district.	PB 20-06	June 22, 2020		
PB 20-08 June 22, 2020 Minor Subdivision Access Standards				
	PB 20-08	June 22, 2020	Minor Subdivision Access Standards	

Modified the UDO to clarify that Family Subdivisions may front an NCDOT-maintained street and that private access streets shall connect to an NCDOT-maintained street.

PB 20-03 June 22, 2020 Miscellaneous

Modified the UDO to change Planning Board quorum requirement from 5 members to 4 members. Codified the Administrative Manual requirement that a NC licensed surveyor, engineer, or architect must prepare a site plan for lots 20,000 square feet or smaller. Modified the UDO to require an As-Built Survey for development of principal structures on lots 40,000 square feet or smaller. Modified the UDO to clarify the metal siding prohibition in Business Zoning Districts. Removed redundant parking language for Bed and Breakfast Inns. Corrected language regarding allowable accessory uses prior to principal uses in the SFR zoning district to be consistent with the motion approved at the December 4, 2017 BOC meeting. Modified the UDO to allow the keeping of specific livestock as an accessory use in AG, SFM and SFI zoning districts subject to specific standards. Revised the term Sludge to Biosolids and amended the permit requirements for Land application of Biosolids and Septage as permitted by right subject to a permit from the appropriate agency to bring consistency with recent court decisions. Modified the UDO to include the Home Occupation definition in the specific standards.

Removed the minimum square footage for Accessory Dwelling Units to be consistent with State Law Session 2019-174 that prohibits a minimum square footage designation. Changed the reference from "Private Residence" to "Single Family Dwelling" for Certain Temporary Uses. Removed the Reserve Utility Open Space requirement. Revised the term "certified check to cashier's check".

PB 20-15 November 2, 2020 Agricultural Retail Facilities

Modified the UDO to allow large outdoor display and storage areas and display areas not directly adjacent to the principal structure, for agricultural support and services uses. Defined Agricultural Retail Facilities.

PB 20-17 January 4, 2021 Housekeeping

Corrected the Summary Use Table for Agricultural Support and Services, Wind Energy Facility, large and Outdoor Tour Operators, Aviation for Planned Developments as adopted by the Board of Commissioners.

PB 20-19 February 1, 2021 Non-Residential Minor Subdivisions

Modified the UDO to simplify the approval process, design standards, and defer infrastructure installation for non-residential development containing three or fewer lots.

PB 21-01 March 1, 2021 Multi-Family Townhouse Stormwater

Modified the UDO to amend stormwater requirements for Type 1 Major Subdivision of a multi-family townhouse development.

PB 21-05 April 5, 2021 PUD Open Space

Modified the UDO to allow construction of a law enforcement, fire and EMS facility on county-owned land designated as open space within a Planned Unit Development.

PB 21-08 June 7, 2021 Off-site RV Storage

Modified the UDO to allow one off-site storage area for uses primarily involving the sales or rental of recreational vehicles or travel trailers.

PB 21-09 June 7, 2021 NCGS 160-D

Modified the UDO for compliance with North Carolina General Statues Chapter 160-D that consolidated city and county enabling legislation, changed TRC "recommendation" to "review and comment" for special use permits and type II preliminary plats, changed "Planning Director" to "Director", changed "Planning and Community Development Department" to "Development Services Department"

PB 20-12	July 19, 2021	Shared Parking of Major Recreational
PB 20-12	July 19, 2021	Equipment in Major Subdivisions

Modified the UDO to allow shared parking of major recreational equipment as an accessory use in major subdivisions subject to specific standards.			
PB 21-12	August 2, 2021	Preliminary Plat Extension	
Modified the UDO to allow for a preliminary plat approval to be extended when a committed county utility cannot be provided.
