Minutes – Special Meeting of the Board of Adjustment

CALL TO ORDER

The Board of Adjustment met for a special meeting at 7:00 PM in the Board Meeting Room of the Historic Courthouse, 153 Courthouse Road, Currituck, North Carolina.

Attendee Name	Title	Status	Arrived
Troy Breathwaite	Chairman	Present	
Steven Craddock	Vice Chairman	Present	
Carol Bell	Board Member	Absent	
Cathy Bontemps	Board Member	Present	
Lynn L. Hicks	Board Member	Present	
Ike McRee	County Attorney	Present	
Lauren Arizaga-Womble	Board of Adjustment Attorney	Present	
Laurie LoCicero	Planning Director	Present	
Rachael Anderson	Code Enforcement Officer	Present	
Jennie Turner	Planner II - Acting Clerk to the Board	Present	
Justin Old	Applicant/Appellant	Present	
Steven D. Weber	Applicant's Attorney	Present	
Ben Stikeleather	County Manager	Present	

Chairman Breathwaite called the meeting to order at 7:00 PM and asked the acting Clerk to the Board, Jennie Turner, to call the roll.

A Announce Quorum Being Met

Chairman Breathwaite announced a quorum with four board members present.

B. Approval of Agenda

Chairman Breathwaite asked if there were any changes to the agenda. Vice Chairman Craddock motioned to approve as presented. Mr. Hicks seconded the motion and the motion carried unanimously.

RESULT: APPROVED [UNANIMOUS]
MOVER: Steven Craddock, Vice Chairman
SECONDER: Lynn L. Hicks, Board Member
AYES: Troy Breathwaite, Chairman, Steven Craddock, Vice Chairman, Cathy Bontemps, Board Member, Lynn L. Hicks, Board Member
ABSENT: Carol Bell, Board Member

C Approval of Minutes for August 13, 2020

Chairman Breathwaite asked if there were any changes needed for the August 13, 2020 meeting minutes. Vice Chairman Craddock motioned to approve as presented. Ms. Bontemps seconded the motion and the motion carried unanimously.

RESULT: APPROVED [UNANIMOUS]
MOVER: Steven Craddock, Vice Chairman
SECONDER: Cathy Bontemps, Board Member
AYES: Troy Breathwaite, Chairman, Steven Craddock, Vice Chairman, Cathy Bontemps, Board Member, Lynn L. Hicks, Board Member
ABSENT: Carol Bell, Board Member

1. BOA Minutes - August 13, 2020

D Ask for Disqualifications

Chairman Breathwaite referenced the State Government Ethics Act and asked if there were any board members having a known conflict of interest with respect to the matter coming before the board tonight. There were no known conflicts noted.

OLD BUSINESS

There was no old business discussed.

NEW BUSINESS

A. PB 19-08 Justin Old - Glenmoor Ridge Dewatering Violations: Appeal of violation #1197 and violation #1198 for improperly pumping excess water not in accordance with the rules of the Unified Development Ordinance for property located on Campus Drive, Tax Map 22, Parcels 78A & 78B, Moyock Township.

Ben Stikeleather, Mark Bissell, Clay Cartwright, Justin Old, Laurie LoCicero, Rachael Anderson, Mike Hall, Denise Hall, Jamie Coolman, and Karen Coolman were sworn in.

The County Attorney, Ike McRee, gave his opening statement and began his direct examination of Ms. LoCicero. It was noted that Attachment 2B was inadvertently left out of the agenda packet.

Mr. McRee asked about the original complaint received concerning the flooding of the properties. Ms. LoCicero gave the following account leading up to the violation: Commissioner Etheridge came to the Historic Courthouse with a map and discussion was held with the County Manager, Ben Stikeleather. Mr. Stikeleather then directed Ms.

Communication: BOA Meeting Minutes - October 15, 2020 (Approval of Minutes)

LoCicero to have her staff do an investigation. Ms. LoCicero briefed the Code Enforcement Officer, Rachael Anderson, with the construction drawings and files concerning Glenmoor Ridge dewatering. Ms. Anderson went to the location of the alleged violation to investigate and take pictures.

Mr. McRee asked if there were any unusual weather events and Ms. LoCicero said there was significant rainfall the previous weekend from Hurricane Dorian. Ms. LoCicero said she directed Ms. Anderson to investigate on information received September 9, 2019.

