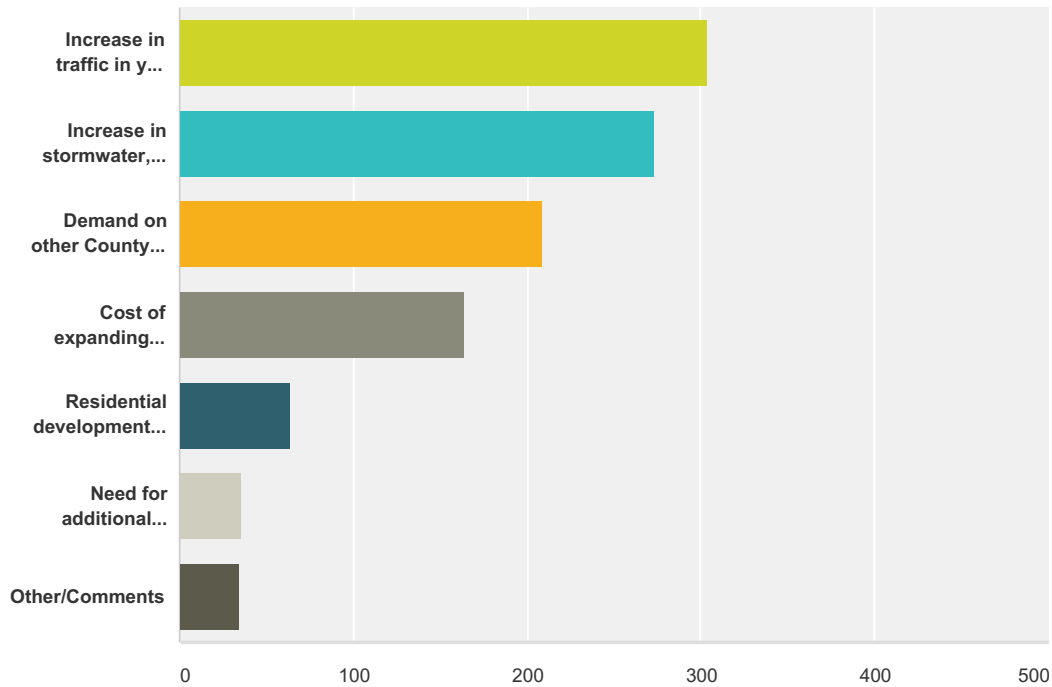

Answered: 537 Skipped: 45

Yes	82.31% 442
No	17.69% 95
Total	537

Q16 What are the impacts of growth and development on County services that concerns you the most? Choose up to 3:

Answered: 418 Skipped: 164

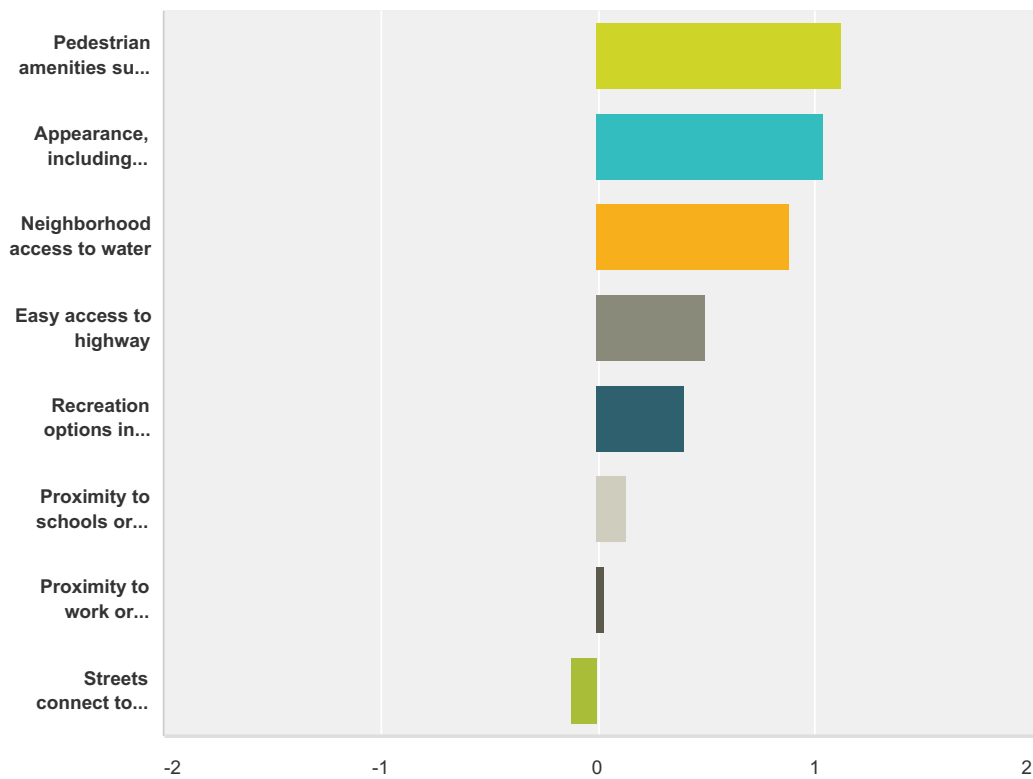

Answer Choices	Responses
Increase in traffic in your community	72.73% 304
Increase in stormwater, nuisance flooding and drainage issues	65.55% 274
Demand on other County services, such as emergency response, senior services, etc.	50.00% 209
Cost of expanding County water and sewer utilities	39.23% 164
Residential development outpacing commercial development	15.31% 64
Need for additional school capacity	8.37% 35
Other/Comments	8.13% 34
Total Respondents: 418	

#	Other/Comments	Date
1	Commercial building out pacing demand	11/12/2016 5:55 PM
2	I am most concern about the delay in the mid-county bridge. I was down there once when an emergency evacuation was mandated the day before a hurricane and it took us 8 hrs. to go from our home in the Villages at Ocean Hill to the 158 bridge. Also if anyone became sick or had an emergency, no ambulance could have reached them due to the traffic jam.	11/11/2016 12:59 PM
3	Undo County's decision to change building regs to allow ground level building on outer banks.	11/11/2016 10:52 AM
4	Uncontrolled growth without proper planning	11/10/2016 11:59 PM
5	Need health care options in Corolla	10/25/2016 8:48 PM

6	overcrowding	9/16/2016 10:29 PM
7	Corolla needs to be connected to mainland ASAP without going through Dare County.	9/15/2016 1:14 PM
8	Build more schools	9/6/2016 4:08 PM
9	Once quiet beach communigy going just the opposite and its reputation will drop rapidly!!!!	8/28/2016 5:29 PM
10	Beach erosion. As beach erodes, county revenues will erode and services will decline.	8/22/2016 5:20 PM
11	Mike Cherry is a joke and Lifeguards think he is as well. Next time hire someone who cares and isn't exploiting to make money of you.	8/17/2016 10:17 AM
12	Growth of County Government which is already too large	8/7/2016 2:39 PM
13	Volume of vehicles during summer season on 4 X 4 beach is out of control and makes traveling on beach hazardous for everyone especially emergency vehicles. Permit system should be implemented immediately. This would allow enchanced ability of law enforcement to control drivers who fail to follow rules, deliberately block beach, or damage dunes and roads with their vehiclces, or fail to obey rules designed to protect the wild horses.	7/28/2016 8:42 AM
14	large houses which become destination or event houses are s problem for many reasons and should be prohibited .	7/10/2016 9:32 PM
15	commercially development on the 4x4 beach will destroy its uniqueness and make it just another 'Jerey Shore'.	7/9/2016 1:45 PM
16	Over development	6/29/2016 10:21 AM
17	Parks, recreation, leisure activities.	6/28/2016 6:36 AM
18	Loss of the things that make Corolla and the Northern Beaches unique.	6/25/2016 10:06 PM
19	Tourism needs to be expanded to be Orr than 3 months	6/24/2016 8:40 PM
20	Loss of habitat for the wild horses in the 4x4 area	6/23/2016 7:37 PM
21	we need the mid currituck bridge built-	6/23/2016 6:56 AM
22	Uncontrolled growth with no effective plan to provide critical services such as water, stormwater management, seage disposal	6/21/2016 5:10 PM
23	Not enough year round rentals	6/21/2016 2:49 PM
24	Commercial development in the 4x4	6/21/2016 8:43 AM
25	Commercial Development outpacing residential. Good summer employees in Corolla cannot find housing and go elsewhere.	6/20/2016 10:06 AM
26	Overdevelopment of all areas. There should be a limit on the number of bedrooms allowable for a single family home construction.	6/19/2016 5:13 PM
27	We own in Ocean Sands so stormwater flooding is a major concern right now	6/19/2016 3:08 PM
28	Inadequate law/ordinance enforcement resources during summer season	6/19/2016 11:01 AM
29	Top priority on every level -- Build the Bridge!	6/19/2016 9:28 AM
30	As the population grows, as projected, the need for all services will increase. If you limit development as I would prefer the question is how to pay for services.	6/19/2016 8:34 AM
31	All of the above	6/19/2016 7:26 AM
32	Loss of open space, natural habitat	6/18/2016 2:25 PM
33	Keeping county facilities looking good.	6/18/2016 10:35 AM
34	Over development resulting in depletion of natural resources. Depletion of natural resources, esp water, resulting in demand for infrastructure at exorbitant cost and unlikely success. Ovwerdevelopment having negative impact on tourism....destroying character of area that attracts tourism.	6/17/2016 8:54 PM

Q17 What attributes make a residential community appealing to you?

Answered: 420 Skipped: 162

	No Opinion	Not Important	Important	Very Important	Total	Weighted Average
Pedestrian amenities such as sidewalks, trails or greenways	2.93% 12	10.49% 43	50.24% 206	36.34% 149	410	1.12
Appearance, including building design and landscaping	2.19% 9	14.11% 58	48.91% 201	34.79% 143	411	1.04
Neighborhood access to water	3.77% 15	20.10% 80	43.72% 174	32.41% 129	398	0.88
Easy access to highway	3.76% 15	32.58% 130	44.36% 177	19.30% 77	399	0.50

Proximity to work or commercial areas	11.45% 45	45.04% 177	38.68% 152	4.83% 19	393	0.03
Streets connect to other neighborhoods, commercial areas and side roads	9.37% 37	53.92% 213	31.14% 123	5.57% 22	395	-0.12

#	Other/Comments	Date
1	Job & recreational opportunities should be accessible for all Currituck Co. residents. Corolla residents should have access to all Currituck County resources.	9/15/2016 1:14 PM

2	Permitting someone to build a storage facility in Corolla is not a way to make the area appealing to residents or visitors.	9/4/2016 3:44 PM
3	WE CAN MAINTAIN WHAT IS ALREADY DEVELOPED, NOT DEVELOP MORE	8/23/2016 10:16 AM
4	Currituck and Corolla is well kept. Just saw new buildings by airport. They are very nice and so were the people.	8/17/2016 10:17 AM
5	Re common open spaces, some should just be open spaces without amenities.	7/10/2016 9:32 PM
6	Please don't make Corolla look like New Jersey!	7/9/2016 1:45 PM
7	No Crime.	6/25/2016 10:06 PM
8	Inter parcel access for vehicles, bikers and pedestrians should be provided with all developments.	6/25/2016 1:49 PM
9	The second choice - "The proximity to schools or recreation areas" - is a difficult one to choose as the two subjects are not related or similar to each other.	6/25/2016 10:16 AM
10	Total lack of commercial development in the 4x4 area	6/23/2016 7:37 PM
11	Those ugly Wings stores with their gaudy color scheme and unnecessarily huge size are obscene. We have two in Corolla that are directly across the street from one another, and another less obvious one at the Curr. club entrance. I have my own ideas about why the owner needs so many stores in the OBX and other coastal areas. Someone needs to investigate that guy's "financials" if you get my drift.	6/23/2016 10:34 AM
12	Learn from professionals and listen to them please.	6/20/2016 10:07 AM
13	A strong zoning code that protects the homeowner from over development within their neighborhoods.	6/19/2016 5:13 PM
14	Ability to get to where you want to go and EMT's ability to get where they they need to go too.	6/19/2016 9:28 AM
15	Buildings should blend with the surrounding natural landscape	6/19/2016 8:34 AM
16	Useless question without cost trade offs.	6/19/2016 12:09 AM

Q18 What makes a commercial development appealing to you?

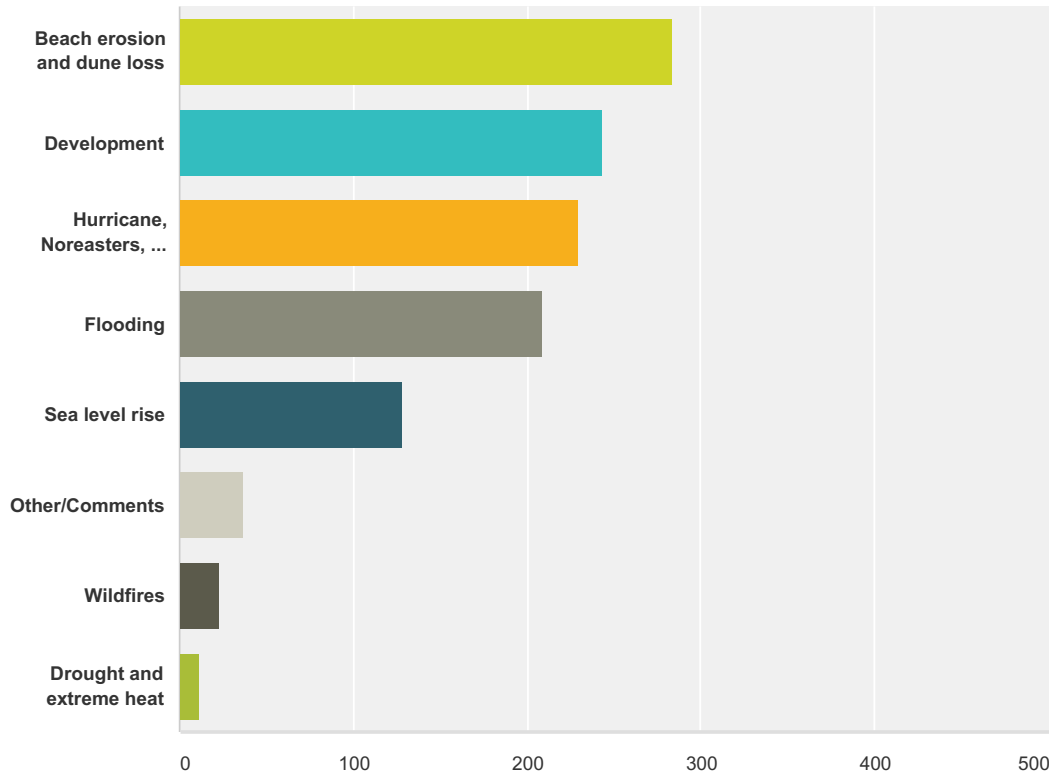

Answered: 421 Skipped: 161

	No Opinion	Not Important	Important	Very Important	Total	Weighted Average
Appearance, including building design and landscaping	2.42% 10	6.78% 28	59.32% 245	31.48% 130	413	1.15
Ease of getting around and parking	3.65% 15	7.79% 32	60.10% 247	28.47% 117	411	1.09

