 Will the natural contour of the property be modified by grading or filling higher than adjacent grades? Yes No
 (If yes, stormwater plan required for development).

The permit is null and void if work or construction authorized under this permit is not commenced within 6 months, after commencement of work no required inspection is requested and approved within any 12-month period, or for substantial deviations from plans. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of the permit does not presume to give authority to violate other state or local laws regulating construction or the performance of construction.