Steven Weber, attorney to Justin Old, began his cross examination of Ms. LoCicero.

Mr. Weber asked if Ms. LoCicero had visited Glenmoor Ridge. Ms. LoCicero said she visited the first Tuesday after the violation and then again the following week with the Code Enforcement Officer and the County Engineer.

Mr. Weber asked Ms. LoCicero how often she visited the site and Ms. LoCicero said about a dozen times.

Mr. McRee objected to Mr. Weber presenting a video of the Board of Commissioners speaking about the Glenmoor Ridge dewatering violations. Ms. Womble, Board of Adjustment Attorney, assessed the objection before the video could be played.

Chairman Breathwaite asked Mr. Weber to explain the clips.

Ms. Womble said in terms of a County statement by a party opponent - it is not a formal action by the Board or the County itself. County position is by action a cohesive board and we are here on staff's determination. The Commissioner's statements are not relevant. The Board of Adjustment is an independent body which is a sitting judicial board and the Board of Commissioners does not instruct the Board of Adjustment. The violation was done on staff's determination and not on an individual Commissioner's statement.

Chairman Breathwaite said the statements of the Commissioner were not relevant and we need to stick with facts.

Mr. Weber wanted to call Mr. Stikeleather to the stand in order to show the video. Mr. Weber asked to enter the video clips into the hearing as an exhibit but not asking for them to be shown.

The following exhibits were entered as evidence:

County 1 - Agenda Packet
 Appellant 1 - Binder/Notebook
 Appellant 3 - Copy of Agenda
 Appellant 4 - Copy of Unified Development Ordinance
 Coolman 1 - Set of Photographs

The following was entered as record, but not as evidence:

Appellant 2 - 4 Video Clips

Mr. McRee clarified with Ms. Womble the videos are not being entered as evidence and she concurred.

Chairman Breathwaite asked if the board had any questions for staff.

Vice Chairman Craddock asked for a clarification concerning removing substantial damage part of the sentence.

Ms. LoCicero stated it could be removed.

Chairman Breathwaite said regulations can be tricky to make sure you have clear intent and it appears substantial damage portion is an integral part of it. Location could play a roll or volume could play a roll in causing substantial damage. It is Hard to see how the substantial damage part of the sentence could be removed and maintain the same meaning.

Ms. Bontemps agreed that it references the damages.

Chairman Breathwaite asked if the relationship between the approved site plan and the stormwater activities was reference in section 2.8 and Ms. LoCicero said it was a reference in that section.

Chairman Breathwaite asked if under SW regulations the activity of pumping the pond in and of itself with no flooding to an interior farm ditch is permitted and Ms. LoCicero said it is an allowable activity during construction. She said, typically, it adheres to the approved construction plan.

Chairman Breathwaite asked if Ms. LoCicero found flooding in the adjacent corn field when she visited on September 9th. Ms. LoCicero said she visited the back of the property and did not go to the cornfield; there was an elevation difference between the corn field and the pump locations.

Chairman Breathwaite asked if the pump was directed to one of the ditches and Ms. LoCicero said no. She said this would be answered better with Ms. Anderson's pictures and video on where it was pumping to.

Chairman Breathwaite said the LIDAR graphic prior to construction has a good chance for the corn field being lower.

Vice Chairman Craddock asked, in your opinion, do you believe that LIDAR is more accurate than on site measurements done by a surveyor.

Ms. LoCicero said the LIDAR can give a general overview and a general lay of the land. A surveyor would be more accurate.

Mr. McRee called Rachael Anderson, Currituck County Code Enforcement Officer, to the stand. She introduced herself and said she has been with the County for two years tomorrow.

Ms. Anderson said Laurie LoCicero asked her to go to the property and Deputy Sheriff Corbell was there, as well.

Mr. McRee asked what she was told to inspect. Ms. Anderson said a pump pumping water. She was given a general direction and given a hand drawn map. She said she found the pump and walked to where the pump was located.

Mr. McRee asked what time she left the Courthouse and Ms. Anderson said around 11:00 AM. She said her time is backed up by time stamped/dated pictures.

Mr. McRee asked what Ms. Anderson did upon arriving at the site.

Mr. Weber objected to the question - 8:57 PM.

Chairman Breathwaite conferred with Ms. Womble. Ms. Womble said it can be admissible for the purpose of why she was going back to the site.

