Step 1 Application Submittal

The applicant must submit a complete application packet. A complete application packet consists of the following:

- Completed Currituck County non-residential building permit application.
- Construction Plans and Specifications
- Site Plans reviewed by Planning staff, TRC, and/or Board of Commissioners (as applicable).
- Contractor of Record Form
- Contractor and/or Owner Affidavit
- Wastewater Improvements Permit, Existing System Inspection, or Wastewater Reservation
- Receipt of paid water tap or Well Permit, if required
- CAMA Permit, if required
- V Flood Zone certificate, if required
- Appointment of Lien Agent, if required
- Submittal Checklist

Step 2 Permit Review

The county staff will review the application for completeness and code compliance. Once all requirements are met and permit fees are paid the permit will be issued. The permit fee will be determined at application submittal. Approved permits must be signed by the owner or applicant.

Step 3 Posting of Permit and Plans

Building permits must be posted at the construction site and clearly visible from the road. One set of approved construction plans must be on the jobsite for all inspections.

Step 4 Inspections

Inspections must be scheduled by 3:00 pm the day before the requested inspection. Inspections are performed between 8:00 am and 5:00 pm, Monday through Friday. The required inspections will vary for each project; please review the Inspection Handbook for inspection types.

Appointment of Lien Agent

Pursuant to North Carolina General Assembly Law 2012-158

North Carolina law requires an owner or contractor acting on the owner's behalf to appoint a lien agent when they first contract for improvements to real property. A lien agent is not required for the following:

- a. Improvements less than \$30,000 at the time the original building permit is issued;
- b. Improvements to an existing single family residential dwelling as defined in GS 87-15.5 (7) that is used by the owner as a residence;
- c. The first furnishing of labor or materials at the site is prior to April 1, 2013; or,
- d. Public building or other public work or public improvements.

A website was created to facilitate the filings of appointments of lien agents and filing of notices to lien agents by potential lien claimants at www.liensnc.com. When an owner or contractor acting on the owner's behalf appoints a lien agent through the LiensNC system, it will generate an Appointment of Lien Agent document or form for the property and project. The document will include:

- Designated lien agent and contact information
- Unique entry or identifying number for the project
- Owner and contact information
- Contractor
- Instructions for the owner and/or contractor to post at the property and provide to the permitting office
- QR Code for easy access to the property information in the LiensNC system

NOTICE: A copy of the Appointment of Lien Agent form or document printed from the LiensNC website can be included in the building permit application submittal in lieu of this form and must be posted at the job site.
