

CURRITUCK COUNTY NORTH CAROLINA

November 20, 2017
Minutes – Regular Meeting of the Board of Commissioners

WORK SESSION - 4:30 PM

1. Moyock Park Site Plan Presentation

The Currituck County Board of Commissioners attended a 4:30 PM work session in the Historic Courthouse Conference Room to view conceptual design plans for the proposed community park project in Moyock. Jason Weeks, Director of Parks and Recreation, presented and reviewed the designs and amenities for the park which would be situated on a twenty-four acre county-owned parcel in Moyock and within walking or biking distance from two to three hundred homes. He reviewed the development process, with suggestions implemented into the design based on feedback gathered from community meetings. Mr. Weeks said ditching and water feature designs would provide stormwater relief for neighboring properties. Mr. Weeks reviewed a plan which included all of the features requested from community meetings with an estimated cost of \$5 million. A second, scaled down option would cost approximately \$3.5 million. The major expense for both plans would be in the site work, he said. He reviewed grant options and possibly the YMCA funding construction for a building that could be used as a community center in addition to their using it for summer camps. The Board would be prepared to discuss the various options further at their upcoming retreat.

2. Historic Jarvisburg Colored School Operations Discussion

Travel & Tourism Director, Tameron Kugler, along with Jill Landon, Curator, and Bill Jarvis, HJCS Board Member, were present to discuss the HJCS Board's desire to relinquish operations and management of the school to the County, citing difficulty in keeping the facility open. Ms. Kugler said all artifacts would be conveyed to the county and the HJCS Board members would participate by continuing to volunteer, with the Board serving in an advisory capacity. Ms. Kugler reviewed her management and operations plan for the facility, noting additional costs and staffing needs would be minimal. During discussion, Commissioner Etheridge suggested placing more emphasis on historical buildings, separating them from tourism. Commissioners authorized Ms. Kugler and Ms. Landon to move forward with the management and operations of the HJCS and assuming and cataloging the transfer of artifacts. Mr. Jarvis thanked the Board and said he wants the school to prosper.

The work session discussion concluded at 5:36 PM.

PUBLIC COMMENT

Please limit comments to matters other than those appearing on this agenda as a Public Hearing. Public comments are limited to 3 minutes.

Chairman Hanig opened the public comment period.

Jane Overstreet, resident of the Corolla off-road area, said she reviewed the beach driving ordinance and suggested beginning the drive pattern shift on the Friday before Memorial Day and ending the shift pattern at milepost 16, a safer area, instead of 17. She supports taking more time to work through the details.

Sandra Barcroft, a Carova homeowner, asked the Board to consider the elderly residents and property owners who rely on the hard packed sand to get on and off the beach.

Don Hufnagle, a Corolla resident, asked for the beach driving item to be tabled to allow for community input. He cited safety issues with dune driving and said the changes will not improve safety. He gave statistics on traffic counts and submitted results of an online petition. Commissioner White asked for suggestions. Mr. Hufnagle said he was unsure what the Board was trying to achieve and that this change will swap one unsafe situation for another. Chairman Hanig said this discussion has been going on for twelve years, nothing has been done and this is a step toward implementing other measures to enhance beach safety.

Heidi and James White, Knotts Island residents, asked several questions related to the Knotts Island Volunteer Fire Department (KIVFD) and their ability to respond and fight fires. Mr. and Mrs. White described a 2014 fire next door to their home and said volunteers told them they were unable to act until paid firefighters arrived on scene. Commissioner Payment, a volunteer fireman, said he has always fought a fire upon arrival on scene. Mrs. White asked about the lapsed KIVFD contract and asked for paid firefighters on Knotts Island. Commissioners told the Whites there would be a public statement in the next day or two related to fire services on Knotts Island. Mrs. White was advised to voice her concerns to Currituck County Fire and EMS Chief Melton in the interim, who could provide her with information.

T.J. English, a Knotts Island resident and Carova Beach property owner and builder, also discussed the proposed changes to beach driving and was concerned that delivery trucks or waste management vehicles would struggle traveling at the dune line. He talked of enforcement and said there are many signs at the ramp already that no one reads. He said the change will cause confusion for drivers. He suggested enforcement through ticketing and putting the safe zone at the refuge area.

County Manager, Dan Scanlon, confirmed the county does not regulate when Waste Management accesses their sites. Commissioner White recalled earlier comments and offered his own experiences navigating the beach. He said the Sheriff was in favor of the plan. Signage and potential air-up and air-down locations were discussed. Commissioner White acknowledged the increased volume of traffic and said something has to be done, and reiterated it can be unwound very quickly if needed. Commissioners discussed the best milepost location for the lane switch.

Commissioner White, on a separate Knotts Island issue, reported that the North Carolina Department of Transportation (NCDOT) is working through the process for installation of speed limit signs on Wards Road.

With no one else wishing to speak, Chairman Hanig closed the public comment period.

ADMINISTRATIVE REPORTS

A. 1000 Four Program Presentation-Hatch

Zach Miller and George Arbogast of Hatch presented information on their 1000 Four program, an on-line, on-demand program that provides resources for those wanting to start or expand a business. The program is available to all businesses in Currituck County and features 24-hour access, questions and answers related to small-businesses, a small business support group, and downloadable resources and worksheets.