Q19 What do you consider to be the greatest threats to the environment in Currituck County over the next 30 years? Choose up to 3:

Answered: 418 Skipped: 164

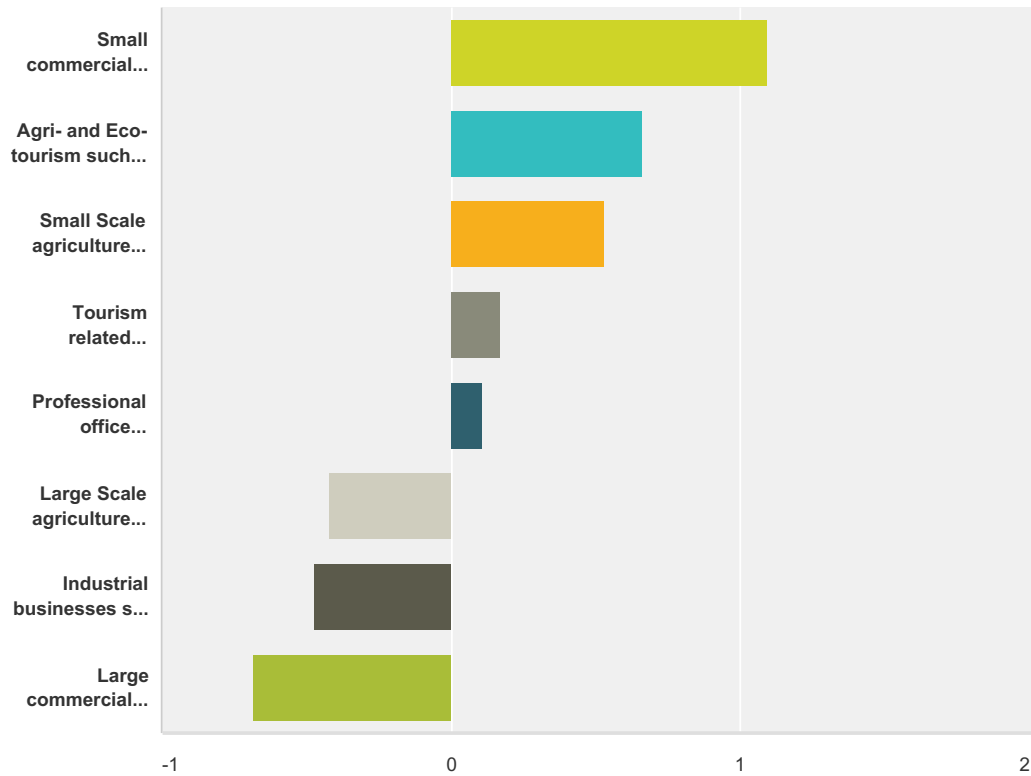

Answer Choices	Responses
Beach erosion and dune loss	67.94% 284
Development	58.13% 243
Hurricane, Noreasters, and other severe storm events	55.02% 230
Flooding	50.00% 209
Sea level rise	30.62% 128
Other/Comments	8.85% 37
Wildfires	5.50% 23
Drought and extreme heat	2.63% 11
Total Respondents: 418	

#	Other/Comments	Date
1	Large single family vacation rentals	11/13/2016 12:02 PM
2	The options listed first ARE the environment. What they threaten is human activity. We need to learn to accept and live with them.	11/12/2016 5:55 PM

3	Undo County's change in building regulations allowing building on ground level on outer banks.	11/11/2016 10:52 AM
4	lack of investment in the beachfront areas of the OBX considering the revenue it produces for the entire county.	11/11/2016 10:00 AM
5	Potential alternative energy plants wind/solar	8/22/2016 10:39 PM
6	Need beach nourishment plan. Currituck is only ocean-front county not to have a long range plan in NC.	8/22/2016 5:20 PM
7	Tacky Commercial and Residential Development that will sit vacant. Growing faster then you can control (will not happen until bridge). Creating road in 4x4 area (ocean pearl, I heard the rumors. Love it for service people)	8/17/2016 10:17 AM
8	Regulations that do not make sense and cause development to be done a certain way that may or may not make sense.	8/7/2016 2:39 PM
9	Over development of 4 X 4 area.	7/28/2016 8:42 AM
10	We need the mid Currituck bridge	7/17/2016 7:07 PM
11	Corolla does not have the public facilities in place to support the increased day/beach traffic that the MCB would bring	7/13/2016 6:00 PM
12	Development, deVeloPment	7/10/2016 1:04 PM
13	PLEASE.... Don't "Dare" Currituck!	7/8/2016 11:32 AM
14	Over development so quality of living here is lost	7/1/2016 8:57 AM
15	Traffic, Traffic, Traffic!	6/25/2016 10:06 PM
16	Need for beach nourishment	6/24/2016 8:40 PM
17	E	6/23/2016 9:31 PM
18	Over development and commercial development in the 4x4 area	6/23/2016 7:37 PM
19	Poor BoC planning in 4wd area - no strategy now - growth will come and you can not continue to leave it trashy and lawless	6/23/2016 6:47 AM
20	Wish i could have listed wildfire 3 times.	6/22/2016 4:19 PM
21	We need additional roads to sustain the growth	6/21/2016 3:49 PM
22	Amount of people	6/21/2016 2:49 PM
23	Overbuilding and depleting the fresh water supply	6/21/2016 1:51 PM
24	Day trippers on the 4x4	6/21/2016 8:43 AM
25	Over population which constricts movement and destroys the peace and beauty of the County.	6/20/2016 4:00 PM
26	Poor management by the Commissioners who live on the mainland. Should be required to have at least two from the Outer Banks on the Board.	6/20/2016 10:07 AM
27	Wild horses losing habitat; coyotes and alligators gaining habitat	6/20/2016 10:06 AM
28	again please do NOT over develop Currituck county	6/19/2016 6:42 PM
29	The Bridge!!	6/19/2016 1:06 PM
30	Excessive number of occupants in rental houses. 25 in a 5 BR house	6/19/2016 12:17 PM
31	In talking to many summer visitors the main reason they come to the Outer Banks of Currituck is the wonderful beach and family atmosphere. Also the lack of "Honky Tonk" venues as found on the beaches of Maryland and New Jersey.	6/19/2016 11:32 AM
32	Fire and other hazards from dense development and home size	6/19/2016 11:01 AM
33	Flooding is another top threat.	6/19/2016 9:24 AM
34	The single biggest threat will be over development. Storms are a constant threat but beyond our controll. Over development will only increase the impact of storms.	6/19/2016 8:34 AM
35	Actually all of these are a concern.	6/18/2016 2:25 PM
36	No bridge to Corolla	6/18/2016 4:31 AM
37	tourists	6/16/2016 4:43 PM

Q20 How should the County prioritize its efforts to encourage the following types of nonresidential development?

Answered: 419 Skipped: 163

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Small commercial businesses such as restaurant or local retail, etc	2.66% 11	9.69% 40	56.17% 232	31.48% 130	413	1.09
Agri- and Eco- tourism such as outdoor outfitters, farm to table restaurants, tour operators, etc	4.87% 20	26.28% 108	45.74% 188	23.11% 95	411	0.66
Small Scale agriculture with on-site retail	6.60% 27	27.87% 114	50.61% 207	14.91% 61	409	0.53
Tourism related businesses such as hotels, entertainment, seasonal retail, etc	2.42% 10	46.49% 192	38.74% 160	12.35% 51	413	0.17
Professional office campuses, such as medical complexes, or financial services offices	6.10% 25	43.90% 180	45.37% 186	4.63% 19	410	0.11
Large Scale agriculture production	13.15% 53	65.51% 264	18.86% 76	2.48% 10	403	-0.42

Large commercial businesses, such as shopping centers, big box store, etc	4.14% 17	82.48% 339	12.17% 50	1.22% 5	411	-0.68

#	Other/Comments	Date
---	----------------	------

1	limit traffic and congestion in off road area	11/11/2016 8:49 AM
2	Type of commercial development needs to suit location in County (farm, year-round residential, vacation rental)	8/28/2016 6:33 PM
3	Spur commercial growth, but don't dramatically change characteristic of who Currituck County is.	8/22/2016 5:20 PM
4	Trying so hard for the hotel..... Kiss the 4x4 area good by when this happens. Currituck will not need one unless bridge is built.	8/17/2016 10:17 AM
5	Tour operators in 4 X 4 area should be reduced due to increased damage to beaches and traffic both on beach and disturbance to tourist and homeowners in the residents.	7/28/2016 8:42 AM
6	Let's not loose what makes it so nice in Currituck by putting in shopping centers, big New Jersey-style beach parking lots and junk shops.	7/9/2016 1:45 PM
7	Let the market decide. You're not smart enough to make this decision -- and neither am I.	6/25/2016 10:06 PM
8	Keep all commercial development on the paved road	6/23/2016 7:37 PM
9	Most of the options apply just to Mainland Currituck County not to the Corolla/Carova footprint. Encourage our County to continue the policy of NO Hotels in Corolla/Corova: no Myrtle Beach!	6/23/2016 4:35 PM
10	Speaking of tour operators, those hummers loaded with tourists touring the 4WD area looking for the horses have gotten way out of hand. That needs to be scaled way back. Limiting hours and days of operation needs to be instituted. Safety of the beaches up there is severely compromised by car traffic as it is. I often wonder whose idea it was to make the beach a highway. Allowing driving on the beach is a bad idea on so many levels. It is somewhat equivalent to allowing airplanes to land in the middle of a playground full of kids and adults all day long.	6/23/2016 10:34 AM
11	The Horse Tours have been a nuisance and should be reined in.	6/21/2016 1:51 PM
12	Weed out the duplicates or at least do not authorize more of the same. Do we really need ten tour bus companies for wild horses...how about some crativity.	6/20/2016 3:05 PM
13	Tourist come to the OBX for what it is naturally. Commercial development will drive them away if not done properly.	6/20/2016 10:07 AM
14	Agin without access and ease of coming going and just getting around safely nothing is going to develop -- Build the Bridge!	6/19/2016 9:28 AM
15	The current population is already facing a lack of nearby professional service. Empahsis should be placed on getting more quality health care nearby	6/19/2016 8:34 AM

Q21 How should the County prioritize the following possible policies for the protection of farmland?

Answered: 415 Skipped: 167

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Require more open space in new developments in Agriculture Zoning District	21.39% 86	17.16% 69	39.30% 158	22.14% 89	402	0.66
Require very large lot sizes in Agriculture Zoning District to limit development	23.02% 93	22.03% 89	36.39% 147	18.56% 75	404	0.51
Have a Voluntary Agriculture district to educate and promote the importance of agriculture in the County	26.37% 106	25.87% 104	37.81% 152	9.95% 40	402	0.32
Have a Farmland Preservation Fund to buy development rights or conservation easements with County tax money to keep farms producing crops	21.78% 88	30.20% 122	33.66% 136	14.36% 58	404	0.32
Leave things as they are now	40.97% 152	35.31% 131	13.21% 49	10.51% 39	371	-0.01

#	Other/Comments	Date
1	Unsure on these issues	11/13/2016 12:02 PM
2	I am not sure how things are NOW.	11/11/2016 8:26 PM
3	Undo County's change in building regulations allowing building on ground level on outer banks.	11/11/2016 10:52 AM
4	Not familiar with subject	9/15/2016 1:14 PM
5	The existing UDO should be repealed	8/7/2016 2:39 PM
6	Change is good	7/17/2016 7:07 PM
7	I have no opinion because I am not familiar with the aspects of agriculture in this county.	6/28/2016 6:36 AM
8	No more mega houses that add to traffic congestion and overuse of the already strained infrastructure.!	6/25/2016 10:06 PM
9	i am not particularly knowledgeable about any of these policies.	6/25/2016 1:04 PM

10	This question applies to Mainland Currituck County goals.	6/23/2016 4:35 PM
11	Restrict development in the 4x4	6/21/2016 8:43 AM
12	Do not know the issues so will not comment	6/19/2016 9:01 AM
13	Protecting the historical nature of the County to the extent feasible is important, with development in designated areas with greater mixed-use densities.	6/18/2016 2:25 PM
14	If the County wants to stay ahead of the curve, it should encourage and incentivize an organic farming industry in Currituck.	6/17/2016 2:56 PM

Q22 Would you be willing to live in a community that supported a diversity of housing on smaller lots if you knew in exchange large areas of farmland and open space were being protected?

Total	416

Q23 How should the County prioritize the following possible growth policies for the Currituck Mainland, Knott's Island and Gibb's Woods?

Answered: 413 Skipped: 169

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Protect agriculture and rural character of the county	28.04% 113	10.67% 43	41.44% 167	19.85% 80	403	0.70
Focus new development into a pattern of communities with a variety of housing, retail and recreation options where people can live, work and play	28.03% 111	20.20% 80	36.62% 145	15.15% 60	396	0.47
Develop or redevelop areas in or near full service areas or places already served by public utilities	32.82% 129	18.83% 74	38.68% 152	9.67% 38	393	0.39
Leave it as is	47.67% 164	28.49% 98	14.83% 51	9.01% 31	344	0.04
Let market forces and property owners dictate size, type and location of development	30.93% 120	38.66% 150	22.68% 88	7.73% 30	388	-0.01

#	Other/Comments	Date
1	Leave Knotts Island as it is or make it a natural park.	11/14/2016 11:51 AM
2	Undo County's change in building regulations allowing building on ground level on outer banks.	11/11/2016 10:52 AM
3	Prevent sprawl - it is inefficent and ultimately not family friendly or enviromentally friendly	8/23/2016 3:35 PM
4	Protect the natural resources especially in the beach areas that make Currituck unique.	7/28/2016 8:42 AM
5	unfamiliar with these areas so unable to comment	7/16/2016 10:31 AM
6	Why would we want to destroy Currituck by making it just like every place else? Leave it as it is.	7/9/2016 1:45 PM

7	This last one sounds good on paper, but NOT if it involves uncontrolled growth, trailer parks next to single family homes, businesses such as tattoo parlors, Brew Thrus, Wings, Try My Nuts, Dirty Dick's Crabs, etc. these are beyond offensive and should never have been allowed. Count Gov. is not looking out for the citizens. Oh, and Headlights is an atrocity and certainly sends the WRONG message to residents and tourists alike.	6/23/2016 10:34 AM
8	I'm not familiar with the current policies or these specific areas to provide intelligent responses	6/19/2016 3:08 PM
9	Oh and Build the Bridge! And watch opportunities come their way.	6/19/2016 9:28 AM
10	The 3rd and 5th items go together. Preserve agricultural areas while promoting denser communities with access to commercial areas and other amenities.	6/18/2016 2:25 PM
11	Not familiar with these areas.	6/16/2016 9:41 PM
12	once farmland leaves it won't come back wether it's by this administration or the next or the next. the excuse is always "THINGS HAVE CHANGED SINCE THEN(whenever then was) or WE ARE CHANGING OUR PLANS/MINDS FOR THE INTERESTS OF THE COMMUNITY.	6/16/2016 4:43 PM

Q24 How should the County prioritize the following possible growth policies for the off-road area (4WD beaches) of northern Currituck Outer Banks?