Ms. Anderson said she went to a meeting at Karen Coolman's house, a homeowner on Old Jury Road, with Justin Old, Kim Old, Mike Hall, Ron Schaecher, and Laurie LoCicero. There were others present, but she did not know their names.

Ms. Anderson said she was only briefly at the meeting. She spoke to Mr. Old about the breach ditch and silt fence. We did not speak about the pumping violation.

Mr. McRee asked if at some point did you determine that the pumping had stopped and or had been removed from the SW pond. Ms. Anderson said yes, the pump was removed from pond 7 and relocated.

Mr. McRee asked if she determined the Notice of Violation was complied with and Ms. Anderson said yes.

Mr. McRee asked when compliant what did you do and Ms. Anderson said she went back to Glenmoor Ridge for the purpose to recheck the silt fence was fixed on September 17, 2019.

Mr. Weber objected and moved to strike compliance with breach ditch.

Ms. Womble concurred that the objection should be allowed for the silt fence.

Chairman Breathwaite allowed the objection.

Mr. McRee asked Ms. Anderson if she went back again and Ms. Anderson said yes, on September 18th, 2019.

Ms. Anderson said she was asked to go back; she took pictures and made notes concerning the farm field where the water was originally going.

Mr. McRee asked if there were any further reports or complaints received or acted upon at the location contrary to construction plans and Ms. Anderson said no.

Ms. Anderson said she deemed the matter compliant.

Mr. Weber began his cross examination of Ms. Anderson at 9:06 PM.

She said the pump operated a total of two hours.

Mr. Weber asked if Ms. Anderson visited the property at any time earlier than 11 and she said no.

Mr. Hicks asked what time the County Commissioner came to the office with the paper.

Discussion was held on how long the pump was running. The board asked Ms. Anderson various questions concerning the video, the pump, how long the pump was running and where the water was discharging to.

Vice Chairman Craddock asked if Ms. Anderson helped prepare the staff report packet and she said yes.

Vice Chairman Craddock asked about the exact amount of rainfall received from Hurricane Dorian. Ms. Anderson said she received it from Steven Pyle and it was on Page 49 of the packet..

9:23 PM - Rachael Anderson's testimony completed.

Mr. Weber gave his opening and started calling his witness's to the stand.

Justin Old took the stand to give his testimony and provided information on three photos:

1st photo - Sept. 10, 2019

2nd photo - Sept 10, 2019

3rd - Oct 13, 2020

9:38 PM - Clay Cartwright took the stand to provide his testimony.

9:56 - Mark Bissell took the stand to provide his testimony.

Mr. McRee started his cross examination.

10:10 PM - He asked Mr. Bissell when elevation points were measured and he said prior to September 9, 2019

Vice Chairman Craddock asked questions concerning the ditch capacity.

Chairman Breathwaite called for a break.

Mr. Weber confirmed his evidence into record for Appellate 1 - the notebook, A - Copy of Agenda Packet, and Appellant 4 - Copy of Unified Development Ordinance.

Mr. Weber rested his case, but reserved the right to call rebuttal witnesses.

Chairman Breathwaite opened the Public Comment portion at 10:28 PM.

Jamie Coolman and Karen Coolman of 172 Old Jury Road came before the board. They talked about the flooding that occurred on Sept. 6th through Sept. 7th of 2019. The Coolman's provided a set of photographs and the photographs were entered as evidence.

Coolman 1 - Set of Photographs

Mike Hall came before the board to make his public comments concerning the flooding.

Mr. Weber asked Mr. Hall about his statements.

Deborah Coble of 201 Green View Road, Eagle Creek Subdivision came before the board and asked the board to table this issue.

Justin Old made additional comments.

Clay Cartwright made additional comments.

Chairman Breathwaite closed the public hearing

The board had discussion.

Mr. Weber made his closing argument.

The board had additional discussion.

Vice Chairman Craddock made a motion to reverse the County's decision on the two Notice of Violations that were issued to the Appellant. He said the County made errors in determining whether a standard was met, also the County made an error in applying a measuring standard; The County has made errors in ways of notification to the Appellant on the fact that they did have Notice of Violations and the County did not provide enough evidence to support all of their Findings of Fact.

Vice Chairman Craddock said he was referencing the original Notice of Violations and the Amendment to them.

Ms. Bontemps seconded the motion and the motion carried unanimously with a 4-0 vote.