Mr. Miller responded to Board questions and said their are several dozen Currituck businesses currently enrolled and utilizing the program. He said there is no cost for businesses.

Information can be obtained by emailing zack@startwithhatch.com or calling 757-295-8635, or by contacting Larry Lombardi, Currituck County Economic Development Director.

OLD BUSINESS

A. An Ordinance of the Currituck County Board of Commissioners Amending Sections 10-57, 10-62, 10-63, 10-64 and 10-129 of the Currituck County Code of Ordinances Regulating Driving and Certain Uses on the County's Ocean Beach

County Attorney, Ike McRee, began with an explanation of the required second reading of the ordinance and reviewed the modifications to it as requested at the first reading. During review, Commissioner Etheridge noted earlier comments suggesting the shift begin on the Friday before Memorial Day. At the request of Commissioner White, Mr. McRee explained a Commissioner's duty to vote and said he did not believe it was necessary for Commissioner White to recuse himself.

Chairman Hanig said the change is being made for public safety purposes and that Commissioners must prepare for the future and take necessary steps now. He said the Board will be implementing a parking permit system, with signage and air up/down stations to follow, along with an increased law enforcement presence.

Commissioner Payment suggested scheduling a meeting to gather feedback after the summer. Commissioner Gilbert suggested holding the public meeting earlier to assess the first few months, prior to the busy July 4th holiday.

Commissioner White moved to approve with a change to begin on the Friday before Memorial Day through Labor Day, keeping the rest of the language as is. Commissioner Etheridge seconded the motion. The motion passed with a 4-2 vote. Commissioners Gilbert and Hall were opposed.

**AN ORDINANCE OF THE CURRITUCK COUNTY BOARD OF COMMISSIONERS
AMENDING SECTIONS 10-57, 10-62, 10-63, 10-64 AND 10-129 OF THE CURTITUCK
COUNTY CODE OF ORDINANCES REGULATING DRIVING AND CERTAIN USES ON
THE COUNTY'S OCEAN BEACH**

WHEREAS, pursuant to N.C. Gen. Stat. §153A-121 a county may by ordinance define, regulate, prohibit, or abate acts, omissions, or conditions detrimental to the health, safety, or welfare of its citizens and the peace and dignity of the county; and

WHEREAS, pursuant to N.C. Gen. Stat. §153A-145.3 a county may, by ordinance, define, prohibit, regulate, or abate acts, omissions, or conditions upon the State's ocean beaches and prevent or abate any unreasonable restriction of the public's right to use the State's ocean beaches; may regulate, restrict, or prohibit the placement, maintenance, location or use of equipment, personal property, or debris upon the State's ocean beaches; and may otherwise enforce any ordinance adopted pursuant to this section or any other of provision of law upon the State's ocean beaches located within the county's jurisdictional boundaries; and

WHEREAS, pursuant to Section 1 of Chapter 875 of the 1985 Session Laws the county may by ordinance regulate, restrict, and prohibit the use of dune or beach buggies, jeeps, motorcycles, cars, trucks, or any other form of power-driven vehicle specified by the county's governing board on the foreshore, beach strand and barrier dune system.

NOW, THEREFORE, BE IT ORDAINED by the Board of Commissioners for the County of Currituck, North Carolina as follows:

PART I. The Code of Ordinances, Currituck County, North Carolina is amended by rewriting Section 10-57 of the Code of Ordinances to read as follows:

(d) Overnight camping of any type is prohibited on the Currituck County Outer Banks, the beach foreshore and the beach strand.

PART IV. The Code of Ordinances, Currituck County, North Carolina is amended by rewriting Section 10-64 of the Code of Ordinances to read as follows:

Sec. 10-64. - Permit system (county residents and property owners only).

(a) This section shall be applicable for those areas of Currituck County, including, but not limited to, the beach strand and foreshore areas, located from the Dare/Currituck line to the North Carolina/Virginia line.

(b) County residents and property owners desiring to operate a moped, motorcycle or off-road vehicles, including but not limited to, all terrain vehicle ("ATV"), utility vehicle, recreational off-highway vehicle, multipurpose off-highway utility vehicle, or other off-road vehicle, ("ORV"), on the areas covered by this section shall obtain a permit from the county manager or his designated representative. Permits may be obtained at the satellite office in Corolla or at the county manager's office during normal business hours and at such other times and places as may be designated by the county manager.

(c) County residents may obtain at no fee a maximum of two annual permits for operation of a moped, motorcycle or ORV owned by them upon making application as provided in subsection (b) above and upon showing proof of liability insurance and ownership on for the ATV moped, motorcycle or ORV. Non-resident property owners may obtain at no fee a maximum of two annual permits for operation of a moped, motorcycle or ORV owned by them per lot, tract or parcel of property upon making application as provided in subsection (b) above and showing proof of liability insurance and ownership on for the ATV moped, motorcycle or ORV. Liability insurance coverage on the ATV moped, motorcycle or ORV shall be maintained continuously throughout the term of the permit.

(d) County residents and property owners, operating mopeds, motorcycles or ~~ATV's ORV's~~ shall ensure that these vehicles have a valid permit prominently displayed at all times while operating, or parked, ~~or being trailered~~ on the Currituck County banks, beach foreshore or beach strand.