Answered: 420 Skipped: 162

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Increase protection of the natural assets by limiting new residential development and restricting commercial development	2.70% 11	11.06% 45	28.50% 116	57.74% 235	407	1.33
Actively participate with other parties to purchase land for conservation/protection	10.33% 41	19.40% 77	28.46% 113	41.81% 166	397	0.93
Leave it as is	10.79% 34	25.71% 81	20.00% 63	43.49% 137	315	0.81
Restrict all development and access by having a permit system for traffic on the beach	8.00% 32	34.25% 137	21.50% 86	36.25% 145	400	0.60
Improve access by installing an all-weather access road off the beach and allowing limited commercial activity	5.32% 21	71.90% 284	15.70% 62	7.09% 28	395	-0.42
Fully develop the area by installing an access road off the beach, all-weather streets in the neighborhoods, water and sewer utilities and allowing commercial areas	6.19% 24	85.57% 332	4.64% 18	3.61% 14	388	-0.74

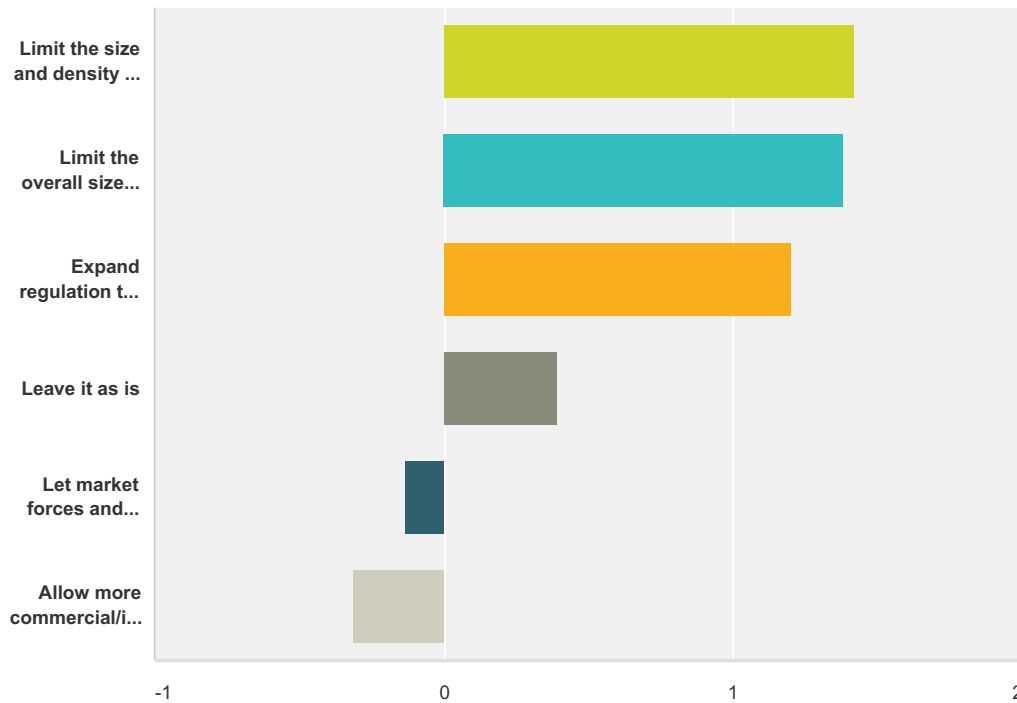

#	Other/Comments	Date
1	Permits would create a revenue stream for county and restrict traffic in 4x4 -area that can not accommodate the traffic they are seeing currently	11/28/2016 12:33 AM
2	NO COMMERCIAL DEVELOPMENT IN THE 4WD AREAS !!!!!!!	11/14/2016 7:37 AM
3	Already too many vehicles and development for the off road area.	11/13/2016 8:51 PM

4	Institute a \$50 daily access permit for non-residents / non-renters. Give 70% of that to protect the flora and fauna.	11/13/2016 6:51 AM
5	Permit County pumping of excess rain water to the sea year round to alleviate the flooding.	11/11/2016 11:06 AM
6	Prioritize or limit access to Currituck Co. residents. A permit system is potential source of income for the county.	9/15/2016 1:14 PM
7	We need to limit more development to protect the wild horses.	9/4/2016 3:44 PM
8	WE MUST PRESERVE THE NATURAL BEAUTY WE HAVE TODAY AND NOT DEVELOP ANY MORE.	8/23/2016 10:16 AM
9	ultimately this area must be fully developed but the county infrastructure costs would be excessive unless major bond initiative could be somehow offset by projected revenue. frankly, i'd rather spend currituck bond money on a road and infrastructure here than spending money to deposit sea-sand onto beaches. so much open land still in the 4WD area that now would be time to consider private airpark site there, long enough for jet aircraft.	8/22/2016 5:01 PM
10	The last two buttons are bad. 1.) you can group restrict all development and permit system together. You still need controled development. Currituck should have permitted the 4x4 area 5 years ago when Cape Hatteras National Sea Shore permitted. It would not be as bad if the day trippers limited. Also the money for the area would be insane. \$50 a week and \$5 goes to horse fund. Majority would be fine with it. 2.) Actively particpate to protect? The dark side of land swap was that now its much easier to build road. Its very easy to see county wants road and the hotel up there.	8/17/2016 10:17 AM
11	The 4WD beaches are the most unique parts of the county. Don't ruin them with any commercial development.	7/9/2016 1:45 PM
12	If the Mid-Currituck bridge ever goes in one of the sacrifices that will be made is an increased in the amount of use in the 4WD area, which includes abuse. Which means that with the bridge, eventually the 4WD area will be access "By Permit Only"	6/28/2016 6:36 AM
13	Commercial development will ruin the 4X4. Over developing will destroy the reason go there in the first place - because it is NOT like everywhere else on the east coast. And then there's the wild horses. They are the #2 tourist attraction next to the beach. They are already being developed out of existence. Can there not be be ONE place left that is not developed to saturation?	6/27/2016 1:17 PM
14	One all access road with 4 wheel roads connecting. Prohibit vehicles on beach it is dangerous. Manage growth to single home lots of large size.	6/26/2016 3:37 PM
15	Leave the 4 wheel drive area as it is	6/26/2016 9:37 AM
16	Not an easy issue to wrestle with. We need to maintain the character of the off road areas, but the heavy hand of local government is likely to encourage perverse, undesirable and unanticipated results.	6/25/2016 10:06 PM
17	Keep all commercial development off the 4x4 area. Limit residential size	6/23/2016 7:37 PM
18	There needs to be a paved and fenced access road to west of dunes. Provide parking areas and low profile overpasses for pedestrians and horses to access the beaches. The number of 4x4 trucks on the beaches on weekends are out of control and extremely hazardous.	6/23/2016 10:42 AM
19	I like the idea of a permit system. In that way you could limit the size of the tourist crowds on the beach greatly improving their beach experience, their safety, and the year round residents' inconveniences and problems caused by unlimited access.	6/23/2016 10:34 AM
20	improve access by installing an all-weather road off the beach , add water and sewer. restrict all commercial development.	6/23/2016 10:21 AM
21	wild horse tours are out of control. they have no respect for home owners or for tourist. sooner or later it will blow up in county and the county and taxpayers will have to clean it up. while the tour owners move on with millions of dollars in ther pockets. then the county officials can explain that to all curituck residents	6/23/2016 7:01 AM
22	Leave it as it is is the worst option - it is going to grow and we need to make it as nice as Pine Island	6/23/2016 6:47 AM
23	Believe a combination of improved access and limited/managed development will preserve natural assets and improve traffic safety along beachfront.	6/22/2016 4:19 PM
24	Do Not remove horses, maintain wildlife, especially wild fowl habitat! Restrict access to off road by permit! Do not allow paved roads! Resist realtor pressure to expand off road	6/19/2016 12:41 PM
25	Preserve the "off road" feel and expand the wild horse domain. If the herd can increase, land area will be required. The residents built there with the understanding that this was a remote location without the development that has ruined some other areas.	6/19/2016 9:24 AM
26	Infrastructure and property values will not be adequate if this area is developed leave it as is	6/19/2016 9:01 AM
27	There is already more development on the island than the infrastructure can support, especially in an evacuation. Future development should be dense and confined south of the off-road area. Don't make Currituck the Jersey or Maryland shore.	6/18/2016 2:25 PM

28	The off road beaches seem to be on the road to destruction. Historically, limited access has been dismissed, development has been without restrictions (other than commercial restriction), and although tourism has been a wonderful success, it has gone forth without (enough) regard to the environment, the daily stress on the life and on the habitat of the wild horses, and the beach communities. There is no reason why tourism can not be both successful and respectful. I think we need to start to focus on educating our tourists to show some respect before it becomes self destructive.	6/17/2016 8:54 PM
29	Don't see that a permit system goes hand in hand with development. Would still like to see a permit system, at least in the summer time, because the North Beach is absolute chaos in the summer.	6/17/2016 2:56 PM
30	Need to capture the value of this area that represents half of Currituck's ocean beaches	6/17/2016 8:24 AM
31	i know you want to help with these surveys but you think you can "control things" as the county grows. you really can't/or won't due to outside interests, that's just human nature. but please hold onto the wild areas (please realize i live in the 4 wheel drive area) as long as is possible because it is needed for the future of the county, storm protection, beauty of nature, water rise protection and of course the n.c. state wild horses.	6/16/2016 4:43 PM

Q25 How should the County prioritize the following possible growth policies for the Corolla area of the Currituck Outer Banks?

Answered: 419 Skipped: 163

	No Opinion	Not a Priority	Priority	High Priority	Total	Weighted Average
Limit the size and density of new residential neighborhoods	2.19% 9	10.22% 42	22.87% 94	64.72% 266	411	1.42
Limit the overall size of vacation rental houses	2.42% 10	12.59% 52	18.89% 78	66.10% 273	413	1.38
Expand regulation to protect open spaces/natural resources and natural assets	3.16% 13	11.92% 49	37.96% 156	46.96% 193	411	1.20
Leave it as is	12.77% 41	38.01% 122	21.50% 69	27.73% 89	321	0.39
Let market forces and property owners dictate size, type and location of development	4.30% 17	61.27% 242	21.01% 83	13.42% 53	395	-0.13
Allow more commercial/institutional development to support residents and visitors	3.70% 15	66.91% 271	22.72% 92	6.67% 27	405	-0.31

#	Other/Comments	Date
1	Some area houses are the size of hotels and they are one after another in line. Not appealing for a rural beach atmosphere.	11/11/2016 4:31 PM
2	Undo County's change in building regulations allowing building on ground level on outer banks.	11/11/2016 10:52 AM
3	beach erosion is the most important issue facing the entire viability of the entire County, it directly funds 90% of everything. The golden goose needs to be protected.	11/11/2016 10:00 AM

4	I'd like to see small high density housing options with common natural space to support year-round, working class residents to support what already exists.	11/11/2016 9:02 AM
5	Oversized houses and density of development are destroying the character of Corolla.	11/10/2016 10:02 PM
6	No motels or hotels	10/25/2016 8:48 PM
7	I would like to keep corolla quiet and local, encouraging local business to grow and expand. i am against more regulation	10/10/2016 3:05 PM
8	No high rises	9/16/2016 10:29 PM
9	Limit future developments until County infrastructure can support more development.	9/9/2016 1:45 PM
10	Adequate commercial in appropriate locations, and limit vacation rental homes to 10-12 bedrooms.	8/28/2016 6:33 PM
11	Focus on owner occupied homes. Not renters and rental homes...the transient population doesn't have a long term vested interest in the community	8/24/2016 5:48 PM
12	The size of homes is a political tinderbox but the growth is out of hand and is destroying the character of the outer banks and harming the natural resources. It must stop. And I own two rental homes. If the size had been restricted year ago we would all compete for rents on an equal basis rather than each year having to build bigger and better. Home prices would be much more stable--not contingent upon who has the largest structure with the most size and most modern gadgets.	8/24/2016 11:01 AM
13	Tweak and enhance the path we are already on. No dramatic additions to development or pulling rug from under existing home owners.	8/22/2016 5:20 PM
14	We have owned rental properties on the Outer Banks for over 40 years. I feel strongly that the large housing developments have changed the charm of the Outer Banks.	8/22/2016 4:18 PM
15	If commercial development comes, just make it tasteful. A hotel would be a kiss of death to the area. Don't make it Kill Devil Hills/Nags Head aka North Myrtle Beach.	8/17/2016 10:17 AM
16	The attractiveness of the area is being undermined by the traffic, over-crowded beaches, and overgrowth of tacky commercial entities. The charming, small-town character of Corolla is long-gone and it's a loss.	8/3/2016 8:13 PM
17	better late than never to implement better restrictions on development	7/16/2016 10:31 AM
18	Developers' self interests are the biggest threat to the 4WD beaches.	7/9/2016 1:45 PM
19	Corolla is what Corolla is. Visitors come to Corolla year after year, generation after generation because it is what it is and that in itself is a testament to its beauty. Why would anyone in their right mind think better to destroy that reasoning for some foolish idea of increased development?	6/28/2016 6:36 AM
20	Corolla is over developed as is. Need to make it a beautiful destination nautical town center	6/26/2016 3:37 PM
21	Not an easy issue to wrestle with. We need to maintain the character of the Corolla area, but the heavy hand of local government is likely to encourage perverse, undesirable and unanticipated results.	6/25/2016 10:06 PM
22	Commercial development should be limited to facilities for activities and dining for tourists. We don't need anymore shopping centers.	6/23/2016 10:42 AM
23	The eyesores of our community are the monster Wings stores. The jewel is the entire Whalehead Club complex, as well as our Library. We definitely could use a Senior Center, the rapid completion of the Greenway to the county line, more police presence during crazy tourist season, regular patrolling of the beaches to minimize tourists' digging huge holes and leaving them, shooting off fireworks, driving on the beach by the chair and equipment rental trucks, tourists stealing No Swimming flag, swimming in rip currents, fishing adjacent to bathers, removal of dead Dolphins, turtles, etc.	6/23/2016 10:34 AM
24	build the mid-currituck bridge ASAP	6/23/2016 6:56 AM
25	Corolla is killing itself through continued development of any remaining open areas. I believe the community has reached its effective capacity. Any and all development needs to be more tightly controlled/limited.	6/22/2016 5:44 PM
26	Market forces dictate the needs of a community and the commercial growth necessary to support those needs, but those forces must be tempered with keeping the essence of the community intact.	6/22/2016 4:19 PM
27	as long as Corolla is the paved area and not the 4x4	6/22/2016 8:49 AM
28	need to combine tourism, short term rentals with concepts of sustainability	6/20/2016 10:10 AM
29	The mammoth homes currently being built on Rt. 12 are out of control, would like to see more restaurants and a medical facility	6/19/2016 3:08 PM