RESULT:	REVERSED STAFF'S DECISION [UNANIMOUS]
MOVER:	Steven Craddock, Vice Chairman
SECONDER:	Cathy Bontemps, Board Member
AYES:	Troy Breathwaite, Chairman, Steven Craddock, Vice Chairman, Cathy Bontemps, Board Member, Lynn L. Hicks, Board Member
ABSENT:	Carol Bell, Board Member

ANNOUNCEMENTS

There were no announcement made.

ADJOURNMENT

Mr. Hicks motioned to adjourn the meeting. Ms. Bontemps seconded the motion and the meeting adjourned at approximately 11:30 PM.

Currituck County Agenda Item Summary Sheet

Agenda ID Number – (ID # 2989)

Agenda Item Title: BOA 20-05 Jerry D. Merritt - Appeal:

Submitted By: Cheri Elliott – Planning & Community Development

Presenter of Item: Laurie LoCicero

Board Action: Action

Brief Description of Agenda Item:

Jerry D. Merritt is requesting an Appeal for Notice of Violation 20-1383 issued on September 10, 2020, for a concrete driveway constructed within the side setback of his property. The subject property is located at 117 Nautical Lane, Currituck, Tax Map 59C, Parcel 35, Crawford Township.

Is this item regulated by plan, regulation or statute?

Manager Recommendation:

Currituck County

Planning and Community Development Department

MEMORANDUM

To: Board of Adjustment
From: Planning Staff
Date: December 10, 2020
Re: BOA 20-05 Jerry D. Merritt/ Concrete Driveway in Setback

Jerry D Merritt and Delores J Merritt, Trustee, and owners, of 117 Nautical Lane, Currituck, NC 27929 have filed an appeal of notice of violation 20-1383 issued on September 10, 2020.

The notice of violation was issued to the owners of 117 Nautical Lane, Currituck, NC (PIN 059C00000350000) because the concrete driveway was constructed within the 10' side setback which is a violation of the county's Unified Development Ordinance.

The owners of the adjacent property at 115 Nautical Lane, Currituck, NC 27929 obtained a survey of their lot in preparation for construction of a new house. After the survey was completed, the owners of 115 Nautical Lane and 117 Nautical Lane agreed the survey markers were correct. With the property line remarked, staff received a complaint about the potential side setback violation. After receipt of the complaint, staff investigated the property. Staff determined that the driveway installed at 117 Nautical Lane is in violation of the Unified Development Ordinance Chapter 3, Subsection 3.4.2.F. Dimensional Standards.

Unified Development Ordinance

The following sections of the UDO are applicable to this case

- Chapter 3, Subsection 3.4.2.F. Dimensional Standards
 - Min. Driveway/Parking Setback (ft) 10
- Chapter 2, Subsection 2.4.9. Zoning Compliance Permit
 - A. Purpose
The purpose of a zoning compliance permit is to ensure no development occurs until there is assurance the development complies with the requirements of this Ordinance
 - B. Applicability
A zoning compliance permit is required before issuance of a building permit, any change in use, or commencement of activity that does not require issuance of a building permit.

Background

- July 14, 2008- The construction of the home on 117 Nautical Lane, Currituck, NC 27929 site plan was approved as noted

- At the time the permit number 200800780 was submitted for 117 Nautical Lane, Currituck, NC 27929 the 2007 Unified Development Ordinance was in affect
- August 11, 2009- As built approved for 117 Nautical Lane, Currituck, NC 27929
- August 14, 2009- Certificate of Compliance issued for 117 Nautical Lane
- Between 2010 and 2012 the driveway appears on the Currituck County GIS Online Mapping Program
- January 1, 2013 New Unified Development Ordinance in effect.