(e) Any sworn law enforcement officer with jurisdiction is authorized to take possession of any permit issued pursuant to this section upon expiration, revocation, cancellation, or suspension thereof, or which is fictitious, or which has been unlawfully or erroneously issued, which has been unlawfully used or upon issuance of citation for violation of section 10-59 of this Code. Any law enforcement officer who seizes a permit pursuant to this section shall report the seizure to the county manager's office within 48 hours of the seizure and shall return the permit to the county manager's office within seven business days of the seizure.

(f) The county manager or county manager's designee shall refuse issuance of a permit under this section for a period of one year following seizure of a permit by a law enforcement officer pursuant to this section.

(g) An appeal of seizure of a permit under this section shall be made to the county manager by filing a written notice of appeal, specifying with particularity the grounds upon which the appeal is made, no later than ten days from the date of the permit seizure. The county manager or county manager's designee shall fix a reasonable time for the hearing of the appeal, shall give due notice to all parties and shall render a decision within a reasonable time.

(h) The county manager is directed and authorized to establish forms, procedures, and directives as may be required to implement this permit system and ensure that it is run in an effective, safe, and fair manner.

PART V. The Code of Ordinances, Currituck County, North Carolina is amended by rewriting Section 10-57 of the Code of Ordinances to read as follows:

Sec. 10-129. - Unattended property on beach.

(a) It shall be unlawful for any person to leave unattended between the hours of sunset and sunrise any property, including, but not limited to, volleyball, badminton and tennis nets, poles, tents, horseshoe stakes, croquet courses, grills, umbrellas and recreational equipment, cabanas, canopies, or any other personal property items on the beach. All property unattended and remaining on the beach strand between sunset and sunrise shall be considered litter and may be subject to removal and disposal.

(b) This section does not apply to life guard stands ~~and or accessory uses regulated by the Currituck County Unified Development Ordinance~~ containers for storage of rental items intended for use on the beach strand if the containers are:

(1) placed at the toe of the dune line;

(2) do not exceed four feet in height, four feet in width and eight
feet in length;

(3) are approved annually by a property owners association of a planned unit
development community adjacent to the Atlantic Ocean or that is the owner of a
portion of the beach strand; and

(4) do not contain signage exceeding eight square feet in size.

PART VI. Severability. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed. Should a court of competent jurisdiction declare this ordinance or any part of this ordinance to be invalid, such decision shall not affect the remaining provisions of this ordinance or the Code of Ordinances of the County of Currituck, North Carolina.

PART VII. This ordinance is effective upon adoption.

NEW BUSINESS

A. Consideration and Action: PB 13-17 University Park - Planned Development: Norman Bibeau with Elan Vacations is requesting to amend the master plan and terms and conditions document for University Park located at 108 Amherst Drive, Tax Map 124J, Parcel OSP2, Poplar Branch Township. The request is to allow the maintenance of the 25' undisturbed vegetative buffer along the rear property line.

Parties were sworn and Laurie LoCicero, Planning and Community Development Director, reviewed the application. The applicant is requesting an amendment to conditions of a use permit to allow maintenance of an undisturbed buffer area.

After review, Ms. LoCicero responded to Board questions. She clarified information in the application, discussed the buffer area and the original intent of the undisturbed buffer area as agreed to for issuance of the use permit. Contentions between Mr. Bibeau and the McMillans, neighboring property owners and hog farmers, were discussed.

Norm Bibeau, the applicant, addressed the Board. He said his request is to maintain and enhance the buffer area by removing dead, diseased and damaged trees. He said they replanted after an earlier violation was issued by the county, and recent storms have created fallen trees, some which have fallen on the McMillan's property. He referred to a letter from the Forest Service that supported cleaning out the buffer. He challenged the "undisturbed" language, saying it was never used nor was it agreed to at the original permit approval. He said it is a matter of safety.

Mr. Bibeau responded to Board questions. He confirmed he did not appeal a determination made by the Board of Adjustment related to the issue. Installation of a fence at the boundary was discussed, with some disagreement related to costs and the type of fence required.

Crouse Gray, an attorney representing the McMillans, asked the Board not to approve the request. He said the plat, prepared by Mr. Bibeau's engineer, includes the "undisturbed" buffer language. He said many of the trees the applicant wants to remove were cut down. He talked of the contention between the parties and said there have

been discussions in an attempt to come to an agreement, but new conditions are added after agreements are made. He responded to Commissioner questions and clarified the parties are still talking but no agreement has been reached.

Greg Wills, Attorney for the applicant, said no trees were cut down they were blown down and his client believed he had the right to go in and remove the downed trees. He reiterated the applicant is asking to remove dead, dying and diseased trees. He spoke of Forest Ranger statements, who said new growth is promoted with removal of dead trees. He provided a history of the University Park project from the approval of the original use permit, which occurred three days after the McMillans purchased their property. He referred to the Unified Development Ordinance (UDO) as it relates to residential buffers and bona-fide farms and the land use disputes that arose between the parties. He said he believes he and Mr. Gray will be able to work out the issues related to manure and hogs, in a court of law if necessary.

Commissioner Payment recalled the initial project approval and noted the inclusion of the undisturbed buffer as part of that approval.