30	We need the mid county bridge from mainland to the ocean side.	6/19/2016 1:17 PM
31	stop over development	6/19/2016 11:30 AM
32	Build the Bridge -- Why don't we build the bridge? To continue to make it difficult for tourist to get to Corolla? Folks traveling hours from Ohio, WV Pa think they have arrived but not really -- Then it takes hours to actually get to their vacation home. In the men time folks traveling in on 64 trough Manteo no problem why they have bridges.	6/19/2016 9:28 AM
33	Market forces and property owners cannot drive future development decisions. Their financial goals will most likely be at odds with conservation priorities	6/19/2016 8:34 AM
34	There needs to be traffic considerations with development of the North beaches.	6/18/2016 11:08 PM
35	Its important to limit that amount of land that is consumed by permitting equivalent densities on more compact spaces. Commercial could be combined with residential, especially affordable workforce housing for people who work on the island and have to commute daily to the mainland.	6/18/2016 2:25 PM
36	Already too crowded in summer, don;t let it get worse, expand the season	6/17/2016 8:24 AM

**Q26 Are there any specific areas in which
you think the County should
consider creating new public facilities such
as parks, libraries, senior centers, etc.?**

Answered: 134 Skipped: 448

#	Responses	Date
1	4x4 area could use some parks	11/28/2016 12:33 AM
2	Designate the 4X4 beach as parkland.	11/14/2016 11:51 AM
3	N/A	11/13/2016 12:02 PM
4	senior centers	11/12/2016 7:46 PM
5	No	11/12/2016 5:55 PM
6	I am only familiar with public facilities in Corolla. A public park for kids would be nice.	11/12/2016 5:13 PM
7	No	11/12/2016 1:49 PM
8	Harris Teeter area or Food Lion shopping center	11/12/2016 7:59 AM
9	I am not sure what areas are available so cannot comment.	11/11/2016 4:31 PM
10	no	11/11/2016 12:59 PM
11	Senior center in Corolla...	11/11/2016 12:41 PM
12	Yes. Restrict Oceans Sands development into current "open" areas, converting some to the parks, entertainment, service centers you seek. Flooding is worsened by excess blacktop roads and cement pads for too many homes.	11/11/2016 11:06 AM
13	Undo County's change in building regulations allowing building on ground level on outer banks.	11/11/2016 10:52 AM
14	Dog park in Corolla; and a better diversity of restaurants for locals.	11/11/2016 9:13 AM
15	Improve storm drainage. Global warming will increase the extremes in our weather in the future.	11/11/2016 9:11 AM
16	School in Corolla; small rec center with diverse hours in Corolla open to all community members	11/11/2016 9:02 AM
17	Flooding in Corolla and Ocean Sands needs to be addressed soon.	11/11/2016 8:12 AM
18	public indoor swimming pool, recreational center for all ages including Sr and more Parkland with public transportation	11/10/2016 11:59 PM
19	More bike paths, running paths in Corolla	11/10/2016 10:58 PM
20	Add a Catholic Church to the Corolla area or reinstate the multi-denominational church with weekly catholic services at the Corolla chapel	11/10/2016 8:50 PM
21	Corolla. If there was better access to infrastructure including schools or a better commute to currituck schools/libraries we would move to corolla full time	11/10/2016 8:47 PM
22	not at this time	11/10/2016 7:34 PM
23	No	10/29/2016 12:55 PM
24	I'd like to see more medical services (urgent care, community hospitals, etc...) in the Corolla area. I'd also like to see an alternative route / bridge in and out of Corolla to the mainland without goign through Dare county	10/10/2016 3:05 PM
25	We plan to retire in Corolla and as far as we know, there are no services for the elderly on the northern beaches.	9/16/2016 10:29 PM
26	Amphitheater	9/15/2016 1:14 PM
27	Corolla needs a center such as a YMCA	9/11/2016 9:32 PM
28	An air up/air down county facility is needed at the entry to the 4WD area north to Corova. This must not impact the Villages at Ocean Hills in it's location.	9/11/2016 11:15 AM
29	Corolla	9/9/2016 1:45 PM

30	The County should expand library access to less served areas (like Corolla) by funding use of the digital library OverDrive network to link all libraries. This way residents and students will have access to digital resources in all libraries in Currituck (and many beyond).	9/6/2016 4:34 PM
31	Whalehead Club Park is a wonderful asset.. Partner more with Audubon to teach and provide recreational facilities that protect the environment.	9/5/2016 11:44 AM
32	Corolla needs a center for senior citizens activities. Right now we have to rely on the mainland for activities. We need a bigger library.	9/4/2016 3:44 PM
33	This should be taken into consideration in connection with the MidCounty Bridge construction. In conjunction with this project, how can public facilities be created that would include trails, parks, docks, etc.(think Golden Gate bridge and the parks / trails that exist under it!) that would essentially include / connect the Lighthouse Village, Whalehead Park, etc.	9/4/2016 11:39 AM
34	Need child playground in Corolla	9/3/2016 9:13 AM
35	No	8/30/2016 8:47 AM
36	Pine Island area	8/25/2016 6:54 AM
37	I do not know.	8/24/2016 11:01 AM
38	A NATURAL PARK OFF THE BEACH AROUND THE WILD HORSES WOULD BE NICE!	8/23/2016 10:16 AM
39	The bicycle path continued south of the new path along Route 12 in Corolla.	8/22/2016 10:16 PM
40	no	8/22/2016 7:51 PM
41	A few more public access on ocean beaches. More parks on mainland sound beaches. Manage development while better planning for threats to our unique natural resources - the sound and the Atlantic Ocean.	8/22/2016 5:20 PM
42	UNC Wind and Waves campus with the Army Corps engineers site in Duck. get federal military to "cleanse" the site then turn over portion to State/county. lots of potential in all this wasted space.	8/22/2016 5:01 PM
43	More parking for public beach accesses.	8/22/2016 4:53 PM
44	Wherever they feel it most useful	8/22/2016 4:39 PM
45	No	8/20/2016 6:49 PM
46	Bridge!	8/20/2016 3:30 PM
47	Facilities are pretty good in Corolla. Since you are directing traffic to Whalehead beaches to park, maybe install bathhouses. Those beaches were much more crowded this summer in the parking areas. Which is fine, but I think a facility would be a nice touch. The new lighthouse facilities are very nice.	8/17/2016 10:17 AM
48	No. Better use what you have.	8/7/2016 2:39 PM
49	Whale Head, this is such an under utilized asset if the county, also the 90 acres of land the county owns across from Corolla Bay	8/7/2016 2:08 PM
50	Re-consider senior services.	8/7/2016 12:21 PM
51	An emergency road in 4x4 area after the tragic death of a 5 year old yesterday. Only for use by emergency services and property owners, not daily tourists,	8/1/2016 8:54 AM
52	Open spaces in the paved road areas of Corolla for more vacationers to enjoy. More public beach parking with bath houses.	7/28/2016 8:42 AM
53	Corolla	7/27/2016 5:25 PM
54	on the Outerbanks, more fire protection, emergency services, additional deputies , an additional library - maybe operation of a "book mobile in summer months , or establishment of several "tiny little libraries" throughout the community Also more park areas and a daily rate, public swimming pool would all be very desirable. Of these, most critical are the emergency services, fire protection and sheriff deputies	7/10/2016 9:32 PM
55	Urgent care facility and pharmacy needed in Corolla.	7/10/2016 6:34 PM
56	Planetarium	7/10/2016 12:45 PM
57	Not on the 4WD beaches, please!	7/9/2016 1:45 PM
58	Corolla	7/6/2016 4:16 PM
59	beach access parking with restrooms	7/6/2016 2:02 PM

60	DESPERATELY NEED AN ACCESS TO THE SOUND. THE ONLY RAMP IS TOO SHALLOW TO USE. A place to have meetings and exercise facility is needed.	7/2/2016 12:41 PM
61	Senior Center Activities in Corolla	7/1/2016 4:55 PM
62	Full time Fire and Medical services in Corolla	6/29/2016 10:21 AM
63	North Corolla a sound Side access park in area near ocean sands	6/28/2016 8:16 PM
64	The whole area across from the Lighthouse. From the Library south to the Laundry wash facility.	6/28/2016 6:36 AM
65	corolla	6/27/2016 2:19 PM
66	No	6/26/2016 1:04 PM
67	No. We need better roads and sidewalks. The horrible traffic situation on Route 12 MUST be addressed!	6/25/2016 10:06 PM
68	No	6/25/2016 2:49 PM
69	no	6/25/2016 1:04 PM
70	Need a plan for vehicular/pedestrian safety in the off-road area	6/25/2016 9:31 AM
71	County should not be involved	6/24/2016 8:40 PM
72	Corolla	6/23/2016 9:31 PM
73	Senior center in Corolla.	6/23/2016 8:10 PM
74	No	6/23/2016 3:30 PM
75	See above comments - Corolla Residents Senior Center. Long promised but never done. Public parking lot for Curr. Club beach goers-also promised but never done.	6/23/2016 10:34 AM
76	corollacounty	6/23/2016 7:01 AM
77	With growth coming - more bathrooms / showers are needed in 4wd area ... 1 toilet facility in 11 miles is a joke. People leave the county some "buried treasures" under the sand and these beaches are becoming filthy.	6/23/2016 6:47 AM
78	Parks and Public open space is a good use of public funds. Where practical I prefer the county support central water/sewer and storm water management.	6/22/2016 9:30 PM
79	none	6/22/2016 8:19 PM
80	Corolla needs a , community center.	6/22/2016 4:19 PM
81	Support for medical facilities and senior focused facilities	6/22/2016 12:58 PM
82	MOYOCK	6/22/2016 8:49 AM
83	Corolla needs a.community center.	6/21/2016 4:33 PM
84	Enhance the Whalehead Club park area, with bathrooms, and more picnic areas.. Leave the Wildlife center as is, or add more classes for the children during summer months. Add a senior center, incorporated into the library and office complex in Corolla	6/21/2016 3:49 PM
85	NO	6/21/2016 3:13 PM
86	A large playground for all age kids would be ideal, Kids need access to sports, Corolla needs a facility that would be free to Corolla kids.	6/21/2016 2:49 PM
87	Corolla could really use a senior center as there are more and more people retiring there. Our library could also be expanded.	6/21/2016 2:40 PM
88	Keep the majority of the public facilities on the mainland	6/21/2016 8:48 AM
89	More lifeguards and lifeguard stations on the beach.Do away with the three hundred pound sheriff deputies on three wheel bikes running up and down the beach.	6/20/2016 3:05 PM
90	The Currituck Outer Banks could use a library and more County services.	6/20/2016 11:49 AM
91	No opinion	6/20/2016 10:30 AM
92	Corolla could use a senior center	6/20/2016 10:10 AM
93	If bridge comes I sense Carova will get developed before county can do much to stop it so having plans for more schools and senior center might be a good idea...	6/20/2016 10:06 AM

94	Corolla needs medical services	6/20/2016 8:48 AM
95	NA	6/20/2016 8:31 AM
96	None.	6/20/2016 7:42 AM
97	Encourage small pocket parks and other mixed use facilities	6/19/2016 4:10 PM
98	In Corolla, I don't see a need for any expanded public facilities.	6/19/2016 3:08 PM
99	The bridge landing in Corolla needs to be completed. There is absolutely no reason not to complete it and would be totally irresponsible not to build it as soon as possible.	6/19/2016 3:00 PM
100	Better beach access and parking Parks in Corolla area Continue building pedestrian / bike trail	6/19/2016 1:25 PM
101	Senior services in corolla	6/19/2016 1:06 PM
102	Those in corolla who desire senior services can go to either Baum Cyrus in KDH or drive to Maple. Every time a featured service is provided attendance falls off rapidly. We who moved here did so desiring the rural, rustic environment.	6/19/2016 12:41 PM
103	Mainland. Do not waste money for seniors on box.	6/19/2016 12:17 PM
104	Would like Corolla to remain as exclusive as possible, but would like easier access. Some additional commercial development would be nice but isn't necessary. Would really like to see storm water issues resolved.	6/19/2016 11:41 AM
105	No	6/19/2016 11:35 AM
106	Corolla needs more library space and more senior services than can be serviced in a small room in the library location	6/19/2016 11:12 AM
107	Corolla residents need a library that is close by - can use Dare county but need to go over to the Mainland to sign up - should just be able to use Dare county	6/19/2016 11:03 AM
108	Build more walkways.	6/19/2016 10:57 AM
109	Corolla	6/19/2016 10:49 AM
110	no	6/19/2016 10:29 AM
111	Corolla, especially senior services and an expanded library.	6/19/2016 10:21 AM
112	Water, sewer, and flooding issues should be high priority in Corolla	6/19/2016 9:41 AM
113	Mainland	6/19/2016 9:24 AM
114	Corolla	6/19/2016 9:06 AM
115	No	6/19/2016 9:01 AM
116	Public Restrooms & parking with beach access for visitors that live further from the beach and have long distances to walk/drive.	6/19/2016 8:58 AM
117	Enhance sound front access on outer banks. Find more opportunities to develop eco friendly walkways.	6/19/2016 8:34 AM
118	No	6/19/2016 8:22 AM
119	All of the above, Corolla should be able to care for its residents without them having to go to Kitty Hawk/ Kill Devil Hills for seevices. Library, Park, Senior Centers, Small Hospital/Urgent Care Facilities are needed along with a Elementary School for Corolla/Corova Area	6/19/2016 7:42 AM
120	Parks and recreational areas	6/19/2016 7:39 AM
121	Don't know enough to comment.	6/19/2016 5:57 AM
122	Need a senior Center centrally located	6/19/2016 1:33 AM
123	No.	6/18/2016 11:51 PM
124	Corolla	6/18/2016 2:57 PM
125	Frisbee golf course in corolla or carova	6/18/2016 10:35 AM
126	Corolla	6/18/2016 4:31 AM

127	There needs to be a new County building in Corolla. The current Satellite office is pathetic. The library is a joke. Even the sheriff's deputies hate the satellite office. There also needs to be a community center, whether that's designated as a senior center or otherwise. For all of the money that Corolla funnels to the County I think that it is a crying shame that the county offices are so shoddy, the library (which is frequently used) is so small and that there is no place building for the community to use for meetings, events, recreation, etc. The library doesn't cut it. I think the County should be ashamed of itself for letting this situation go on for as long as it has, particularly when it is spending \$50 million on ball fields where there is little prospect of economic return and there has been a ton of money spent on CCRC which has been completely wasted. And, don't get me started on the YMCA....	6/17/2016 2:56 PM
128	Gym or YMCA near Corolla	6/17/2016 10:55 AM
129	Need a community center in Corolla	6/17/2016 8:24 AM
130	Corolla	6/17/2016 8:00 AM
131	Corolla	6/16/2016 9:27 PM
132	A park for the Corolla Community (like Duck's boardwalk over the wetlands?) with a community center to serve everyone + playground for children	6/16/2016 8:56 PM
133	there are plenty now on obx and the locals and tourists are trying to kill the sound as fast as possible. may seem funny but more enforcement of existing rules(more deputies, sherriff dept enforcers,and rangers) would help greatly. basically now they just control flows and people instead of stricter enforcement of laws and policies. they do what they can but can't take time to be everywhere. not just tourists but locals also need policing as examples to others.	6/16/2016 4:43 PM
134	Corolla	6/16/2016 11:12 AM

Q27 Please generally describe your dislikes, likes, and how you imagine Currituck County in 20 years.

