Step 1: Application Submittal and Acceptance

A zoning compliance permit is required for a change in use or commencement of an activity that does not require any other specific permit as listed in the Unified Development Ordinance (UDO). The applicant must submit a complete application packet consisting of the following:

Submitted on a USB flash drive or a compact disc (CD):

- Completed Currituck County Zoning Compliance Permit Plan Application.
- Site plan drawn to scale, if applicable. The plan shall include the items listed in the zoning compliance permit site plan design standards checklist.
- Any other documentation deemed necessary by the administrator.

Applicable Fee:

- \$25 - Residential
- \$50 – Commercial

Upon receiving an application, staff shall determine whether the application is complete or incomplete. A complete application contains all the information and materials listed above and is in sufficient detail to evaluate and determine whether it complies with appropriate review standards. If an application is determined to be incomplete, the applicant may correct the deficiencies and resubmit the application for completeness determination. Failure to resubmit a complete application within 45 calendar days after being determined incomplete will result in the application being considered withdrawn. Applicants may submit applications for a site plan and building permit concurrently.

Step 2: Staff Review and Action

Once an application is determined complete, it will be distributed to appropriate staff. Staff shall review and prepare a written report that will include any outstanding concerns about the application. The applicant must address any outstanding concerns for approval. Staff shall approve, approve subject to conditions, or disapprove the application. Conditions of approval shall be limited to those deemed necessary to ensure compliance with the standards of the UDO.