In response to Mr. Wills comments, Mr. McRee explained this was a quasi-judicial decision with conditions placed on the permit that included an undisturbed buffer, and was not a policy issue. He said the Board of Adjustment defined "undisturbed" and that their decision was not appealed and is binding. He said the Board may choose to allow the amendment as requested, but they are not required to modify a conditional use permit that has been granted based on conditions.

Responding to questions, Ms. LoCicero said the first report of violation was April 11, 2016, with the notice sent May, 2016. Hurricane Matthew was in the fall of 2016, which clarified the disturbances took place prior to Hurricane Matthew.

Crouse Gray returned to the podium and said the McMillans spoke at the public hearing and told the Board they would be operating a hog farm. He said staff correspondence included language that states many trees were cut.

Commissioner Hall recalled the original hearing where the word undisturbed was not stated in the motion, although it was written on documentation. He disclosed a visit to the property and noted his observations at that time. Commissioner Hall motioned to approve the amendment that the existing master plan, the plat terms and conditions be amended to allow for removal of dead, dying and diseased or naturally fallen trees within the 25 foot undisturbed buffer based on a written recommendation and determination by a certified arborist with the North Carolina Forestry Service prior to approval from the county. The Board may also wish to consider replacement requirements for the trees. The motion died for lack of second.

Commissioner Payment moved to deny the applicant's request for the amendment. The motion was seconded by Commissioner Gilbert. The motion passed with a vote of 5-1, with Commissioner Hall opposed.

Memorandum

To: Board of Commissioners
From: Planning Staff
Date: November 13, 2017
Re: University Park - Amended Master Plan and Terms & Conditions Document

The applicant is requesting to amend the master plan and terms and conditions document for University Park regarding the 25' undisturbed vegetative buffer along the western property line. The applicant is asking to maintain the vegetative buffer by being allowed to remove fallen, dead, or diseased trees from the buffer.

Upon advice of the NC Forest Service (See Attached Memo), staff supports this request as it is consistent with other tree maintenance regulations in the UDO. For example, Section 7.2.3 Protection of Heritage Trees exempts the following activities:

- The removal of dead or naturally fallen trees;
- The removal of diseased trees posing a threat to adjacent trees;

Staff is requesting that the proposed language be amended by adding the following bold and underlined language to clarify that the tree experts would designate trees for removal and not county staff. Staff will still document the expert's findings with photos prior to removal:

“That the existing Master Plan and Plat Terms and Conditions be amended to allow for the removal of dead, dying, diseased, or naturally fallen trees within the 25' undisturbed buffer based on written recommendation **and delineation** by a certified Arborist or the NC Forrest Service and prior approval from the county.”

Finally, the board may also wish to consider replacement requirements for trees removed. For example, “Removed trees shall be replaced at a 1:1 ratio with trees recommended for use in Currituck County as called out in the Administrative Manual.”

RESOLUTION

WHEREAS, THE Board of Commissioners of the County of Currituck, North Carolina during its regularly scheduled meeting authorized the following, pursuant to G.S. 160A and 270(b) that the property listed below will be sold at auction, negotiated sale or will be disposed of if not sellable.

4. Job Description Revision-Customer Service Representative, Water & Wastewater Div.

C) Commissioner's Report

Commissioner Hall attended a Veterans Day event at the American Legion and thanked them for the invitation. He cautioned everyone to drive safely over the holiday season.

Commissioner White discussed two recent articles, one about the state seeking internet connectivity and the other about federal grant money available for expansion of internet service. He also wished everyone safe travel over the holiday.

Commissioner Gilbert announced the county parade will be held December 1st. She wished everyone a safe and blessed holiday.

Commissioner Etheridge wished everyone a Happy Thanksgiving and reminded us to be thankful for our great country.

Commissioner Payment encouraged citizens to attend Tuesday night's meeting in the Board Room at 7 PM to discuss the county's 350th anniversary celebration preparations. He asked citizens to support local fire stations through participation in the auxiliaries or volunteering. He wished everyone a Happy Thanksgiving.

Chairman Hanig wished all a Happy Thanksgiving.

D) County Manager's Report

Mr. Scanlon reported that there are maps showing internet coverage in Currituck County but they are incorrect. He said people can find their location on the map, which will be posted on the county website, and enter whether their residence has coverage or not. Mr. Scanlon said this action will make the maps more accurate and can help the county to secure grant funding for internet expansion.

**AN ORDINANCE OF THE CURRITUCK COUNTY BOARD OF
COMMISSIONERS AMENDING SECTIONS 10-57, 10-62, 10-63, 10-64 AND
10-129 OF THE CURTITUCK COUNTY CODE OF ORDINANCES
REGULATING DRIVING AND CERTAIN USES ON THE COUNTY'S
OCEAN BEACH**

WHEREAS, pursuant to N.C. Gen. Stat. §153A-121 a county may by ordinance define, regulate, prohibit, or abate acts, omissions, or conditions detrimental to the health, safety, or welfare of its citizens and the peace and dignity of the county; and

WHEREAS, pursuant to N.C. Gen. Stat. §153A-145.3 a county may, by ordinance, define, prohibit, regulate, or abate acts, omissions, or conditions upon the State's ocean beaches and prevent or abate any unreasonable restriction of the public's right to use the State's ocean beaches; may regulate, restrict, or prohibit the placement, maintenance, location or use of equipment, personal property, or debris upon the State's ocean beaches; and may otherwise enforce any ordinance adopted pursuant to this section or any other of provision of law upon the State's ocean beaches located within the county's jurisdictional boundaries; and

WHEREAS, pursuant to Section 1 of Chapter 875 of the 1985 Session Laws the county may by ordinance regulate, restrict, and prohibit the use of dune or beach buggies, jeeps, motorcycles, cars, trucks, or any other form of power-driven vehicle specified by the county's governing board on the foreshore, beach strand and barrier dune system.