Answered: 233 Skipped: 349

#	Responses	Date
1	Love CAROVA ! Increased traffic over the last few years make it no longer safe for children. I go to the VA border to protect my children. Restricted access would stop the jeep clubs from tearing up our streets and "wheeling". Instilling a permit system would generate revenue for the county and help to control the over crowding. Access has to be a steep price: \$50-75 per car for the day/ \$200 for the week/ \$1000 for annual pass. The increased revenue can help to maintain the roads and improve areas. Proper road maintenance to prevent the flooding issues we just had would be nice. We need to stop the massive "single family" homes that don't have to meet commercial code or regulations. Properties will over a certain number of bedrooms should require commercial code like fire surpression.	11/28/2016 12:33 AM
2	Hurricane Matthew flooded parts of Currituck County in 2016. Unless those in charge of the development opted-in to become a stormwater district - those of us who were flooded needed to hire private contractors and gain state permitting in order to pump millions of gallons to the ocean. County assistance was not available to us. This should not be a development by development option. It should be mandated all across the county so that ALL are eligible for county services should they be needed.	11/26/2016 2:40 PM
3	Dislike not being able to get around during the summer months due to excessive traffic. Envision an increase in development on the west side of the proposed mid currituck bridge if it is built. Please Build the bridge!	11/16/2016 10:02 PM
4	Dislikes: traffic in the Summer, water and sewer systems without alerts to allow homeowners to know when there is an issue before getting a \$3000 bill!! Likes: Not as commercialized like the Nags Head area, more areas like Whalehead where tourists can gather for a local festival/music	11/16/2016 12:35 PM
5	Corolla should have very limited growth of regular size rental houses. NO mega houses!	11/15/2016 2:11 PM
6	I am very concerned residents and tourists will be driven away by increased commercialism and greed. The character of the 4X4 beach will be destroyed by development. It would be a shame to turn the area into another Myrtle Beach.	11/14/2016 11:51 AM
7	NO COMMERCIAL DEVELOPMENT IN THE 4WD AREAS!!! ANIMAL PROTECTION AND ADVOCACY NO MID COUNTY BRIDGE	11/14/2016 7:37 AM
8	Build the Mid-Currituck bridge	11/13/2016 9:22 PM
9	Would like to see more care given to Corolla. Protection of trees from disease, prevention from mosquitos, maintenance of neighborhood streets, and storm water upgrades. Very much like the privacy, but we need the bridge to be built to allow for better traffic flow on Hwy 12.	11/13/2016 8:51 PM
10	Poor ground water and flooding issues, too big vacation homes, traffic issues. Better access to RT 12, mid county bridge is very important. More retail options	11/13/2016 12:02 PM
11	The traffic problems need to be addressed. The flooding issues that people are facing need to be fixed.	11/12/2016 7:46 PM
12	I'd like the county to buy development rights for the remaining undeveloped land in Corolla thereby limiting traffic growth.	11/12/2016 5:55 PM
13	I like the open spaces that are left between sections in Ocean Sands. I think more developments in Corolla should be built with open spaces like Ocean Sands.	11/12/2016 5:13 PM
14	I dislike the severe flooding that has lowered property values and increased owners costs for flood restoration	11/12/2016 2:08 PM
15	Traffic and congestion has dramatically increased over the past 13 years. Land needs to be protected, not developed.	11/12/2016 1:49 PM
16	Like single family min weekly rentals in Corolla. Like wide swathes of undeveloped spaces. Traffic congestion alleviation needed. Plan for Access to emergency svcs. Priority planning to address regional flooding due to hurricanes and other catastrophic weather events.	11/12/2016 8:56 AM
17	Like areas where sufficient entertainment and services are within walking distance of rental/vacation properties.	11/11/2016 8:26 PM
18	I realize change happens but there needs to be a steady hand not to overdo the growth and keep the pace of change slow.	11/11/2016 4:31 PM
19	Flooding. A huge problem in Crown Point. Let's get in fixed for good.	11/11/2016 4:22 PM

20	I would hope it would maintain it's charm and character with improved access via a mid-county bridge	11/11/2016 12:59 PM
21	Love living in Currituck County and look forward to reasonable growth in the future.	11/11/2016 12:41 PM
22	Believe RT 12 needs at least one added lane to be two-way when needed to summer months to ease seasonal Renters' entry and exit traffic. Two lanes would be preferred but possibly the expense and lack of property for that may be prohibitive.	11/11/2016 11:06 AM
23	I'll be gone in 20 years, but I would hope that the county will recognize the vast diversity of the needs of the citizens on mainland, Knott's Island and Northern Banks. It is a very odd situation.	11/11/2016 10:52 AM
24	Need flooding addressed in Corolla in any growth plan. If you cant better control the flooding, stop the development and runoff.....	11/11/2016 9:58 AM
25	I am worried to death about the Mid-Currituck bridge - it would empty out right in our subdivision.	11/11/2016 9:13 AM
26	I imagine a second crossing into Corolla to decrease traffic. I also expect the mainland to grown but would like to see the coastline protected from too much growth. I don't want our beaches to be over run by tourists any more than they already have been.	11/11/2016 9:11 AM
27	Again, we value the importance for safety to have a bridge connecting the mainland to Corolla!	11/11/2016 8:52 AM
28	We need the mid county bridge with reasonable tolls. Rt. 12 is choked with traffic and people avoid this area because of traffic.	11/11/2016 8:12 AM
29	A bridge, no hotel homes, sewer in Whalehead, drainage for storms	11/11/2016 8:04 AM
30	I am afraid the county will be too densely instructed with not enough Public Access recreational ,Park, Public Access , handicap access, beach access. I would like to retain as much room atmosphere as possible and eliminate the flooding it and water availability issues	11/10/2016 11:59 PM
31	Need more affordable housing for employee during high season....	11/10/2016 11:36 PM
32	Would love to see Corolla remain single family homes/rentals with private beach access as it is now. No hotels or public beaches. No mega mansions. Not overly developed. It's charm is not being overpopulated with franchise chain stores and restaurants. Being for family vacations and retirees.	11/10/2016 10:58 PM
33	The county has allowed event houses to locate anywhere. Communities have no way to maintain the quality of life they built a home here. The extreme amount of tourism completely alters the lifestyle your home was purchased for, ex. The Currituck Club was built as a residential retirement community, but it is now a rental community. The caliber of renters has significantly changed since the hurricane several years back when Realtors moved them to our area due to nonavailability post storm. The tourists are much more crass and care less about the area.	11/10/2016 10:50 PM
34	Traffic issues are dislike. The family atmosphere and less commercial properties (large hotels and high rise condos).	11/10/2016 10:49 PM
35	Summer people are complaining that the natural unspoiled character of Corolla that drew them to vacation here years ago has changed to the point that they are looking elsewhere to spend their vacations. That and the volume of traffic in the peak months has become saturated.	11/10/2016 10:02 PM
36	Need to address the flooding problems in Ocean Sands, Corolla	11/10/2016 9:38 PM
37	1. Improve stormwater management to minimize local flooding conditions after storms. 2. D	11/10/2016 8:50 PM
38	Traffic is a nightmare now, but I fear once the bridge goes in there will be too many day trippers and over crowding on the beaches. This will cause a decline in the rental market and housing values thus harming the tax base. If the bridge goes in, better public facilities must be added and the sheriff must enforce towing from developments and streets where there is no on parking allowed to reduce frustration of owners and renters. I do not want to see large hotels or high rise condos go into corolla.	11/10/2016 8:47 PM
39	the outer banks will look like the jersey shores which will be a shame and is losing its charm	11/10/2016 8:41 PM
40	will be even MORE overcrowded than now. it is TERRIBLE to do this to our beautiful area !!	11/10/2016 7:34 PM
41	Retain northern OBX environment. Allow controlled growth.	10/29/2016 12:55 PM
42	I never want to see Route12 a four lane road. Yes traffic is heavy in the summer but not unbearable. Adding more lanes will only make it more difficult to exit from our communities on to Route12. Let's keep the nostalgia of the beach. I don't see Duck, NC ever allowing a four lane road, why does Currituck County seem so intent on having one?	10/27/2016 10:35 PM
43	Love the rural area, enjoy seeing new waking, jogging, bike trails. Beach access and parking, awesome job. Need access for sound side communities to beach by bike or walking. Need for drainage for storm control or flooding controls. Need for a better or additional emergency evacuation routes, I.e. New bridge.	10/16/2016 5:23 PM

44	I love the expanded greenway for bike and pedestrian access. I like the private beach access for neighborhoods and public beach access in county designated spaces. I'd like to see wider roads with larger shoulders.	10/10/2016 3:05 PM
45	Much like it is today, but w/ better infrastructure such as sewer in the rental house neighborhoods like Pine Island	9/26/2016 8:33 PM
46	Fast track the damn bridge	9/21/2016 8:17 AM
47	There should be no more building of mega houses EVER. The ones in the new section of Pine Island are really hotels and should be classified and taxed accordingly.	9/20/2016 8:55 PM
48	We love the family friendly, quiet atmosphere of Corolla as it is. We would also like to have better access to medical care, evacuation routes, and public schools. While we want the bridge to be built, we are afraid it will change our beaches. We DO NOT want to be like VA Beach or Myrtle Beach!	9/16/2016 10:29 PM
49	I like the rural aspects of CC. The biggest thing we need is the mid-County bridge. This should be the most important thing for everyone in Currituck and Dare counties.	9/16/2016 4:47 PM
50	Currituck co. has done a great job handling growth in Corolla. Please continue to preserve natural resources & maintain rural character of mainland. Corolla & mainland need to be connected sooner rather than later so they can support each other's economies & resources.	9/15/2016 1:14 PM
51	I would like it to keep the family atmosphere with limited commercialization. Corolla desperately needs to address traffic issues along Rt 12	9/11/2016 9:32 PM
52	Your challenge is to balance appropriate development and services provided with preserving the environment. Also, the addition of a second bridge into Corolla seems critical to effective evacuation and public safety.	9/11/2016 11:15 AM
53	Traffic is the biggest detriment facing the Corolla area. Until the bridge is built I believe we will see a decline in the popularity of Corolla as a vacation destination area. Without the bridge everything else is mute. We are quickly becoming an unpleasant place to be in June, July, and August.	9/9/2016 1:45 PM
54	What I like most about Corolla & points north (the parts of Currituck I've known for 25 years) are: 1. the wide, clean beaches with vegetated dunes. 2. enforcement of the ordinance that prohibits visitors from leaving their cabanas & junk on the beach overnight. 2. the fact that you can walk away from development north of Ocean Hill 3. expansion of bike paths & pedestrian walkways over the past few years. 4. Building of Timbuck II a number of years ago, giving us more local shopping/dining options. What I dislike most are: 1. Mega-mansions replacing regular-sized houses 2. Growing traffic congestion (car & tour trucks) in Corolla and on the beach to the north 3. Loss of habitat for wildlife (horses are long gone from Corolla and now there are way fewer foxes too) 4. The threat that a massive wind farm might be built off Corolla, obstructing views and disturbing marine and bird life. In imagining Currituck 20 years out, I am optimistic. I imagine more County regulation of residential housing, putting limits on the of development of hotel-like structures. I imagine a community with more social/recreational/shopping opportunities as small local businesses get preferential treatment in commercial building over national chains. I imagine county investment in greenways, walkways, bike paths and public transport options. I imagine the county requiring that the wind farms stay invisibly offshore and demanding proof that they won't change migration patterns of marine and bird life.	9/6/2016 4:34 PM
55	Like everything as is but would like to see local schools and senior residential homes.	9/6/2016 4:08 PM
56	Provide the mid county bridge to give labor a chance to work on the beach yet maintain moderate housing on the mainland. Love the rural area as a respite from the Washington DC area. Encourage environmentally friendly energy use, i.e solar, wind. etc.	9/5/2016 11:44 AM
57	No commercial development in the 4X4 area, acquire as much land as you can in the 4X4 area for use by the wild horses. Stop allowing these huge multi-bedroom houses and calling them single family homes when they are really mini hotels. Expand the bike path through all of Corolla. Add more parking areas by the south beach access. No building of storage units in Corolla. They will not fit in the character of Corolla and I can't see them being of much use to residents or owners.	9/4/2016 3:44 PM
58	The most disappointing aspect is the complete lack of public transportation to get visitors from Norfolk airport / Newport News train station to Corolla. Ideally, a shuttle to Corolla which could include ferry from Moyock - Coinjock area to Corolla would be ideal until MidCounty bridge complete. Lack of transportation alternatives forces all visitors into cars which is a compounding factor to the overloaded OBX roads.	9/4/2016 11:39 AM
59	how sad it would be if development continues and the open , natural beauty that is being lost to development is allowed to continue,, the area will become just another common , indistinguishable tourist area. placeslike virginia beach, myrtle beach which all look alike, same type shops,crowded beaches, a person could be blindfolded and brought to one of those type placesand would would find it very difficult to identify where they were by what they see around them.	9/2/2016 8:12 PM
60	The county should embrace it's natural beauty and minimize development to small, holistic, and well thought out growth plan to create a comprehensive county that doesn't over-commercialize the region and drive away the very people that Currituck attracts with it's rural feel.	9/1/2016 5:04 PM