Violation

- On Wednesday August 26, 2020 staff received a complaint regarding a flowerbed, driveway in the side setback, and stormwater issue. It was told to staff at the time of the complaint that a recent survey had been conducted and the survey markers were still in place.
- On August 28, 2020, the Code Enforcement Officer, Rachael Anderson and Stormwater Manager, Dylan Llyod coordinated to do an onsite inspection of 117 Nautical Lane, Currituck, NC 27929. Upon arrival staff was greeted by the property owner/trustee Jerry Merritt. Staff informed Mr. Merritt that a complaint was received on his property. Staff inquired if Mr. Merritt agreed with the survey conducted on the adjacent lot 115 Nautical Lane, Currituck, NC 27929. Mr. Merritt had no objections to the survey that had been recently done on 115 Nautical Lane, Currituck, NC 27929. With the cooperation and permission of Mr. Merritt, staff was able to measure the concrete that was added to the driveway. Before departure, the owner expressed how long it had been on the site. Staff informed him that the concrete appears to be a violation, but that staff would look at several things before a final determination was made.
- Staff reviewed the GIS online mapping determine the zoning of the property and to determine when the driveway extension was installed
- Staff reviewed the Unified Development Ordinance in effect at the time the driveway extension was installed. The 2007 UDO as amended required a minimum side setback of 10' for driveways.
- Staff searched the county's permitting software to determine if a permit was submitted for the driveway extension.
- Staff determined that the driveway encroachment was an unpermitted violation of the Unified Development Ordinance. The current UDO as amended requires a minimum side setback of 10' for driveways.
- On September 10, 2020, the official Notice of Violation #1383 was issued and mailed by staff.
- On September 16, 2020, staff received a Corrective Action Plan for an extension of the time limit for correction of the violation
- Staff approved the Corrective Action Plan (extension of time request) on September 24, 2020
- On September 29, 2020 an appeal of Notice of Violation #1383 was received by staff.

Appeal Review Standards

1. The standard of review to be applied by the Board of Adjustment is limited to the following determinations in considering the appeal, which shall be based on clear and substantial evidence in the record is whether:
 - a. The decision-maker did not make an error or correctly applied the standards of the UDO in making the decision or interpretation;
 - b. The decision-maker made an error in determining whether a standard was met. The record must indicate that an error in judgment occurred or facts, plans, or regulations were misread in determining whether the particular standard was or was not met;
 - c. The decision-maker made the decision based on a standard not contained in this Ordinance or other appropriate county ordinances, regulations, or state law, or that a standard more strict or broad than the standard established in this Ordinance was applied; or
 - d. The decision-maker made an error in applying a standard or measuring a standard.
2. Where conflicting evidence exists, the appeal is limited to determining what evidence or testimony bears the greatest credibility in terms of documentation and qualifications of those making the determination.
3. The Board of Adjustment shall not hear any evidence or make any decision based on hardships or special conditions. (Such matters may only be considered in the context of an application for a variance or use permit.)

Attachments

The county submits the following attachments for the Board's consideration:

- o Attachment 1: Notice of violation #1383 dated September 10, 2020
- o Attachment 2: Picture 1

CHAPTER 8: PARKING & DRIVEWAYS

- D. No area allocated to loading and unloading facilities may be used to satisfy the area requirements for off-street parking, nor shall any portion of any off-street parking area be used to satisfy the area requirements for loading and unloading facilities.

Section 8.10 Driveways

8.10.1 General Provisions (10-28, 11/15/10)

- A. Specifications for driveway entrances shall be in accordance with all applicable state regulations unless otherwise provided.
- B. All driveway entrances and other openings onto streets shall be constructed so that:
1. vehicles can enter and exit from the lot in question without posing any substantial danger to themselves, pedestrians, or vehicles traveling in abutting streets; and,
 2. Interference with the free and convenient flow of traffic in abutting or surrounding streets is minimized.
- C. A sight-distance triangle of 10 feet by 35 feet is required where vehicular areas intersect with street right-of-ways. Nothing over 24" or less than 7' in height shall be located within this area.
- D. Driveways shall maintain a ten foot setback from any side and rear property line, except for residential lots within planned unit developments, residential lots with centralized water and sewer service in an oceanfront LBH zoning district, required shared driveways, cul-de-sac lots, and camper lots where it is determined by the administrator that the setbacks cannot reasonably be met. Residential driveways shall extend ten feet into the property before establishing drive aisles and parking spaces. Commercial and manufacturing driveways shall extend 20 feet into the property before establishing drive aisles and parking spaces.
- E. Driveways, drive aisles, and parking spaces for residential lots with centralized water and sewer service in an oceanfront LBH zoning district shall maintain a five foot setback front all side property lines.

8.10.2 Driveway Widths

- A. Driveways shall not be less than 10 feet in width for one-way traffic and 18 feet in width for two-way traffic. However, ten foot wide driveways are permissible for two-way traffic when:

CHAPTER 8: PARKING & DRIVEWAYS

1. the driveway is not longer than 75 feet;
 2. it provides access to not more than six spaces; and,
 3. Sufficient turning space is provided so that vehicles need not back into a public street;
 4. Or, if the administrator determines that not more than ten trips per day will be generated to and from the vehicular area being served by that driveway and such vehicular area is not used by the general public.
- B. Residential driveways shall not exceed 24 feet in width measured at the front (street) property line. Commercial and manufacturing driveways shall not exceed 36 feet in width measured at the front (street) property line. The maximum driveway width shall not apply to fire stations.