NOW, THEREFORE, BE IT ORDAINED by the Board of Commissioners for the County of Currituck, North Carolina as follows:

PART I. The Code of Ordinances, Currituck County, North Carolina is amended by rewriting Section 10-57 of the Code of Ordinances to read as follows:

Sec. 10-57. - Registration; plates; decal.

Any vehicles, motorcycles or motor vehicles operated on the Outer Banks shall be registered and have current license plates and an inspection decal for the state in which the vehicle is registered. This section shall be effective ~~for~~ from the Dare County line to the ~~southside~~ North Beach Access Ramp at North Beach Access Road Virginia state line.

1 PART II. The Code of Ordinances, Currituck County, North Carolina is amended
 2 by rewriting Section 10-62 of the Code of Ordinances to read as follows:

3 **Sec. 10-62. - Blocking foreshore.**

4 (a) No person shall block the foreshore in such a manner that would prohibit
 5 vehicular travel along the foreshore. This paragraph shall not apply between 9:00
6 a.m. and 5:00 p.m. from the Friday before Memorial Day to Labor Day in that area
7 one and one-half miles north of the north beach access ramp to Mile Post 17.

8 (b) All vehicles parked on the beach strand shall be parked in the middle of the
9 beach strand area east of the dune line and west of the hard packed sand strip
10 adjacent to the water's edge such that vehicular traffic may pass without
11 obstruction adjacent to the dune line and, except between 9:00 a.m. and 5:00 p.m.
12 from the Friday before Memorial Day to Labor Day in the area extending one and
13 one-half miles north of the north beach access ramp to Mile Post 17, adjacent to the
14 water's edge. There shall be no lawn chairs, coolers, fishing lines or any other items
15 allowed to block blocking the beach strand in any manner that would restrict
16 vehicular movement in a north-south direction along the dune line, or There shall
17 be no lawn chairs, coolers, fishing lines or any other items blocking the foreshore in
18 any manner that restricts public safety and emergency response vehicular
19 movement in a north-south direction along the water's edge.

20
 21 (c) Notwithstanding paragraphs (a) and (b) of this section, no vehicle shall travel
22 in the area extending one and one-half miles north of the north beach access ramp
23 to Mile Post 17 in a north or south direction between 9:00 a.m. and 5:00 p.m. from
24 the Friday before Memorial Day to Labor Day except in an area bounded on the
25 west by the toe of the dune line and extending eastward to the middle of the beach
26 strand. This section shall not apply to public safety and emergency response motor
27 vehicles.

28
 29 (e) (d) No vehicle of any type shall be allowed to be parked on the beach strand in
 30 an area extending from the north beach access ramp northward for one-half mile.
 31 Violators shall be towed.

32
 33 PART III. The Code of Ordinances, Currituck County, North Carolina is amended
 34 by rewriting Section 10-63 of the Code of Ordinances to read as follows:

35 **Sec. 10-63. - Restricted areas.**

36 (a) Where there is an improved all-weather road, dedicated to public use, and
 37 running generally north and south and parallel to the beach strand, all vehicles,
 38 mopeds, motorcycles or motor vehicles on the foreshore and beach strand are
 39 prohibited between May 1 and September 30. This section shall apply specifically
 40 to, but is not limited to, the foreshore and beach strand extending from the Dare

1 County line to the north side of the North Beach Access Ramp at North Beach
2 Access Road.

3 (b) All commercial activities involving motor vehicles, mopeds and horses shall be
4 prohibited from operating on the beach foreshore and the beach strand. This
5 includes vehicles used to tow hang gliders.

2 PART IV. The Code of Ordinances, Currituck County, North Carolina is amended
3 by rewriting Section 10-64 of the Code of Ordinances to read as follows:

4 **Sec. 10-64. - Permit system (county residents and property owners only).**

5 (a) This section shall be applicable for those areas of Currituck County, including,
6 but not limited to, the beach strand and foreshore areas, located from the
7 Dare/Currituck line to the North Carolina/Virginia line.

8 (b) County residents and property owners desiring to operate a moped, motorcycle
9 or off-road vehicles, including but not limited to, all terrain vehicle ("ATV") , utility
10 vehicle, recreational off-highway vehicle, multipurpose off-highway utility vehicle,
11 or other off-road vehicle, ("ORV"), on the areas covered by this section shall obtain a
12 permit from the county manager or his designated representative. Permits may be
13 obtained at the satellite office in Corolla or at the county manager's office during
14 normal business hours and at such other times and places as may be designated by
15 the county manager.