61	Very pretty area but afraid it is getting more congested traffic and people	9/1/2016 2:29 PM
62	Dislike continued development (for example, loss of Audubon preserve for Pine Island Reserve-atrocious) Like uncrowded beaches, ease of shopping Mid-county bridge would be a major asset	8/30/2016 8:47 AM
63	I see it becoming over crowded, loss of rental property values and a need to sell and move out.	8/28/2016 5:29 PM
64	overcrowded in the summer	8/26/2016 10:29 AM
65	I would like to see more walking/biking paths on Rte 12 in Corolla. The completion of the bridge would be great. Limited development of homes to protect the wildlife.	8/25/2016 6:54 AM
66	Protect what is there. Limit growth. Discourage transient rental population; they overly tax the community and detract from the long term value	8/24/2016 5:48 PM
67	It is primarily a beach vacation community. All efforts should be made to protect that setting. Roads, the new bridge, etc as well as protecting the dunes is essential.	8/24/2016 11:37 AM
68	Like the natural beauty and ocean Fear and dislike the erosion of the dunes and beaches--or greatest treasure. I would hope that somehow there could be an overall Master plan for the entire Outer Banks that would protect and make consistent the overall care of the land and structures and strictly limit growth. For the mainland I would hope that it is also developed in a consistent way with protection of natural resources , the bay farmland etc. and giving the folks there who work on the outer banks an easier time getting there and back. Also access to quality health care and decent shopping centers where they can make a one stop shop.	8/24/2016 11:01 AM
69	They just need another access to get in and out of Corolla, build the bridge and they will come.	8/23/2016 5:13 PM
70	The beaches are becoming like Daytona. Commercial enterprises treat the beaches like highways & warehouses for their own profit. People come to the Outer Banks for a quality of experience. They can go to crowded beaches nearer to home. And, at these beaches motorized vehicles aren't allowed. So, you should consider: should a few businesses profit or should the reputation of the entire County tourism industry be paramount for everyone's good.	8/23/2016 3:35 PM
71	Similar to the way it is now. Local vendors. Limit on big box stores. Majority of single family homes. Tourists travel to area for the week and not just weekend or day.	8/23/2016 10:32 AM
72	WE NEED TO PROTECT THE NATURE WE ALREADY HAVE AND CLEAN IT FURTHER	8/23/2016 10:16 AM
73	I like how family oriented the vacation industry in Corolla seems to be and would like to keep it that way.	8/23/2016 9:17 AM
74	Growth is not always beneficial. The outer banks are unique and do not be spoiled by further development.	8/23/2016 8:46 AM
75	Disband HOAs in the county. Allow property owners to protect their property as they see fit. Respect property owners land and their rights as owners. Increase law enforcement.	8/22/2016 10:39 PM
76	would like to keep residential character without heavy industrial presence.	8/22/2016 7:51 PM
77	Currituck is beautiful and should be maintained and kept in excellent condition to handle the increase in population in the future, not to add large and commercial properties to the natural landscape which would change its character. This needs to be planned judiciously and appropriately as the population changes. It needs to add funding to maintain the beaches to ensure the dune integrity to protect what exists and to protect the homes, sound and fresh water supply.	8/22/2016 6:46 PM
78	Currituck needs to be more forward thinking in blending preservation of natural resources in future, managing growth in a controlled way, while preserving the unique character of Currituck County. New blood and ideas will help re-focus priorities in what is a very exciting next couple of decades for our county.	8/22/2016 5:20 PM
79	Currituck County must have a bridge to bring in labor to the beaches. The county must protect the dune system. All is lost if the dunes are breached/broken	8/22/2016 5:08 PM
80	new bridge. wider route 12 north. better traffic flow on 158 on weekends as that is HUGE downer to attitudes of tourists coming in and out of the Outer Banks...and we need them. huge wildfowl conservation area.	8/22/2016 5:01 PM
81	The County Administrators will have to work very hard to allow controlled growth to improve the coastal county region while preserving its character. The Mainland is a different set of challenges to encourage growth, jobs, and general economic improvement while maintaining its rural character. Consider an in season "water taxi" concept to provide easier round trip for workers from the mainland to the coastal region. Same ferry could transport vacationers to more attractions / businesses on the mainland.... especially if there a north south shuttle system along 158 and the right kinds of businesses there. This would spread the wealth, ease congestion, and expand the visibility of the county to visitors.	8/22/2016 4:53 PM
82	Overcrowded!	8/22/2016 4:39 PM

83	Much of 158 has the look of distressed, abandoned properties. Give incentives to year round businesses to build and maintain facilities along the corridor. The 4wd area in Corolla must be addressed. Too much development already, which must be addressed by controlling dangerous traffic on the beach/providing emergency response channels in all weather. Unless development is curtailed, permanent access needs to be addressed and the bridge needs to be built. There are lovely developments in Corolla, with adequate retail businesses to support the seasonal tourism. If the Mid-Currituck bridge becomes a reality, care needs to be taken that the potential for explosive development is kept in check. In 20 years, I would like for the mainland to be a vibrant, viable place to live, for those who work in industries that are not 100% tied to tourism/building and maintenance of vacation homes. The bridge would be incentive for more full time residents to move to Corolla, thus supporting the retail businesses who suffer in the off-season. Would make it easier for those businesses to hire employees, closer to schools and medical care for families.....so many reasons for the bridge. Charge huge tolls for seasonal use, but offer major discounts off-season and to any residents who use the bridge to commute.	8/22/2016 4:25 PM
84	Concern over large vacation rentals approaching the size of hotels - yet not required to meet safety requirements of a hotel	8/22/2016 3:48 PM
85	Variety of housing development including senior retirement/nursing homes on the mainland and commercial development with limited commercial development on the OBX. Limit the large mega-houses in Corolla? Keep commercial and mega-mansions from being developed on the 4x4 area!	8/21/2016 6:09 PM
86	The fate of the Mid Currituck Bridge will have a large impact on the entire county. I pray that it will not ignite unrestrained development of Corolla and the 4WD area.	8/21/2016 3:50 PM
87	Seclusion is good.	8/20/2016 6:49 PM
88	Bridge!	8/20/2016 3:30 PM
89	Similar look to what we have in Corolla in 4x4 area. Commercial development up there is going to happen and when the 1st place comes its done. Please just regulate it tastefully. If that one guy is going to develop his land in 4x4, county might as well buy land next to it. Make it the "hub" of the 4x4 area. Similar to a Timbuck II/Monteray Shores Complex. Its right in the middle of beach. Please no hotels. Please.	8/17/2016 10:17 AM
90	The traffic is terrible and the huge SAGA homes are destroying the character of the community. The care and maintenance of these homes impacts the rest of the community.	8/13/2016 11:08 AM
91	Government regulation has gotten to be a huge burden. The citizens are to the point of revolt about the UDO, the time it takes to get simple things done, young inexperienced administrators making decisions affecting longtime land holders and similar issues. Good companies avoid Currituck because of the reputation of the politics and the difficulty of getting approvals. Not opinion, but fact. The economic development director is a waste of tax money unless he has experience in economic development. What has economic development done and was it worth it? If the County would go back to respecting property rights, growth will happen. In any event growth will come and the government will be forced to change by the new constituents.	8/7/2016 2:39 PM
92	All I know is the Corolla area. In a variety of interactions with County officials, I remain particularly pleased with their willingness to listen/discuss/negotiate acceptable solutions. I fought hard against incorporation and voted against a combined government. Future growth may require an additional layer of government but I am particularly pleased with the status quo for now.	8/7/2016 12:21 PM
93	We'd like to think that the Corolla area of Currituck County would continue to be a desirable vacation destination for families that focus on the beaches. The area would also have adequate supporting businesses to include village-like areas with unique restaurants, quality grocery stores and tasteful shops (NO Wings or schlocky souvenirs) that would better enhance Corolla as a well balanced, relaxed community atmosphere to strengthen Corolla as a desirable vacation destination.	8/3/2016 8:13 PM
94	People are terrorizing the horses chasing them around and trying to touch them, we need a toll for non residents, the beach is being destroyed.	8/1/2016 8:54 AM
95	It would be nice if the county could preserve the farmlands, open space, and the beach area from over development. The area has gotten so crowded in the last 25 years. Please limit the construction of large condos, townhouses and villas on the beach and large development on the mainland that destroy farms and forests.	7/28/2016 7:47 PM
96	Dislikes: don't look like the Jersey Shore! Likes: Provide services, shopping, housing & commercial development to have a year round population in Corolla & Off road	7/27/2016 5:25 PM
97	if we could look back 20 years and see what has been with regard to development on the north beach 4x4, do not want to see that happen or multiply in 20 years, more conservation and smaller homes, please	7/20/2016 8:18 AM
98	Worry about over building in Corolla, with no new road improvements.	7/18/2016 10:54 AM
99	The bridge will determine what the area will become.	7/16/2016 12:22 PM

100	Retain the area's serene, attractive, uncrowded charm to which people can escape. Keep it different from the rest of the over-developed beach areas in the country.	7/16/2016 10:31 AM
101	I do not like the large houses that now function as overcrowded mini hotels.	7/15/2016 4:55 PM
102	Please stop allowing the 20 bedroom mega rental houses, those really take away of the charm of Currituck county.	7/13/2016 8:30 PM
103	I do not like the idea of MCB - it should never be funded or built	7/13/2016 6:00 PM
104	More of the tax revenue from the Outerbanks need to be spent on the Outerbanks,	7/10/2016 9:32 PM
105	The mid-county bridge is in, and that access allows Corolla restaurants and retail stores to be open year round. In addition, the bike path has been extended from Southern Shores to Ocean Hill. And, most importantly, the 4WD area and the wild horses remain protected.	7/10/2016 6:34 PM
106	hope there isn't a bridge, Corolla remains remote and quiet.	7/10/2016 12:45 PM
107	Hopefully, we will not be asking "What were we thinking back in 2016," when we decided to commercially develop the most unique part of the county (4WD beaches) into just another Jersey Shore. Remember that these are the Outer BANKS - not the BANKS for a few wealthy, uncaring, developers.	7/9/2016 1:45 PM
108	As you develop your plan, please keep in mind the Currituck mainland and OBX are very special places, which is why people come here to vacation and to live. People who want "more" will go to Dare and those wanting less in the way of commercialism and infrastructure will migrate to Corolla. The Mid Currituck will change that on both sides of the bridge and I hope that commercial and residential development is carefully managed and kept "in check" when that time comes, so that Currituck can remain the beautiful agricultural, natural paradise that it currently is.	7/8/2016 11:32 AM
109	Build the bridge.. Please	7/7/2016 9:36 AM
110	I am concerned that we are over developing this fragile ecosystem. This is an area that should be conserved and maintained as pristinely as possible. Maintaining that you habitat is important with educational programs for youth which incorporates knowledge of climate change and the importance of preserving this beautiful area.	7/6/2016 9:38 PM
111	Would love a new bridge	7/6/2016 4:16 PM
112	I fear that the bridge is going to change everything that is unique about Corolla. I see crowded beaches and the loss of the family beach atmosphere.	7/2/2016 12:41 PM
113	Love Currituck in the off season. Love the local foods. Hate the idea of the bridge.	7/1/2016 4:55 PM
114	I would like to see Corolla stay pretty much as it is with some added amenities no commercial development on the 4x4 beaches and health care closer than Kitty Hawk	7/1/2016 10:48 AM
115	If 168/158 development and access is not managed to keep traffic moving safely, I believe it will negatively impact the efforts to maintain and grow tourism in Corolla. Future major developments in Corolla should be required to have an affordable housing option in place for staff. We are now dependent on the foreign workers during season but desperately need local and American workers but with lack of affordable housing here, it is almost impossible to properly staff a business. Should the bridge be built, a toll reduction for local workers would be very helpful.	7/1/2016 9:15 AM
116	Do not over develop. Attraction is the rural, remote feel.	6/29/2016 10:21 AM
117	A family destination. Less crowded and more full time retirees	6/28/2016 8:16 PM
118	The dislike is that Corolla will evolve into mini Jersey Beach with easy access created by building the mid-Currituck Bridge. That bridge changes everything, including the reason that our visitors come here year after year and many have for generations. Residents live in Corolla, retire in Corolla and purchase Real-estate in Corolla because of what Corolla is. It is a disrespect to what Corolla is and those that are permanent residents. The landscape of Corolla will change forever with that bridge and we will never get it back. Sure, maybe visitors can arrive to their destination a few hours earlier... but it will no longer be a place that they want to come, because it will not be Corolla anymore. It will be an extension of Virginia Beach or of something else... but for sure it will not be "Corolla" anymore. That will be lost. What will be lost is one of the few remaining beach outposts in the country... lost to some developers quest of financial gain. A developer that lives somewhere else and has no care of the residents who occupy someone's distorted view of improvement.	6/28/2016 6:36 AM
119	Commissioners have done a great job. Now, should be very careful how growth is managed.	6/27/2016 3:07 PM
120	corolla much more accessible now that a bridge has been built and thriving tourism in that area	6/27/2016 2:19 PM

121	I have great fear that in 20 years, the wild horses will live like those on Ocracoke. If development is not carefully controlled and responsible, Currituck County will look like every other tourist destination. Crime will increase. Traffic will be even more of a nightmare than it is already and you will have fewer and fewer permanent residents in Corolla. I have watched them leave over the last 10 years and new permanent residents are not replacing them. Corolla will be a town of tourists and the what made Corolla and the 4X4 beaches unique will be a thing of the past. It is happening already.	6/27/2016 1:17 PM
122	Over population is what I fear in the 4x4 area.	6/26/2016 1:04 PM
123	If things continue on their present trajectory, the beach areas in Currituck County will look like the Maryland beaches and the Jersey Shore. What a waste of a beautiful natural resource that will be.	6/25/2016 10:06 PM
124	Build the mid-county bridge! Traffic is horrendous. I'm surprised visitors to the beaches haven't already stopped coming.	6/25/2016 4:33 PM
125	Traffic is a real problem. No relief in sight.	6/25/2016 2:49 PM
126	Growth is inevitable, but smart growth is a MUST! any new development in the beach area should be considered in-fill, and developers should be responsible for all costs associated with new properties, including road improvements, intersection improvements, and connectivity for bikers and pedestrians.	6/25/2016 1:49 PM
127	I have a home in the off-road area that is not a rental. I hope that the look and feel of the off-road area today is maintained or improved. I love the remoteness of the area and the variety of wildlife and vistas. I hate the day-trippers who rip up the beach, leave trash, drink underage, and use the dunes as lavatories. My vision for the area is to maintain the private residence/rental market, prohibit commercialization, and limit non-resident/renter access to the beach via a permit system. As far as the county as a whole, I see signs of welcome commercial development but sustained agricultural activity along Caratoke Highway; I would hope that balance could be maintained in the future. I believe the County would benefit significantly if the Mid-Sound bridge actually gets built; frankly, the traffic on the highway and on Route 12 North is a deterrent to many people I know who would otherwise vacation in that area. It would be very beneficial to the Outer Banks residents and guests to be able to easily get to the mainland to shop, go to restaurants, and otherwise spend money during visits or vacations if the bridge were present.	6/25/2016 1:04 PM
128	More tax money needs to be directed to beach like beach nourishment, occupancy taxes should be 100 directed to the area that earned it.	6/24/2016 8:40 PM
129	Corolla does not need any more development!	6/23/2016 11:13 PM
130	For all the tax dollars taken in by the county on the Outer Banks, very little is re-invested on the Banks. Been coming here for 20 years, and little has been done by the county to improve the area.	6/23/2016 10:43 PM
131	Quaint and manageable traffic with a bridge from corolla to the mainlanf	6/23/2016 9:31 PM
132	There are already too many houses in Corolla that are too large which has created too many problems. This survey is way too late. Corolla is now too damaged to ever be the paradise again that it once was and could have been forever.	6/23/2016 8:10 PM
133	I would like the 4x4 area to remain mostly undeveloped. I would like the County to help the Wild Horse Fund by enforcing the laws and helping grow the herd.	6/23/2016 7:37 PM
134	Need to complete the bridge to Corolla to ensure tourism and safety issues are addressed as a priority.	6/23/2016 5:00 PM
135	Controlled growth for Corolla/Carova that prioritizes the conservation of wildlife and natural resources. In 20 years I and my family do not want to turn around and find that we live in "Myrtle Beach North."	6/23/2016 4:35 PM
136	See all comments above. Dislikes: Additionally things like high density housing, event houses, tacky souvenir shops and signs, not requiring business permits and not requiring restrictions, unlimited growth in the name of progress, beach crowding, beach erosion, beach litter, litter along 12, the County not protecting the residents's interests over those of the almighty tourists. They just do not get that the area's appeal is its beauty, beaches, family atmosphere, quiet lack-of-Boardwalk, non- Myrtle Beach feel. And tourists have always been willing to put up with changeover day traffic jams in order to get here, instead of speeding down I95 to get to those other areas. And my advice to the County and tourists alike? DON'T DESTROY WHAT YOU CAME TO ENJOY! This part of the OBX is so special and we need to keep it that way. In 20 years: I would love to see The Corolla area become more a year-round residential area. Unless people can get permanent jobs, though, that is unlikely. The County needs to make that happen.	6/23/2016 10:34 AM
137	the county must get control of the horse tours and start a permit system on the 4wd beaches or the beaches will continue to be destroyed sooner or later tourist will stop coming to corolla simply because the 4wd beaches are to dangerous	6/23/2016 7:01 AM

138	The states and county rely on tax dollars generated by rental homes yet we are driving renters away due to the hours of traffic it takes to get on the island. There are safety concerns for evacuation when people look at the hours it takes to get on and off the island. The last "surprise" hurricane could have had deadly consequences. The mid currituck bridge is a necessity that needs to be built-now. I really dislike the mega houses that are being built. I love that Southern Shores said no to them. Let's not become an Atlantic City. let's stay a beach community.	6/23/2016 6:56 AM
139	Fix the infrastructure and make Currituck a wonderful place to live. With its proximity to the Tidewater area, Currituck could become more than just a beach and farmland area. There are soooo many options on how to proceed (with tangible examples from other communities), but we seem to make decisions due to reactions versus having a vision and planning.	6/23/2016 6:47 AM
140	I like a strong rural economy. Parks and open space must be included in all development. Transportation and a connection from the mainland to Corolla is a requirement. I don't like the NIMBY attitude, and the fight against central water/sewer and storm water management.	6/22/2016 9:30 PM
141	I love the way the county is run by an excellent board of supervisors. Do not let the county become a city!!!	6/22/2016 8:19 PM
142	I am really opposed to the mid county bridge. I think the real purpose of this bridge is development driven by a few larger corporations/property managers. The so called traffic control issues and evacuation issues being used to justify the bridge construction could be more cost effectively addressed by improvements of route 12 in combination with better flood control/storm water management. Also, development in Corolla has peaked. If allowed to continue, the bridge will not relieve traffic issues, it will only add to an even greater influx of people far exceeding what the Corolla area can manage without further environmental and social impacts	6/22/2016 5:44 PM
143	If the mid-county bridge comes in I see small commercial/hotel growth along the highway and increased employment for locals on both sides of the bridge; a boon for both employees and employers. I also see light industry development if the corridor is built. Dislike is the slow recognition of the need for professional fire/EMS personnel to augment aging volunteer forces which already exist in Corolla and Knotts Island.	6/22/2016 4:19 PM
144	Prohibit commercial development on the 4x4 beaches. They are our last bastion of natural resources.	6/22/2016 11:41 AM
145	If it so chooses, Currituck County could become an example of a place that is resilient and sustainable by resisting the forces of development that suck revenues out of the county and overwhelm needed local services and infrastructure. Or it can become Myrtle Beach.	6/21/2016 6:25 PM
146	Currituck County has never looked to manage growth and development on the Outerbanks. Very little services have been provided over the past 20 years except for allowing the local developments to create water and sewer districts to tax themselves to pay for needed utility infrastructure such as water and stormwater management. The county has allowed uncontrolled residential and commercial growth to the point of the area becoming overcrowded. Residential homes now have 15 or more bedrooms. Developers keep building more commercial retail with no guidance on the appearance of the buildings. The northern outerbanks at one time had a special appearance but now it is more like NJ beach community. The County has allowed massive growth but does not provide sufficient lifeguards to match the crowded beaches not have sufficient paid professional firefighters to protect the massive homes that have been allowed to be built. Homeowners have not been heard by the Board of Supervisors over the past 30 years.	6/21/2016 5:10 PM
147	The beauty of the outer banks is the non commercializations . If we plan to protect the wild horses we need to allow space for them. Large event houses in residential neighborhoods should not be allowed!	6/21/2016 4:33 PM
148	Infrastructure is lacking in the Corolla area. Too many large rental homes with multiple cars traveling on the only access road RT 12 from Kitty Hawk to the end of the beach road and beyond to the 4-wheel drive area. Visitors are disgusted with the congestion and lack of accessibility, not to mention the full time residents. If permitting is to continue and more properties are going to be developed some thought must be given to roadways for this development. Density is a real problem in Corolla, and our area is unique in this respect. Dare County does not have the roadway issues that Corolla has.in Currituck County. Our County Commissioners must take corrective action to upgrade this desperate issue. Our Fire and Rescue Crews depend on access to do their jobs promptly and save lives.	6/21/2016 3:49 PM
149	no commercial development in 4x4 area, permits to get onto beach and a parking area for visitors to 4x4 beach, prohibiting of jeep rentals to tour 4x4 area. Single family homes - no apartment complexes - no hotels	6/21/2016 3:13 PM
150	The additional bridge is essential for emergency exit and to cut traffic from Kitty Hawk to Corolla. But the benefits will be erased if development of beach properties is allowed to escalate to the point that roads are clogged again. Presently, one doesn't drive to or from the Outer Banks on a Saturday in season; this problem needs correcting.	6/21/2016 2:59 PM

151	The 4x4 beach has become over run with day trippers, it's become hazardous to residents and beach goers alike. The horses and wildlife suffer from rules being broken by visitors. The beach roadway (water line & dune line) are often blocked with beach goers who don't follow the rules of the beach. There needs to be more signs to keep off the dunes, where to park, not to feed approach or touch horses etc...the police don't do enough to enforce the laws on the beach, making it difficult for residents to navigate their way up and down the beach. Too many visitors go "off roading" in the residential area looking for horses, invading the privacy of residents, tearing up the roads in the residential areas, not following traffic rules, stalking and feeding horses, leaving large amounts of trash behind. The visitors on the 4x4 have gotten out of control. Too many cars, no where to drive without the risk of people in the way, large holes being dug and left, beach pop up tents and chairs and volleyball nets left on the beach overnight, large amounts of trash left on the beach, remnants of food left on the beach, crazy drivers in huge off road vehicles speeding up and down the 4x4 and now this summer a new company renting dune buggies for the off-road beaches. If something isn't done to cut back on the amount of day trippers and fisherman on the 4x4 I'm afraid that there won't be any beach left and people will start getting hurt, the horses are already suffering and becoming habituated. Water fowl are constantly being run over and left dead on the beach. Permits and law enforcement of the beach rules is greatly needed!!! Not to mention the quality of water on the 4x4 during prime season!! We need help up here in a BIG way!	6/21/2016 2:49 PM
152	Greatly appreciate the expanded sidewalk along Route 12. Would like to see Corolla developed more like Duck-- with a real town center and strict regulation of commercial building design. Would also like to see a Currituck Sound boardwalk built (similar to Duck) with restaurants and shops along the sound. The area needs an outdoor theater/concert facility, public park, a resort/convention center, a community center and/or senior center, and a small medical treatment facility. Paid daily parking may eventually be necessary for the public beach. If commercial development is allowed in the 4WD area, it should be very limited and developers should be required to build infrastructure for roads, sewer and water treatment. Any 4WD Development should include a public pier and Wild Horse Museum facility.	6/21/2016 2:40 PM
153	I believe the county must address a service road in the 4WD area to divert commercial and thru traffic off of the beach AND there should be a paid permit system for anyone who is not a property owner or anyone who is not renting property in the 4WD drive area immediately until a service road is provided to allow travel for service/construction folks to access this final "sand road" area. I think this will generate revenue for the county to then put in a service road. I think the County Commissioners generally ignore the beach communities but squander funds from that tax base or utilize them elsewhere besides the area that is paying a lot of the freight to carry the county.	6/21/2016 1:51 PM
154	I would not be happy if corolla turned into nags head.	6/21/2016 8:53 AM
155	No commercial development and no hotels in 4WD area. It is a truly unique area whose real estate value and tax value will continue to increase. Limit...not block... access to beach for daytrippers so beach is not a continuous row of parked vehicles. Provide trash collection center in Corolla area such as in Corova and Granby. ..	6/21/2016 8:53 AM
156	I would love to see everything on the Peninsula stay pretty much the way it is. Keep the development and "city" on the Mainland	6/21/2016 8:48 AM
157	The beauty of the 4x4 is dwindling. There is too much development and NO commercial development should be permitted nor should the event houses be permitted. There should be a permit system in place for beach travel. In 29 years without control the 4x4 will end up like every other place with no unique horses or wildlife.	6/21/2016 8:43 AM
158	Uncontrolled expansion without limits on vacation homes in terms of size and density, without enforcing common open/green space will make the outer banks unattractive to both visitors and residents alike. It's all about making money without concern for the environment which had made the outerbanks so special.	6/20/2016 4:00 PM
159	To many decisions are made, without input...things get tabled and then are passed at late session months later. Surveys could be used more.	6/20/2016 3:05 PM
160	I hope that the County can maintain it's friendly, family oriented tourism and avoid the plague of overbuilding and commercialism that has destroyed other beach communities.	6/20/2016 11:49 AM
161	Maintain current style and mix of development; build mid-county bridge.	6/20/2016 10:30 AM
162	A place where environment is highly valued, the outdoor opportunities are appreciated and used and the economy is sustainable	6/20/2016 10:10 AM
163	Worried about who is watching over this special place.	6/20/2016 10:07 AM
164	Everyone who happens upon Corolla Village raves about it. Whatever it has (small houses/small lots, dirt roads, big park, water access, small local business, year round residents ?) should be aim for beach development if possible... Also, feels like if somehow affordable summer housing isn't made available (mandate on developers, county run YMCA in Corolla as youth hostel?), commerce will implode.	6/20/2016 10:06 AM
165	The commercial development is downright ugly. PLEASE look to Nantucket for zoning that protects the character of the place. PLEASE!	6/20/2016 9:51 AM
166	Would like to see the beauty of the area preserved	6/20/2016 8:48 AM

167	Over the past 20 years the Corolla area is slowly losing it's unique identity and becoming more and more like the beach fronts of its northern neighbors. The priority should be to limit further development while supporting gradual improvement of the infrastructure.	6/20/2016 8:31 AM
168	infrastructure is not keeping up with allowed development. Either stop development OR improve roads, bridges, water, sewage	6/20/2016 8:14 AM
169	Building the mid-Currituck Bridge. Increased property values.	6/20/2016 7:42 AM
170	Pumping stations and/or lake management to address flooding. Dune replenishment. Such an eroded beach over the 12 yrs we have owned here. stop the noisy ice cream trucks coming through streets btw dinner and bedtime, Too loud and disturbs sleeping children. Question where that ice cream money goes Ramp accessibility to beach for our handicapped friends/family.	6/19/2016 11:55 PM
171	Build the mid Currituck County bridge and charge \$\$ each way for better traffic flow and emergency evacuation. Don't allow large hotels in Corolla. Keep it as nice as it is now without all of the big city craziness. People enjoy getting away to quiet beaches, even when the bridge is built the feel of Corolla should remain the same.	6/19/2016 10:08 PM
172	Love the natural scenery. Do not want more development or housing developments in Corolla. No amusement parks, tacky boardwalks...	6/19/2016 9:43 PM
173	We appreciate having grocery and retail shops nearby, but really dislike the density of growth that has developed in the last 20 years. The mega-houses use lots of resources, and many tourists are not careful with the natural habitat.	6/19/2016 7:37 PM
174	I hope Currituck County looks pretty much the same	6/19/2016 6:42 PM
175	To retain the laid-back lifestyle that is so appealing to today's visitors to the seashore, and to hold back on the over development efforts promulgated by the county government.	6/19/2016 5:13 PM
176	I will not be around in 20 years, but it would be nice to think that the county could protect the open areas and limit growth and traffic, while continuing to provide the best services. good luck with that one.	6/19/2016 4:58 PM
177	Develop infrastructure, build the bridge, open up the 4WD area, but all in a smart, planned, and environmentally friendly way	6/19/2016 4:10 PM
178	The mid-Currituck bridge is a high priority to reduce traffic on Route 12 and 158. I'd really like to see some type of medical facility (maybe in cooperation with the Outer Banks Hospital) in the Corolla area. Would like to see neighborhoods have connecting walkways/bikepaths. Kudos for the walking/bike path along Rt 12 in Corolla, fantastic job on that project.	6/19/2016 3:08 PM
179	I won't be here.	6/19/2016 3:05 PM
180	There needs to be an additional means to leave the area in the event of a hurricane. The failure to take action now could result in a catastrophic event.	6/19/2016 3:00 PM
181	We are very concerned that the north beach areas will allow additional big box retailers and become a primarily commercial area taking on the appearance of Myrtle Beach or the New Jersey Shore.	6/19/2016 2:24 PM
182	Due to limited space on the Outer banks, the focus should be on preserving the beach, improving traffic flow and enhancing the tourist nature of the area	6/19/2016 1:56 PM
183	Dislike the Corolla area becoming too commercialized	6/19/2016 1:25 PM
184	dislike fact that additional access to northern Outer Banks via new Currituck has been planned but postponed for several decades	6/19/2016 1:08 PM
185	No bridge!!	6/19/2016 1:06 PM
186	Love this place, it is paradise ! No need for government regulations or expensive services. People who seek or need those urbanize type service should not move here or remain! A larger more modern library, a civic building for gatherings would be appreciated. County employees are courteous, responsive and capable. Greenway is wonderful and being extensively used. Approval of stormwater service district was the right thing to do.	6/19/2016 12:41 PM
187	Small or medium houses on box. Mcb in place. Low number of permanent residents on box. Better educated and productive farmers on mainland.	6/19/2016 12:17 PM
188	Would love to see the mid bridge to Corolla. This will allow the area more access and use year round. Currently much of the area closes down part of the year. Tourism and homebuyers would increase with better accessibility. Would attract more families with children to make Corolla their permanent home.	6/19/2016 11:54 AM
189	Better traffic, better drainage, still beachy and quaint!	6/19/2016 11:41 AM
190	In 20 years	6/19/2016 11:32 AM