RE:117 Nautical Ln, Parcel # 059C-000-0035-0000, Violation # 1383

Dear Mr. Merrit,

The county received your request for an extension for the notice of violation #1383. The Planning Director reviewed the request and has granted an extension until April 1, 2021 which I have attached a copy of such approval for your records.

The Planning and Community Development Department would like to solicit your cooperation and communit spirit in correcting the violation by the extended deadline of April 1, 2021.

Thanking you in advance for your cooperation. If you have any questions regarding this matter please contact me at (252) 232-6056.

Sincerely,

Rachael Anderson
 Code Enforcement Officer

Enclosure

Attachment: Attachment 11 Corrective Action Plan approval (BOA 20-05 Jerry D. Merritt - Appeal:)

Corrective Action Plan

Request for extension of time limit for correction of violation.

Name: Delores J. and Jerry D. Merritt Trustee
Address: 117 Nautical Lane, Currituck, NC 27929
Phone #: 571-213-4968 Email: jerrym3@aol.com
Property Address: 117 Nautical Lane, Currituck, NC 27929
Notice of Violation # 1383
Violation Description: Violation of Minimum Driveway/Parking Setback (ft) 10' (3.4.2.F)

Describe the plan and timeline to bring the property into compliance with the UDO:

We have contacted a local contractor who installs pervious paver stones. He will remove the concrete in question and install an area wide enough, 5 to 7 feet wide, to allow turn access into garage.

Due to COVID -19, the contractor is backlogged with work until at least March of 2021. The driveway has no impact on other property and is not a safety hazard.

We respectfully request an extension on the Corrective Action Plan until approximately April 1, 2021. When we have a contract, we will provide a more accurate date of compliance.
Delores J. and Jerry D. Merritt Trustee
September 16, 2020

Delores Merritt
Jerry D. Merritt

Please note that this form must be approved by the Planning Director or Chief Building Inspector; submitting this form does not ensure that your request for extension of time will be granted.

Comments

Attachment: Attachment 12 Appeal Application (BOA 20-05 Jerry D. Merritt - Appeal:)

Enclosure #1

Grounds for appeal:

Upon receiving the Notice of Violation #1383, we sought counsel from a Currituck County lawyer. He advised us that under North Carolina Session Law 2017-10, Section 1-49, the Statute of Limitations has expired on the Notice of Violation #1383. (Enclosure 2)

The driveway addition was installed June of 2010 by our contractor. It is visible from the roadway and is in plain view of the public. It is entirely located on our property and does not represent a safety hazard to the public.

The construction date of the addition is June 2010. (Enclosure 3)

Current view of driveway addition from public roadway. (Enclosure 4)

NOTICE OF VIOLATION #
 1383

Jerry D Merrit Trustee
 Delores J Merritt Trustee
 117 Nautical Ln
 Currituck, NC 27929

Violation Date: September 10, 2020	Inspection Date: August 28, 2020
Property Address: 117 Nautical Ln	PIN #: 059C-000-0035-0000
Violation Description: It has been brought to our attention that your driveway extension has been placed to close to the lot lines. The standard in Single-Family Residential-Mainland District is, "Min. Driveway/Parking Setback (ft) 10"(3.4.2.F.). Also, no permit was obtained for the driveway extension.	
Compliance Request: Please contact staff for more information on gaining compliance. For more information contact Rachael Anderson at Rachael.Anderson@CurrituckCountyNC.gov (252) 232-6056	UDO Code Reference: Chapter 3, Subsection 3.4.2.F. Dimensional Standards
	Required Compliance Date: October 14, 2020

Please be advised that failure to comply with the above may result in civil penalties assessed by the County of up to \$500.00 per day for each day that the violation exists.

For more information on bringing the property into compliance contact
Rachael.Anderson@CurrituckCountyNC.gov – (252) 232-6056

If you wish to appeal this decision, you have thirty (30) days from receipt of this notice in which to submit an appeal application to the Board of Adjustment or this decision shall be considered final. Applications can be obtained and submitted in the Planning & Community Development Department.