16 (c) County residents may obtain at no fee a maximum of two annual permits for
17 operation of a moped, motorcycle or ORV owned by them upon making application
18 as provided in subsection (b) above and upon showing proof of liability insurance
19 and ownership on for the ATV moped, motorcycle or ORV. Non-resident property
20 owners may obtain at no fee a maximum of two annual permits for operation of a
21 moped, motorcycle or ORV owned by them per lot, tract or parcel of property upon
22 making application as provided in subsection (b) above and showing proof of
23 liability insurance and ownership on for the ATV moped, motorcycle or ORV.
24 Liability insurance coverage on the ATV moped, motorcycle or ORV shall be
25 maintained continuously throughout the term of the permit.

26 (d) County residents and property owners, operating mopeds, motorcycles or
27 ATV's ORV's shall ensure that these vehicles have a valid permit prominently
28 displayed at all times while operating, or parked, or being trailered on the
29 Currituck County banks, beach foreshore or beach strand.

30 (e) Any sworn law enforcement officer with jurisdiction is authorized to take
31 possession of any permit issued pursuant to this section upon expiration,
32 revocation, cancellation, or suspension thereof, or which is fictitious, or which has
33 been unlawfully or erroneously issued, which has been unlawfully used or upon
34 issuance of citation for violation of section 10-59 of this Code. Any law enforcement
35 officer who seizes a permit pursuant to this section shall report the seizure to the
36 county manager's office within 48 hours of the seizure and shall return the permit
37 to the county manager's office within seven business days of the seizure.

38 (f) The county manager or county manager's designee shall refuse issuance of an
39 permit under this section for a period of one year following seizure of a permit by a
40 law enforcement officer pursuant to this section.

1 (g) An appeal of seizure of a permit under this section shall be made to the county
 2 manager by filing a written notice of appeal, specifying with particularity the
 3 grounds upon which the appeal is made, no later than ten days from the date of the
 4 permit seizure. The county manager or county manager's designee shall fix a
 5 reasonable time for the hearing of the appeal, shall give due notice to all parties and
 6 shall render a decision within a reasonable time.

7 (h) The county manager is directed and authorized to establish forms, procedures,
 8 and directives as may be required to implement this permit system and ensure that
 9 it is run in an effective, safe, and fair manner.

11 PART V. The Code of Ordinances, Currituck County, North Carolina is amended by
 12 rewriting Section 10-57 of the Code of Ordinances to read as follows:

13 **Sec. 10-129. - Unattended property on beach.**

14 (a) It shall be unlawful for any person to leave unattended between the hours of
 15 sunset and sunrise any property, including, but not limited to, volleyball,
 16 badminton and tennis nets, poles, tents, horseshoe stakes, croquet courses, grills,
 17 umbrellas and recreational equipment, cabanas, canopies, or any other personal
 18 property items on the beach. All property unattended and remaining on the beach
 19 strand between sunset and sunrise shall be considered litter and may be subject to
 20 removal and disposal.

21 (b) This section does not apply to life guard stands and or accessory uses
regulated by the Currituck County Unified Development Ordinance containers for
 22 storage of rental items intended for use on the beach strand if the containers are:

24 (1) placed at the toe of the dune line;

25 (2) do not exceed four feet in height, four feet in width and
 26 eight feet in length;

27 (3) are approved annually by a property owners association of a planned
 28 unit development community adjacent to the Atlantic Ocean or that is the
 29 owner of a portion of the beach strand; and

30 (4) do not contain signage exceeding eight square feet in size.

31

32 PART VI. Severability. All ordinances or parts of ordinances in conflict with this
 33 ordinance are hereby repealed. Should a court of competent jurisdiction declare this
 34 ordinance or any part of this ordinance to be invalid, such decision shall not affect
 35 the remaining provisions of this ordinance or the Code of Ordinances of the County
 36 of Currituck, North Carolina.

37

Memorandum

To: Board of Commissioners
From: Planning Staff
Date: November 13, 2017
Re: University Park – Amended Master Plan and Terms & Conditions Document

The applicant is requesting to amend the master plan and terms and conditions document for University Park regarding the 25' undisturbed vegetative buffer along the western property line. The applicant is asking to maintain the vegetative buffer by being allowed to remove fallen, dead, or diseased trees from the buffer.

Upon advice of the NC Forest Service (See Attached Memo), staff supports this request as it is consistent with other tree maintenance regulations in the UDO. For example, Section 7.2.3 Protection of Heritage Trees exempts the following activities:

- The removal of dead or naturally fallen trees;
- The removal of diseased trees posing a threat to adjacent trees;

Staff is requesting that the proposed language be amended by adding the following bold and underlined language to clarify that the tree experts would designate trees for removal and not county staff. Staff will still document the expert's findings with photos prior to removal:

"That the existing Master Plan and Plat Terms and Conditions be amended to allow for the removal of dead, dying, diseased, or naturally fallen trees within the 25' undisturbed buffer based on written recommendation and delineation by a certified Arborist or the NC Forrest Service and prior approval from the county."

Finally, the board may also wish to consider replacement requirements for trees removed. For example, "Removed trees shall be replaced at a 1:1 ratio with trees recommended for use in Currituck County as called out in the Administrative Manual."