191	stop over development to avoid floods	6/19/2016 11:30 AM
192	We like the current character of the county with expansive farms, lots of wildlife, great beaches, and lots of recreation. We hope for reasonable solutions to the Corolla storm water flooding problems.	6/19/2016 11:22 AM
193	I like the quiet atmosphere of Corolla off season. Corolla residents seem to me to be an after thought for county services. We provide a well spring of property tax for the county and need year round services. Fire is a huge concern. The volunteers are great but there can be a slow response time, we need an around the clock response team as a base fire fighting force.	6/19/2016 11:12 AM
194	Excessive Corolla development with regular exceptions provided developers overriding land use restrictions. Inadequate fire and police resources or access to urgent medical care with traffic congestion. There absolutely should be an emergency lane on route 12 even through Duck and Southern Shores. The proposed bridge will not solve all the current and projected growth \$ better spent addressing issues then see how a bridge or alternative fits	6/19/2016 11:01 AM
195	Do not build the bridge.	6/19/2016 10:57 AM
196	More attention to areas that provide the huge tax basis for Currituck, i.e. Corolla	6/19/2016 10:49 AM
197	Too much traffic. Duck congestion is a major problem. Would like lower cost places to eat in Corolla. Build the bridge. Restrict day trip access to the 4 wheel drive area. Cheaper golfing options near the OBX. No more McMansions. Have a 6 bedroom maximum size. Improve maintenance of the 4 wheel drive access point. More policing of the Corolla neighborhoods to keep the tourists on line. More nighttime noise enforcement. Have rental companies more responsible for making tourists know they are visitors to a community, not invaders who can do as they wish. Beach cleanup is important, especially no overnight items left on the beach.	6/19/2016 10:21 AM
198	I hope there are regulations to restrict homes of more than six bed rooms. Also height of homes should be regulated. I would love to see wind and solar energy encouraged. Drinking water abd sewage will continue to be an issue. Flooding of roads and streets must be addressed.	6/19/2016 10:01 AM
199	Think the new bridge would be a real asset to the county and a safety to current residents	6/19/2016 10:01 AM
200	We need to address flooding. Infrastructure isn't there and the cost of water/sewer relative to other counties is poor. Prioritize the mid-Currituck bridge to encourage off-island Currituck development. That will bring the biggest boost to Currituck in my opinion, bc we would benefit from traffic the the southern OBX, as well as better connect Corolla to Currituck.	6/19/2016 9:46 AM
201	Push for mid county bridge completion asap	6/19/2016 9:41 AM
202	The county will regress if the county does not work with the state and fed to get the bridge built. Traffic is unbearable now yet they keep building more houses. It's short sighted not to think of easy access for all including tourists and residents as well as police, fire and rescue to get around with ease. Anyone that lives in Corolla know you don't drive on 12 Saturday or Sunday unless it is absolutely necessary.	6/19/2016 9:28 AM
203	I dislike the mentality that because we CAN develop land that we SHOULD. There are scarce resources for endangered wildlife already. The feel of the Outer Banks is what draws vacationers here. If they wanted a bigger city feel and amusement park vibe, they would go to Florida or VA Beach. Construction company's desire to build revenue should not dictate how residents are expected to live.	6/19/2016 9:24 AM
204	Improve quality of life in Corolla to make it a year round community. There needs to be services and businesses available year round in order to live there.	6/19/2016 9:06 AM
205	I hope that the northern beaches retain their character and avoid becoming a commercial claptrap like the dare county area or a myrtle beach abomination	6/19/2016 9:01 AM
206	dislike traffic congestion on summer weekends for coming & going;	6/19/2016 8:58 AM
207	I don't like the traffic but, I dislike the idea of the new crossing (Corolla) even more. I believe the impact on the natural habitat will be immeasurable. I also think once that occurs the likelihood of developing the Corova area is imminent. I imagine the Corolla area will be over developed in the next 20 years.	6/19/2016 8:43 AM
208	I personally dislike the current emphasis on increasing tourism on the beaches. I feel that they are already over capacity and increasing access will only bring more people that will destroy the natural environment and place greater burden on the county to provide services	6/19/2016 8:34 AM
209	My major issue is the storm water flooding in Corolla specifically Ocean Sands. I also have concerns of further development in the 4WD area, need to leave as is. Access to Corolla is also an issue, the bridge cannot come soon enough in my opinion.	6/19/2016 8:22 AM
210	to much growth without adequate road system, accidents waiting to happen	6/19/2016 8:11 AM
211	Like to see more restraints on sound and oceanfront	6/19/2016 7:52 AM

212	Too much development, not enough thought in developing new areas. Flooding is a major concern. Not enough busnissnes open to serve residents, they are mainly geared toward tourists. Corolla needs to be more of a "Whole" community.	6/19/2016 7:42 AM
213	Very large houses and better traffic conditions	6/19/2016 7:39 AM
214	Dislike the development of the Northern Banks.	6/19/2016 5:57 AM
215	I'm hoping it will NOT expand commercial and limit some residential to maintain the rural.nature of the land and protect wildlife and horses. I am afraid that it will be over developed and become just another place and once this naturalInresoutcenis lost it ia gone forever. Ino hope the bridge is built more.for.safety and ease of access To services that already exist on the mainland	6/19/2016 1:33 AM
216	I'd like to keep the northern beaches as the quieter less commercial vacation area.	6/18/2016 11:58 PM
217	Tourism is the life blood, not only of Corolla, but the mainland as well, via the tax income generated by it. Address drainage in Corolla using the Whalehead model, keep the size of all homes reasonable, and step up in combatting dune erosion. No dunes, no or vastly diminished tourism and bye bye the floods of tax money for the county generally. Hurricanes and especially north easters are inevitable over time. To ignore the danger they represent to Currituck's tax revenue is absolute folly and the road to an eventual return, perhaps sooner than later, to Currituck's agrarian economy and its pre Corolla ranking as one of North Carolina's poorest counties. Rather than spending the vast majority of this income on buildings, and mainland infrastructure, some reasonable portion should be used to make as sure as possible the source of the income will continue far into the future, and make possible the attainment of the goals set by the county and by your committee.	6/18/2016 11:51 PM
218	Dislike the absence of second exit route,and need the mid-Currituck bridge!	6/18/2016 11:26 PM
219	Would love to see the 4 wheel drive area remain undeveloped.	6/18/2016 11:08 PM
220	Dislikes would be over crowding and more "hotel type" houses constructed..... Would hope the Mid-County bridge was built....knowing that it would be a toll road, I would hope the residence of OBX would be afforded some kind of discount when they used it.	6/18/2016 3:24 PM
221	Need to build the Mid-Currituck Bridge as soon as possible.	6/18/2016 2:57 PM
222	Most of the agricultural areas on the mainland, the off-road area on the island, the seashore and the sound shore would all be essentially what they are today. The commercial areas, however, would be more compact rather than strip centers. Think Tim Buck II or Harris Teeter combined with multi-family housing. All of the neighborhoods would be better connected by walking/biking paths like the work just completed on the island. Walking/biking paths would not just be for recreation, but serve as access to commercial areas, recreation, and water access. The mid-Currituck bridge would be built and provide more adequate emergency evacuation as well as provide a walking/biking connection to the mainland, uniting Currituck County for the fist time.	6/18/2016 2:25 PM
223	I'm scarred corolla is becoming to commercialized.	6/18/2016 10:35 AM
224	Traffic. The bridge is desprately needed. But then planning is needed for the changes in dynamics of the county. It could be an economic boon if development is planned for the mainland so that people can travel back and forth for additional entertain and shopping.	6/18/2016 4:31 AM
225	Currituck County is a gem. Dislikes: lack of (and perhaps disregard for) government foresight. Likes: Relatively rural character, fast fading. Imagine: Gone to overdevelopment. This I imagine if things do not change. With some dramatic changed in current trend, I imagine a place that is close to paradise, attracting tourists and holding residents for its quality of life and respect for its natural resources. Something dramatic needs to happen for this to become a reality. Tourism and growth can be successful and continuous if managed well.	6/17/2016 8:54 PM
226	I'm hoping that Corolla doesn't turn into a "used to be" a good vacation destination that looks like a dilapidated Myrtle Beach. I'm also hoping that 168 doesn't look like a stretch of trailer trash 20 years from now. I would also like to see the encouragement of an organic farming industry.	6/17/2016 2:56 PM
227	We need the bride to Corolla , more pedestrian walkways.	6/17/2016 10:55 AM
228	Manage development density, capture the tax value of the off-road area by making it accessible, protect the beaches	6/17/2016 8:24 AM
229	Traffic is a huge problem, especially on Rt 12 in Corolla. The road must be able to handle the number of cars present during the tourist season. Adding multiple family housing and large rental homes will create further major problems with community access!	6/17/2016 8:00 AM
230	Traffic problems in Corolla should be a priority	6/16/2016 9:27 PM
231	I dislike high density housing. I like Corolla Light's 12 person in a house rule (limits noise/trash etc). I dislike Super Wings type of shops proliferating the area.	6/16/2016 8:56 PM

232	We like the small-town environment of Corolla, and fear losing it due to the intense pressure of the potential for making money through too-rapid development.	6/16/2016 8:27 PM
233	this county and carova beach(without roads and with the wild horses) is heaven. I answer your survey because you asked me to. I think that there are too many rentals and not enough permanents(my problem). needed for taxes and it's GREAT to show off this county but people(all) are rough on it. it will never get better but between you and I maybe we can slow the decay. shoot I even walk the beach during the winter and gather welks from the storms and hand out so many every week during the summer just to make I good impression of the county and then the next day get screamed at for driving along the beach to help save my car for a few more months but getting too close to the tourists beach set-ups.	6/16/2016 4:43 PM

Q29 Final comments on growth and development

Answered: 26 Skipped: 556

#	Responses	Date
1	Do not build the Mid County Bridge - costly, will bring too much development.	11/26/2016 2:23 PM
2	Manage growth. Decide what the county is going to be. Seeking new job opportunities is fine if the local community has the dedicated, trained residents to staff new jobs.	11/23/2016 11:16 AM
3	I love this area, I love what it had to offer. Rural, cozy, no commercialism. It is quickly being destroyed and it is heartbreaking. If we had wanted commercialism and tourism we would have bought a place in Dare County. There are now going to be 3 mini golfs in Corolla, and we have the big climbing structure. Why do we need it? Along 168, all of the farmland sold off and commercial places being thrown up, only for most to vacate within a year. We used to love that drive from Newport News to Corolla. Who are we trying to help? Where does the money go from the tourism here in Corolla and Carova. It feels as if you don't mind taking the money but don't want to invest to protect its people(guests and residents alike) or the environment. Trash completely exposed after mowing along Rt 12, no public restrooms, how is the county taking care of the beauty and preservation that the people we facilitate have come here for. If you take such pride in Currituck County then please show it. Building a bridge will only bring more people in and where will you put them, where will they go to the bathroom? Will you be okay with urinating in the parking lots and streets while waiting to get into their homes. Many of these families can't afford to eat out every meal or shop just to use the restroom. It should not be the small businesses responsibility to facilitate although it is courteous and respectful if they do what they can, however if 300 hundred people are using one toilet, it's not going to flow very well. So, I guess my point is this; if it is inevitable that the county is going to continue with developing what is left in Corolla and Carova, you need to take care of the locals and residents that provide this community with outstanding services that the tourists come back year after year too. AND it can be done without tearing more of the already vacant land up. You can do this, we can help, but the county needs to listen and work with us not against us. I know this isn't an easy job or position and I respect that, I thank you for letting me voice my opinion.	11/21/2016 4:29 AM
4	It will happen somplan for it.	11/12/2016 8:05 AM
5	your trashing corolla with all the unnecessary development. roads can't handle traffic and if there was an emergency the trauma center is in VA.	11/12/2016 6:33 AM
6	Mainland Currituck is a poor area and needs jobs, increased tourism (boating, parks, hiking, natural resource opportunities--along with B&Bs, restaurants, and industry). A natural gas pipeline leads to more industry because you end up with inexpensive and reliable sources of power that most manufacturing and industrial businesses are looking for--along with good schools and quality of life factors needed to attract good, educated, employees.	11/12/2016 12:43 AM
7	Less is better. Keeping traffic under control is important, and the bridge to Corolla is critically needed. Thanks.	11/11/2016 9:23 AM
8	Thehomes on the beach are entirely too big. When we built our home the requirements were for single family dwellings. I do not consider 15 bedrooms and 20 bathrooms a single family dwelling. These are mini hotels.	9/16/2016 4:20 PM
9	The Corolla area seems to provide significant tax revenue yet one of the biggest issues impacting our viability and the tax base is beach nourishment. No beach no tourism. Many want to at least start a discussion towards a JOINT solution / partnership regarding this issue.	8/29/2016 11:16 AM
10	our beach is greatest asset for Currituck - we need to plan accordingly as other insightful and forward thinking communities have done and plan for beach nourishment	8/28/2016 5:49 PM
11	I would like the airport in Pine Island opened for private use. Add an area for airplane tie down/parking and a small out building, similar to that at Kitty Hawk/Wright Brothers. Allow planes to remain for several days.	8/25/2016 9:31 AM
12	Protect the beach front, it drives most of the tourism for the County.	8/22/2016 4:45 PM
13	Need to protect the beach communities and allow the development as planned to proceed. Large homes are not necessarily bad if done in the right way and location.	8/22/2016 11:21 AM
14	The new bike and walking trail in Corolla is fantastic and will save lives!	6/27/2016 9:04 AM
15	Realize the 'identity' of CC is what brings us to this survey. Controlled, balanced growth (inevitable) is vital. Do not 'over extend' or try and squeeze too much into our corner of the world. The reason people come here is to ESCAPE the 'squeeze' of their own areas.	6/24/2016 8:56 AM
16	No more development!!!	6/23/2016 4:36 PM

17	Let us retain the rural atmosphere and open space. Do not over develop, such as in Virginia Beach. No huge homes (aka hotels) such as the monstrosities just north of the Hampton Inn.	6/23/2016 2:39 PM
18	A second bridge will help in more areas than it would hinder!	6/23/2016 8:26 AM
19	Over-crowding and traffic congestion in the Corolla area are endangering the tourist business and the quality of life in Corolla and the North Beach area.	6/21/2016 1:12 PM
20	We need to grow and number on is get the bridge to Corolla built.	6/21/2016 12:32 PM
21	Rt 12 traffic congestion, peak vacation period, between Corolla & Southern Shores--highest priority matter.	6/20/2016 2:33 PM
22	developers need to keep in mind their contribution to storm water runoff and flooding	6/20/2016 1:32 PM
23	preserve the remaining open, undeveloped areas in Corolla/Ocean Sands. The houses are too close together as things stand now.	6/19/2016 8:08 PM
24	Development must be keyed to having adequate infrastructure in place first. This includes public utilities, roads and adequate traffic management and, in some areas, public transportation.	6/19/2016 6:32 AM
25	Please build the mid currituck bridge	6/18/2016 11:23 PM
26	live in Carova > GET RID OF THE HORSE TOURS!!!!!!! Killing the way of life here and the environment!	6/16/2016 9:01 PM