Dear Mr. Bibeau:

On June 20, 2017; Camden Assistant County Ranger Dillon Carraway and myself examined your buffer strip of standing timber located behind University Park Townhomes near Harbinger. The purpose of my examination is to determine the best management needs for your timber per your objectives; which is to manage healthy trees and safety for the residence in accordance to Currituck County's building permit buffer rules.

My understanding is, this buffer has a no cut zone policy to provide a natural screen for filtration and privacy. This natural mixed hardwood / pine has quite a few dead snags, leaning trees, and old rotten logs laying on the ground. These trees are a hazard for continual growth of the existing trees and safety to the townhomes and people that live there. There is also a lot of new natural regeneration of pines and hardwoods that are appearing on the ground floor, for them to be able to grow; the dead stags, leaners or down trees need to be removed. This will open the tree canopy to provide more sunlight and rain for the new seedlings. These seedlings are your future trees when the others die or get destroyed by the next Nor'easter or Hurricane. These weak, stressed or dead trees will also attract insects and diseases that will later prey on the other trees that occupy this buffer.

My recommendation is to remove any badly leaning or dead (standing or on the ground) trees to promote a healthier and safer buffer zone. If the zone is not properly taken care of then the original intent of the purpose of the zone will not be accomplished.

Minutes – Regular Meeting of the Board of Commissioners

WORK SESSION

1. 5:00 PM North Carolina Association of County Commissioners-Amy Bason, Executive Director and General Counsel

The Board of Commissioners attended a work session at 5:00 PM in the Historic Courthouse Conference Room for an informational presentation from Executive Director, Kevin Leonard, and Deputy Director, Amy Bason, of the North Carolina Association of County Commissioners (NCACC). Using a powerpoint, an overview of the association's leadership structure and services were reviewed. Roles of the Executive Board and committees, and Presidential initiatives were discussed. Mr. Leonard and Ms. Bason provided a history of the association which was established to advocate for the common needs of all counties in North Carolina. The legislative goals process, additional member services, and upcoming meetings, events and conferences were presented. Mr. Leonard and Ms. Bason responded to questions and thanked the Board of Commissioners for their membership, noting Currituck has been a member since 1998 and utilizes several services provided by the NCACC. The work session concluded at 5:50 PM.

PUBLIC COMMENT

Please limit comments to matters other than those appearing on this agenda as a Public Hearing. Public comments are limited to 3 minutes.

Chairman Hanig opened the Public Comment period.

Doris Flora, Moyock, discussed the County's pedestrian plan which suggests putting sidewalks along NC 168 in Moyock. Concerned with safety, she said traffic goes too fast and she has recently had three cars run off the road and into her yard. She said sidewalks on the highway would be dangerous.

Don Hufnagle, a Carova Beach resident, expressed concerns with changing the beach driving ordinance to require drivers on the four-wheel drive beach to travel in the soft sand during the summer. He asked that citizens be allowed to provide input prior to initiating changes and presented data gathered from an on-line petition. A copy of a letter, previously forwarded to the Board, was submitted to the clerk for the record.

John Howland, a Carova Beach property owner and President of the Northern Currituck Outer Banks Association, also voiced safety concerns with the proposed change. He talked about some of the other proposed changes and asked the Board to table the item to allow for more community input. He submitted a copy of a letter, previously forwarded to the Board, for the record.

Denise Khouri, North Swan Beach property owner, Vice President of the North Swan Beach Property Owners Association, and fire department volunteer, referred to a letter forwarded earlier to Commissioners. As a representative speaking for the Carova Beach Volunteer

Fire & Rescue, she said they oppose the changes to the ordinance. She cited safety issues related to emergency response and submitted a copy of the letter for the record.

Jane Overstreet, a resident of the four-wheel drive beach, spoke on behalf of Rufus Baldwin, a milepost 17 property owner, stating he owns to the water mark and if the change is implemented it will require vehicles to drive over his property. She also expressed concerns with vehicular safety at the main access ramp to Swan Beach, which is located at milepost 17.

Debbie Davis, a resident of North Swan Beach and Lieutenant/Training Officer with the Carova Beach Volunteer Fire and Rescue, also had safety concerns and suggested traveling in the soft sand would increase car fires and result in additional wear and tear on vehicles. She said ambulances won't be able to go through the deep ruts. Ms. Davis discussed implementing a permit system to limit and control the number of people on the four-wheel drive beach.

Donnie Tadlock, Carova Beach Volunteer Fire and Rescue Assistant Fire Chief, agreed with prior comments and expressed his concerns with driving at the dune line. He also spoke in support of a permit system.

Gary Smith, Corolla Surf Shop and Corolla Surf School, also agreed with previous speakers related to four-wheel drive area. He discussed the proposed change to the commercial beach driving section of the ordinance and asked the Board to hold off on adoption, believing a better alternative could be worked out.

Michael Cherry, a Corolla resident, asked Board to reconsider the commercial beach driving and beach box ordinance sections being revised. He said the current ordinance is the most fair for all. He asked that a Planned Unit Development (PUD) who owns beachfront property be allowed to have beach storage boxes.

Casey Powell, Nags Head, agreed with prior speakers related to driving at the dune line and suggested there would be ecological impacts to doing so. She said she was confused as to why the change was proposed.

Glenda Howland pointed out driving at the dune line with the high volume of people like never before may result in catastrophe, citing dangerous conditions with vehicles and horses. She asked the Board to think about the change.

Sam Wise, owner of a wild horse tour company, supported earlier comments and asked that the Board allow business owners and citizens to become part of the conversation.

No one else was signed up nor wished to speak. Chairman Hanig closed the Public Comment period.

NEW BUSINESS

A. An Ordinance of the Currituck County Board of Commissioners Amending Sections 10-57, 10-62, 10-63, 10-64 and 10-129 of the Currituck County Code of Ordinances Regulating Driving and Certain Uses on the County's Ocean Beach

County Attorney, Ike McRee, reviewed the revisions proposed within the Ordinance, affecting specific sections related to driving on the four-wheel drive beach, commercial beach driving and the all-terrain vehicle permit system. During review, Mr. McRee responded to some of the concerns raised by residents and property owners regarding public safety and emergency vehicle travel. He addressed a code enforcement sweep of the area that resulted in citations being issued for violations related to the junk car ordinance and parking of vehicles on unimproved lots. He said a text amendment would be presented to the Board which would allow the parking of motor vehicles that are properly registered and inspected as required by North Carolina law.

During discussion, Mr. McRee responded to Board questions and clarified some of the language in the ordinance. He said an earlier version of the ordinance was posted in the agenda packet but the document being reviewed included some minor revisions and had not been published. He reviewed the definition of a public trust area, and said driving on the dune line would not violate any personal property rights. Mr. McRee responded to additional questions related to vehicle registration requirements and definitions, and reviewed provisions related to the county's authority, as a public vehicular area, to regulate driving on the beach.

Commissioners said the driving revisions were to address public safety and would provide for emergency vehicle travel at the foreshore on the hard-packed sand. To address vehicles getting stuck at the dune, the Board suggested that education and proper airing down of tires will help to reduce that number. The Board stressed they can quickly repeal the ordinance if the changes cause too much difficulty. Enforcement, the possible institution of a permit system, and other safety measures such as signage and pedestrian dune walkovers were discussed.

Chairman Hanig said the county will have air-down and air-up locations and a parking permit system in place before next season. He said the Board will monitor the affects of the changes and will act accordingly if adjustments are needed. He confirmed the commercial beach driving provision allowing for beach equipment setup and drop off has been in place for two and a half years, before which items were carried over the dune line for the customer. Beach storage boxes were discussed.

Commissioner Gilbert moved to table to the next meeting so the ordinance can be publicized with the corrections in print. The motion was seconded by Commissioner Hall. The motion failed with a vote result of 3 in favor, 4 opposed. Commissioners Hall, Gilbert and Payment voted in favor and Chairman Hanig and Commissioners Beaumont, Etheridge, and White were opposed.

Commissioner White moved to approve with staff bringing the ordinance back to the Board with verbiage as stated by Mr. McRee for Section 10-62(c) that this section shall not apply to public safety and emergency response vehicles; and a revised traffic pattern to shift at the beginning of the parking area located one and one half miles north of the North Beach Ramp.

The motion was seconded by Commissioner Beaumont. Voting in favor were Chairman Hanig and Commissioners Beaumont, Etheridge, Payment and White. Commissioners

Gilbert and Hall voted opposed.

The ordinance passed its first reading with a 5-2 vote and would return for its second reading at the next meeting, at which time the ordinance may pass by a simple majority vote.

After the vote, Chairman Hanig called a brief recess to allow time for several attendees to exit the Board room. The Chairman reconvened the meeting at 7:35 PM.

AN ORDINANCE OF THE CURRITUCK COUNTY BOARD OF COMMISSIONERS AMENDING SECTIONS 10-57, 10-62, 10-63, 10-64 AND 10-129 OF THE CURRITUCK COUNTY CODE OF ORDINANCES REGULATING DRIVING AND CERTAIN USES ON THE COUNTY'S OCEAN BEACH

WHEREAS, pursuant to N.C. Gen. Stat. §153A-121 a county may by ordinance define, regulate, prohibit, or abate acts, omissions, or conditions detrimental to the health, safety, or welfare of its citizens and the peace and dignity of the county; and

WHEREAS, pursuant to N.C. Gen. Stat. §153A-145.3 a county may, by ordinance, define, prohibit, regulate, or abate acts, omissions, or conditions upon the State's ocean beaches and prevent or abate any unreasonable restriction of the public's right to use the State's ocean beaches; may regulate, restrict, or prohibit the placement, maintenance, location or use of equipment, personal property, or debris upon the State's ocean beaches; and may otherwise enforce any ordinance adopted pursuant to this section or any other of provision of law upon the State's ocean beaches located within the county's jurisdictional boundaries; and

WHEREAS, pursuant to Section 1 of Chapter 875 of the 1985 Session Laws the county may by ordinance regulate, restrict, and prohibit the use of dune or beach buggies, jeeps, motorcycles, cars, trucks, or any other form of power-driven vehicle specified by the county's governing board on the foreshore, beach strand and barrier dune system.

NOW, THEREFORE, BE IT ORDAINED by the Board of Commissioners for the County of Currituck, North Carolina as follows:

PART I. The Code of Ordinances, Currituck County, North Carolina is amended by rewriting Section 10-57 of the Code of Ordinances to read as follows:
